

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

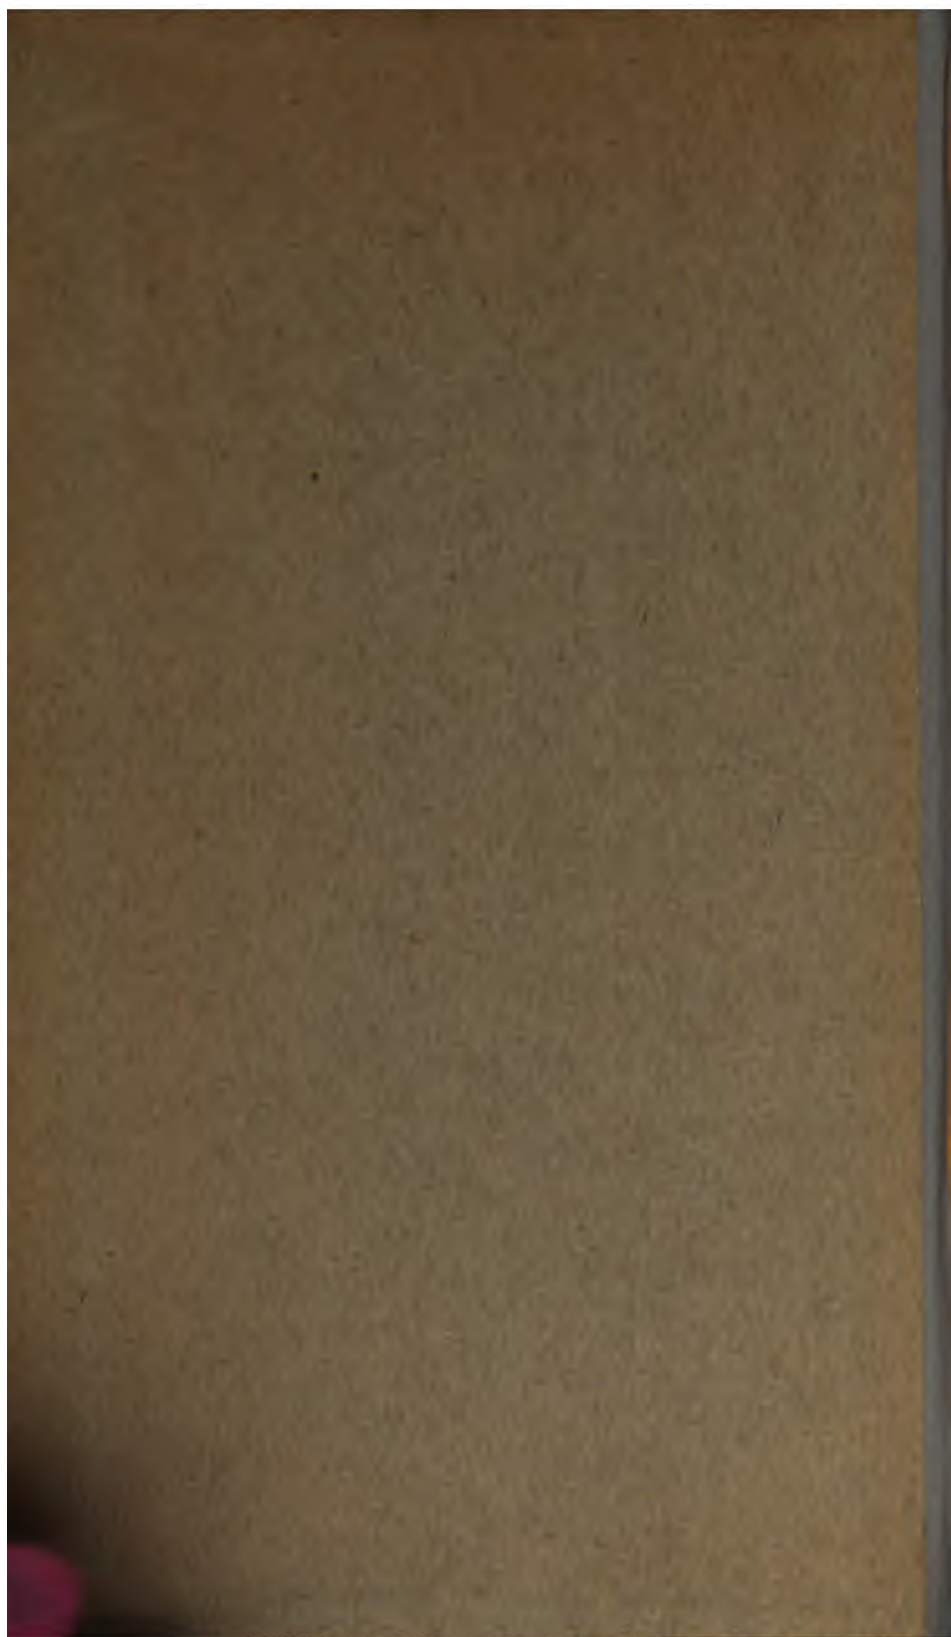

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

The Reports of the Committees of the Convention being in order, Mr. C. C. Trowbridge, Secretary of the Standing Committee, presented and read the Report of the Committee.

REPORT OF THE MISSIONARY COMMITTEE.

Agreeably to Canon, the Secretary of the Diocesan Missionary Committee respectfully reports:

That that the sum in the Treasury of the Committee on the 6th	
June, 1867, was.....	\$ 638 52
The amount received during the conventional year.....	3,908 39
	\$4,546 91
The amount paid to Missionaries.....	3,204 78
To balance in the Treasury.....	\$1,352 13

The Missionaries at present receiving aid from the Committee are : Rev. William N. Lyster, at Brooklyn, Jackson county and Cambridge, Lenawee county ; Rev. Darius Barker, Missionary at large in Van Buren county ; Rev. Milton Ward, at Mount Clemens and New Baltimore, in Macomb county ; Rev. Joseph B. Prichard, at St. Clair, in St. Clair county ; Rev. V. Spalding, at Dexter, in Washtenaw county ; Rev. Daniel E. Brown, at Saranac, in Ionia county ; Rev. Albert C. Lewis, at Howell and Hamburg, in Livingston county ; Rev. Osgood E. Fuller, at Fentonville and parts adjacent, in Genesee county ; Rev. S. S. Chapin, at St. Johns, in Clinton county ; Rev. J. Rice Taylor, at Holland and Saugatuck, in Ottawa and Allegan counties ; Rev. Henry Banwell, at Lansing, in Ingham county ; Rev. Joseph W. Bancroft, at Hastings, in Barry county ; Rev. Gerrit E. Peters, at Detroit and Springwells, in Wayne county ; Rev. William G. Stonex, at Albion, in Calhoun county ; Rev. Abraham B. Flower, at Linden and parts adjacent, in Genesee county ; Rev. Henry J. Brown, M. D., at Elk Rapids, in Grand Traverse county ; Rev. Alexander H. Rogers, at Three Rivers and Mendon, in St. Joseph county ; in all, seventeen.

The Secretary would further report : that agreeably to the recommendation of the Convention of 1867, the Missionary Committee, in conjunction with and under the direction of the Bishop, have successfully continued the semi-annual Diocesan Missionary meetings of the previous year. The Fall meeting was held in Trinity Church, Marshall, the Spring meeting in St. John's, Saginaw City, each "occupying two entire days" and drawing together a large number of our working clergy and goodly congregations of the people. Careful arrangements, made in advance by the Bishop and the Committee, hearty co-operation on the part of the Rectors and Parishes concerned, and willing, as well as often exceedingly able fulfilment of their respective appointments by the clergy summoned to take part in the work, have made these meetings a powerful agency for good within this Diocese, and it is believed of some value by way of example and stimulus to other Dioceses.

The balance in the treasury of the Missionary Committee is greater than usual, in consequence of the removal of several missionaries from their respective fields of labor, and the inability of the Bishop to procure suitable persons to supply their places : But the Committee would not have the Convention infer from this state of the treasury, which is purely accidental and exceptional, that it is unnecessary to increase our efforts to augment the sum to be placed at the Committee's disposal for the next conventional year. Never were the Committee more deeply impressed with the necessity of an addition to the church's force of godly, earnest, self-denying preachers of the gospel, than at this time.

Every part of our land, east, west, north and south, is sending out the Macedonian cry, "come over and help us"; and no part of the country is in greater need than our own Diocese, whose population is increasing with a rapidity, which, in respect to religion, is fearful; because it comes in under the pressure of urgent material wants, which for the time seem to pre-occupy the thoughts and demand all the means of the emigrant. This class of our population ought to be closely followed by the Missionary of the Cross, who should be on the ground in season to bend the twig of religious sentiment and mould the young settlements into *nuclei* for the reception of the saving truths of the gospel.

If we really believe, as it is hoped we all do, that the church is the "pillar and ground of the truth," it is our bounden duty, in our respective spheres of action, and to the extent of our actual ability, to aid in every lawful effort to diffuse its heavenly teachings. Upon the laity rests the responsibility of furnishing the means of support to those godly men who have renounced all worldly advancement and consecrated themselves to Christ in the work of the ministry of the gospel. By the last annual report there were 4,890 communicants in the Diocese. There are probably nearly 5,500 now. Among the 73 parishes there were 17 containing 519 communicants, or more than one tenth of the whole, which gave nothing to Diocesan Missions; and the rate in contributing parishes was very irregular, some giving fifteen cents per communicant, and one more than two dollars. It appears to the Committee that there must be some defect in parish work, when it contributes nothing or almost nothing to the great cause of Missions, and that it is reasonable to suppose that an average of two cents a week, or about a dollar a year from each communicant could be obtained if a systematic plan of weekly offerings were established and adhered to in every parish. This would give the Committee about six thousand dollars for the next Conventional Year. Experience proves the value of systematic and organized effort. The people learn the habit of giving and the results often agreeably surprise their Pastor and themselves.

I am instructed by the Committee to suggest to all parishes in which they have not already adopted some regular plan of contributing for church purposes extra to their own parish, that they enter upon the experiment at once.

Respectfully submitted,

June 10, 1868.

P. E. DEMILL,

Treas. Diocese of Mich.

The Treasurer would most respectfully report, that during the past year he has not been able to comply with the several resolutions of the Convention, and *pay* as therein required, for the want of funds. The Standing Committee of the last Convention on assessment made a report which was adopted, assessing the Parishes in the sum of \$1,781 00; the Convention passed a resolution "to pay this sum *quarterly in advance* on and after the 1st of July next." *Trinity Church, Marshall, is the only Parish in the Diocese that has complied with the resolution.* If all Parishes

were to do likewise there would be no necessity to put off the payment of the necessary demands upon the Treasury, or to remind the Parishes of the non-payment of their assessments by word.

Respectfully submitted,

P. E. DEMILL, *Treasurer.*

On motion accepted, and referred to the Standing Committee on the Accounts of the Treasurer of this Convention.

Mr. P. E. DeMill, Treasurer of the Fund for the Benefit of the Aged and Infirm Clergy and for the Relief of the Widows and Orphans of Clergymen, presented and read the Report as follows :

P. E. DEMILL,

The Treasurer would respectfully report, that this fund was first inaugurated in June, 1865—that for that year

The Rev. John Leech, Chairman of the Special Committee on Church Literature, presented and read the Report of the Committee as follows:

Your Committee, appointed at last Convention to locate a Book Depository, beg to report that, having made an attempt so to do, they have been unsuccessful. They first examined Detroit, and the best terms to be obtained in that city was a proposal from Mr. Francis Raymond to permit the use of a shelf for any books which they might place there on condition of an annual rent of \$200.

Your Committee felt that this offer did not meet the case. It was not what the Diocese would accept.

To make the Depository self-sustaining as an independent Book Concern, your Committee believed that a capital of at least \$10,000 is requisite. Not having that sum at command, they were compelled to abandon all hope of carrying out the wishes of the Diocese.

They do, however, suggest for the serious consideration of this Convention, whether it be not possible, nay, whether it be not a duty, at once to inaugurate a system of book-hawking which proves to be of such benefit in another Diocese. They would, therefore, respectfully suggest the immediate appointment of one or more Itinerant Deacons or Students for the Ministry who could hold service wherever they chanced to be upon the Sundays, carrying with them all kinds of sound Church Literature to dispose of during the week; believing, as your Committee does, that the knowledge of the Church will thus be brought

to places in the Diocese which else must rest in ignorance till they become accessible to some of the settled missionaries on the outposts of the Church portion of the Diocese.

Signed by the sole remaining member of the Committee.

JOHN LEECH.

On motion the Report was accepted.

Resolved, That the thanks of this Convention be, and are hereby tendered, respectfully, to the Parishioners of St. Luke's and St. John's Churches, Kalamazoo, and other citizens, for their hospitalities extended to the members of the Convention.

The Rev. B. H. Paddock, D. D., Chairman of the Committee to report Resolutions on the decease of the Rev. Daniel T. Grinnell, D. D., presented the following Report:

The Committee to whom was referred the preparation of Resolutions expressive of the sense of the Convention in reference to the recent decease of the Rev. Dr. GRINNELL, would respectfully report:

Resolved, That this Convention has heard with the profoundest sorrow and sense of loss of the sudden decease, last week, of the Rev. DANIEL T. GRINNELL, D. D., Rector of St. Paul's Church, Jackson; for more than a score of years a member of this body, an honored representative of the Diocese for many years in the Church's General Councils, an efficient co-worker in its missionary undertakings, and a recognized leader in its educational enterprises; and that while it bows in humble submission to the mysterious ordering that has called away from eminent usefulness a holy and humble man of God and a brother dearly beloved, it recognizes in the dispensation a summons to us all to work more zealously while it is called day, that we may be also ready for the welcome of the good and faithful servant into the joy of his Lord.

Resolved, That we give God hearty thanks for the good example of this His servant, who, having finished his course in faith, does now rest from his labors: and that we magnify the grace that wrought in him mightily to the growth and increase of such holy faith, love, gentleness, patience, and above all, humility; that endowed him with such a spirit of wisdom and understanding, of counsel and ghostly strength, of knowledge and true godliness; and that enabled him to work for his dear Lord with such abundant success and enduring results, that he being dead, yet speaketh.

Resolved, That we hereby request of the Secretary to put upon record in the Journal of this Convention, in an appropriate place and manner, a memorial of our sorrow in the present loss of our dear departed brother; also, by a copy of these resolutions, to communicate to the Parish bereaved of its revered and beloved Rector, who had devoted to it his entire pastoral life, our sympathy in their heavy affliction; and, in the same manner, to assure the stricken family, of our respectful but hearty entering into their sorrows and their blessed assurances, and of our prayers that they have the abundant consolations of the Holy Ghost, the Comforter.

BENJ. H. PADDOCK,	} <i>Committee.</i>
C. W. FITCH,	
H. SAFFORD,	
H. P. BALDWIN.	

On motion the Resolutions were adopted, the Convention rising.

The Rev. B. H. Paddock, D. D., laid before the Convention the case of Miss Taney, a teacher in the employ of the Freedmen's Commission, and asked for pledges for her support, which were made as follows:

The Rev. J. R. Anderson, Chairman of the Committee on Church Books, reported as follows :

The Committee to whom was referred the subject of the distribution of Church Books and Literature, find themselves unable to devise a practical plan at present, and beg leave to report at the next Convention.

J. R. ANDERSON, }
J. P. TUSTIN, } Committee.
JOHN LEECH, }

Mr. C. W. Perry moved as a substitute for the resolution of the Committee,

Resolved, That the Missionary Committee be authorized to appropriate the sum of dollars in their discretion, to the distribution of Church and Religious Literature throughout this Diocese.

Mr. Levi Bishop offered the following amendment:

Resolved, That the Committee have leave to report at the next Convention, and that in the meantime the Committee have power to act, if they, with the Bishop, agree upon a plan of action, and that the Missionary Committee be authorized to appropriate not to exceed dollars, and also to make special collections to promote such plans.

The Rev. G. D. Gillespie proposed to amend by striking out all after the words "plan of action."

Which was adopted.

The substitute of Mr. Levi Bishop was then adopted as amended.

The Rev. J. W. Birchmore offered the following resolution :

Resolved, That the Missionary Committee be authorized to advance a sum not more than five hundred dollars to the Committee on Distributing Books.

Which motion was lost.

On motion the report was adopted.

On motion of the Rev. B. H. Paddock, D. D.,

Resolved, That we deem it desirable that in future Conventions, members of such Conventions representing the Board of Missions and the general Societies of the Church, be requested to present such information in regard to the organization they represent, as they may deem expedient, and to offer such suggestions as may tend to the efficiency of the same, and the more liberal support thereof in the Diocese.

The Rev. M. C. Lightner offered the following resolution :

Resolved, That the Rev. Dr. Williams, the Rev. Dr. Fitch, the Rev. Mr. Moffett, be appointed a Committee, to investigate all the facts and circumstances connected with the dismissal of the Rev. Milton C. Lightner from the Rectorship of St. Paul's Church, Detroit, recorded on page 68 of the Journal of 1867, and publish the results of their investigation as soon as practicable.

Mr. Sidney D. Miller moved that after reading the minutes and the usual religious exercises, the Convention do adjourn *sine die*, which motion taking precedence (Rules of Order, VIII) was put and carried.

The minutes were then read and amended, the Gloria in Excelsis sung, and after prayer, and the benediction by the Bishop, the Convention adjourned at 7½ o'clock P. M.

President of the Convention.

THE BISHOP'S ADDRESS.

DEAR BRETHREN:

The year that has passed has been an eventful one in the history of the Church.

THE LAMBETH CONFERENCE.

The meeting of nearly eighty Bishops, at Lambeth, of the Anglican Communion, was no ordinary event.

It was the consummation of the desire of the great body of the Church, that a more intimate union should be formed between the different branches of the Church of Christ. It was the only meeting of this kind ever held since the Reformation, and although it was not a general Council, and not of an authoritative character, still its deliberations could and have exercised no ordinary influence upon the Church.

It has brought together in closer bonds the Church in England, and in her Colonies and in our own country, and shown, that however separated in all parts of the world, still they all formed parts of that Holy Church redeemed by the precious blood of Christ, the great depository of the truth, and commissioned by Him to spread it far and wide throughout the earth.

It has done more, it has reaffirmed, in the letter addressed to all the faithful in Christ Jesus, the great doctrines of the Reformation as the basis of our union and security, and by a happy confirmation of Scriptural truth and doctrine, set forth the entire antagonism of the Church of Christ, to all the corrupt usages and doctrines of the Church of Rome.

By this happy and mild declaration of the truth, every suspicion must be put to rest, of any compromise with the

truth, and any identification with the rites and ceremonies, or with the doctrines of that Church.

Such suspicions, and justly too, had existed far more in England than in our own country.

RITUALISM.

Many were to be found who had grown weary of the plain and simple formularies of the Church, and had introduced a more gorgeous worship, made up of symbols and vestments, which, harmless in themselves, but as used, would and will, sooner or later, create dissatisfaction with the Church of the Reformation, and reconcile the worshipper to forms and ceremonies which contain in them the very errors which had marred the beauty and changed the character of the Church of Christ, and which had been removed at no less a price than the blood of her children. And in speaking thus, we are by no means opposed to all proper efforts being made to make the service more attractive and to divest it of that lifeless and formal character which at times marks its performance. It should be made attractive and beautiful to the great masses who know but little of its excellence, to humble the heart as well as to raise it to the most fervent devotion. This can be done without any compromise of the truth, or the introduction of any peculiarities which mark the Church of Rome.

In our own Church in this country, there has always been great uniformity in her worship. Her members, wherever they were found on the Lord's day, could join in a common prayer and keep up the happy associations of the house of prayer at their homes. We trust that this will always mark her character, and that her children will not feel as strangers in their Father's house.

We hope that the happy interchange of feelings and views at the Lambeth meeting, will tend to such a result, and promote not only closer unity in doctrine, but also a greater degree of uniformity in worship.

We are happy to say that no changes have ever taken place in any of our parishes in this Diocese, but a steady ad-

herence to every rule of the Church has marked and distinguished her Clergy.

SIGNING OF A DECLARATION CONDEMNING RITUALISM.

On this account we regretted the signing of a "Declaration," condemning what was called "ritualism." As it had but little existence in the Church and none in our own Diocese, it was calculated to excite alarm in the minds of the members of the Church, and create suspicions of the Clergy. The least improvement in the manner of conducting the worship would be considered an innovation, and eventually lead to the interruption of harmony between Pastor and people.

Besides it placed a weapon in the hands of the opposers of the Church, which has been wielded with no little power in spreading distrust among the members of the Church, and in shaking the confidence of others who had been looking to her as the great conservator of the truth in this land.

We hope that God will still preserve us, as we have always been, a united and happy people.

DISLOYALTY TO THE CHURCH.

We regret that we have to turn from this evidence of unity and power in the Church, to the sad attempts of some of her members, to pull down and destroy those peculiarities which emphatically mark her as the Church of Christ.

We are happy to state that such attempts are confined to a very small number.

It involves the sacredness of the most solemn vows, and encourages the entire destruction of all those laws of the Church which have preserved her from the days of the Apostles as distinct from all human associations, and as the one great agency for spreading the truth as it is in Jesus.

We have no war to wage with those who differ from us. As individuals we can love and respect them as followers of Christ, but in their corporate capacity we can have no union with them.

It would be based on giving up the Ministry which Christ instituted, and to which He promised His special presence and blessing, and all those peculiarities of our Holy religion, which moulded the hearts and lives of the most eminent saints on earth. Every safe-guard would be lost which has preserved the Church, and kept her from the private conceits and teachings of men, which have spread infidelity broadcast over the whole country.

But it is well that such attempts have been made at so early a date. They will call out the strength and power of the Church, and we trust eventually free her from those who set at naught ordination vows, and laugh at the binding force of her laws.

It is a sad spectacle to see men under the claim of high devotion to God, and great liberality towards men of all creeds and opinions, *anxious* to destroy the glorious inheritance which the Savior has left to his children. They will have their reward.

REVIEW OF THE YEAR.

From this brief notice of passing events we turn with far more pleasure to the consideration of those responsibilities which God has imposed upon us.

These we have felt with increasing force during the past year. We have been able to give more time and labor to our duties than in any former year, and to examine more thoroughly the wants of the Diocese.

In doing so, there has been much to encourage as well as depress. We have never preached to such numbers, and never had more applications for the extension of the Church.* It has been a goodly sight to witness the numbers crowding to join in our holy worship, and to hear the continued expression of satisfaction with her peaceful and quiet ways.

THE RURAL POPULATION.

From causes which we need not notice, a large part of our rural population have become entirely indifferent in ref-

*See page 65.

erence to the salvation of their souls, and far worse, a large number have given up all belief in the religion of Christ. These evils are not so apparent in large cities and towns. Society is more compact, and a religious public opinion still influences a large number to adhere to the outward forms of religion. Hence the evils are not so apparent, but are gradually and silently undermining the power of the truth of God. In a scattered population, where these bonds do not exist, and where every man thinks and acts for himself, independent of any outward guide, we see the sad fruits of the experiments of men with the religion of Christ.

Now is the time if ever, to place before them the beauty as well as the reality of the religion of Christ. Wherever this has been done, many have been brought into the fold of the Savior, and the opportunities for doing so were never greater than at the present time.

In spite of the great opposition made to the Church, (and never greater than now) hundreds are anxiously enquiring into her claims and seeking for instruction from her Clergy. Many of the most influential men of our State, as well as those in the more humble walks of life, are looking to her, as the only safe-guard against the inroads of error which now threaten to overturn and destroy the religion of our blessed Lord.

It is sad to think that at such a time so little can be done.

THE AID FROM THE DOMESTIC COMMITTEE REDUCED.

The aid which we received from the Domestic Committee in New York, has been reduced to nine hundred dollars for the present year, and our own funds have laid idle to some extent for the want of men to go forth and preach the Gospel. And in thus reducing the aid hitherto furnished us, the Committee have been obliged to do so.

FUNDS GATHERED UP BY MISSIONARY BISHOPS.

The Missionary Bishops have gathered up the funds of the Church at large for their own special fields of labor, and

the supplies of the General Missionary field of the Church have been greatly reduced. How far and how long this practice is to continue we know not, but we do know and feel that it greatly interferes with the increase of those Dioceses in which the Bishops remain at home, and only look for aid through the constituted channels of the Church.

GREATER EFFORTS AT HOME NEEDED.

We must, therefore, make greater efforts at home. We can do much in working ourselves, independent of foreign aid, and in extending the Church in the Diocese. The Church at large must not be forgotten.

Still we would by no means advise entire forgetfulness of the Church at large. We have long been sustained by our General Missionary Board, and it would be a poor return for the aid we have received, to withdraw our funds which are now so much needed to sustain the destitute portions of our Church.

MISSIONARY INFORMATION NEEDED.

But we must also have a due regard to our wants. We can, we ought to do far more than we have ever done. Our congregations only need instruction, and a knowledge of the missionary work to enlist them in a cause which must be dear to every Christian heart. We think it is for want of this that so little interest is felt.

If our missionary papers do not reach every home, and even if they do, we will find that a regular presentation of facts to our congregations will call forth a deeper and more permanent influence.

This ought to be done, at least once in each month, and we feel confident that every Pastor would soon find that it will be an easy matter to call forth substantial interest in our Missionary work.

Whenever this interest is felt and expressed, God's blessing will descend into the heart. It is the sure mark of a sound and increasing parish. But wherever this is neglected

we have always found a parish to dwindle and decay. The love of Christ will give outward expression of it, if it exist in the heart. It will catch his own blessed spirit, and rapidly destroy its selfishness. His was a missionary spirit, so must his followers be. They must have the mind of Christ. It is the sum and substance of true religion.

MISSIONARY FUNDS SHOULD BE TRANSMITTED EARLIER.

And we would call your attention to an earlier return of missionary funds to the Treasurer.* These are often left to the close of the year, and much embarrassment is felt in keeping up the regular payment of the small pittance which is allowed to our missionaries.

When this is done it is only paid as a contracted debt, without the contributors recognizing it, as one of the highest pleasures of the Christian heart. While we try to do good to others, God will bless us and give us more of that blessed spirit which lies at the foundation of a Christian peace.

CHRISTIAN EDUCATION.

It has been to me the source of great pleasure to find that so many Parishes have become deeply interested in the cause of Christian Education. We never can contend with, or set up rival schools with the excellent Common Schools of the State. So far as intellectual training is concerned, and the inculcation of obedience, and the preservation of order and decorum in the schools, they certainly stand among the foremost in our country.

Whenever we can do so, we have visited these schools, and have always been received with kindness and courtesy. On a former occasion we have requested the Clergy to do so, and they can exercise a silent and pervading influence over the minds of the scholars.

The very fact that an interest is shown in their instruction, draws out and often renders permanent, a feeling of re-

spect and reverence for the Ministers of Christ. After such a visit, and a few kind words to them, we have always found that whenever we have met them, either in their little sports, or on the highways of life, that a smiling face and a pleasant recognition have been given to us. But after all it is only a worldly education, and we are free to admit, the best of its kind.

THE NEED OF CHURCH SCHOOLS.

We need that moral and religious training which will make them realize and perform their duties to God, as well as their fellow beings. They must be fitted for higher positions than mere respectability and influence in the world. This education must be furnished by the Church. If not, a fatal and ruinous system must take its place.

PATRONAGE OF ROMISH SCHOOLS.

We have been surprised at the number of girls, the daughters of Christian parents, members of our Holy Church, who are sent to Romish Schools.

These schools are rapidly increasing among us. The question must soon be decided whether the whole matter shall be given into their hands, or whether the Church will take it into her own hands. Several, in different parts of the State, have been drawn away from the faith, through these agencies, and were it not for the risk thus run of losing the soul, we could wish that such would always be the result, as a just retribution, and as warnings to others.

We are happy to know that successful efforts are now making to counteract such influences.

The excellent Institute at Marshall is affording a pleasant home, and wise and careful instruction for the daughters of the Church. It should receive, as it richly deserves, the kind interest of Christian parents, in every part of the Diocese.

At Jackson, noble effort has been made by that Parish, always abounding in good works, to erect suitable buildings

for a Female Institute under the name of St. Mary's Hall. It is the proper designation for it, for it will associate it, in all coming time, with that bold and adventurous leader in the great cause of Christian Education, who was the first and foremost in arousing the Church to a sense of her responsibilities—the lamented Bishop Doane—a name that will never die.

At Fentonville, a successful beginning has been made to establish Christian Schools for boys as well as girls. The members of the Church and the inhabitants of the village have shown the deepest interest in their success. Funds have been liberally given to commence the buildings, to be situated in different parts of the town, and it is hoped, that during the present year, they will be ready for the reception of pupils. They are to be under the charge of the indefatigable Rector of the Parish, to whom they owe their existence, and in whose hands they are not likely to fail.

PAROCHIAL SCHOOLS.

In addition to these efforts, several Parochial Schools have been commenced in different Parishes. One of these is now in existence, and we trust will be continued, under the care of St. Luke's and St. John's Churches, Kalamazoo. If these Schools could only be sustained, much would be accomplished in instilling sound principles into the minds and hearts of the children of the Church, and to keep out the false teachings to which they may be exposed in after life.

I now proceed to give you a brief outline of my Episcopal duties during the past year.

CHRIST CHURCH, DETROIT.

June 17. At the request of the Rev. Dr. Paddock, I confirmed a sick person in private.

BAY CITY.

June 23. I preached in Trinity Church, Bay City, and confirmed fifteen persons.

CONSECRATION OF THE REV. JOHN F. YOUNG, D. D., FLORIDA.

CHRIST CHURCH, DETROIT.

July 8. At the request of the Rev. Dr. Paddock, I confirmed, in Christ Church, Detroit, one person about to leave for a home in the far west.

HOUGHTON.

August 9. I preached in Trinity Church, Houghton, Lake Superior, and confirmed seven persons. This Parish has erected a very commodious Parsonage, joining the Church, for the accommodation of their Pastor. I have learned with regret, that he has been obliged to resign the charge of the Parish on account of his health.

MARQUETTE.

I also visited Marquette, preached twice in St. Paul's Church, and confirmed four persons.

The Church edifice has been almost rebuilt, and with its neat and comfortable parsonage, and its energetic people, gives evidence of a sound and healthy growth.

September 14. Confirmed a sick person in private.

THE REV. HENRY C. RANDALL.

September 14. I gave letters dimissory to the Rev. Mr. Randall to the Diocese of Connecticut. I parted with him with regret, as he had been a faithful and devoted Missionary.

THE REV. J. J. MCCOOK.

October 3. I received the Letters of Dimissory from the Bishop of Connecticut, of the Rev. J. J. McCook.

THE REV. T. C. PITKIN, D. D.

September 30. I received the Canonical Notice from the Vestry of St. Paul's Church, Detroit, of the election and acceptance of the Rectorship of the same, by the Rev. Thos. C. Pitkin, D. D.

October 5. I received the Letters Dimissory of the Rev. Dr. Pitkin, from the Bishop of Western New York.

MT. CLEMENS.

October 6. Preached twice in the Court House, at Mt. Clemens, to a very large congregation. There appeared to be a deep interest felt for the re-establishment of the Church in this village. It has been made a Mission Station under the care of the Rev. Mr. Ward.

COLDWATER AND THE SOUTHERN CONVOCATION.

October 10. I met the Southern Convocation in St. Mark's Church, Coldwater. Nearly all the members were present. Much interest was manifested by the congregation, in the services, which were continued for two days. I preached and also confirmed thirty-one persons.

THE EASTERN CONVOCATION AND DEARBORN.

October 11. I was present at the Eastern Convocation, at the Arsenal, at Dearborn. Several addresses were made by the Clergy present, at the time of my visit; after which I confirmed twelve persons.

DEXTER.

I preached twice in St. James', Dexter, administered the Holy Communion, and confirmed fifteen persons. This parish is reviving under the care of the present Rector.

PONTIAC.

October. I preached in Zion Church, Pontiac. At the time of my visit, it was without a Rector.

November 5. I confirmed one person in private—sick.

SEMI-ANNUAL MISSIONARY MEETING.

November 14 and 15. I attended the Semi-Annual Missionary Meeting, Marshall, in Trinity Church. Twenty-five Clergymen were present. The whole services were most pleasant and profitable to both Clergy and people.

THE PERRIN INSTITUTE.

By invitation from the ladies of the Perrin Female Institute, I visited it in company with the Clergy. Several ad-

dresses were made to the pupils, and much satisfaction was felt and expressed by all present, that such a home could be found by the daughters of the Church.

KALAMAZOO, ST. LUKE'S.

November 15. I preached in St. Luke's Church, Kalamazoo, and confirmed ten persons, one of whom was from St. John's Church.

ALBION.

November 17. I preached twice in St. James' Church, and confirmed seventeen persons. The Church was crowded to excess, and many could not even gain admittance. God has signally blessed the labors of the Rector.

CONFIRMATION OF A SICK PERSON.

November 21. I confirmed a sick person at the Michigan Exchange, Detroit.

THE REV. EDWARD SEYMOUR.

November 22. I received the Letters Dimissory of the Rev. Edward Seymour from the Diocese of Wisconsin

MIDLAND.

November 24. I visited Midland, accompanied by the Rev. Mr. Leech, of Saginaw City. Through his faithful labors, in connection with those of the Rev. Messrs. Eastman, Royce and Birchmore, a deep interest has been created for an organization of a Church, in that new and rapidly growing village. I preached twice in the Court House to crowded congregations, and confirmed *four* persons. A Church has been organized since my last visit — an eligible lot secured and paid for, on which to erect a church edifice — and funds raised sufficient, I hope, to complete it. This successful effort shows what can be accomplished by occasional missionary services, in destitute fields by the Rectors of parishes, and especially by keeping up the services without any intermission.

ST. JOHNS.

December 8. I preached twice in St. John's Church, St. Johns, and confirmed eleven persons. This was my first visit

to this parish since the completion of their neat church edifice. I was greatly surprised at its church-like appearance, manifesting great good taste in all its arrangements. The congregation, and above all the pastor, deserve great credit, and I trust that God will bless them, for their Christian zeal and self-denying efforts.

MR. W. R. TILLINGHAST.

December 9. I received the letter of transfer of Mr. W. R. Tillinghast, a candidate for orders, from the Diocese of Wisconsin.

THE REV. CHARLES RITTER.

December 14. I gave letters of dismission to the Rev Charles Ritter to the Diocese of Illinois.

MT. CLEMENS.

January 5. I preached twice in the Court House at Mt. Clemens, and confirmed ten persons.

THREE RIVERS.

January 12. I preached in Trinity Church, and confirmed eleven persons. This parish has erected a beautiful brick church, in which we worshipped. The Rev. Mr. Charles has labored with unwearied assiduity to accomplish this object. It stands as a monument of his patient energy and zeal, and under circumstances which might have broken down the spirit of one less active in the Master's cause. The Church has been placed on a permanent basis in that active and thriving village.

MENDON.

In the evening of the same day, I preached in the Methodist Church edifice, in Mendon, and confirmed six persons. This place was connected with Three Rivers under the care of the Rev. Mr. Charles. It is proposed to erect a neat church edifice the present year, and funds have been raised for this purpose.

SOUTHERN CONVOCACTION AT HILLSDALE.

January 14 and 15. I attended the meeting of the Southern Convocation in St. Peter's Church, Hillsdale. I preached and confirmed nine persons.

THE REV. M. C. LIGHTNER.

January 16. I received the canonical notice of the election of the Rev. M. C. Lightner as Rector of Grace Church, Detroit.

FLINT.

January 26. I preached twice in St. Paul's Church, Flint, and confirmed eleven persons.

CONSECRATION OF THE REV. JOHN W. BECKWITH, D. D.

January 27. I gave my consent to the consecration of the Rev. John W. Beckwith, D. D., as Bishop of the Diocese of Georgia.

ST. CLAIR.

February 9. I preached in Trinity Church, St. Clair, and confirmed two persons.

HOLLY.

February 15. I preached in the Presbyterian Church edifice at Holly.

FENTONVILLE.

On the 16th I preached in St. Jude's Church, Fentonville, and confirmed six persons.

LINDEN.

In the afternoon of the same day I preached in a large hall, filled to overflowing, at Linden, and confirmed four persons. At this village a stone church edifice is in process of erection.

LONG LAKE.

In the evening of the same day, I preached at Long Lake in a school-house, six miles distant from Linden, and confirmed five persons. Such was the crowd of persons, that I was obliged to stand at the door, as I could not gain further access.

HARTLAND.

February 17. I preached at the village of Hartland, ten miles distant from Fentonville, to a very large congregation.

DAVISBURGH.

February 18. I preached in Davisburgh, and confirmed three persons.

These six points form an Associate Mission, under the charge of the Rev. Mr. Fuller, Rector of St. Jude's, Fentonville. He is assisted by the Rev. Mr. Flower. This is what I always desired to accomplish, as it is the only mode in which we can meet the wants of so many now looking with interest to our Church. The plan has been most successfully carried out by Mr. Fuller. It was one of the most pleasant visits I ever made to any part of the Diocese, and if we could establish such Missions at other points, hundreds could be gathered into the fold of Christ.

WYANDOTTE.

February 25. I preached in St. Stephen's Church, Wyandotte, and confirmed eleven persons. I regret that this parish is now vacant, by the removal of the Rev. Mr. Phelps to Battle Creek.

ANN ARBOR.

March 1. Preached twice in St. Andrew's Church, Ann Arbor, and confirmed seventeen persons. A large stone edifice has been commenced by this parish, and hopes are entertained that it will be completed the next year. It will furnish sittings for many of the students of the University, and thus exert an influence for the Church, which has been felt through the untiring labors of the Rector, even with the most limited means of securing their attendance upon his services. As I have said on former occasions, these efforts ought to excite the interest, and call forth the hearty coöperation of every parish, as through these, many young men may be brought into the ministry of the Church.

DETROIT, ST. JOHN'S.

I preached in St. John's Church, Detroit, and confirmed twenty-five persons.

THE REV. ALEXANDER H. ROGERS.

March 22. Received the letters dimissory of the Rev. Alexander H. Rogers from the Diocese of Western New York.

YPSILANTI.

March 22. I preached twice in St. Luke's Church, Ypsilanti, and confirmed twenty-one persons. I never on any former occasion preached to so large a congregation in this church. It is a very important point for the Church. There are more than three hundred persons in attendance at the Normal School, and with care and kind attention many of them might be brought under the influence of the Church. Very many were present at the time of my visitation. I regret that the faithful Rector of this parish, constant in his labors for more than twenty years, has felt the pressure of his cares and duties. I trust that by a cessation from these for a few months his health will be restored.

CORUNNA.

March 29. I preached in the school-room at Corunna, and confirmed fifteen persons. Many were prevented from being present, owing to the large number in attendance. A church building has been commenced, and its completion relinquished for the present, owing to the want of funds. If unwearied diligence and patient and faithful labor could have accomplished it, the building would have been erected. I do hope that the Missionary will receive more aid from the parishes in the Diocese.

EAST SAGINAW.

March 31. I preached in St. Paul's, East Saginaw, and ordained Mr. W. R. Tillinghast as a Deacon. The candidate was presented by the Rev. Mr. Eastman. Messrs. Leech, Birchmore, Royce, and A. M. Lewis, were present, and aided me in the services. In the evening I confirmed fifteen persons in the same church.

SAGINAW CITY.

April 1. I preached in St. John's Church, Saginaw City, and confirmed two persons.

BAY CITY.

April 2. I preached in Trinity Church, Bay City, and confirmed fifteen persons. This was my second visit to this parish during the year.

DETROIT, CHRIST CHURCH.

April 5. I preached in Christ Church, Detroit, and confirmed thirty-five persons. I had confirmed two in private, making the whole number confirmed thirty-seven.

GRAND RAPIDS.

April 6. I visited Grand Rapids, and joined in the Lenten services of St. Mark's with great pleasure, and I hope with profit.

April 7. I preached, and confirmed twenty-five persons.

IONIA.

April 8. I preached in St. John's, Ionia, and confirmed nine persons. The Rev. R. Wood has lately taken charge of this parish, and I hope through his efforts a new church building will be erected, which is greatly needed.

LANSING.

April 10. I preached twice in St. Paul's Church, Lansing, and confirmed thirteen persons. With a new and large church edifice, this congregation would be greatly increased.

THE REV. DEWITT C. HOWARD.

April 11. I gave letters dimissory to the Diocese of Ohio, to the Rev. Dewitt C. Howard. He had been settled for one year in St. Peter's parish, Tecumseh, and I regret that he could not remain in the Diocese as he was a faithful laborer.

THE REV. J. W. CLARK, AND THE REV. F. B. FLEETWOOD.

April 11. I received and accepted the letters dimissory of the Rev. John W. Clark and the Rev. Frank B. Fleetwood, from the Diocese of Illinois. The former has become the Rector of St. Peter's, Tecumseh, in connection with St. John's, Clinton, the latter of Christ Church, Adrian.

SOUTHERN CONVOCATION AT MONROE.

April 15. I attended the Southern Convocation at Monroe. A short time previous to my visit, the church building, endeared to the parish and myself by many happy associations, had been destroyed by fire. It was one of the oldest church buildings connected with the Diocese. It had become too small for the increasing congregation, and its loss may not be so severely felt. Still when we think of the many active and liberal churchmen who worshipped within its walls, many now gone, and I hope in the Paradise of God, we cannot but feel sad, that this old and long-cherished house of God has passed away. The Convocation was largely attended by the Clergy, and a very comfortable room furnished for the services in the Court-house. The present Rector has been greatly blessed in his labors, and a new house of prayer is in process of erection. The Rev. Dr. Paddock kindly preached for me, and I confirmed six persons.

HOWELL.

April 19. I preached twice in All Saints' parish, Howell, and confirmed eleven persons. This parish has occupied a rented house for the services of the Church for one or two years. It is in a most healthy condition, and efforts were commenced at the time of my visit to purchase a parsonage, and a lot on which to erect a church edifice. This will give a greater degree of permanency to the parish and increase largely its strength. The Rector is making the most assiduous efforts to accomplish it.

HAMBURGH.

April 20. I preached in St. Stephen's Church, Hamburg, and confirmed four persons. A new spirit seemed to pervade the members of this pleasant rural congregation. God had blessed the labors of the clergy at the time of the meeting of the Eastern Convocation, and I could feel and see around and about me that God's Holy Spirit had dwelt among them, and they realized to a greater extent than ever, the principles and practical influences of the religion of Christ.

DETROIT, MARINERS' CHURCH.

April 26. I preached in the Mariners' Church, Detroit, and confirmed fourteen persons.

DETROIT, ST. PAUL'S CHURCH.

In the evening of the same day I preached in St. Paul's Church, Detroit, and confirmed twenty-one persons.

OWOSSO.

May 3. I preached in Christ Church, Owosso, and confirmed eight persons. This parish had been without a Rector for a long period, but is now most happily supplied by the Rev. A. Bush.

JACKSON.

May 4. I preached in St. Paul's Church, Jackson, and confirmed seventeen persons. I felt no little anxiety for the health of the faithful and devoted Rector of this parish, at the time of my visit. How sadly were my fears realized.

SAGINAW CITY.

May 5. I preached and confirmed eleven persons in St. John's Church, Saginaw City.

NILES.

May 10. I preached and confirmed ten persons in Trinity Church, Niles. I was rejoiced to find that the parish had provided a comfortable parsonage for their Rector. God so greatly blessed him in his labors, and the congregation has increased to such an extent as to demand an enlargement of their beautiful church building. It is intended to complete it as rapidly as possible.

MARSHALL.

May 12. I preached in Trinity Church, Marshall, and confirmed twelve persons. I regretted to learn that the present worthy Rector was soon to leave it for a field of labor in the far West.

DETROIT, ST. PETER'S.

May 17. I preached in St. Peter's Church, Detroit, and confirmed eleven persons. This parish is now happily relieved, through the exertions of St. Paul's, Christ, and St. John's Parishes, Detroit, from the heavy debt which jeopardized its existence. It was a noble effort on the part of these parishes, but they have the comfort to know that they have saved a house erected to the worship of God from sale and loss to the Church, and have opened the doors to a large number of persons in that rapidly increasing part of the city, through which they can now freely enter, and offer the homage of grateful hearts to God.

DETROIT, GRACE CHURCH.

In the evening of the same day I preached in Grace Church, Detroit, and confirmed twenty-six persons. Two persons connected with this parish had been confirmed in the Mariners' Church.

SARANAC.

May 18. I preached in Trinity Church, Saranac, and confirmed six persons. This parish is now under the care of the Rev. D. E. Brown, who also officiates once in each Lord's day at Lowell.

GRAND RAPIDS.

May 19. I preached in St. Mark's, Grand Rapids, and confirmed twelve persons. This was my second visit to this parish. Owing to an accident on the railroad delaying the train, I had to relinquish my appointments, at Grand Haven, Holland, Saugatuck and Allegan. The Rev. Dr. Tustin kindly visited them for me, preached and explained the cause of my failure. These places will be visited immediately after Convention.

PORT HURON.

May 24. I preached in Grace Church, Port Huron, and confirmed fourteen persons. The congregation was very large. Its increase is greatly retarded for the want of a new and

greatly enlarged edifice. It ought, and I hope it will be, commenced very soon, as the present condition tends to discourage its efficient Rector, as well as greatly retard the permanent growth of the parish.

DETROIT, GRACE CHURCH.

May 25. At the request of the Rev. Mr. Lightner, of Grace Church, Detroit, I confirmed four persons in the sick chamber of a friend.

DETROIT, ST. JOHN'S.

June 7. I preached in St. John's Church, Detroit, and confirmed forty-nine persons.

THE CONSECRATION OF THE REV. W. A. BISSELL, D. D.

By the appointment of the Presiding Bishop of the Church, and at the request of the Standing Committee of the Diocese of Vermont, and at the urgent request of the Bishop elect of that Diocese, the Rev. W. A. Bissell, D. D., I presided at his Consecration on the 3d day of June, in Christ Church, Montpelier, Vermont. There were present as witnesses and assistants in this solemn act, The Rt. Rev. the Bishops of Connecticut, New York, Western New York and Maine. Forty Clergymen from various Dioceses were present to join in this holy solemnity. It was to me a most pleasant act, as the Bishop elect had been under my pastoral care, as Rector of St. Paul's Church, Detroit, more than thirty years ago. He is in every way fitted for his high and holy office, as an earnest man of God, a sound and faithful churchman, who, no doubt, will prove himself a workman that needeth not to be ashamed.

KALAMAZOO, ST. JOHN'S.

June 10. I confirmed nine persons in St. John's Church, Kalamazoo.

KALAMAZOO, ST. LUKE'S.

On the same evening, I confirmed seventeen persons in St. Luke's Church, Kalamazoo.

If we had not felt obliged to fulfill the appointment of the Presiding Bishop, we could have added quite a hundred more

names to the list of confirmations. We intend to visit the omitted parishes as soon as possible.

We feel thankful to God for the manifest evidence of His blessing on the labors of the Clergy. But how much remains to be done!

APPLICATIONS FOR CHURCH SERVICES.

We have had applications from ten or twelve important places for the appointment of Missionaries.

When at Ionia, five different committees from various towns waited upon me, and in the most earnest manner entreated me to send a Minister of Christ to save them and their children from the fearful errors sweeping over the land. In every instance, the greater part of the minister's salary was pledged and solemnly promised to be paid.

Dear Brethren, something must be done to meet this sad state of things. If we could only secure the services of two faithful Missionaries to form an Associate Mission and visit the many places within a circuit of thirty miles, we could lay the foundations broad and deep of permanent and self-supporting parishes.

CONCLUSION.

Let us be more dilligent, more self-denying, more zealous in the cause of Christ. The times in which we live demand it; perishing souls appeal to us.

Our own limited days present the strongest motive to unwearied effort.

May God, in His infinite mercy, enable us to so labor in His cause, that when the Chief Shepherd shall appear, we may receive the never-fading crown of glory which he has promised.

SAMUEL A. McCOSKRY.

The Parish has been without a Rector from October 1st, 1867, to April 17th, 1868, and so cannot show so full a report as it would. Since the present Rector has taken charge, a desirable house and lot has been bought for a Rectory, on which extensive repairs are being made. We hope with the blessing of God to increase in numbers and usefulness.

Owing to some cause or other, the last year's report of communicants in this Parish was over-stated; the number now given is authentic. We are favored with a good degree of prosperity in the several departments of the Church, and we are looking that this prosperity shall be accelerated. The earnest co-operation of the laity and friends of the Church, with the Rector, is to him, a source of much gratification.

The Parish of St. Andrew's, Algonac, has now a neat Church edifice, which has been built, principally, by the ladies of the Parish, to whom much credit is due. The entire cost of the Church is some thirty-six hundred dollars. The present indebtedness is only six hundred, which they hope to liquidate this present season.

Mrs. C. C. Douglass, of the City of New York, has made the Parish a present of a very nice Surplice and Gown. Mrs. Thomas Miles, of the City of Detroit, has also made the Parish a present of a beautiful Communion Set. We feel much indebted to both these ladies for their kind liberality.

Divine service is held in the Church every Sunday evening, by the Rev. Mr. Jamieson, Missionary to the Indians on Walpole Island. To Mr. Jamieson we acknowledge our indebtedness, not only for his kindness in officiating in Algonac, but for his generous liberality in contributing, of his own means, and assisting in building the Church.

Church of the Good Shepherd, Allegan, Allegan County. (1860.)

Vacant. Reported by the Wardens.

The Vestry respectfully report that as regards number of families, there is no material change in the condition of the Parish since the last report. Nine new communicants were sometime since admitted by the former Minister. During the year past they have had service on one Sunday by the Rev. J. R. Taylor.

During the summer of 1867 we commenced the erection of a Church building. It is now enclosed with the prospect of being completed by the next autumn. Some three thousand dollars have been collected and applied on the building, while the sum of sixteen hundred remains pledged for the same object. From five hundred to a thousand dollars will still be needed to complete the building above what is pledged.

We acknowledge, with gratitude, liberal donations from benevolent laymen in Detroit and Kalamazoo to help us on in the work.

In addition to the Rector's Monthly Service at the Poor House, and Sunday Service at the Jail; a Sunday Service is sustained at the Poor House, Geddes, and Delhi, by Lay Readers. The Rector officiated in August last on one Sunday in St. Josephs, where, with proper interest on the part of the Church people, occasional services might be secured. Within a few weeks, a semi-monthly service for colored people has been established—on Wednesday evening, in the church.

The foundation for a new church was prepared last fall, and the walls (boulder stone) are now rising. The erection at present will be nave and aisles, the tower and chancel to be added at a future day. Twenty-five thousand dollars is subscribed, of which \$5,351 75 has been paid in. It is hoped the building will be ready for use by October, 1869. It will accommodate about 700.

The statistics of the above report are for the past year, except for the number of Public Services, and of times the Communion has been administered. From the fact that there has been a change in the Rectorship of the Parish during the conventional year, I am unable to give the whole number of services, and some other statistics in this report, still it is full in all other respects as obtained from the Parish and Vestry Record Books. The Rev. Mr. Ritter resigned the Rectorship of this Church in October, since which time, up to the first of March, the Public Services were continued by the venerable Senior Warden, Mr. Sylvanus Reed, Sr., whose faithful and acceptable services as a lay reader, kept the congregation together in the worship and service of the Church. No little credit is due to our beloved Senior Warden, for his zeal and labor, especially as his advanced years and growing infirmities made the effort a very considerable sacrifice.

The ladies of the congregation too, as usual, are deserving of commendation for their unwearied and successful works on behalf of the Church. They have collected, from what might be considered almost *trifling* supplies, the very handsome sum of eight hundred dollars and paid it over to the vestry to be used for the purchase of a Rectory; at the same time using their successful influence with the vestry to provide for the remainder of the purchase money, so that now we have a handsome and convenient Rectory, with good outbuildings, fruit trees, shrubbery, etc., complete, worth, as property is selling in Battle Creek, thirty-five hundred dollars. Taking into consideration the population and business resources of the place, one is naturally astonished that the parish is so small and comparatively unimportant. Other religious bodies carry the masses, and have given tone to public opinion, detrimental to the interests and teachings of our Church. The public schools, and indeed all public institutions, in their influences are certainly not with us, and we feel thankful if they are simply neutral. Such a condition of things makes the growth of the Church very difficult. However, there is a growth of kindlier feeling springing up, I trust, and which, with God's blessing, before many years will enable the Church in this place to arise and shine.

We are in great need of a new, more commodious, and more attractive House of Worship. The present edifice was erected when the place was in its infancy. It was small for the congregation at first, almost a quarter of a century ago. We should have one of at least four times its dimensions, and of some little claim to architectural beauty. The prosperity and population of the place, as well as a due regard to the taste and culture of the people demand it. Until this shall be accomplished, we cannot expect an increased congregation. It is to be hoped that our people, seeing the need, will ere long, be ready to make the requisite efforts and sacrifices to insure so desirable a result.

The above report is very partial from the fact that we had no regular place of worship for the past seven months. The Sunday School is reported as it was last Autumn; it has been suspended from that time. We have now a neat little Chapel nearly completed, in which work we have been liberally assisted by benevolent Churchmen in Detroit, Ypsilanti, Jackson, etc.

In addition to my services in Burr Oak for the past year, I have contributed something towards assisting my clerical brethren, and in supplying vacant Parishes. I have officiated one Sunday at Hudson; three in Homer; two in Three Rivers; one in Union City; one in Coldwater; two in Monroe; three in St. Peter's Church, Detroit; and two in Hillsdale. I have baptised two children in Jonesville, officiated on Christmas day, and administered the Holy Communion.

Immediately after the close of the convention of last year, I resigned the Rectorship of Grace Church, Jonesville, a position I had held for thirteen years.

It is a cause of devout gratitude that our membership has been increased during the year by the large class of 31 persons confirmed. Several others are also awaiting confirmation. Our Sunday School was never so large, or interesting, and quite a goodly number of the larger pupils seem to be getting ready to be confirmed, when they shall be thought of sufficient age. The congregation has been steadily on the increase.

Our contributions show a great disparity with the year previous, but perhaps the large amount contributed last year for church enlargement, is a justification for our giving less this year. As Bunyan says, “this year has not been a bearing year.” We hope a better yield, for the year to come.

Our church has been open every Sunday, and when the Rector has been absent, the Wardens of the Church have held service, with Lay Reading, which has been most acceptably rendered. The Rector has held service twice, and administered the Holy Communion, in Grace Church, Union City, which is still vacant, though some steps are being taken to secure a pastor.

During his summer vacation, the Rector officiated four Sundays in St. John's Church, Detroit, and administered the Holy Communion. He also attended one funeral there, leaving a sweet little child of one of the Vestry, sleeping under the beautiful shades of “Elmwood.”

I have the honor to report that, as Post Chaplain, U. S. A., I have officiated at Fort Wayne once, with few exceptions, every Sunday; without an organized Parish, I have baptised there and in the vicinity, one adult and one infant; married 8; buried 7. I have preached twice in Marquette, also preached and delivered a Bible address in Piqua, O. I have officiated by preaching or reading service once, generally twice of a Sunday, in the different churches in Detroit. I have preached once a fortnight of a Sunday, and on the principal Holy days, in the Arsenal at Dearborn, with great pleasure to myself. I subjoin my report of services there.

The reduction of the number of communicants is owing, in great measure, to the list having been revised.

During the past year we have had five Public Services for the Sunday School, using the full Afternoon Service of the Prayer Book. They were among our most interesting services.

At St. Luke's Hospital Church Home—communion, public, 2; private, 2; 18 services with sermons.

Officiated twice at St. John's, and attended three funerals. Officiated once at St. Peter's, and attended one funeral for Christ Church, and one for Grace Church.

I had nearly eighteen hundred copies of Rev. Wm. Stowe's Convention Sermon printed, fifteen hundred copies were distributed in the Diocese, and the balance out of the Diocese. Five dollars collected for printing were sent to Nashotah.

For four months of the time included in the above report, viz.: from June until October, A. D. 1867, the Parish has been without a Rector. The Sunday services have, however, been kept up uninterruptedly during the whole of the year.

The men of the Parish have lately organized themselves into a society known as the "St. John's Church Union," whose object is, under the advice and direction of the Rector, to do all Christian work proper to be done by laymen. A Mission School established by the association, already, after an existence of less than a month, has upon its roll 115 scholars, and 20 officers and teachers. This school is intended to be, and will, it is believed, prove the germ of a Mission Parish.

Included in the ministerial acts above reported are, nine services with one administration of the Holy Communion at St. Luke's Hospital and Church Home, and one service with two Baptisms, and one celebration of the Holy Communion in the newly erected chapel of St. James', Grosse Ile.

The figures reported under the head of "Contributions" are taken, for the sake of convenience, from the annual report of the Parish Treasurer. This report ends with April 1st, and consequently does not include an offering of \$246, made for the "Society for the Increase of the Ministry," on Easter-Day of this year.

Besides the services above mentioned, I have officiated once in the Mariner's, once in St. Paul's, twice in Christ, and four times in St. John's Churches, Detroit. Two services in St. Mark's Church, Grand Rapids, and two in St. Paul's, Jackson. I have taken my turn as Chaplain in St. Luke's Hospital, holding services for two months on Sunday, and Thursday of each week; and assisted the Rector of St. John's Church, Detroit, on Sunday evenings, and frequently on week days, for the past six months.

The condition of the parish, as compared with last year, is very encouraging; disheartened and depressed with the burden of a heavy debt, but I am happy in being able to report that Christ Church, St. John's and St. Paul's, of this city, came to our relief and assumed the liabilities of the parish, and by their Christian liberality have freed it from its \$4,600 debts. Courage is now revived, confidence restored, and the parish was never in a more prosperous condition, and promises well of being able, at no very distant day to support itself. I would here put on record my grateful acknowledgment to these Churches for their generous and timely assistance, and also to several individual members for their kindness and substantial aid to me, whereby I have been encouraged and sustained in my work.

Grace Church, Detroit, was organized on the 12th of July last. The assent of the Bishop, with the advice and consent of the Standing Committee, was given, soon after, with the restriction, however, that no public service should be held, nor church building erected, within half a mile of the church edifice of any of the existing parishes in Detroit; but this restriction having been removed in November, a hall was rented, where public services have been regularly held and a Sunday School organized, in anticipation of the erection of a suitable Church on an eligible lot, corner of Fort and 2d sts, generously given for that purpose by E. W. Hudson, Esq.

i. e., of collections on the plate in church, for that only is what I understand to be meant here, by "Contributions and Offerings."

Heresies, schisms, and consequent infidelity, poverty in some, greed of gain in others, indifferentism in most, much emigration, and no immigration—"these things" may throw light upon the "feeble state of the Parish."

I have held services twice at Bay City, twice at Saginaw City, twice at Jackson, and assisted in services at Convocations at Dearborn three times, at Hamburg twice.

A very considerable expenditure in completing the Rectory is not now reported, as returns have not yet been made. It is also proper to state, that subscriptions have been made to the amount of \$12,000, in behalf of a Church School.

LONG LAKE.

At this place services have been held once in two weeks, with good results. The School House is always well filled with earnest worshippers. At no distant day there will be a demand for a church.

HOLLY.

Our services here are kept up, resting on the promise that we shall reap, if we faint not. A few earnest persons deserve much credit for securing a little building for our services, and putting it up in quite church-like manner.

DAVISBURGH.

We have preached here a few times and discovered no little interest in the services of our church. We desire, if practicable, to establish a regular service.

HARTLAND CENTRE.

An appointment once in two weeks has been filled here, since last January. The attendance has been good, and it is probable that our efforts there will be continued.

In February last, the Bishop visited all these points, and was received with much enthusiasm. The Missionary work in this field is full of

promise, and it is only required that there be sufficient laborers to insure an abundant harvest. Mr. E. W. Flower (already engaged as a lay-reader) has become a candidate for Deacon's Orders, and as soon as possible will be ordained, and probably continue here, to assist in the good work.

Fenton Mission.

Rev. A. B. FLOWER, (Deacon) Missionary. (1867.)

On the 24th day of November last, with the consent of the Bishop, I became the Assistant of the Rev. O. E. Fuller, Rector of St. Jude's Church, Fentonville.

My residence is at Linden, at which place I have officiated, as also at Long Lake, Holly, Hartland Centre, and Fentonville, as the Rector has directed.

I have solemnized one marriage, attended two funerals, baptised eight children and seven adults, preached on an average three times each Sunday, and many times on week days.

An addition has been made to the organ during the past year, at an expense of \$100, which has much increased the volume of sound.

An elderly lady among the communicants was placed at St. Luke's Hospital, Detroit, and kindly cared for till her decease. I cannot too strongly express my feeling of the worth and desert of that noble charity, and of the personal kindness of the patronesses and medical attendants showed to that suffering Christian.

The St. Paul's Parochial School in my Parish, at Flint, after having existed two years, with 45 scholars, was given up in March last. A class of 11 is yet kept up at the Parsonage, by Mrs. Birchmere. The school expired through want of sufficient patronage.

At the time to which this report extends, several candidates were ready for confirmation.

It is due to the ladies of the Parish to say that between three and four hundred dollars of the amount above named, has been raised by their energetic efforts.

Besides the services held within the Parish, I have held three services in Allegan, and eight in Holland, and passed one Sunday in the service of St. John's Church, Detroit. On two Sundays, urgent duty has called me beyond the limits of the Diocese.

On resigning my charge of this Parish, after the first Sunday in May last, I entered immediately in charge of Grace Church, Holland—a Parish I assisted in organizing near the close of the past year. On other Sundays officiating at Saugatuck, twelve miles distant, where I have good congregations.

Since October last I have gone twice a month, on Sunday afternoons, to Nashville, a little village of 300 inhabitants, more or less, and likely to become a town of considerable importance. It has grown up during the last two years under the stimulus of our prospective railroad, the "Grand River Valley." I have had good congregations, and there is much that is hopeful, but it is too early to speak of results. But if permanently valuable results are to be secured, the one need at present is to purchase eligible lots for church purposes at once. I cannot say that there is any immediate prospect of a step so desirable.

The Parish seems in a flourishing condition. An effort will be made this summer to enlarge and improve our church edifice. A subscription paper is now in circulation. Next year we hope to do more for Diocesan and General Objects.

Since July last I have officiated every Sunday afternoon in Grace Church, Jonesville. My duties were confined to the one weekly service, The Wardens will report to the Convention. It is very desirable that a settled Rector should be secured for Jonesville. The people are willing and able to support an acceptable Clergyman.

The first services of our Church were held in Holland, in August, 1836, by the Rev. Robert Wood, when five adults and six children were baptised. The next service was held by the present Missionary, in July of the past year. In November following the Parish was organized, and in January a Sunday School was commenced. Under the Divine blessing, there is good reason for believing that both will continue to prosper.

Rev. Henry C. Randall resigned the rectorship of this Parish on the first of October last, and, in consequence of our limited pecuniary resources, we have not, as yet, been able to supply the vacancy. However, we have had lay services, once each Sunday, up to the present time. The Parish embraces but about a dozen families, and but few of these wealthy. We have raised in the Parish, for the support of a ministry about \$350, and heretofore have been allowed a missionary stipend of \$150 per annum.

There are several persons ready and anxious for confirmation. The prospects of our village are improving, and we are hoping for greater prosperity in the church.

It becomes the sad duty of the Wardens to record the death of our late beloved Rector, Rev. Daniel T. Grinnell, D. D., on the 2d of June, 1868, who has for nearly 21 years faithfully and very acceptably served this Parish, fulfilling with fidelity all the sacred ministerial duties of pastor, as well as the numerous social parish duties devolving upon the faithful Rector. During all this period of time, by his sound judgement and unusual discretion—by his overflowing kindness of heart manifested in acts of benevolence—he had so knit our hearts in holy fellowship as to avert the possibility of dissension. His whole administration was characterized by a steady and healthful increase in numbers and influence. In his daily life we had ever before us a practical exposition of the blessed gospel he proclaimed from the sacred desk. We mourn the loss of one endeared to us by the most sacred ties that could bind a loving pastor and grateful people together.

While our present is thus draped by this great bereavement, we turn with confidence to Him, the great head of the church, for consolation and guidance in the path of duty and peace.

Grace Church, Jonesville, Hillsdale County. (1839.)

Vacant. Reported by the Wardens.

Soon after the Convention of 1867, our Rector, the Rev. L. H. Corson resigned the rectorship of this Parish, since which time it has been vacant. The Rev. Mr. Buckmaster, of Hillsdale, has officiated for us on the afternoon of Sundays for about eight months of the last conventional year. He has baptised one adult and administered the Holy Communion three times. In addition to these services, our former Rector has baptised, two infants, buried two persons, officiated, preached, and administered the Holy Communion, on Christmas Day. We are extremely anxious to have the services of a Rector, and are disposed to do all in our power toward his support. We think we can raise five hundred dollars for the support of a Clergyman.

The strength of the Parish is increasing, in spite of serious losses by removals. The need of a new and larger church edifice is already felt, and with the interest now awakened, there is no doubt that efforts will be made shortly to secure its erection. I have officiated once at Mason, several times at the Reform School, and preached once at Lyons.

Of the families enumerated above as belonging to the Parish, twelve, including forty adults, and thirty-five children, reside at the mining and furnace locations, outside of Marquette. There is also a large number of Cornish miners, some of them with families, residing at the mines, not counted in this report. They can only be reached by missionary arrangement. We trust that the time may come when the Diocese will provide this part of our population with ministerial services.

During the past year this Parish has met with some reverses, but on the whole there have been steady progress and improvement. Its financial and temporal condition has never before been so satisfactory. The large debt, which, at one time pressed so heavily upon it, has been lifted off. There remains an indebtedness of about \$700, over and above our ordinary resources, which we hope to see cleared away before the expiration of another year.

St. Mark's Church, Marine City, is now free from debt and ready for consecration. Our people there are desirous of having a settled Clergyman among them. Should there be one found who is willing to labor in a small parish, I have no doubt he would find everything pleasant, and a general liberality on the part of the people in Marine City.

This report of ministerial acts includes only the time since, March 3, when I was placed in charge.

Services were commenced in Midland in October, 1867, by the Rev. John Leech, Rector of Saginaw City; Rev. Geo. B. Eastman, East Saginaw; Rev. J. W. Birchmore, Flint; and Rev. Fayette Royce, Bay City. Each of those gentlemen gave one or more services.

Nearly a month after services were commenced, our Rt. Rev. Father in God, (with Rev. Mr. Leech) visited Midland and administered the Holy Rite of Confirmation to four persons.

The Bishop preached morning and evening in the Court House, which was literally crowded to overflowing. The good influence of these inimitable sermons will be fully known only at the judgement day, but their influence is still felt in Midland.

Services and occasional lay reading were kept up through the winter, with a steady increase in interest, and with good congregations and a flourishing Sunday School.

The present prospects are very favorable. The church feeling is growing, congregation increasing, and the few communicants, consisting mostly of those who have been brought into the church from other religious bodies, are earnest and harmonious in their work.

A lot has been purchased for a church building, and a subscription amounting to about \$2,000 has been raised toward building a church. In the meantime, a hall has been rented and neatly fitted up with pews and chancel for the use of the congregation, until a church is built. The field is ripe for the harvest and a little aid will secure a permanent church interest in Midland.

During the greater part of the past year, full Sunday services have been maintained in this Parish. A half acre lot has been purchased, and it is designed to place upon it a church edifice sufficient to accommodate three hundred worshippers. A subscription has been obtained for the support of a resident clergyman.

Mt. Clemens has an importance of its own, and it is still more important for its practicable connection with missionary work throughout Macomb county.

Our church, lately repaired at great cost, together with a fine organ and an unusually sweet toned bell, was totally destroyed by fire on the morning of the eighteenth of March last. The loss falls very heavily on the Parish, but kind words and loving deeds from friends at home and elsewhere, have awakened in our hearts the purpose to arise and build. And in this blessed work we are now engaged. The foundation of a church, to be built of stone, from designs drawn by Gurdon W. Lloyd, Esq., of Detroit, and furnished us through the kindness of Sidney D. Miller, Esq., formerly a resident of Monroe, has been completed, and with the aid of our brethren we hope to lay the corner stone, with appropriate services, on or about the 24th of June. We need the prayers and the offerings of those of our brethren who are not laboring under the heavy burden imposed upon us, and which is now weighing us down so heavily.

The prospects of the Parish are very encouraging and the work now undertaken in so much fear and trembling, accomplished, a glorious future opens before us and much fruit will be here gathered unto eternal life. Brethren, pray for us, and help us, and God through Christ send us His blessing and "prosper our handy work!"

St. Paul's Church, Muskegon, Muskegon County. (1867.)

Reported by the Junior Warden.

Our Rector, Rev. Marcus Lane, having left us soon after the meeting of the last Diocesan Convention, we have very little to report.

We have no church edifice but design to build one as soon as we can raise the necessary funds. We have now some \$1,400 00 collected and subscribed toward that object. Last year we had 11 communicants, ten families. This year we can count at least fifteen communicants, with as many families. We held lay readings through the Lenten Season, Sundays and week days, and have found it necessary to continue such services.

We are determined, through the blessing of the Great Head of the church, to work and labor incessantly until we have a house of our own in which to worship.

The following transcript from the minutes of the Vestry will explain itself without farther comment:

At a meeting of the Wardens and Vestry, held on the 14th day of October, 1867, the Secretary presented to the Vestry a Warrantee Deed of the house and lot on the northeast corner of Hickory lane and Fifth street, being a donation from Rufus W. Landon, Esq., to Trinity church. Whereupon, the following preamble and resolutions were reported, and on motion, adopted unanimously:

WHEREAS, Rufus W. Landon, Esq., in a spirit of devotion to the cause of Christ and His Church, has donated to the vestry of this Parish a dwelling house and lot; therefore,

Resolved, That this donation be accepted by the Vestry.

Resolved, That we recognize in this action of our generous hearted brother a result of that true, living faith, shown in deeds of love, which has marked his whole connection with this Parish, and which will cause him to be held in grateful recollection as among its chief and most constant benefactors; and, in behalf of the people whom we represent, we, the Rector and Vestry, do hereby testify our gratitude to Almighty God that He has put it into our brother's heart to do this good and timely act, and we fervently pray that he may in no wise lose his reward.

It may be well here to state that this church was closed for nearly eight months previous to our taking charge of the Parish. During the interregnum, however, the church was open for an occasional service, but, very unfortunately, the Sunday School continued suspended till our coming here. It is now re-organized and giving fair promise of usefulness in the future

We are at present unable to give a full and satisfactory report to the Convention of the capabilities of the Parish in the way of church work, but hope to be before the time of next Convention. In the way of the general statistics of the Parish; we would direct attention to former report.

This congregation has been steadily, though slowly, on the increase. Our Sunday School continues still interesting. The teachers continue prompt and earnest in their work, and the progress of the school gives us much encouragement, and can the fostering care of the Diocesan Board of Missions be retained by this Church, we entertain the hope that ere long this Parish will be numbered among the self-sustaining Parishes of the Diocese.

I continued my connection with Ionia until the 1st of October last, when the Rev. Robert Wood assumed the duties of the Parish of St. John's and relieved me, from the onerous labors of both Parishes.

Soon after, however, I commenced services at Lowell, in Kent county, where I have continued services up to this time. I found a few families of church people there, but the want of a suitable place in which to hold service has operated very much against us. The Congregational society has very kindly allowed us the use of their house of worship in the afternoon, of alternate Sundays (it being the intermission between their services), and we have so occupied it, but we are thus deprived of the use of our morning service, which is the most important part; and for the want of male communicants, no organization has been effected there. In fact there are not materials enough to form an organization.

Lowell is a very active business place of some twenty-five hundred inhabitants; it is growing rapidly, and it is highly important that the Church should be planted there, and fostered until it has gained sufficient to sustain itself.

Thus have I been steadily and uninterruptedly engaged on this Missionary station since the last conventional year, and feel much indebted to the sustaining hand of our Diocesan Missionary Board. The blessings of a kind Providence having rested upon me, so as to enable me to meet every duty, and but a momentary sickness of less than twenty-four hours has been experienced during the past year. The distance my family are from this station, has caused me much anxiety, and has been quite a draft upon the feelings and energies of the Missionary. For in the discharge of my duties during the past year I must have traveled more than seven thousand miles.

The report of ministerial acts covers only the time since my ordination — March 31, 1868; but the offerings reported, are those of the year 1867-'68.

The Rev. the Rector of Saginaw City, held service on every Sunday, with few exceptions, during the year, until I was put in charge of the station.

The church people here are working earnestly and very harmoniously. They have purchased a fine lot and finished paying for it, hoping to be able to build a small church during the present year.

We suffer from the sectarian bigotry of the owner of the hall, in which we are obliged to worship on account of the fact that no other place can be had in the town. He is now charging nearly double the rent which he charged last year. Trials do not discourage us; they only serve to keep us steadily at work. Much, if not all the Church in South Saginaw is the fruit of the earnest work of *Church women*. When I first took charge of the Sunday School here nearly three years since, the number of communicants was *four*. *Bless God for the increase.*

Trinity Church, St. Clair, has now a rectory, which will make a pleasant home for the Rector, whoever he may be; and our indebtedness is only four hundred dollars, a part of which comes due this fall, (which I trust will be paid) and the remainder comes due one year from this fall. The church and parsonage are now surrounded with a good substantial fence, which makes a fine improvement not only to the church property, but to the city generally.

The object of securing a home for the Rector is praiseworthy, and ought to claim the attention and money of every parishioner. Our success in this noble enterprise in St. Clair, is owing to the ladies and others who have been willing to stand by their Rector in the time of trial.

Since the last report, the church therein noticed, has been completed as far as at present designed, and was opened for Divine service on the first Sunday in November, 1866. It has cost about \$3,000 besides the lot, giving church property to the value of \$4,000, a portion of which remains unpaid.

The Methodists, and Baptists, and Congregationalists, and even the Romanists having preceded the Church in the erection of church buildings, places us at somewhat of a disadvantage. But truth is mighty and will prevail, and we trust, that with God's blessing on

patient labor and perseverance, the Church will soon gain her true position.

Missionary services have been held in Ovid, a thriving village of about 1000 inhabitants, 10 miles east of St. Johns, and with such favorable prospects, that a desire has been expressed for stated services in the future. The timely assistance which has been received from friends of the Parish is hereby gratefully acknowledged.

I left home a short time last fall in October, soon after which the Bishop withdrew our minister, and we have had no service since that time. We have a location and some little material for building, but nothing has been done since the withdrawal of our minister. The property is all in my hands awaiting disposal by the Bishop.

The Parish I resigned at Easter, being immediately succeeded in the charge by Rev. Mr. Rogers. The Parish now holds a very eligible church lot, having a very beautiful church edifice built thereon, with fair prospects of success.

ADDITIONAL REPORT.

Rev. ALEX. H. ROGERS, Rector. (Missionary.) (1868.)

The annual report for this Parish having already been made by Rev. William Charles, up to Easter, at which time I became Rector in his stead, I hereby report from that date:

Number of services, Sundays, 16; week days, 2; Holy Communion, times, 3; Baptisms, infants, 1, Burials, 1. Communion Alms, \$13 89; for Nashotah, \$10 00.

This church, situated four miles from Wyandotte, was under my parochial charge from the first of June to the first of March following.

Services were held every Sunday afternoon in addition to my services at Wyandotte. The congregation is a small one, and the people are not able of themselves to sustain the regular services of the church, and as the missionary money has been withdrawn, this parish together with that at Wyandotte, must be closed, or left to the very uncertain ministrations of a lay reader.

I regret this for Trenton, especially as the people are very desirous of the pastoral ministrations of an acceptable clergyman, and are no doubt willing to make such sacrifices as is in their power for that purpose. I met with a most cordial and hearty welcome at all times from them, and left them at last with great reluctance. I have to acknowledge many acts of kindness, both in word and deed, and shall ever invoke the blessing of God upon their efforts to build themselves up in a strong and self-supporting parish.

My statistical returns are incomplete, necessarily from the fact that I am now so far away from the parish and not having access to the records. My own official acts are all that I can give.

Rev. DARIUS BARKER. (Missionary.) (1867.)

In my report I have not a large amount of statistics to give. But I trust that I have not been altogether unprofitably employed in my Missionary duties within my appointed field of labor. I have at present three points at which Divine service is performed and the gospel preached to attentive congregations in Lawrence, Hartford and Lawton. Besides which I have preached three times in Paw Paw (one of which was at a funeral) and twice in Homer. At Lawton, the prospects of the church are quite encouraging. There are several communicants at each of the stations; but not sufficient to justify organizing parishes at present. As soon however as the prospects of permanency will justify the measure, I intend to organize parishes at Lawrence and Lawton. I have also visited the thriving village of Decatur, where I was told that a few weeks before, quite a favorable feeling prevailed towards establishing the church in that growing town. But not being able to succeed in securing the services of such a minister as they judged suited to their wants, the project was given up, and another denomination had taken the ground. But even now, could a young and active Mis-

sionary be sent there, he would in all probability establish a good parish. At other points in the county, there are church people who would rejoice to welcome a missionary, but who are too few and far between to organize into parishes.

Baptisms, adults, 2; children, 3; total, 5. Marriages, 2; funerals, 1. Communicants, uncertain. Confirmations, (a small class awaits the Bishop's visitation.)

Since my resignation of this Parish, the public worship was continued through the instrumentality of a lay reader, Mr. U. Smith, who was confirmed by the Bishop at his last visitation, and who became at once an active and efficient communicant in the Church; but God, in His all wise, but mysterious providence, has taken him suddenly from his earthly labors. He died suddenly in his office from apoplexy, and though without warning, not as we humbly hope, unprepared.

This report is for nine months, ending March 1st, 1868.

REPORT OF CLERGYMEN NOT IN CHARGE OF PARISHES.

[*Extract from Digest of the Canons of the General Convention.*]

TITLE I, CANON XV., SEC. I.

“Every Clergyman, not regularly settled in any Parish or Church, shall also report the occasional services he may have performed; and if he has performed no such services, the cause or reasons which have prevented the same.”

REV ISAIAH J. BABCOCK, DEACON, KALAMAZOO. (1849.)

During the last year I have preached four times, performed two baptisms, (infants) and buried one. I have assisted Rev. Dr. Foster almost every Communion Sunday in the administration of the elements, and by reading services for him.

REV. JONATHAN FELLOWS, DEACON, NEW JERSEY. (1853.)

No Report.

REV. LUMAN FOOTE, CHARLOTTE, EATON CO. (1841.)

No Report.

REV. MOSES H. HUNTER, DETROIT, WAYNE CO. (1846.)

During the summer of last year I officiated twice in St. Paul's Church, Detroit, twice in Christ Church, twice at Grosse Ile. After Dr. Pitkin's accession to St. Paul's, I read the service frequently for him during the autumn and winter. For eight weeks past I have been officiating in St. James' Church, and on three Sundays have officiated in the afternoon in St. Thomas' Church, Trenton.

During the year I have baptised three infants, and have performed two marriage ceremonies.

REV. CHAS. R. HUSON, JONESVILLE, HILLSDALE CO. (1852.)

No Report.

REV. EDWARD MAGEE, DETROIT, WAYNE CO. (1858.)

It were not easy to state a time in which I had better health than falls to my lot at present.

The usual inflammatory affection which, for years past, laid hold of me as regularly as the spring appeared, has failed, this season, to connect; and, therefore, we are permitted, once more, to travel onward in a separate train. This state of things, however, may be due to the severe and protracted sickness I passed through last fall and winter, when, for the space of four months, I was confined almost exclusively to my room.

I have assisted the Rev. Mr. Lightner a few times during divine service; and also in the administration of the Holy Communion; baptised a child in private, which I buried a few days after.

REV. EDWARD MEYER, PHILADELPHIA, PA. (1860.)

From August, 1866, induced by consideration of health, I left Michigan and was engaged in ministerial duty in the Church of the Epiphany, New York, and the Atonement, Brooklyn, and other churches in and about New York. Subsequently, for five months, I had charge of Trinity Church, Philadelphia, where my official acts are entered on the Parish Record, and reported to the Bishop of Pennsylvania by my successor.

At present, by appointment of Bishop Stevens, I am officiating as Chaplain at the Episcopal Hospital, preaching in the Chapel of that beautiful place, on Sundays, and ministering at the bedsides of the sick and by the graves of the departed.

As I shall not return for ministerial work at the West, I shall, in due time, ask for my Letters Dimissory from the Bishop of Michigan.

REV. RUFUS MURRAY, DETROIT, WAYNE CO. (1849.)

From my continued ill-health, I have not been able to perform scarcely any services during the canonical year past; yet in the good Providence of God I have been permitted to visit my old Parish, at Adrian, and by especial invitation to unite in holy wedlock, in Christ Church, one of the flock of my former congregation; left as a Sunday-school scholar, but now become a man of business and respectability. I remained there over Sunday, and consecrated the elements of the body and blood of Christ which were distributed by the Rector, Rev. Mr. Fleetwood, he being only in deacon's orders; which was a time of refreshing to me in thus meeting my old friends and former parishioners, and the reciprocal and cordial greetings, with the many kind sympathies manifested in my affliction and decrepitude.

A few weeks since, by request, I visited Dexter, and married, in St. James' Church, the daughter of my long known friend and brother, the Rev. Mr. Spalding, with whom I spent nearly a week in pleasant social intercourse, and Christian communion, and on Sunday preached for him in the morning; beside the above I have performed two other marriages at Detroit, making in all four.

REV. JAMES SELKRIG, BRADLEY, ALLEGAN CO. (1835.)

My health is not very good. I was not able to attend the Convention. I have not been able to preach for a number of years, but have baptized six Indian children and married several couples. There are ten families on the ground; they like their old home the best and have returned. They are all steady, upright men, and make good neighbors. I should be glad to hold services among them, but I am not able.

REV. OLIVER TAYLOR, PONTIAC, OAKLAND CO. (1851.)

No Report.

REV. GEORGE P. WILLIAMS, LL. D., ANN ARBOR, WASHTENAW COUNTY. (1847.)

Professor in the University of Michigan.

My services during the past year have been as follows. In Ann Arbor, I have preached twice; administered the Holy Communion once; baptized one infant; solemnized one marriage, and attended one funeral. In Jackson, preached four times and baptized one infant. In Pontiac, preached twice, and solemnized one marriage. In Tecumseh, preached twice, and in Clinton, once.

CONVOCATION REPORTS.

The Convocation shall make Annual Reports of their doings, through their Secretaries, to the Bishop for presentation to the Convention.—CANONS OF MICHIGAN, XI., Sec. 6.

REPORT OF THE SOUTHERN CONVOCATION.

To the Right Reverend the Bishop of the Diocese of Michigan :

In accordance with the XI. Canon, the Secretary of the Southern Convocation respectfully reports :

That after the discontinuance of the meetings of this body for some years, the following ministers, viz: Revs. H. Safford, J. A. Staunton, William Charles, and J. W. Ray, met at Trinity Church, Three Rivers, on June 25, 1867. Nothing further was attempted than to re-organize and to have the Church Services, with Addresses, Sermon and the Holy Communion—the Sermon by the Rev. Mr. Ray. The Rector acted as Moderator, and the Rev. J. W. Ray was chosen Secretary. A small collection was taken for Missions—care of the Rector.

On October 8, 1867, the Convocation met in St. Mark's, Coldwater. Present, the Rt. Rev. the Bishop, and Revs. Safford, Buckmaster, Corson Charles, Ray, and Howard. The like services with the above were held, and the Bishop confirmed thirty-one persons. A small collection was taken and given to Rev. Mr. Charles for his church building at Three Rivers. A most interesting sermon was preached by the Bishop on the subject of confirmation ; another, before the Communion, by the Rev. Mr. Charles, and Addresses were given during Convocation, by most of the Clergy present.

On January 14, 1868, Convocation met at St. Peter's, Hillsdale. Present, the Rt. Rev. the Bishop, and Revs. Safford, Corson, Huson, Buckmaster, Ray, and Charles. Addresses were given, after evening services, by several of the Clergy. The Rev. Mr. Peters was present the second day to attend a funeral, on which occasion the Rector preached the sermon. In the evening of the second day the Bishop preached the same able sermon as above noted, and confirmed some ten persons. A small collection was taken for Missions, going into the hands of Rev. Mr. Charles for his church building. On the third day, the Holy Communion was celebrated, Rev. Mr. Peters of Detroit, giving the introductory discourse.

On Wednesday of Easter Week, April 15, 1868, Convocation met in Trinity Church, Monroe. Present, the Rt. Rev. the Bishop, Revs. Safford, Corson, Charles, (removed to Pontiac) Buckmaster, Lyster, and Ray ; and by invitation, present from Detroit, Revs. Dr. Pitkin and Paddock. The church having lately been burned, the meetings were

held in the Court House. The loss to the Parish of their church was a prominent topic of remark in the addresses. Communion Sermon was preached by Rev. Mr. Lyster, and by request, sermon for the Bishop before Confirmation, by Rev. Dr. Paddock. Six persons were confirmed, and a collection taken during the Convocation, for Missions—care of the Rector.

Respectfully submitted,
J. WAINWRIGHT RAY,
Coldwater, Monday in Whit Sunday Week. *Secretary.*

REPORT OF THE EASTERN CONVOCATION.

To the Rt. Rev. the Bishop of the Diocese of Michigan:

The Eastern Convocation makes the following Annual Report:

The sessions of the past year have been held with more or less of interest and good results. If we can influence a few only, who in turn may influence others, to the increase of God's Kingdom, we shall be more than rewarded for our time and expense.

XXVII. Meeting took place in St. Mark's Church, Marine City, and Trinity Church, St. Clair, July 23d and 24th, 1867. There were present eight clergymen of the Convocation and four Canadian clergymen. Collection \$14 79.

XXVIII. The meeting was held in the chapel of Christ Church, Dearborn, October 9th and 10th, 1867. The Bishop and six of the clergy were present. The goodly number of people present gave interest to the services. Alms \$3 07.

XXIX. Meeting was held in St. Stephen's Church, Hamburg, February 11th and 12th, 1868. The congregations were large and the interest great. Present, seven clergymen. Collection \$26 00.

Rev. Dr. Pitkin and Rev. J. J. McCook have taken Parishes within the bounds of the Convocation, and Rev. Josiah Phelps has removed. There are now seventeen Presbyters in the Convocation.

Respectfully submitted,
A. M. LEWIS, *Secretary.*

APPENDIX F.

REPORT OF ST. LUKE'S HOSPITAL.

The Rt. Rev. S. A. McCookry, D. D., D. C. L.:

The General Convention at its last session passed a canon requiring all Church Colleges, Church Schools, and Church Hospitals, Orphan Asylums, etc., to make report to the Bishop at each Diocesan Convention.

Regarding this canon as most beneficial in its tendency, and trusting to see it everywhere obeyed in the Church, it gives me pleasure to report the condition and prospects of St. Luke's Hospital and Church Home, of the city of Detroit, to which some reference was made in the diocesan convention journal of 1866.

The association may now be regarded as established in its character and work. It is managed by fifteen Trustees, who are chosen as nearly as practicable from all the parishes in Detroit, and whose operations are carried on by Executive Committees of ladies and gentlemen. Very great harmony has characterized the administrations, and the necessary means have been contributed principally by St. Paul's, Christ's and St. John's parishes. Dr. Zina Pitcher, Physician and Surgeon; Dr. Henry W. Lyster, Assistant Physician and Surgeon; Dr. Farrand, and Dr. Fletcher have been incessant in their watchful care over the invalids of the Home; and Dr. Pitcher has made a valuable gift to the medical department. The receipts for the current expenses for the fiscal year ending 18 April, 1868, were \$2,276 58, and the disbursement of that department \$1,817 44. The association owns 8 1-2 acres of land between Fort St. and Detroit River, adjoining the city and accessible by street railway, valued at about \$15,000. Upon this land it is proposed to erect the present year the first of a group of edifices which will ultimately be required to carry out the design of the association. The proposed building will be of sufficient dimensions to accommodate forty or fifty

invalids and aged persons. The estimated cost will be \$25,000, including fencing, furnaces, etc., towards which there is in the treasury about \$5,000. Subscriptions have lately been made for as much more, and it is hoped that the whole sum necessary will be made up in time to keep the work in progress. If not, the work will be suspended, as the Trustees have resolved not to incur a debt. There is now a debt of \$6,000 upon the land, towards which subscriptions have recently been obtained to the extent of \$3,500, and the committee have no doubt of success in procuring the remainder. The terms of admission are very low, and may be complied with by individuals, churches or Sunday schools in behalf of those proposed as recipients of the benefits of the Hospital. During the past year nineteen persons have been received in the Home and Hospital, and at present there are ten, which number cannot be exceeded with the present accommodations. Although intended primarily as a Church Home for the sick and aged of our own Communion, we have gladly admitted sufferers from other Christian bodies, and indeed without any other claim than that of sickness and want, and the blessings which have been bestowed for such relief obtained, have well repaid the members of the association for all the outlay of time and money and sympathy.

We desire, dear sir, to invoke through you the sympathy and material aid of the members of our Communion throughout the diocese. The strongest and the richest among them may to-morrow be among the weakest and poorest, and at least their children and grand-children may knock at our door for relief. We pray that all who have experienced God's blessing upon their business pursuits, would reflect that in no way could their thousands or hundreds or fifties be better invested than in the stock of our Church Home. Such a provision against the casualties of life commends itself to the attention of every Christian man and woman, and we hope its consideration may move the hearts of those who live in celled houses, as well as those of every other rank in life, to come to our aid at the present time.

H. P. BALDWIN, *President.*

(APPENDIX D.)

Mr. C. C. Trowbridge, Treasurer and Secretary of the Missionary Committee, presented and read the Report of the Committee, as follows:

Report of the Missionary Committee.

Agreeably to Canon, the Secretary of the Diocesan Missionary Committee respectfully reports:

The sum in the Treasury on the 6th June, 1868, was.....	\$1,842 13
The amount received during the conventional year.....	4,233 79
	\$5,575 92

The amount paid to Missionaries and for Missionary purposes.	4,995 33
The balance of cash on hand.....	\$580 59

The Missionaries at present receiving aid from the Committee are: Rev. William N. Lyster, at Brooklyn, Jackson county and Cambridge, Lenawee county; Rev. Darius Barker, Missionary at large in Van Buren county; Rev. Joseph B. Prichard, at Grand Haven, in Ottawa county; Rev. V. Spalding, at Dexter, in Washtenaw county; Rev. Daniel E. Brown, at Saranac, in Ionia county; Rev. Albert C. Lewis, at Howell and Hamburg in Livingston county; Rev. S. S. Chapin, at St. Johns, in Clinton county; Rev. J. Rice Taylor, at Holland and Saugatuck, in Ottawa and Allegan counties; Rev. Henry Banwell, at Lansing, in Ingham county; Rev. Joseph W. Bancroft, at Hastings, in Barry county; Rev. Gerrit E. Peters, at Detroit and Springwells, in Wayne county; Rev. William G. Stonex, at Albion, in Calhoun county; Rev. Abraham Flower, at Lexington, in Sanilac county; Rev. Alexander H. Rogers, at Three Rivers, Rev. Augustus Bush, at Mendon, in St. Joseph county; Rev. Septimus L. Williams, at Wyandotte, in Wayne county; Rev. L. L. Rogers, at Homer, in Calhoun county; Rev. David H. Lovejoy, at Marine City, and Algonac, in St. Clair county; Rev. H. Judd, at Allegan, in Allegan county; Rev. M. A. Hyde, at Mount Clemens, in Macomb county; Rev. W. W. Rafter, at Alpena, in Alpena county; Rev. W. R. Tillinghast, at Midland, in Midland county, and South Saginaw, in Saginaw county; Rev. L. H. Corson, at Burr Oak, in Hillsdale county; in all twenty-three, being six more than the number employed the previous conventional year.

Two Missionary meetings have been held during the year, in accordance with the resolution of the Convention; the first at Niles and the second at Adrian. These meetings, which brought together a goodly number of the clergy, are believed to have awakened considerable interest and the discussion of missionary topics by the clergy, especially in their informal meetings, was found to be more profitable to them and more interesting to the congregation that attended, than set speeches prepared beforehand.

At the last Convention a considerable sum was lying idle in the treasury in consequence of the difficulty of obtaining missionaries for several vacant fields. We have no such embarrassment to report at this time. The treasury is well nigh exhausted, the demand for Missionaries grows more and more pressing, and there is every reason to believe that twice the sum heretofore expended annually, could now be appropriated to great advantage.

~~~~~

So far as the efforts of the Missionary Committee could, with propriety, be directed to arousing the parishes to a just sense of their responsibility in respect to the work of Missions, they have been so directed. Every argument which they could urge has been brought forward in their reports of former years, and they have begged and entreated the parishes to adopt and pursue some systematic plan of contributions for church work, including missions. That the Committee have not been more successful is a source of pain and grief to themselves, and ought to be a cause of shame and mortification to the members of our church who so little heed the injunctions of their Divine Master to "go into all nations and teach them," the truths of his blessed gospel.

Respectfully submitted,

C. C. TROWBRIDGE, *Secretary.*

It may be that the many Parishes that have not contributed, are not aware of this important provision adopted by the Church in this Diocese of having a collection for the above object once in each year, and have not, therefore, contributed. It will be well to consider, and if they can, to try and sustain the effort of raising a fund for the objects contemplated.

P. E. DEMILL. *Treasurer.*

On motion of the Rev. J. W. Birchmore,

*Resolved,* That the Report be referred to a committee, consisting of one Clergyman and two Laymen.

The chair appointed on the committee, the Rev. J. W. Birchmore, Mr. J. F. Conover, and Mr. O. H. Chipman.

The Treasurer also presented and read a statement of contributions received by him for the support of Miss Taney, a teacher among the Freedmen.

## (APPENDIX F.)

Mr. H. A. Hayden, Chairman of the Special Committee on so much of the Bishop's Address as relates to the increase of the Episcopal Salary, presented and read the Report as follows :  
*To the Convention in Session :*

Your Committee to whom was referred the statement made by the Bishop, subsequent to his address, relating to the inadequacy of his salary, respectfully report: That deeply impressed with the importance as well as delicacy of the matter submitted to them, they have considered the same, with as much care as was practicable, without delaying their report to a subsequent convention. From the reports made at previous conventions, it appears that from the time the Bishop resigned the Rectorship of St. Paul's, Detroit, in 1863, the convention has *annually* appropriated for his support the sum of \$3,000, which sum has been regularly paid to him in advance, monthly, by the Treasurer, of the Episcopal Fund ; that by the generous donations of various parishes in the city of Detroit, aided by a few subscriptions outside, an Episcopal residence, eligibly

located and worth an annual rental of from ten to fifteen hundred dollars, was secured to the Diocese in 1866, and that from that time, the use of this residence has been furnished to the Bishop free from rent, all taxes, insurance and repairs having been in the meantime paid by the Diocese. The provision thus made was supposed to be a fair and suitable one at the time, and from the best information of the committee, is fully equal to the salaries paid to either of the Western Bishops, unless it be in Ohio, as to which we are not informed.

Yet, notwithstanding these facts, were it probable that the various parishes would bear the necessary increased assessment, without complaint, your committee would feel less embarrassment upon this question, but we feel compelled in this connection to take cognizance of the fact that in order to carry on effectively the missionary work of the Diocese even on its present footing and without increasing it, a large addition must be made to our present pledges, and that this increased amount ~~must~~ be paid if we would sustain the honor of the Church and the cause of Christ. Under such circumstances and with the existing stringency in money matters, the committee cannot but feel that it would be unwisely hazarding the missionary work of the Diocese to ask an increase of from 33 to 67 per cent upon the present assessment of the parishes, in order to raise the Bishop's salary one or two thousand dollars higher. In the present condition of the Episcopal Fund only about \$2,100 can be realized to apply upon the salary, the balance of three thousand being paid by assessment, hence any increase of this salary necessarily compels an equal increase of the assessments upon the parishes, a result that would be quite sure, as the committee believe, to create serious dissatisfaction.

They therefore return this matter to the convention with such a recommendation as they hope may accomplish the much desired end—which is, that in addition to the present salary of the Bishop the convention shall appropriate the sum of five hundred (\$500) dollars per annum, to be paid to the Diocesan for traveling expenses, in lieu of the former insufficient provision made by resolution of convention by which the Parishes were required to defray his expenses at each visitation of the Bishop. All of which is respectfully submitted.

JUNE 10, 1869.

~~~~~

Which on motion was adopted.

The Rev. J. W. Birchmore, Chairman of the Standing Committee on Christian Education, presented and read the report as follows :

The committee on Christian Education would respectfully report, that a deep feeling of the importance of Christian Education, properly so called pervades the Diocese, without doubt; but at present does not seem to go beyond the point which it has reached several times before, to wit: the *enunciation* of its importance. The need of a Diocesan Church School for girls has not lessened by the progress of time, yet the foundation of such an institution is apparently no nearer its accomplishment; and, beyond this we are forced to chronicle the giving up of the Perrin Institute at Marshall, which might have been developed into a most important general aid to this great work, had it received the patronage which was to be expected. At present the only effort to provide a Church School in this Diocese is being made at Fenton, and this is in its commencement. Nor does the subject of parochial schools seem more highly estimated in practice, than of those of a higher sort, for several that were in progress have been given up.

The failure of the methods hitherto in use to promote Christian Education in this Diocese, indicates either an indifference, which we are unwilling to believe really exists; or, the necessity of an *entirely different system* to promote this confessedly all-important work. "*Fas est ab hoste doceri.*" Associations of Christian men and of Christian women for the work of education, may be the true solution for this practical question, as it is seen to be the true method in the Christian work of taking care of the sick in hospitals, and of the poor in Church Homes. When Christians exhibit the self devotion of the earlier ages, we shall see the corresponding results, and not before.

|                                                                                             |   |            |

|---------------------------------------------------------------------------------------------|---|------------|

The Rev. O. E. Fuller presented and read an additional report, as follows :

While the undersigned agrees with the majority of your committee on Christian Education, as far as relates to the recital of facts concerning past efforts, and the probable existence of some interest in the cause, he is unwilling to believe their duty fully discharged, without re-

commending some new policy for the future; for where there is confession of mistakes or failures in the past, there ought to be immediate attention to some kind of remedy for the time to come, He is therefore constrained to submit this minority report.

In his opinion, the only practicable way for the Diocese, in its organic capacity, to succeed in promoting Christian Education, is to encourage and foster providential beginnings, rather than to attempt the difficult task of founding *de novo*. In keeping with this conviction, he would therefore recommend a policy for adoption, which may be roughly sketched as follows:

1st. The election by this Convention of three Trustees who shall have charge of the Diocesan Educational Fund, which shall be used from time to time for promoting the work of building, or for creating an endowment, as the contributors to said fund shall elect, and at such places as they shall elect; or, in case there be no direction in the matter, at the discretion of the Trustees.

2d. The appointment of an agent who shall spend his entire time in soliciting subscriptions to this fund throughout the Diocese.

By acting upon this plan, and exacting, of course, proper conditions of the different places where it may be proposed to be given out, the Diocese will be sure to make some progress in the great work which so loudly calls for a practical exhibition of your interest; at the same time it will be guarded from the danger of sinking capital in fruitless efforts.

O. E. FULLER.

On motion, the Majority Report was adopted.

The Report of the Committee on the Increase of the Bishop's Salary being called up by the Bishop, Mr. W. A. Clark offered the following:

*Resolved*, That the recommendation of the Committee on the Increase of the Bishop's Salary be adopted, and that the sum of five hundred dollars for the purposes therein named be added to the Bishop's salary.

The Rev. John Leech offered as an amendment:

*Resolved*, That from and after the first day of June, 1893, the salary of the Bishop shall be at the rate of four thousand dollars per annum, and that the Committee on Assessments be required to assess the additional sum on the Parishes.

On the call of five members, it was

*Resolved*, That the vote shall be taken by Orders. (See Const., Art. VII.)

The Chair appointed as tellers for the Clerical vote, Rev. John Leech, for the Lay vote, Mr. T. S. Sprague.

WHEREAS, This Convention has learned that the Misses Bacon, Principals of the Ferrine Collegiate Institute, in Marshall, have found it necessary to close the same; therefore,

"Resolved, That the design of those ladies to establish a girls' school of the highest literary excellence, and on the basis of true Church Principles, was in every way most commendable, and of the greatest practical interest to the Diocese at large; that their persistence in this design for nearly three years in the face of much disappointment and discouragement, entitles them to our warm sympathy: and that we deeply regret the too prevailing indifference of our people as to the great importance of a sound Christian training, which has been the main cause for the abandonment of this praiseworthy enterprise.

Resolved, That the Secretary be instructed to acquaint the Misses Bacon at once with the action of the Convention.

The Tellers announced the election of

MR. PETER E. DEMILL, *as Treasurer of the Convention.*

The election of the Registrar being next in order, on motion the Rule of Order was suspended and the

required to be kept by any other person or officer. He shall also collect and preserve such materials as can be obtained relative to the history of the Diocese, and of particular parishes, and shall catalogue and classify all books, documents and papers, so as to make their contents accessible for reference.

III. He shall also keep a book containing a record of all consecrations of Churches, of all ordinations, of all sentences and acts of deposition for offenses in the Diocese, of all admissions and dismissals of clergy into or from the Diocese, and of all deaths of clergy belonging thereto.

IV. He shall annually report to the Convention, showing, with such details as may seem expedient, the condition of the collections in his hands, and the additions made to them from time to time, with such suggestions as he may deem proper concerning their preservation, arrangement, and increase, and concerning the best method of securing to the Church a knowledge of all matters of importance contained therein.

## The Bishop's Address.

---

**Dear Brethren :**

For the last few years, I have been obliged to commence the record of my labors, with a notice of the loss, by death, of some one of our Clergy.

THE LATE REV. D. T. GRINNELL, D. D.

A few weeks preceding our last annual meeting, we lost our beloved and ever-to-be-remembered Grinnell. The suddenness of his death, and the shock it gave to us all, and particularly to myself, unfitted me to notice our sad bereavement in such a manner and in such terms as he deserved. While time has chastened and subdued our feelings, it has, in no respect lessened the sense of our loss. He was particularly near to me, as he spent more than a year of his preparation for Orders under my supervision, and received at my hands the Diaconate and the Priesthood. I directed him to his first and only Parish; and, throughout his ministry, he was the kind, confiding, submissive Presbyter, and the faithful and devoted friend. As his character and labors have been so truly described in the Records of the Church, and as his memory lives, in all its freshness, in the hearts of those to whom he ministered in holy things, I only join my appreciation of his worth, and the deep sense of my loss as his Bishop and friend, to the mournful page which commemorates the grief of the Diocese.

THE LATE REV. GEORGE O. BACHMAN.

Another has fallen since we last met, the Rev. George O. Bachman. He departed this life in April, in the sweet assurance of an entrance into Paradise, to await a joyful resurrection. He was a man of singular purity and zeal. He brought all his energies of body and mind to the work his Master had given him to do. Weariness and toil and privation were cheerfully endured. The poor and the destitute were the particular objects of his care, and the waste places of the land the spots in which he loved to labor. In connection with the Rev. Mr. Chapin, I performed the last sad offices in committing his body to the earth, and

~~~~~

thanked God that he had escaped from the pains and sorrows of a frame worn out in his Master's service, and had exchanged them for a life which knows no weariness and no decay.

REVIEW OF THE YEAR.

With this brief notice of God's chastening hand, and of the admonition it gives us, to be active and diligent in the cause of our Lord, and to be ready to give an account of our Stewardship, we turn to the many evidences of the positive blessings we have received at His hand. The year has passed in harmony and peace. There appears to be but one heart and mind in the Diocese—no departure from the good old paths—no introduction of any novelties to disturb us,—no party organizations, but a firm adherence to every law of the Church, and a faithful exhibition of "the truth as it is in Jesus." Where vacancies have occurred by the removal of some who had long and faithfully labored with us, these have been filled, and but few Parishes are unsupplied. I have never had so many applications from some of the best and ablest Clergymen of the Church, to cast in their lot with us, and aid us in extending the Kingdom of Christ. The difficulty has been, that we have not a suitable provision for the support of men with families in our Missionary Stations. Eight or ten young men could be well sustained, and I hope that, during the year, some of these promising fields will be occupied.

INABILITY TO VISIT PLACES.

If I had been able to meet the expense, I should have visited every point in the Diocese, in which there is a probability of organizing and sustaining a Parish. As it is, I have to confine my labors to the old and settled Parishes which can be reached through the kind aid extended to me by the Railroads. If I could have accomplished it, I think that, by the blessing of God, I could have greatly increased not only the number of the Clergy, but the strength of the Diocese. I can only exert myself according to my ability, with the hope, that the Diocese will awaken to a sense of its duty, and cheer the heart of some one on whom may rest such fearful responsibility.

NEED OF CHURCH SCHOOLS AND COLLEGES.

I have, on former occasions, drawn your attention to the necessity of founding Christian Schools and Colleges for the education of the sons and daughters of the Church. I have been sadly discouraged and disappointed in reference to this subject. I find that, in almost every part of the Diocese, the various denominations have well-endowed institutions for this purpose. We have not one. Whether it is the better plan for the Diocese to have such institutions under its care, or

to leave them to the liberality and efforts of private corporations, it is difficult to determine. My own opinion greatly leans to the latter, but with the understanding and hope, that in every part of the Diocese a deep interest will be felt for their support.

THE SCHOOLS AT FENTONVILLE.

Such institutions have been commenced at Fentonville, through the energy and zeal of the Rev. Mr. Fuller. I believe that sixteen thousand dollars have been subscribed by citizens of that village and neighborhood. They are under the control of a Board of Trustees, and it is fully provided that, although disconnected with the Diocese, and, in no sense Diocesan institutions, still, the whole teaching is to be in accordance with the principles of the Church. The plan was a noble one, and its success would have been made certain, if a like interest had been shown throughout the Diocese. The Trustees are, principally Laymen, mostly citizens of the village; practical, careful, business men, and not likely to involve themselves or others in any pecuniary liabilities. I do hope that they will succeed in this noble effort. If the buildings could be completed, (it is only intended to build according to the means,) there would be no difficulty in supporting the institutions. The location is a very favorable one,—healthy and attractive, and the deepest interest is felt by many parents, in a wide range of country, to have such facilities for the education of their sons and daughters. I do hope that this effort will not share the fate of those Schools, whose doors have been closed by neglect, and their pupils turned over to the teaching and guardianship of Rome. It is a vital question, which is assuming a more intense interest every day, whether the Church will take care of her children, or give them into the hands of those whose teaching is at war with the principles and standards of our Holy Faith; or to those who can accommodate themselves to all circumstances, but with a purpose, that never changes, to extend their influence and power over the pliable susceptibilities of the young. It requires but little foresight to discover what will be the ultimate results, if parents surrender their children to such guardianship.

THE PROPOSED SCHOOL AT JACKSON.

We had good hopes that, by this time, we should have had such an institution in the centre of the State. The greatest liberality had been shown by the inhabitants of the city in which it was to be placed. God (for only a time, I trust,) has disappointed our hopes. It would be a fitting commemoration of the zeal and energy and piety of one who, nobly fell at his post, and whose heart was wrapped up in its success.

~~~~~  
**THE SUPPORT AND EXTENSION OF THE CHURCH.**

There is another subject in which we all must feel no little interest—the support and extension of our Church. We could increase the number of our missionaries very largely if we had the means. It is sad to be forced to remind the followers of Christ of their duty in this respect. It is a reflection on the want of that spirit which animated the heart of our Blessed Redeemer, and which is the most reliable proof of our interest in the salvation He has purchased for us. We are told that, if we have not this spirit, we are none of His. We may profess to have faith,—we may give our bodies to be burned, but all will be valueless without it. It becomes us to look well to ourselves in this respect. Many may perish and fail of eternal life through our neglect. It is a solemn question, what have I done, and what am I doing to extend the blessings of the Gospel, and the privileges and comforts of the Church to the thousands who are deprived of them? I have frequently said, and now say it, with renewed confidence, that there never was a brighter field for missionary effort than that in our own Diocese. We have but few foreigners, comparatively speaking, wedded to the customs and habits of their native land, and hence, more difficult to reach and influence. The people of our State, are a thinking and reading people: many wearied with the uncertainties that have been thrown around their religion, are anxiously inquiring for something on which they can rest with confidence and certainty.

**NEED OF CHURCH LITERATURE.**

Hence, we need not only the living preacher, but a thorough and decided Church Literature. Books and Tracts can and ought to be circulated far and wide. Through these agencies many have been brought into the Church; and there never was a more auspicious time than the present for their employment. The Missionary Committee of the Diocese, need not only increased aid for the support of the Missionaries, and to enable them to occupy new and promising fields for the Church, but to meet the increasing desire, on the part of hundreds, to know and understand the principles of our Holy Faith. I trust that a larger sum will be placed in their hands by the Parishes in the Diocese, and that the present year will be marked as one of successful effort in the cause of our adorable Redeemer.

I now present a brief outline of my labors for the past year.

**ALLEGAN.**

June 14. I preached twice in Allegan, and confirmed 13 persons. This Parish has been without a Pastor for nearly three years, but its

members have been unwearied in good works. A very beautiful church building was nearly completed at the time of my visit.

SAUGATUCK.

June 15. I preached at Saugatuck: We have a church organization here but no church edifice. The Rev. J. Rice Taylor is the Missionary, in connection with Holland.

HOLLAND.

June 16. I preached in Grace Church, Holland, and confirmed 12 persons. A very neat and comfortable building had been purchased and fitted up as a House of Prayer. The number of American residents in the place is not very large; yet it is hoped that, through the energy and zeal of the few churchmen, a good Parish can be collected. Every thing was done by them to make me remember my first visit with pleasure.

GRAND HAVEN.

June 17. I preached at Grand Haven in an upper room, neatly fitted up, and confirmed five persons.

MONROE.

June 24. I laid the corner-stone of a new, stone edifice for Trinity Parish, Monroe, in the presence of divers of the Clergy. It is to take the place of the old church edifice, which had been destroyed by fire. It was with mingled feelings of sorrow and of joy that I performed this service. It called to mind the happy associations of earlier days when we worshipped, in the old Church, with many who had passed away and entered into their rest,—and, at the same time, the most joyous feelings at the zeal and energy of their descendants and successors, in giving this evidence of their love for the Church of Christ.

ANN ARBOR.

July 7. In St. Andrew's Church, Ann Arbor, I ordained Mr. Sidney Beckwith as a Deacon. The candidate was presented by the Rev. Dr. Gillespie. The Revs. Messrs. Tustin, Safford, and Spalding, were present.

GROSSE ILE.

July 9. I consecrated St. James' Church, Grosse Ile. This is a very church-like building. It is another evidence of the skill and taste of Mr. Lloyd, to whom we are indebted for so many such buildings in the Diocese. This Church is the fruit of a life of toil and service of a faithful colored servant of Christ. She had, for years, husbanded her earnings for this purpose, and, long before she was called away from

~~~~~

her life of probation, had solemnly devoted them to the Church of Christ. This was done in connection with the design of one, whom she had, long and faithfully served, to unite with her in the holy act. Providential circumstances having prevented the accomplishment of the wish of this person, it was faithfully carried out by two of her sons, who liberally supplied the funds required to complete the Church; and it now stands, in all its simplicity and beauty, as the joint act of a Christian household, to provide a House of Prayer for the rich and poor.

PONTIAC.

July 16. I preached in Zion Church, Pontiac, and confirmed 18 persons.

ALPENA.

August 16. I preached twice in Trinity Church, Alpena, and confirmed 15 persons. The Rev. Mr. Rafter, who had been in charge of the Parish only a few months, has been much blessed in his labors. The present church edifice is too small to accommodate its increasing numbers, and it is the intention of the Parish to enlarge it, or erect a new one as soon as possible.

MARQUETTE.

September 6. I preached twice in St. Paul's Church, Marquette, and confirmed 12 persons. A short time preceding my visit, Bishop Kerfoot had confirmed one at the request of the Rector,—which met my full approbation.

YPSILANTI.

In the months of July and August I preached, for six Sundays, in St. Luke's Church, Ypsilanti. This was done to relieve the faithful Rector of the Parish, who had, for more than twenty years, given it all his energies and strength. It was thought that a cessation from work, for a few months, and absence from the scene of his labors, would restore him to soundness and health. I am happy to learn that it had been, to some degree accomplished.

THE GENERAL CONVENTION.

I spent the month of October in New York, the time appointed for the meeting of the General Convention of the Church. Much anxiety had been felt, in every part of the Church, in reference to this meeting, and many prayers had gone up to the great Mediator from many devout hearts, that the Holy Spirit would incline the hearts of all the members of this Council of the Church, to meet the questions, which had disturbed her peace, with firmness and in the spirit of kindness and love. Never, perhaps, in her history was there such an assemblage, made up

of Delegates from every part of the Church. Sectional bitterness and strife had ceased, and the Church, in her restored unity and power, had again met to carry forward the great work of her Divine Head. With the utmost freedom of debate on all the vexed questions presented for consideration, there was no violation of Christian courtesy; and the legislation of the Church, the result of these deliberations, has marked the meeting of this Council as one of the most important in her history. There was no special legislation, (the bane of all deliberative assemblies,) but great principles were recognized and established, which by the blessing of God, will save the Church from all disturbers of her peace. There was but one heart and one voice in protecting the Prayer Book from the hands of the innovator, and for preserving it in its integrity, as handed down to us from the great Reformers in our Holy Church.

THE MEETING OF THE BOARD OF MISSIONS.

The meeting of the Board of Missions, and the many missionary meetings, in almost every Church in the city and vicinity, (the plan of the wise and energetic Secretary of the Domestic Board,) gave evidence of the zeal and energy of the members of the Church, in devising enlarged ways and means to carry the glad tidings of salvation to every land. A new spirit appeared to pervade every heart. The Spirit of God appeared to guide and bring to a happy result all its deliberations, and every member, as well as the great number of persons attending on these meetings, felt that, indeed, God was in the midst of His Church.

CONSECRATION OF THE BISHOP OF MISSOURI.

At the request of the Presiding Bishop, I joined in the consecration of the Rev. Charles F. Robertson, as the Bishop of the Diocese of Missouri, in Grace Church, New York.

GRACE CHURCH, DETROIT.

Nov. 16. I laid the Corner-Stone of Grace Church, Detroit. An address was made, on the occasion, by the Rector, the Rev. M. C. Lightner, and also by myself. It is hoped that a large and beautiful church edifice will be completed during the present year.

SEMI-ANNUAL MISSIONARY MEETING.

Nov. 18 and 19. I attended the Semi-Annual Diocesan Missionary Meeting in Trinity Church, Niles. A goodly number of the Clergy were present, and the meeting was one of much interest and profit. The sermon to the Clergy was preached by the Rev. Dr. Pitkin, and the Missionary Sermon by the Rev. Mr. Charles.

TECUMSEH.

Nov. 28. I preached in St. Peter's Church, Tecumseh, in the morning and confirmed 15 persons, and, in the evening in St. John's Church, Clinton, and confirmed eight persons.

FLINT.

Dec. 1. I preached in St. Paul's Church, Flint, and confirmed nine persons.

ADRIAN.

Dec. 20. I preached in Christ Church, Adrian, and confirmed 23 persons.

OWOSSO.

Feb. 6. I attended the meeting of the Northern Convocation in Christ Church, Owosso. Owing to the severe snow-storm which prevailed, but few were able to attend. Still something was accomplished in securing a more regular attendance at the meetings of the Convocation.

DEARBORN.

Feb. 14. I preached in the Chapel at Dearborn and confirmed three persons. The weather was very inclement.

ADRIAN.

Feb. 21. In Christ Church, Adrian, I admitted to the Priesthood the Rev. B. Frank Fleetwood, the Minister of the Parish. The Rev. Dr. J. DeKoven, President of Racine College, preached the sermon, and with the Rev. Professor Williams, of the University of Michigan, joined in the imposition of hands. In the evening I preached and confirmed eight persons. A very large congregation was present, and everything seemed to indicate rapid increase, under the faithful labors of the Rector. I was much gratified to find that the Parish had provided for him a neat and pleasant house. A new church edifice is greatly needed, and I hope the time is not far distant when one will be built worthy of the increasing zeal and energy of the Parish.

ALBION.

Feb. 28. I preached twice in St. James' Church, Albion, and confirmed 10 persons.

SAGINAW CITY.

March 7. I preached in St. John's Church, Saginaw City, and confirmed 20 persons, 10 of them being from Salina, a Missionary Station under the care of the Rev. Mr. Tillinghast.

Thirty-Fifth Annual Convention~~~~~
EAST SAGINAW.

In the evening I preached in St. Paul's Church, East Saginaw, and confirmed 15 persons.

ANN ARBOR.

March 14. I preached twice in St. Andrew's Church, Ann Arbor, and confirmed 23 persons. It is hoped that the new church edifice will be completed during the summer. It is a very beautiful structure. In the afternoon, in the same church, I confirmed three colored persons.

ST. JOHNS.

April 4. I preached in St. John's Church, St. Johns, and confirmed eight persons.

ALLEGAN.

April 8. I consecrated the Church of the Good Shepherd, Allegan, and preached. There were present, the Rector, Rev. Mr. Judd, the Rev. Messrs. Tustin, Foster, Anderson, Stonex, Taylor, and Prichard. Seventy members of the Church were present from St. Mark's, Grand Rapids, and thirty from the churches in Kalamazoo. It was a goodly and joyous assemblage. Every one appeared to be interested in setting apart so beautiful a house for the worship of Almighty God. The building is a fine specimen of Gothic architecture. The plan is Mr. Lloyd's. The ladies had furnished the Church with everything calculated to impress upon the worshipper that it was the House of God. The vestry room contained everything necessary for the comfort of the Pastor. Seldom have I consecrated a Church so complete in all its parts. The main window in the Church, a representation of the Good Shepherd with a lamb in his arms, was the gift of a lady of St. Luke's Church, Kalamazoo, who has aided, in every way, to complete this edifice. In the evening I preached and confirmed 18 persons.

HASTINGS.

April 11. I preached twice in Emmanuel Church, Hastings, and confirmed nine persons.

ST. PAUL'S CHURCH, DETROIT.

April 18. I made a short address in St. Paul's Church, Detroit, and confirmed 28 persons.

MARINERS' CHURCH, DETROIT.

In the afternoon, owing to a very bad cold, I was obliged to pursue the same course at the service in the Mariners' Church, where I confirmed 23 persons.

~~~~~  
**ST. JOHN'S CHURCH, DETROIT.**

In the evening of the same day I preached in St. John's Church, Detroit, and confirmed 65 persons, including one in private.

**SEMI-ANNUAL MISSIONARY MEETING.**

April 21 and 22. I attended the Semi-Annual Missionary Meeting in Christ Church, Adrian. The Sermon to the Clergy was preached by the Rev. V. Spalding, and the Missionary Sermon by the Rev. John T. Magrath. The services were well attended, and I hope an increased interest was awakened in the subject of Missions, a topic so vital to the interests and prosperity of the Church.

**GRACE CHURCH, DETROIT.**

April 25. I preached in St. Andrew's Hall, Detroit, the room occupied by the Parish of Grace Church, and confirmed 59 persons.

**ST. PETER'S CHURCH, DETROIT.**

In the afternoon I preached in St. Peter's Church, Detroit, and confirmed 24 persons.

**CHRIST CHURCH, DETROIT.**

In the evening I preached in Christ Church, Detroit, and confirmed 24 persons. This was a sad confirmation to me, as it was to be the last list presented to me by the Rector, the Rev. Dr. Paddock. He had been invited to the charge of Grace Church, Brooklyn, and his official relation to this Parish was soon to cease. For the last nine years, we have had the most pleasant friendly and official intercourse. He has, by his unwearyed labors, gathered together a congregation behind none in the Diocese, in its zeal for missions, and for every good work. I have lost, not only a faithful, kind and respectful presbyter, but a sincere friend and Christian gentleman. It is a loss to the whole Diocese.

**JACKSON.**

May 2. I preached twice in St. Paul's Church, Jackson, and confirmed 18 persons. This was my first visit to the Parish since the death of our beloved Grinnell. The broad and solid foundations, which he laid for the Church of Christ, have been well built upon by the present energetic and faithful Rector. Four Sunday Schools are in successful operation in the Parish, and another, three miles distant, where services are held every Lord's Day. I made short addresses to each of them, and joined with them in singing praises to our Blessed Redeemer.

**ORDINATION OF THE REV. M. A. HYDE.**

May 6. On Ascension Day, May 6, the Parishes in Detroit, at my request, held a joint service in St. John's Church. All the Rectors, ex-

cept the Rev. Dr. Pitkin, who was confined to his house by sickness, were present. I ordained to the Priesthood, on this occasion, the Rev. Mortimer A. Hyde, the Missionary at Mt. Clemens. The sermon was preached at my request, by the Rev. Dr. Paddock, and all the clergy present, including the Rev. Dr. Fitch, the Chaplain at Fort Wayne, united in the imposition of hands.

~~~~~  
GRAND RAPIDS.

May 9. I preached twice in St. Mark's Church, Grand Rapids, and confirmed eight persons. I have seldom preached to so large a congregation.

GRAND HAVEN.

May 10. In the afternoon I laid the corner-stone of a new church edifice for the Parish of St. John's Church, Grand Haven, the Rev. Dr. Tustin making the address. During the last winter, the neat upper room, in which they worshipped, had been destroyed by fire. They have made great exertion to accomplish the erection of a House of God, and I hope that liberal aid will be given them by the various Parishes in the Diocese. In the evening I preached in the Lutheran House of Worship, and confirmed nine persons.

SARANAC.

May 11. I preached in Trinity Church, Saranac, and confirmed seven persons.

IONIA.

May 12. I preached in St. John's Church, Ionia, and confirmed eight persons. A new church building is greatly needed.

PONTIAC.

May 13. I preached in Zion Church, Pontiac, and confirmed nine persons.

BROOKLYN.

May 16. On Whit-Sunday, May 16, I preached in All Saints' Church, Brooklyn, and confirmed five persons.

CAMBRIDGE.

In the afternoon I preached in St. Michael's and All Angels' Church, Cambridge, and confirmed three persons.

BATTLE CREEK.

May 17. I preached in St. Thomas' Church, Battle Creek, and confirmed seven persons. This Parish can never increase until a new church edifice is erected. It was too small for the congregation ten

~~~~~  
years ago. I was much gratified to find that they had provided a comfortable Parsonage for the Rector.

**ST. LUKE'S CHURCH, KALAMAZOO.**

May 18. I preached in St. Luke's Church, Kalamazoo, and confirmed seven persons.

**ST. JOHN'S CHURCH, KALAMAZOO.**

May 19. I preached in St. John's Church, Kalamazoo, in the morning.

**THREE RIVERS.**

In the evening I preached in Trinity Church, Three Rivers, and confirmed nine persons.

**MENDON.**

May 20. I preached in St. Paul's Church, Mendon, and confirmed three persons. This Parish is, now, under the care of the Rev. Mr. Bush. Although they are only three years old, they have erected a very neat edifice in which I officiated. Considering the number of persons belonging to the Church, it is the best evidence of liberality and self-denial ever given in our Diocese. I was, never, more agreeably surprised and gratified than to look at and occupy such a building, erected and entirely furnished by a small number of persons. I trust that God will abundantly reward them with the richest spiritual blessings.

**COLDWATER.**

May 21. I preached in St. Mark's Church, Coldwater, and confirmed 10 persons, including one in private.

**PORT HURON.**

May 30. I preached in Grace Church, Port Huron, and confirmed seven persons, two of whom were confirmed in a sick-room.

**LEXINGTON.**

In the afternoon I rode twenty-two miles to Lexington, where I preached and confirmed 12 persons. This Missionary Station has been under the charge of the Rev. Mr. Stowe of Port Huron, until within a few weeks. I sent the Rev. Mr. Flower to take charge of it, and eve-

rything seems to indicate that a large Parish will soon be collected. Great energy and zeal have been manifested by the few communicants in this village. On every Lord's Day the service has been read by a Lay-Reader, regularly appointed. The Parish owes its present prosperous condition to the judicious oversight and labors of the Rev. Mr. Stowe.

SAGINAW CITY.

June 8. I confirmed 13 persons in St. John's Church, Saginaw City, one of whom was from the Missionary Station in South Saginaw.

CONSECRATION OF BISHOPS.

Since the last meeting of our Convention, I have given my consent to the consecration of the Rev. H. N. Littlejohn, D. D., as Bishop of Long Island, the Rev. W. C. Doane, D. D., as Bishop of Albany, the Rev. F. D. Huntington, D. D., as Bishop of Central New York, and to the translation of the Rt. Rev. H. C. Lay, D. D., the Missionary Bishop of Arkansas, to the Diocese of Easton, Maryland.

I trust that God will guide us aright in all our deliberations, and enable us to promote the interests of the Kingdom of His dear Son.

This Parish has continued to be favored with prosperity; and it is to be hoped that nothing will occur to produce a reverse. The great want,

that cannot possibly be ignored, is a Rectory; and the sooner this is obtained the better will it be for the Church.

During the past year I have held service at Homer, also at Parma. While this latter village has had an existence for several years, I ascertained, to my surprise, that never had there been church service there before. It contains an interesting population, several of whom are strongly inclined to the Church.

The above report of services by the present Rector, dates only from April 1, 1869. Previous to that date, the Rev. A. Jamieson generously and kindly officiated Sunday evenings and during Lent, Wednesday evenings also. Since April 4, 1869, he has officiated every other Sunday evening. The Sunday School is small in consequence of the few children in the Parish. The Parish is nearly free from debt and pos-

sees a fine Church, in many respects surpassing the churches of parishes of larger size and more mature years. This Parish is now associated with that of St. Mark's Church, Marine City.

We very much need a Bell for our Church.

The above report nominally covers the whole conventional year, though previous to my taking charge of the Parish, on third Sunday of Advent, 1868, there were only three services held in the congregation—since I took charge I have preached 66 sermons, made 146 Pastoral calls and visits, and preached once at Convocation. I am able also to add that a most delightful harmony prevails throughout the Parish, and a manifestly increasing interest among others “who profess and call themselves Christians,” to learn more of the church and her doctrines and usages.

NOTE.—A correction in the figures of this Report (Contributions) was received too late to alter on the General Abstract.—*Secretary.*

**Missionary Work.**—At the Jail, the Rector has given a short Ser-  
 vice on 42 Sundays. At the Poor House, a Monthly Service, and Lay  
 Service has been held nearly every Sunday, At Geddes, a Lay Service  
 has been sustained, except during midwinter, and three Clerical Services

have been given. The Rector has held a Service for colored persons in the Church every other Wednesday evening—of this class, two have been baptized, three confirmed, and four admitted to the Holy Communion.

A *Students' Church Association* has been formed, for social intercourse, missionary work, and religious improvement.

The *New Church Edifice* will be ready in a few months. The entire cost, about \$30,000, has been provided for, with the exception of about \$2000. Contributions have been received in Detroit, for pews for Students, (rent free) viz: from Christ Church, \$750; St. John's, \$200; St. Paul's, \$198.

While not disposed to speak discouragingly of the field assigned him, the Rector must state, in justice to himself, that his plans looking toward the perfection of Parochial life are hindered by the lack of interest and co-operation on the part of some of his people.

The above Report is that of the late Rector made out by the Wardens from the Church Books. On the 1st of November, 1868, the Rev. Mr. Royce resigned the rectorship. For five months the Church was without a pastor. During the months of March and April the church building was enlarged and entirely renovated, at a cost of \$2150. The edifice will now seat five hundred persons, and is comfortable and attractive. In March, 1869, I accepted the Rectorship of this Parish and began my ministrations on the second Sunday after Easter, April 11th, 1869.

During the past conventional year, a neat little Church has been erected at Burr Oak, and enclosed; but we have thus far been unable to complete it for the want of funds. We have been obliged to occupy a room in a private house for worship. In this room it has been inconvenient to have more than one service on Sunday. And, besides, I have been confined at home by severe illness during most of the past winter. Hence, the small number of Public Services reported in the above statistics. Strenuous efforts are now being made to raise funds for finishing the Church. When this shall have been done, we have hopes of a good congregation; and it is intended to have two services each Lord's Day.

Besides my services at Burr Oak, I have officiated in many of the neighboring Parishes. At Jonesville I have baptized one infant, married four couples, and buried eight persons.

In presenting "other matters that may throw light on the state of the Parish," it becomes necessary for me to state, that I have experienced much difficulty in making out the foregoing Report, owing to the fact that it includes the ministerial acts of my predecessor and others, and a period of four months, during which the services were supplied mainly by lay-reading. The Church has been open every Sunday. Of the occasional offices, *five* marriages were solemnized by the Rev. J. W. Ray, and *one* by the Rev. H. Safford. The Rev. Mr. Ray officiated at *three* burials; the Rev. Mr. Safford at *one*; and the Burial Service was read once by our venerable Senior Warden.

I can arrive at no very accurate account of "Public Services" until Quinquagesima Sunday, when, in response to an unanimous reiterated invitation from the Wardens, Vestrymen, and congregation, I took the charge of this Parish, and accordingly report only such Public Services as have been performed by myself.

The Parish Register has been re-arranged, and now presents, in a more orderly and systematic shape, a complete view of all important facts as required by the Canon; and, thus, having a perfect record, I can hope that I may, with a greater degree of satisfaction, be able to attend to my pastoral duties among my flock, and become better acquainted with the spiritual relation of each individual to the Parish. "The Ladies' Church Aid Society" has been re-organized; and, as an evidence of the zeal and interest felt and manifested by its members, the entire liquidation of the Church Debt since Easter, and the inception of a "Parsonage Fund" are among some of the most pleasing results. The Parish is, in all its departments, united, harmonious, and zealous in all good works, and, evidently we are increasing in numbers, and, we hope, are being blessed with increased spirituality. The average attendance at the Holy Communion, since Quinquagesima Sunday, on *nine* occasions has been *fifty*; on the other previous *five* occasion *forty-six*; and, on the *whole* number *forty-nine*. The largest number since the organization of the Parish, in 1848, was on last Easter-Day, when *seventy-seven*, were partakers of the most comfortable Sacrament. All the baptisms and confirmations reported have taken place since Quinquagesima Sunday. A class of candidates will shortly be formed for thorough instruction.

The Sunday School Library has, through the instrumentality of a lady of the Parish, an invalid, received an addition of fifty volumes, and the Rector has organized a Parish Library with one hundred volumes as a loan from his own library to form a nucleus for a proper supply of Church Literature among the people of his charge. The account of Offerings may be considered as a most encouraging assurance that the members of the Parish are realizing that alms-giving is an essential part of true worship, and the fruits of a living faith in Christ, which may, with our prayers be a memorial and acceptable sacrifice to God.

I have no other *extra* duty to report, except that connected with my

attendance at the Diocesan Missionary meetings held at Adrian on the 21st and 23d of April, and in the closing exercises at the recent civic commemoration of the decoration of the Soldiers' Graves.

The day of the Bishop's visitation being tempestuous, this being a country Parish, candidates for confirmation could not attend.

I have officiated once every other Sunday in Christ Church, in the Arsenal at Dearborn.

I have the honor to report to you my official duties as Post Chaplain, U. S. A., at Fort Wayne. I have officiated regularly at the Post Chapel, except four Sundays, on two of them I was in attendance on the General Convention. At this Post and in the vicinity I have had Baptism of Infants, 5; Marriages, 6; Burials, 9. I have usually assisted some brother once, often twice, of a Sunday, in Detroit.

The only "other place where I have held services without the Parish" is at the "Church Home," where, during two months I officiated regularly every Sunday and Thursday afternoon, and also undertook the general spiritual care of the Institution.

Two young men, Communicants of Christ Church, besides one formerly bearing that relation, are now pursuing liberal studies with a view to the Sacred Ministry.

My most happy connexion with this Parish and Diocese, ended on the recent Festival of Whit-Sunday. It is my hope and belief, that, through the blessing of the Holy Ghost, the labors of Pastor and People during the last nine and a half years have resulted in establishing the Parish on broad and strong foundations, and preparing it for much usefulness in the future. To both Parish and Diocese I owe great debts of gratitude, which I can never hope to repay. May the Great Head of the Church ever and abundantly bless both.

Officiated at ten Sunday and ten week day services at St. Luke's Hospital. Administered the Holy Communion twice in public and twice in private.

Officiated twice at Christ Church, twice at St. Peter's, Detroit; twice at Trinity, Bay City; twice at Trinity, Toledo; preached twice and administered the Holy Communion at Midland, and preached once at Mt. Clemens, at an appointment of the Bishop, which he was unable to reach.

The Rector was kept from church, on account of sickness, for twelve Sundays—from May to September, 1868—which made quite a difference in the congregation and Sunday School and collections.

I gratefully acknowledge services rendered by the Bishop, Rev. Dr. Fitch, and Rev. Messrs. M. Ward, A. C. Lewis, and W. R. Tillinghast. The Mariner's Church is a training school for other parishes.

There is included in the above Offerings the sum of \$568 17 contributed by the Sunday School of the Parish.

I entered upon the Rectorship of this Parish the first Sunday in September, 1868, and this report covers not alone the period of my incumbency, but the faithful services performed by my predecessor, from the last Diocesan Convention, until his resignation, which took effect in August last. The Mission Sunday School organized in May, 1868, has exceeded our most sanguine expectations, and a good congregation has attended the services held by me on each Sunday afternoon. The field is entirely a missionary one, and the Parish have undertaken entirely by themselves to support a Clergyman, who will devote his time to building up a Parish in that rapidly growing part of the city, and hope soon to secure a permanent and more commodious place of worship.

I have officiated in my turn, on Sundays and Thursdays in the afternoon, at St. Luke's Hospital, and have administered the Holy Communion there once in private, and once in public.

Besides the usual services in the Parish, I have taken my turn with the other Rectors in the city, as Chaplain at "St. Luke's Hospital and Church Home," twice each week for two months. Administered the Communion twice in public, and three times in private.

A comparison of this report with those of former years, will show a great improvement in the condition of this Parish; but although its prospects are very encouraging, yet it is not able alone to support the services of the Church. It needs, and I hope it will receive, this year, more aid from the other Parishes in the city.

Of the above Ministerial acts recorded in the Register of Grace Church, 19 Baptisms, (2 adults and 17 infants) 1 candidate, (being sick) presented for Confirmation, 2 Marriages, 10 Burials, were performed by the Rev. Mr. Ward, in the Mission commenced in the Tenth Ward, in Summer of 1867. During the past year this Mission has been under the care of Mr. Ward, whose faithful labors have resulted in the recent organization of an independent Parish under the name of St. Stephen's Church, Detroit.

Grace Church, in process of erection, after the plans of Gordon W. Lloyd, Esq., of Detroit, is to be finished, according to contract, by the 1st of March next. The corner-stone was laid by the Bishop on the 16th of last November.

### **St. Stephen's Church, Detroit, Wayne County. (1869.)**

Rev. MILTON WARD, Rector. (M.) (1868.)

Public services were commenced in the neighborhood of the Tenth Ward, Detroit, by the Rector of Grace Church, more than two years ago. In the work, which he had thus inaugurated, he was succeeded by the present writer, about a year since. Through the kindly assistance

~~~~~

of the Rev. M. C. Lightner, the Rev. Edward Magee, and other friends, clerical and lay, a church edifice, capable of seating 300 people, has been constructed on Catharine street, near St. Aubin avenue. The endeavor to plant the institutions of the Holy Catholic Church in the Tenth Ward, Detroit, has reached such a point, that it needs only the prayers and alms of Christian people, speedily to give it a happy if not triumphant success. On the 3d of April, 1869, a Parish was organized, with the style of St. Stephen's Church, Detroit. The church edifice was formally opened for Divine Service on the fifth Sunday after Easter. Morning and evening prayer and a Sunday School are had, on every Lord's Day, within its walls. The organization of St. Stephen's is so recent that statistics would be premature. The clerical acts of the Missionary, during the past year, were placed, for convenience sake, on the records of Grace Church, and will be reported accordingly. (See the Report of Grace Church, Detroit.)

The maker of this report resigned a little after the middle of the year, ending with this date. The contributions reported, with the exception of \$4 50 for Diocesan Missions, forwarded by the Senior Warden, were made before his resignation.

So much of his time was occupied in behalf of Trinity School, that too little attention could be given to the Parish, with the assistance, however, of the Rev. Mr. Flower, the services were kept up with regularity.

A new and very suitable Communion Table of black walnut has

been placed in the Chancel, made after a design of G. W. Lloyd, of Detroit, the well known Church Architect.

Since January, 1869, the Rector has been engaged in the service of the Society for the Increase of the Ministry, with the approval of the Bishop, in doing which work he has traveled some thousands of miles and made collections in Michigan, Wisconsin, Ohio, Indiana and Illinois.

Disheartened and depressed as we were on the morning of the 23d of December last, to see all our church property destroyed by fire, the condition of the Parish at the present time is encouraging. Our services are well attended. The Sunday School is prospering, and I believe peace and harmony prevail. A stone foundation for our church edifice is laid, on which we hope to see the frame work of the building

raised this present week. To build a Church, however small, in this new and feeble Parish, we have been obliged to ask assistance from abroad. Some of our neighboring Parishes have liberally responded to our call for assistance in this important enterprize. We hope and trust that others will consider our limited means and aid us what they can in the good work. With such assistance, we may expect to see during the coming conventional year a neatly erected church edifice in Grand Haven, that we can call our own.

The Rector of St. James' Church, at Dexter, has held afternoon services in this Parish, one Sunday out of four, for about eight months past, and has found the seats in the little school house *filled*, usually; and a good degree of willingness shown to assist in bearing the burthen of *trouble and expense* necessarily incident to his visits. He commends it to the nursing care of the Convention.

The Rector of this Parish took charge on the 1st Sunday after Easter, the Parish having been without a head for about six months, and having suffered many things during that time. The Rector, therefore, has not been able to make a complete report for the year, financially, or otherwise, but for the last two months the report is full.

The church building has been enlarged and repaired, and in many ways beautified. These repairs are only of a temporary character. The hope is entertained that in a few years a new church may take the place of the old one. Indeed there is great necessity for a larger church now. By last year's report there were sixty-two communicants. Since Easter there have been admitted and received seventeen to communion, and yet the Rector cannot report more than fifty-six at this time. The loss total must have been unusually great. It is out of the power of the Rector to account for this state of things.

The Parish is in a very good condition and the Sunday School is rapidly on the increase.

Trinity Church, Hudson, Hillsdale County. (1860.)

Vacant. Reported by the Wardens.

The work of this Parish during the past year has not been very encouraging. We have had but two casual services, by the Reverends Clark and Hyde, so we have but little to report. Our numbers are few, but are full of faith, and hope that the time is not far distant when God in his good Providence will establish among us his Church, which we love and long for, and are willing to do our utmost to sustain.

LATER.—We are doing finely since the Rev. Mr. Smythe came among us and prospects are very encouraging towards building up our Parish, if we can only get the assistance to help us through this year.

A subscription of \$870 has been raised for a Rectory, and more promised; but through neglect of Vestry, it has not all been collected. Two hundred and ninety-five dollars were secured in Detroit. Had there been the proper interest, I could report a Rectory half paid for. I held twelve services in Detroit.

That portion of Michigan known as the Copper Region, is so different from the rest of the Diocese, that the foregoing figures afford no means of judging of the position of the Church in this section. The business of the country is to some extent dependent upon the rise and fall of stocks, and to some extent upon new discoveries made from time to time. A Parish in any one locality cannot count upon a longer period of existence than ten years. A Clergyman must, therefore, be itinerant in order to accomplish the greatest amount of good among the people. My Parish is about one hundred miles long, and averages less than two miles in breadth. The reports from this country have never been flattering, and yet I know that my predecessors in the field have not labored in vain. Their work has been faithfully and judiciously performed.

Nine-tenths of the population of Holland consists of Hollanders, who have several flourishing congregations and a college numbering some sixty students. The town is a thriving one and growing yearly in importance, surrounded as it is with a fine farming and fruit growing region. The number of Americans is comparatively so small that our Church can grow only by patient labor and waiting. A year ago a good deal of prejudice was manifested against us by those who so fully occupied the ground. This is gradually wearing away, and in time I feel assured a strong and durable Parish will grow out of the faith and zeal manifest in the little band which are now doing their utmost to sustain the services of our Church.

The Parish is indebted to a Sunday School Class of St. Mark's Grand Rapids, for a handsome Communion Service, presented through the Rev. Dr. Tustin, in June last.

Several candidates here and likewise at Saugatuck, are awaiting the rite of Confirmation.

At the close of the last year the Bishop having notified me of his intention to visit the Church of the Good Shepherd, Allegan, and remain there over Sunday, I spent two days in getting a class of fourteen for confirmation, and assisted in the two services on Sunday; I also baptized two adults. On the invitation of a few church people in South Haven, some 22 miles south of Saugatuck, I visited that thriving town and held a week day evening service. Quite a number of prominent citizens are interested in having our Church established there, and initiatory steps have been taken towards organizing a Parish. I have promised to be among them as often as other duties will allow.

The Rector has had several services at Woodville, and one in Stockbridge. This report in nearly all its details goes back only to the first day of November, 1868. The diminution in the number of families and communicants is due to a careful revision of the lists. Several of the families, no longer reckoned as members of this Parish, are connected with the Parish at Stockbridge.

It is hoped, that, by God's blessing, St. Paul's Parish, now, as in the past, so united and vigorous, will grow up into a structure worthy of the foundation laid so broad and deep, and with such marked wisdom by him, who has been called to his reward. A neat and commodious Chapel, for Sunday School and week-day services, is rapidly drawing toward completion, and the lot, adjoining that on which the Church stands, has been secured for a Rectory.

By the cordial and faithful co-operation of the members of the Parish, through a Parish Guild, three Mission Sunday Schools, in remote parts of the city, and one at the Woodville Coal Mine; two Sewing Schools, with an aggregate of ninety pupils; and a Mother's Meeting, have been firmly established. It is proper to mention, here, that the Parish has recently lost, by death, one of its oldest and most valued members, Mrs. Emily Marion, who, just previous to her departure in peace, gave, unconditionally, a very liberal portion of her property to the Church. Two other devoted Parishioners have each set apart a lot of land for religious purposes.

The opportunity is gladly taken, in closing this report, to express his deep gratitude for the varied tokens of generous confidence and warm love, as comforting and cheering as they have been unexpected and undeserved, which have made it almost impossible for the present Rector and his family to realize, that they came among an affectionate and forbearing people entire strangers.

In addition to the above services held in the Parish, I officiated during my summer vacation, in the Church of the Advent, Boston, and Rye Beach, N. H., and in St. John's, Detroit. I also held services during the year at Lawton and Paw Paw, and at the Mount Holyoke Female Seminary, in this village. My Parish increases steadily, financially and otherwise, and under God, will soon occupy a position of strength and activity in good works.

At the Bishop's visitation the confirmation class was not ready. It is hoped a large class will be ready in the fall. The number of Public Services stated above includes Sunday School services. I have held services and preached nine times at different points without the Parish. I design to be more active in missionary raids for the future.

With a view to the erection of a larger and more suitable Church edifice, and also a Rectory, an eligible site has been selected, the purchase of which is about to be completed.

The Rector has officiated occasionally, as heretofore, at the Reform School, Sunday afternoons. He also performed, in turn with others, the duty of Chaplain at the meetings of the Legislature during the Session. Services have been held without the Parish, at Mason, Lealie, and Waconsta. It was the first time that a Clergyman of the Church had visited the two last named places. At Waconsta there are several communicants, and many who seem much interested in the services. At Lealie, although there are but two or three members of the Church, such is the interest already awakened, that several hundred dollars have been subscribed for the erection of a church edifice.

## Lexington, Sanilac County.

(A Missionary Station.)

Rev. A. B. FLOWER, Deacon. (Missionary.) (1869.)

Last fall, Lay Services were commenced by Mr. I. H. Richardson, and by him a large and flourishing Sunday School has been gathered.

The Missionary recently appointed, has preached a few times in a commodious hall, and visited from house to house, teaching, and exhorting as occasion offered. *Twenty-five* have been *baptized*, *eleven* of the number being *adults*. *Twelve* persons were confirmed by the Bishop the first Sunday after Trinity. Several others are in course of preparation for that holy rite.

No point in the Diocese is more promising for missionary labor. Not only can a large congregation be assembled, but it is confidently

believed, that if a liberal appropriation is made by the Missionary Committee on the *start*, in two or three years, a self supporting Parish will be the result. A lot upon which to build a Church has already been offered. The field is rich with promise.

Davisville, five miles distant, is also ready to receive our ministrations. A large school house is crowded when we hold service, and a generous amount towards the minister's support is there pledged.

The Lake Shore is dotted with pleasant villages, in which are many church families, some of them wealthy. In all these places the Missionary will be welcomed, and many dollars given for occasional services. All these places need faithful service, and patient effort; with God's blessing, (without which nothing is strong,) success is certain.

It is present help we require. The future will take care of itself. Others are doing much to establish their organizations. Large contributions from abroad are sent to those not of our communion. Shall the Church languish for the want of a few extra dollars, when our services are hailed with delight by the majority of the people? Never let it be said, churchmen are indifferent to the work of church extension, and the promulgation of gospel truth.

The Rev. John K. Dunn resigned the charge of this Parish in June, 1868, and removed to Lawrence, Kansas. The present Rector took charge on Quinquagesima Sunday, Feb. 7th, 1869. During the interval of seven months, the Sunday Services were maintained by lay-reading and occasional clerical ministrations. The Sunday School also was kept on uninterruptedly, and with a large average attendance. The teachers and Superintendent deserve great credit for their untiring zeal. I regret to have to report that the Parish is about to suffer a very great loss in the withdrawal of the Misses Bacon from the Perrin Collegiate Institute, a Church School for young ladies, established here some three years since. The school will not be continued, nor is there any prospect of the enterprise being renewed.

This Parish shows a steady, though slow, increase. It shares the benefit of the growth of the town. It has at least reached that period of its history when no burden of debt rests upon it. This gives us a valuable, unincumbered property, namely, a lot of ground comprehending within its area, a handsome and commodious church edifice, with its accessories of organ and bell, both excellent, and a comfortable, well ordered Parsonage. In spite of the heavy pecuniary loss inflicted upon the congregation, since the last Convention, by the disastrous conflagration, which swept away all the business portion of the town, not only have the large current expenses of the Church been provided for, but the remaining portion of the church debt, as reported in the Journal of 1868, has been paid. Such liberality on the part of the members of the

Parish, in the midst of sacrifices and self-denial, seems to the mind of the Rector a good augury for future achievements in the cause of Christ and His Church.

This report dates only from April 1, 1869, prior to which time the Parish had been vacant and no services had been held since Easter, 1868. The Sunday School was maintained in active existence by the zeal and labors of the Superintendent, and his faithful co-workers. In consequence of his brief residence in their midst and his limited acquaintance with them, the present Rector reports the number of communicants to be the same as it was last year. It is hoped that some of the objects of Christian benevolence will receive offerings from this Parish during the coming year. This Parish is now associated with that of St. Andrew's Church, Algonac. There have been no confirmations in either of these Parishes for over three years, and we hope to receive an Episcopal visitation in a few months, when we think some will be ready to renew the vows of holy baptism.

The Rector entered on his duties May 1st, 1869; previous to that date, the Parish was in charge of the Rev. Mr. Rogers, of Three Rivers. During the past conventional year, a very handsome Gothic church building has been erected and thoroughly furnished. When it is considered that up to May 1st, the Parish has had only an occasional service, too much cannot be said in commendation of the zeal and piety of members.

This parish was organized in 1849, and after remaining in a dormant condition for some 18 years, was revived under Rev. Mr. Ward about 18 months ago, when a fine building lot was secured. From June 1868, to January 1869, the Church was without regular services, and the Sunday School was discontinued, and having no church edifice the congregation was scattered. In January last I was appointed Missionary for Macomb county, and have since that time taken charge of this Church, which, it gives me great pleasure to report in a most prosperous condition. We hope (D. V.) early in July next to lay the corner stone of a beautiful brick church edifice, to be strictly ecclesiastical in its architecture, after plans of Gordon W. Lloyd, of Detroit.

**St. Luke's Church, Muskegon, Muskegon County. (1867.)**

Vacant. Reported by the Junior Warden.

It is with sorrowful hearts that we are compelled to report so little progress for the past year. Without a Rector we have done what we could, and have held lay services (except during the inclement winter season) at which there has been, and is, a good average attendance. We number at least twenty-five families, with as many communicants, besides some ten young men attached to our Church. We have lately negotiated the purchase of an elegant building site, and design through God's blessing, and the assistance of outside friends, to erect thereon at no distant day a good and substantial church edifice. We believe the good time is coming, and that for Muskegon there is a "bright future" in store—that St. Paul's, Muskegon, will sometime hold her proud but rightful place in the line of flourishing west coast Parishes.

Our principal work is in our Sunday School. We have an average attendance of 85, all children of Church families, who are well instructed in the Church Catechism and forms of worship.

There are several candidates for confirmation, but the uncertainty of our Bishop visiting us at any stated time, prevents the formation of a confirmation class.

The Rev. Edward Seymour visited us last September and officiated two Sundays, and is now at this writing with us again, and will preach next Sunday morning and evening.

St. Mark's Church, Paw Paw, Van Buren County. (1851.)

Rev. DARIUS BARKER, Missionary.

Baptized—Infants, 2.
Burials, 5.

I believe no parochial report will be made from St. Mark's, Paw Paw. There are still some signs of life in St. Mark's. A few ladies are struggling hard to pay off a debt on the church lot, hoping that, when that is done an effort will be made to build a church. A small Sunday School is kept up by two young ladies.

St. Mark's sadly needs a Rector; or perhaps a Missionary who would devote a part of his time here, and aid me in other portions of the field. My time is too much occupied to do much for St. Mark's. I have officiated here twice, besides at funerals, and Dr. Foster once at a funeral, and Rev. J. R. Anderson once.

To our report we may add, in regard to the state of this Parish, that at a meeting of the Vestry, held a short time before Easter, the Secretary stated, that the Church, at that time, was in a very flourishing con-

dition, in a more promising state, in many respects, than at any time before. Our Sunday School is also doing very well, believed to be steadily growing in strength and interest. In addition to the regular services held at home in the church, we have during the year held a monthly service at the County House. I had one service at Birmingham, and am now forming plans, with the view of giving the Church service to the people at Clintonville, in our opinion a good field for Missionary work.

This congregation through the past year has been slowly improving. Our Sunday School is still interesting, and requires a much more extensive library than we have been enabled to furnish them. The Teachers have generally been prompt and attentive, and the school gives us much encouragement.

Soon after the last Diocesan Convention, with the advice of our Diocesan, services were suspended at Lowell, as the encouragement was not sufficient to justify the expectation that a Parish could be organized there at the present time.

During the past Conventional year, I have spent several Sundays at Portland, a thriving village in the south-east corner of Ionia county, where I found several members of our Church and much interest for the establishment of the Church there, and I also baptized three children there. This place, connected with Lyons or Pewamo, would be an ample field for an active Missionary.

I have also held several services in Lyons, and baptized two adults there, and there are those there who are very anxious to have the Church once more established in their vicinity. I also officiated two Sundays for Dr. Tustin, at Grand Rapids, while he was absent attending the General Convention; also, on two occasions at Grand Haven, and one Sunday in exchange with the Rev. Mr. Bush, then at Owosso, and have officiated in other places on different occasions.

Thus have I been steadily and uninterruptedly engaged on this Missionary station during the last conventional year, and feel much in-

debted to the sustaining hand of our Diocesan Missionary Board, while the blessings of a kind Providence have rested upon me, so as to enable me for every duty that might be required of me, yet the distance I am placed from my family has been the source of much extra labor; for in the discharge of my duties the past year I have again exceeded in travel seven thousand miles.

This Parish, like most others, in a transition state, from a Missionary field to a self-supporting Parish; has poverty, and prejudice, and indifference to deal with, and yet, God's blessing has been granted in a goodly degree. Harmony of feeling and action has dwelt with us, and could the debt be removed, which now burdens us, we should feel very much encouraged. Permanent arrangements have been made, whereby services will be held once, and perhaps twice a month at Ovid, where good congregations assemble to hear the truth in the church. During the past year, I have officiated one Sunday in Christ Church, Detroit; once in St. Luke's Church, Ypsilanti, and once in St. Paul's, Jackson.

The Parish hereby tenders their acknowledgements to the churchmen of Kalamazoo and Niles for donations toward removing the church debt.

A lot to build a Church upon, is bought and paid for, and the stone hauled upon it for a *foundation*. The Rector of the Church at Dexter has visited this Parish for Morning Service, once in four weeks, for about eight months past and is happy to say that he has found it always full of *life and vigor*, with good congregations, and a *readiness* to pay the *expense* of public service *not often* found.

The first steps for the organization of this Parish were taken at the Feast of All Saints, and the Articles of Association bear the date of Nov. 1st, 1868. Our services are held in the upper room of a large school building, and have been well attended. It will not be long, I think, before the people will provide a building of their own. The Vestry is already negotiating for a building lot, and when this is procured, measures will be taken for erecting, as early as practicable, a house of worship. Several candidates here and at Holland, are awaiting confirmation.

It was my privilege, at the close of the last Convention, to spend two days in one of my former fields of labor, preparing the way for the Bishop's visitation, which took place on the Sunday following, and I assisted in the two interesting services of that day.

Recently, on invitation, I made a visit of two or three days at South Haven, holding a service on a week day evening, at the close of which Articles of Association were signed for a church organization. Several prominent families feel a warm interest in having our Church services established in their thriving village, which will probably soon be connected with Kalamazoo by rail.

The Rev. John W. Clark's resignation took effect Feb. 14th, 1869, since then we have been without a Rector. The Rev. Geo. N. James of Tennessee, has accepted a call from the Parish, and will commence services June 6th, and expects to attend the Convention.

**Van Buren County Mission. (1867.)**

Rev. DARIUS BARKER. (Missionary.) (1867.)

My Missionary report must necessarily be of such a nature as to prevent any regular statistical tables. My labors have been devoted to

Stations, with an occasional service in Paw Paw, namely: Lawton Sundays in the month, in Decatur one Sunday in the month, in Lawrence one Sunday in the month, and Bloomingdale on the fifth day in those months which have five Sundays. In Lawton, I have baptized two children; in Decatur, I baptized six children; in Lawrence, one adult and three children; in Bloomingdale, I baptized two children. I have married five couples, and officiated at two funerals in Lawton. At Decatur there are twelve communicants, at Lawton four, Lawrence six, at Bloomingdale three. In the whole field, outside of Lawton's, Paw Paw.

| Baptized—Children, 15; adult, 1; total..... | 16 |
| Marriages—In Lawton, 2; marriages, 5.       |    |

In Lawton they are desirous of organizing a Parish as soon as possible. And at Decatur, a movement will soon be made in that direction, possibly in Lawrence. There are a few candidates for confirmation in each of the Missionary Stations.

### Grace Church, York, Washitauw County. (1862.)

Vacant. Reported by the Warden.

Our Report, I am sorry to say, is a very poor one. Since our last report, we have lost another Vestryman by death, and our little band grows weaker, but still we hope, by the blessing of God and our feeble efforts, to keep together. We have now only two male communicants and three females; and our little Church not quite finished, and our indebtedness about \$100. We held a vestry meeting on Tuesday, 25th, and I hope from the feelings expressed, that we shall make another effort this summer and do something so that we can give you a more cheering report next year.

## Reports of Clergymen not in Charge of Parishes.

[Extract from Digest of the Canons of the General Convention.]

### TITLE I, CANON XV., SEC. I.

Every Clergyman, not regularly settled in any Parish or Church, shall also report the occasional service he may have performed; and if he has performed no such services, the cause or reasons which prevented the same."

THE REV. ISAIAH J. BABCOCK, DEACON, KALAMAZOO. (1849.)

During the year, I officiated twice for the Rev. Mr. Anderson, in St. John's Church, Kalamazoo. During the absence of Dr. Foster, while on his summer vacation, I read service and sermons for him, in St. John's Church, Kalamazoo, for three Sundays. This constitutes all the service I have done officially during the year, which is cheerfully submitted. I trust that another year will prove more fruitful.

---

THE REV. SIDNEY BECKWITH, DEACON, FARIBAULT, MIN. (1868.)

I have to report that, for ten weeks after my ordination to the Deaconate, on the 8th of July last, I was engaged in missionary work at Plainfield, Courtland, and Rockford, and in parochial work at St. Mark's, Grand Rapids. Since then I have been pursuing my studies at the General Theological Seminary, New York City, and at Seabury Hall, Faribault, Minnesota.

---

THE REV. HENRY J. BROWN, DETROIT, WAYNE Co. (1862.)

The only labors I have performed during the conventional year, have been several services held at Grace Church, Mt. Clemens, and one service at Muskegon. My health has become so much impaired as to incapacitate me for the proper discharge of the clerical office.

---

THE REV. JOHN W. CLARK, ANN ARBOR, WASHTENAW Co. (1868.)

From the date of the last Convention, to Feb. 14th, I officiated in the Parishes of St. Peter's Church, Tecumseh, and St. John's, Clinton, of which I had taken the temporary charge. Feb. 19th I began my services as Rector of St. Jude's Church, Fenton, the Vestry of which were induced to invite me to the cure, as I was moved to accept the same, through the urgency of my predecessor, the Rev. O. E. Fuller. I resigned the Rectorship April 1. Since that date I have officiated on every Sunday, save one, when I was confined to the house by sickness. On four Sundays, and on Ascension Day, I preached for and took part in the services at St. Andrew's Church, Ann Arbor. One Sunday I supplied the place of the Rector of Christ Church, Detroit, during his temporary absence. Two Sundays were spent at St. Luke's Church, Ypsilanti. One Sunday I officiated for the Parish of St. Paul's Church, Muskegon, and one Sunday rendered service at Ovid.

THE REV. MOSES H. HUNTER, DETROIT, WAYNE Co. (1846.)

During the past year I have been officiating in St. James' Chapel, Grosse Ile, until within a few weeks. For some time in June and July last, I held an afternoon service in St. Thomas' Church, Trenton. In October I went to Trenton and Wyandotte to administer the Holy Com-

tion for the Rev. Mr. Williams. In the last month I officiated at  
do, O., once; and twice in St. Peter's Church, Detroit. I have per-  
formed three baptisms during the year.

THE REV. CHAS. R. HUSON, JONESVILLE, HILLSDALE CO. (1852.)

Since my last report I have performed no clerical duty except hav-  
ing supplied the Rev. Mr. Buckmaster's place in St. Peter's Church,  
Hillsdale, three Sundays, during his absence from said Parish; also  
the service on the occasion of the Bishop's last visit at Jonesville.

THE REV. EDWARD MAGEE, DETROIT, WAYNE CO. (1858.)

There is but little new to state touching my manner of life, health,  
affairs, and experiences. I continue still to occupy my farm in the  
usual phases of husbandry; and for purposes already made known to  
the Convention. The terms of my last report, in which I spoke of re-  
duced health, were scarcely yet in type, when, by one of those fearful  
onsets of sun stroke, I was made to feel the vanity of human calcula-  
tions, and how utterly insubstantial the fabric reared upon them. This  
change of things is changed I am happy to say, but yet, in such measure  
as excludes boasting. I have assisted the Rev. Mr. Lightner in the  
duties of the Church, the precise number of times, however, I am  
unable to say; and otherwise tried to see my duty in aiding to extend  
the boundaries among men.

## REPORT OF THE WESTERN CONVOCATION.

*by the Rt. Rev. the Bishop of the Diocese of Michigan :*

Agreeably to the XI. Canon, the Secretary of the Western Convocation respectfully reports :

That after a lapse of three years, the meetings of this body have been begun. The incipient steps towards reviving them were taken atalamazoo, by the Rector of St. Luke's Church. The first meeting held in March, at which there were present the Revs. Stonex, Judd, and Anderson. Owing to the small attendance at this meeting, the fears entertained that it was not generally understood, it was deemed best to re-announce the meeting of Convocation on the 10th of April in St. James' Church, Albion. There were present of the Clergy, Revs. Wm. H. Moffett, Darius Barker, Henderson Judd, A. H. Rogers, W. G. Stonex, John T. Magrath, and Joseph R. Anderson. Evening prayer was said by Revs. Moffett and Barker. The Sermon was delivered by Rev. J. T. Magrath, and was calculated to kindle in all who heard it zeal and energy in Church Extension. On Tuesday, 11th, there was a full morning Service, with Holy Communion. The Sermon was preached by the Rev. H. Judd, and a collection taken at this service devoted to "the Society for the Increase of the Ministry." The afternoon was devoted to the discussion of the needs of this portion of the Diocese. At this meeting Rev. J. R. Anderson was elected Secretary, and it was enjoined on each clergyman present to learn and report the Secretary the points in his immediate locality at which services ought to be held, and all other information relative to church growth in the future. The present efforts of this Convocation are directed toward

Decatur, with the view of strengthening the hands of the Missionary in charge, and thus effecting a strong organization at that point. The meetings of Convocation closed on Tuesday evening, with an address from Rev. J. R. Anderson, on the "vastness of the field now opened up for the labor of the church."

Respectfully submitted,

J. R. ANDERSON, *Secretary*.

## REPORT OF THE NORTHERN CONVOCATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

It appears from record, that the Northern Convocation having slept since July, 1865, was awakened by a call from its Secretary to meet at Owosso, Feb. 2d and 3d, 1869. In answer to the call, the Bishop of the Diocese, the Rev. Dr. Paddock, of the Eastern Convocation, and twelve members of the Convocation, assembled. The Rev. E. O. Fuller tendered his resignation as Secretary, and the Rev. Augustus Bush was appointed to fill the vacancy. The following resolution was passed :

*Resolved*, That each clergyman connected with this Convocation make it a matter of duty to visit the waste places in his vicinity, as often as practicable, between this and the next Convocation, in order to promote the interests of the church in such places, and report at the next meeting.

The usual services were held, but the extreme inclemency of the weather permitted but few of the laity to attend.

The second meeting of Convocation met in Ionia, April 6th and 7th, 1869. Eight members of Convocation were present, and Mr. E. W. Flower, a candidate for Orders. At this meeting, resolutions *in memorandum* of the Rev. Mr. Bachman, a member of this Convocation, were unanimously passed, and ordered to be entered on the records of the Convocation. At a business meeting, notes of missionary labors were reported, and quite an interesting discussion on the subject of Sunday Schools was had. The usual services were held, attended by fair congregations.

AUGUSTUS BUSH, *Secretary*.

Also, seven Journals of General Conventions, viz: 1850, '59, (2); '62, (2); '65, (3.)

In addition to the above, he has received one hundred and thirty-six pamphlets, viz: Pastoral Letters, 17; Sermons and Addresses, 38; Spirit of Missions, 33; The True Catholic, 22; African Repository, 12; The Church Monthly, 2; Catalogue of General Theological Seminary, 7; Board of Missions, 2; whole number, 260.

He would acknowledge his obligations to the Registrar of the Diocese of New Jersey, to the Rev. Mr. Gillespie of Ann Arbor, to Dr. Z. Pitcher of Detroit, and would again remind the churchmen of Michigan that the Diocese is deficient in Journals of early conventions. We have not one copy of 1834, 1837, or 1838, and but one of 1835. We need additional Journals of 1836, '42, '43, and '44.

## APPENDIX F.

### *Report of St. Luke's Hospital.*

---

*To the Rt. Rev. Samuel A. McCoskry, D. D., D. C. L.:*

In compliance with the Canon of the General Convention, I would respectfully report the present condition of St. Luke's Hospital and Church Home of the city of Detroit.

For a few years past, through the kindness of the Trustees of the Harper Hospital, we have been permitted to occupy a building belonging to that corporation. Since the last Annual Convention, the Corporation of St. Luke's Hospital and Church Home, have erected, at a cost of \$20,000, on their lot, an edifice of brick, 45 by 90 feet, three stories high, capable of accommodating at least fifty patients. The building is nearly ready for occupancy, in a few weeks it is expected that the inmates now under the care of the Board will be transferred to this new Home.

The building, which is now nearly completed, is placed upon a most beautiful lot of  $8\frac{1}{2}$  acres, on Fort street, over-looking Detroit River. The property as it now stands is valued at about fifty thousand dollars. The Corporation still needs about eight thousand dollars over and above present subscriptions to complete and furnish the building and to pay the balance due on the lot.

It is the intention of the Trustees to erect, so soon as the liberality of the Churchmen of the city and of the Diocese will allow, buildings besides the one now about finished. The design is, to care and provide for three classes of inmates, to wit: The Aged and Infirm, Orphan Children, and the Sick; a separate building to be provided for each class, with a suitable Chapel for the whole. Is there a Christian man or woman in the Diocese whose heart can remain unmoved, who can but feel a deep interest in the work of providing for God's poor, for the aged, for the orphan, for the sick.

~~~~~  
For the poor shall never cease out of the land: therefore I command saying, Thou shalt open thine hand wide unto thy brother, to thy and to thy needy in the land." "Pure religion and undefiled before and the Father is this, to visit the fatherless and widows in their affliction and to keep himself unspotted from the world." "But whose hath world's good and seeth his brother have need, and shutteth up his ears of compassion from him, how dwelleth the love of God in him."

The average number of inmates of the Home during the past year been 18, at a total cost of about \$2,400. As has already been observed, the new building now about complete, will comfortably accommodate fully fifty patients. About eight thousand dollars per annum be needed for the support of that number of inmates. To the richmen of the city and the Diocese we confidently look for the means necessary to complete and carry on this Christian work.

Blessed be the man that provideth for the sick and needy: the Lord deliver him in time of trouble."

H. P. BALDWIN, *President.*

Detroit, June 8, 1869.

APPENDIX K.

Changes Made by the General Convention of 1868,
in the Canons of the Church.

CANON 11, of TITLE I., is amended so as to read as follows:

CANON 11.

OF PERSONS NOT MINISTERS IN THIS CHURCH OFFICIATING IN ANY
CONGREGATION THEREOF.

No minister in charge of any congregation of this Church, or, in case of vacancy or absence, no Church Wardens, Vestrymen, or Trustees of the congregation, shall permit any person to officiate therein, without sufficient evidence of his being duly licensed or ordained to minister in this Church; *Provided*, that nothing herein shall be so construed as to forbid communicants of the Church to act as Lay Readers.

Canon 11, Title I., Section I. and II., is hereby repealed, *Provided*, that such repeal shall not affect any case of a violation of said Canon committed before this date; but such case shall be governed by the same law as if no such repeal had taken place.

CLAUSE [2.] of SECTION VI., of CANON 12, of TITLE I., is amended so as to read as follows:

[2.] Where parish boundaries are not defined by law, or settled by Diocesan authority under the 2d section of Canon V., of Title III., of this Digest, or are not otherwise settled, they shall, for the purposes of this Section, be defined by the civil divisions of the State, as follows:

Parochial boundaries shall be the limits, as now fixed by law, of any village, town, township, incorporated borough, city, or the limits of some division thereof which may have been recognized by the Bishop, acting with the advice and consent of the Standing Committee, as constituting the boundaries of a parish.

If there be but one church or congregation within the limits of such village, town, township, borough, city, or such division of a city or town as herein provided, the same shall be deemed the parochial cure of the minister having charge thereof. If there be two or more congregations or churches therein, it shall be deemed the cure of the ministers thereof: and the assent of a majority of such ministers shall be necessary; but nothing in this Canon shall be construed to prevent any Clergyman of this Church from officiating in any parish church, or in any place of public worship used by any congregation of this Church, or elsewhere within the parochial cure of the minister of said congregation, with the consent of the Clergyman in charge of such congregation; or, in his absence, of the Church Wardens and Vestrymen or Trustees of such congregation, or of a majority of them.

We, the Bishop and Clergy, with the Lay Delegates,

OF THE DIOCESE OF MICHIGAN.

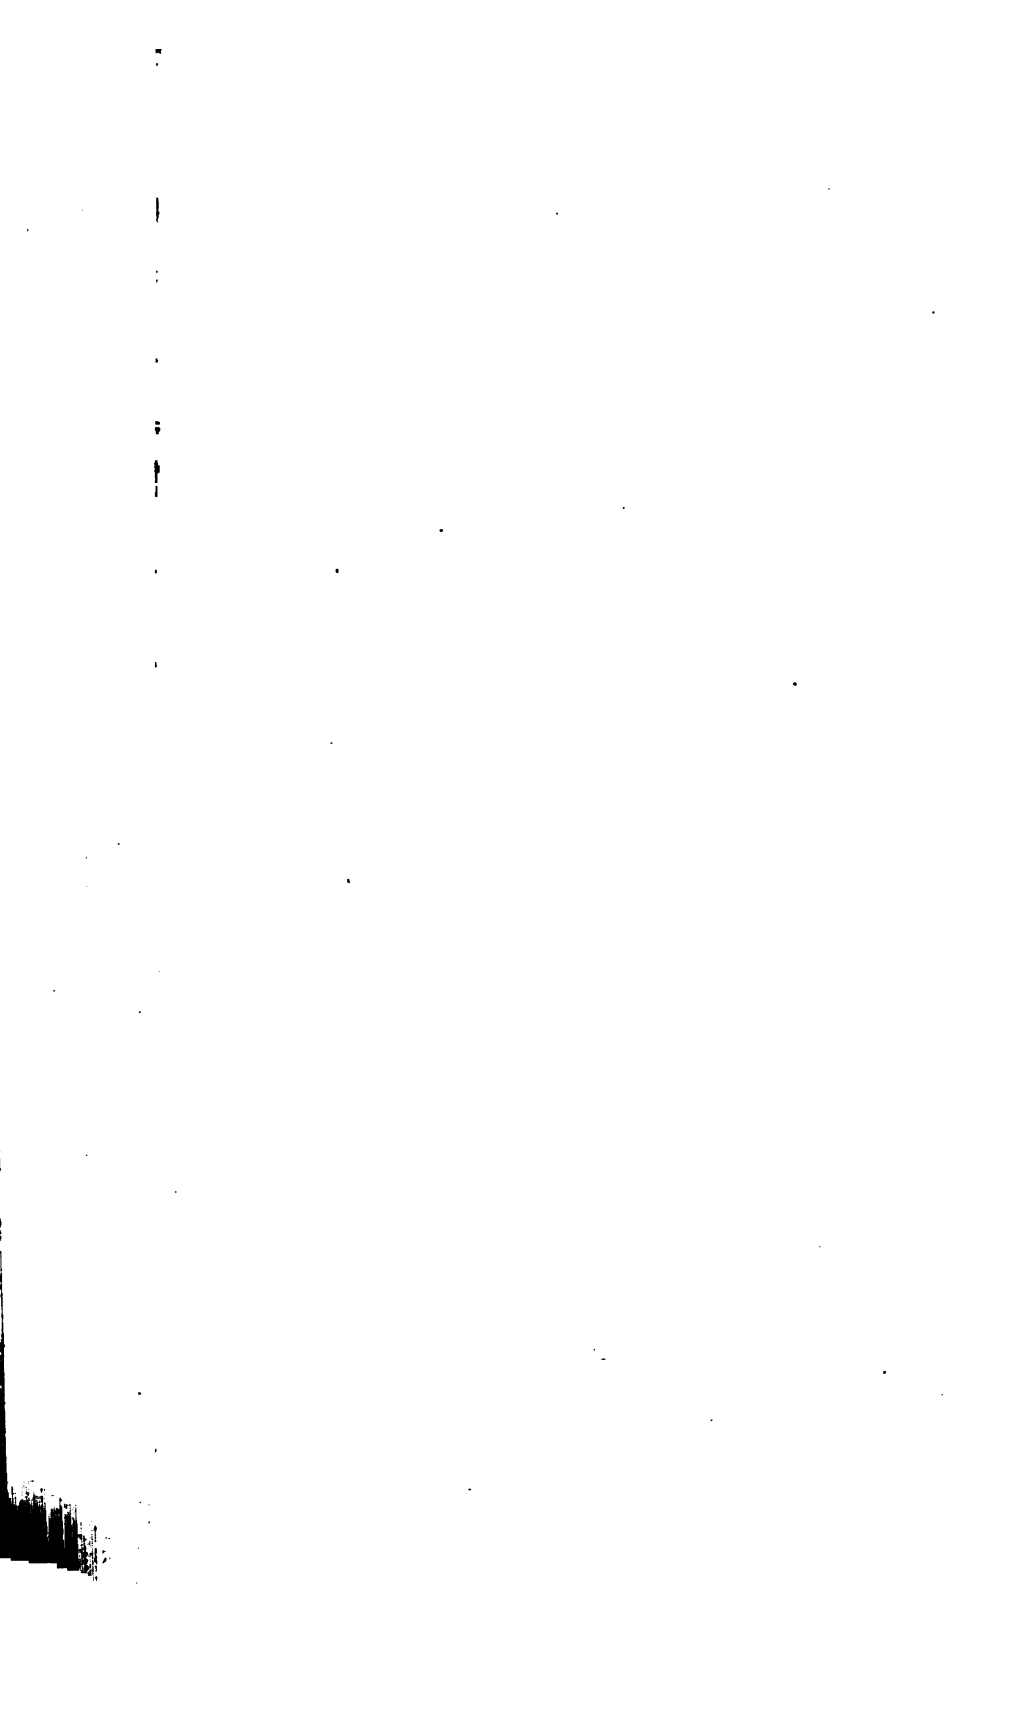

Convened in the Thirty-Fifth Annual Convention,

Do hereby express our respect for the memory of our deceased brother and fellow laborer in Christ, as a man of singular purity and zeal; who brought all his energies of body and mind to the work his Master had given him to do; who cheerfully endured weariness, toil, and privation; who made the poor and the destitute the particular objects of his care; and who loved to labor in the waste places of the land.

Entered into his Rest.

And have loved the habitation of thy House.

Blessed are they that sow beside All Waters.

conformity to the institutions of the Church with growing zeal for their advancement, and the prosperity of the State with which her interests are linked.

The population of Michigan is now probably a million. Parishes are established in the leading towns and villages, and a few are to be found in rural Districts. Detroit has six Parishes; besides this city, there is only one instance of two Parishes in the same place. This is partly explained by limited population.

The work remaining for the Church is, her extension into the smaller villages and among the farming population. To this it is believed that the Associate Mission is especially adapted.

A plan of Semi-Annual Missionary Meetings has been introduced and has been found a means of quickening Missionary interest, and of promoting all branches of Church work. Two out of the five Conventions into which the Diocese is divided regularly hold their Meetings.

The Diocese feels the want of Educational Institutions. Nothing has been attained beyond the establishment of a few Parochial Schools and one or two private enterprises. An effort to secure funds for a Girls' School at Jackson, has failed as a Diocesan undertaking. The liberal Parish in this city under the leadership of its late energetic Rector has taken the matter in hand, and with some hopes of success. Church Schools are projected at Fentonville, for which a large sum has been subscribed there, and collected abroad.

The class of laborers particularly needed are, those who will give themselves in self-denying service to laying the foundations of the Church, where a sparse population demands itinerancy. For such there are promising fields.

New Churches are erecting at Monroe, Ann Arbor, Detroit, (for Grace Church), Allegan, Linden, Burr Oak, and Corunna. A building is erecting in Detroit for St. Luke's Hospital and Church Home.

Addenda.—Since the last General Convention, three of our Clergy have been removed by death. The Rev. Joseph F. Phillips died in Niles, January 30th, A. D., 1866. He was a ripe Scholar, a faithful Parish Priest, and a good man. The Rev. William C. Hurd, died at Tecumseh, February 3d, A. D., 1867. Early removed from his Ministry, he had yet made good proof of it in his able, earnest ministrations under severe sufferings. The Rev. Daniel T. Grinnell, D. D., died at Jackson, suddenly, June 2d, A. D., 1868. He was a holy and humble man of God, an able Preacher, and unwearied Pastor; a true son, and faithful servant of the Church. His entire Ministry of twenty-one years was passed at Jackson. He had been for many years a representative of the Church in her General Councils.

NOTE.—The statistics are omitted, having already appeared in the Journal of 1863.

Only one Missionary meeting has been held during the year, in accordance with the resolution of the last Diocesan Convention, to wit : at Ann Arbor, on the 10th of November. This meeting, occurring in conjunction with the consecration of the Church of St. Andrew in that flourishing city, was deeply interesting, as well on that account as because of the large attendance of Clergy and Laity.

At the last Convention the sum of six thousand and forty dollars was pledged by parishes, Sunday schools, and individuals, for the support of Diocesan Missions for the conventional year. Of this sum \$5,836 has been paid into the treasury. Although the amount so pledged was larger by nearly two thousand dollars than in any former year, it was found wholly inadequate to meet the pressing demands upon the committee, who have felt inexpressible embarrassment in consequence of their inability to seize upon many favorable opportunities which have offered for the extension of the privileges of the Church in the new settlements, both in the southern and northern parts of the Diocese.

The Committee cannot but hope that the members of our communion will awake to a sense of the importance of the work of Missions in the Diocese, and to the comparative ease with which all necessary means might be provided, if the work were generally performed, instead of being confined, as heretofore, to a small number.

By order of the Committee.

C. C. TROWBRIDGE, *Secretary.*

June 8, 1870.

The Missionary Committee of the Diocese of Michigan,

*In Account with* CHAS. C. TROWBRIDGE, *Treasurer.*

and it is further

resolved, That, in order to perpetuate, so far as we may, the memory and to awaken an emulation of the virtues and sterling worth of our departed brother, the Secretary of this Convention be requested to place in its Journal a memorial page, briefly descriptive of the life and labors of this exemplary "man of God," in the form accompanying these resolutions.

resolved, That this Convention earnestly suggests to each Parish or congregation of the Diocese, that the life of their Clergyman should be insured, and kept insured, in as large a sum as the circumstances of the Parish will allow, the premium therefor to be paid by said Parish or congregation in addition to said Clergyman's salary; such insurance to be effected for the benefit of the wife or children of such Clergyman.

The Rev. J. W. BROWN presented and read the Report of the Committee on Christian Education, as follows :

It is with unfeigned mortification that the Committee appointed to report upon the subject of Christian Education are compelled to announce that no Church School has been established nor any provision yet made by the Diocese for the education of the Church's children. This subject is one which no doubt is conceded by all as of vital importance, and the apparent lack of attention toward a general institution, may be owing to the want of a concentrated and harmonious effort in this direction.

As the establishment of a Church School by the Diocese at large, has heretofore failed, and at present no data is afforded which might enable the Committee to suggest for the future, they would affectionately and most earnestly call the attention of the Convention to the importance of systematized individual work in this regard, both personally and parochially.

At no period of history is there greater need for vigilance and effort in this matter than now ; and we would recall the words of the Bishop in his address concerning the children as pertinent to the subject. False teachers are seeking to undermine and destroy the faith held by the Church from her Divine origin, by an intellectualism as baseless as it is indefinite, or by an asceticism which envelopes the pliable mind of youth in a haze of apparent sanctity, while it secures its subject into a life of seclusion and ignoble servitude.

What shall be the remedy may well be asked. The Committee also seek for an answer, and unable to bring full relief or satisfy clearly each inquirer can but prayerfully and sincerely urge upon each Parish the necessity of keeping, as far as possible, their young children under its special training, by providing a Parish School, and if not able to meet the demands of a higher education at home, to send the children to such institutions of learning as where they know the pure principles of our Holy Religion are taught as the basis of a right education.

We believe there is no Parish in the Diocese, in full working order, which could not provide rudimentary instruction for the children em-

~~~~~  
placed within its care, equal to the primary schools usually found in districts; and while we do not now possess a Diocesan Seminary to which we may direct the attention of parents, the Church at large has many which may be well recommended.

The Committee may be indulged in speaking thus plainly when the needs so urgently demand it—and we beg our people to use more care, more zeal, and to give immediate consideration to this subject of their children's *Christian Education*.

The Committee can but express its sympathy with the earnest efforts now being made by the Rector of St. Jude's Church, Fentonville, to establish a school which aims to supply this Diocesan need, although, as yet, it has received no Diocesan sanction or support.

The following Resolutions are offered :

Resolved, That the Rector of each Parish be urged to bring before his people the subject of Christian Education, by a special sermon, or as he may deem most effectual.

Resolved, That the Church of this Diocese, in Convention assembled, urge upon each member to make strict examination into his or her duty regarding this subject.

Resolved, That each Parish be solicited and instructed, under the direction of the Rector, to provide as far as practicable, the elementary instruction of the children by establishing Parish schools.

The Rev. J. A. WILSON offered the following Preamble and Resolutions, seconded by the Rev. C. W. FITCH, D. D.

WHEREAS, The Bishop, Clergy, and Laity, in Convention assembled, have learned with sincere sorrow that the Rev. WILLIAM N. LISTER has been compelled, by feeble health, to close his active labors in the Ministry, and to resign the hope of ever resuming them. Therefore,

Resolved, That in his seclusion he has our tender sympathy, and abiding love, and that with him we shall adore and praise the Lord and Master, who has allowed him to make in this Diocese, such a noble record of abundant and self-denying efforts in his sacred office for more than a third of a century.

Resolved, That in his permanent retirement the Church of this Diocese loses the services of a presbyter worthy of its highest honors, though wholly indifferent to them, and that in his absence from this body we are deprived of the presence of one, whose kind, merciful, and loving heart endeared him to all, and whose wisdom, prudence, and modesty, rendered him so eminently useful in public and private life.

Which were adopted.

The Rev. J. W. BROWN read the Report of the Special Committee on so much of the Bishop's Address as refers to the decease of Bishops KEMPER and CHASE, as follows:

The Committee to whom was referred so much of the Bishop's Address announcing the death of the late Bishops of Wisconsin and New Hampshire, respectfully offer the following minute, to be recorded upon the Journal.

The Church, in the Diocese of Michigan, have received, with profound sorrow, the intelligence of the demise of the Rt. Rev. JACKSON KEMPER, D. D., LL. D., Bishop of Wisconsin, and of the Rt. Rev. CARLTON CHASE, D. D., Bishop of New Hampshire, and we desire to

on record this expression of our high regard and esteem for their character and lives.

Our interest is greatly deepened in the former, not only because of our geographical position of the two Dioceses, but for the intimate relation which has existed for more than thirty years between the Bishop of Wisconsin and our own Venerable Diocesan.

Both of these departed Prelates were signally prominent for a quiet unaffected piety, and have passed to their eternal reward from carefully regulated and well ordered Dioceses—of each it may well be written,

The Committee to whom was referred the action of the Diocese in relation to the proposed withdrawal of the Hon. C. C. TROWBRIDGE from active connection with the Diocese, propose the following to be entered on the records of this Convention.

The Diocese of Michigan would take occasion of the contemplated absence of the Hon. C. C. TROWBRIDGE, from the country and the interruption of labors for the welfare of the Church, which have been continuous for thirty-seven years, to put on record its sense, not only of the value of such services as he has rendered to the cause of Christ, but

influence of his character as giving practical meaning to all Christian effort, and showing by a living example why we desire to promote religion of Christ in the Church of Christ.

He has not only done what few men have had it in their power to do through a rare combination of gifts, and his fortunate position, but in such a manner and with such a spirit as to show that such work, like charity from which it flows, is twice blessed.

He has the rich reward within himself, as well as in the esteem and gratitude of all, and the gratitude of those, especially the poor Clergy, whom he has helped with sympathy as well as with a liberal hand.

The Diocese has shown by its action in retaining him as a member of the Standing Committee as well as a Delegate to the General Convention, not only its gratitude for the past but its sense of the value of his name and of his influence in time to come, and with prayers for his preservation on the great deep, and his safe return to home and friends, brethren of the Clergy and the Laity would join in a hearty supplication that his life may be long spared to see still more in the Diocese of Michigan, the fruit of the seed which he helped among the first to sow within her borders.

The Bishop's Address.

Brethren :

God has kindly permitted us to meet together in our council, to speak of the things which He has committed to our hands. Our duties reach beyond this world, and our responsibilities are connected with the eternal welfare of souls redeemed by the precious blood of our dear Lord. It is pleasant if we have in any way performed our duties, and met these responsibilities. At best, we know that whatever may have been our efforts we will always feel that much has yet to be done, and that, whatever may have been our success, the glory belongs to God alone. Still it is pleasant to have a fixed period in the year when we can review the past, and start anew on the great work entrusted to us—the salvation of human souls. And we are frequently reminded of the short time given to us for the performance of our duties.

THE LATE REV. RUFUS MURRAY.

We miss one and another from our little number, whom God has called from us. During the past year an old and faithful servant of the Church has left us. The Rev. RUFUS MURRAY departed this life on the 1st day of August. He had devoted a long life to the service of his Church. He was remarkable for singular purity of life, unwearied diligence, and for successful efforts in extending the Church of Christ. He fell asleep in Jesus with a hope full of immortality.

EPISCOPAL ACTS.

I now give you a brief outline of my duties during the past year :

WYANDOTTE—CONSECRATION.

June 22, 1869. I consecrated Grace Church, Wyandotte. The Rev. Messrs. Hunter, Lewis, Worthington, and Williams were present, and assisted me in the services.

~~~~~

YPSILANTI.

June 27. I preached twice in St. Luke's Church, Ypsilanti, and confirmed 10 persons.

JACKSON.

July 2. I preached in St. Paul's Church, Jackson, and confirmed 6 persons.

MARINER'S CHURCH, DETROIT.

July 4. I preached in the Mariner's Church, Detroit, and confirmed 11 persons.

MT. CLEMENS.

July 11. I preached in the Court House at Mt. Clemens, and confirmed 7 persons.

ALPENA.

July 18. I preached twice in Trinity Church, Alpena, and confirmed 13 persons. The church has been greatly enlarged, and the congregation about doubled in number during the past year.

THE REV. WILLIAM CHARLES—LETTER DIMISSORY.

Aug. 3. Gave letter dimissory to the Rev. William Charles, to the Diocese of Wisconsin.

THE REV. GEORGE WHITNEY—RECEIVED INTO THE DIOCESE.

Aug. 10. Received the letter dimissory of Rev. George A. Whitney from the Diocese of Wisconsin.

THE REV. GEORGE WALLACE—RECEIVED INTO THE DIOCESE.

Sept. —. Received the letter dimissory of the Rev. George Wallace, from the Diocese of Wisconsin.

HOUGHTON.

Aug. 15. I preached twice in Trinity Church, Houghton, La Superior, and confirmed 4 persons. This parish has not had a rector for a year. The Rev. E. Seymour, the missionary in the county, officiated as often as possible.

ONTONAGON.

Aug. 17. I preached in the Church of the Ascension, Ontonagon, and confirmed 8 persons. This parish has been kept alive for several years by the energy and zeal of a few laymen. We need a mission at this point and the adjacent towns. Owing to the depressed condition of the mining interests, it is very difficult to sustain a clergyman at one point. For some time we must rely upon itinerant labor.

ROCKLAND.

Aug. 18. I preached at Rockland, a village twelve miles distant

from Ontonagon, and confirmed 1 person. The Rev. Mr. Seymour baptised 5 children and 1 adult.

**MARQUETTE.**

Aug. 22. I preached in St. Paul's Church, Marquette, and confirmed 5 persons. At the request of the rector I baptised 3 children and 1 adult.

**NEGAUNEE.**

Aug. 22. I preached in the town of Negaunee, and confirmed 13 persons. This is a missionary station under the care of the Rev. Mr. Wallace, and is in a great degree sustained by zealous laymen of St. Paul's Church, Marquette. This point, in connection with several places not far distant, presents one of the best fields for missionary labor in the Upper Peninsula.

**FORT WAYNE, DETROIT.**

Sept. 6. I preached at Fort Wayne, near Detroit, and confirmed 1 person.

**BAY CITY.**

Sept. 26. I preached in Trinity Church, Bay City, and confirmed 7 persons.

**EASTERN CONVOCATION—GRACE CHURCH, PORT HURON.**

Sept. 27. I attended the Eastern Convocation, in Grace Church, Port Huron, and confirmed 3 persons.

**ORDINATION OF MR. GEORGE W. WILSON.**

At the same time and place, I ordained Mr. George W. Wilson as Deacon. The sermon, at my request, was preached by the Rev. Dr. Rylance, of St. James' Church, Chicago.

**LEXINGTON.**

Oct. 3. I preached in a most comfortable room at Lexington, and confirmed 11 persons.

**MEETING OF THE TRUSTEES OF THE GENERAL THEOLOGICAL SEMINARY,  
AND THE HOUSE OF BISHOPS.**

Oct. —. I attended the meeting of the Trustees of the General Theological Seminary, New York, also the meeting of the House of Bishops, called together by the Presiding Bishop for the election of a Missionary Bishop for Arkansas.

The Rev. Henry N. Pierce, D.D., of the Diocese of Illinois, was duly elected for that office.

SERVICES IN THE DIOCESE OF HURON.

At the request of the Bishop of Huron, Canada, I preached at More, Corunna, and a missionary station some miles distant, and confirmed 2 persons. These churches and stations are under the charge of the Rural Dean, Mr. Armstrong. Through his unwearied labors and efforts, he has had four beautiful churches erected in a circuit of ten miles, within the last few years.

OPENING OF THE CATHEDRAL, LONDON, C. W.

Nov. 7. At the request of the Dean, I preached the sermon at the opening of the Cathedral, London, Canada. The Lord Bishops of Huron and also of Toronto, with several clergymen, were present.

HELLMUTH COLLEGE AND SEMINARY.

I visited the college for boys, and also the seminary for young ladies, initiated through the zeal, energy and liberality of Dean Hellmuth. The buildings are of a high order of beauty, and adapted for their purpose. The discipline, teaching and government, are well calculated to carry out the true idea of instruction—the improvement of the heart, as well as the cultivation of the mind. I would most heartily commend these institutions to the parents of my Diocese, more especially the institution for young ladies, as furnishing a pleasant and safe Christian home, with facilities for the highest accomplishments, as well as for the sound and substantial elements of thorough mental training.

ANN ARBOR—CONSECRATION.

Nov. 10. I consecrated St. Andrew's Church, Ann Arbor. This is one of the most beautiful church edifices in the Diocese. It was a very happy day to me, and I am sure it must have been to the rector. It stands as a monument to his zeal, patience, and perseverance. It is perfect in all its parts, free from every debt; and of such dimensions as to accommodate many of the students of the University, who are attracted by the simplicity and beauty of our services. It has been a constant wish to have such a building in this important parish. At the request, the Bishop of Illinois preached the sermon. It was in keeping with his high intellectual attainments, and his fervent devotion to the service of his Master.

SEMI-ANNUAL MISSIONARY MEETING.

As it was the Semi-Annual Meeting of the Diocese for Missionary purposes, we spent two days in the interchange of views and feelings, and I hope our hearts were warmed with greater love to our blessed Savior, and our zeal quickened to higher and holier efforts for the people.

~~~~~  
of the great work committed to us. The Rev. Dr. Rylance, James' Church, Chicago, preached the Missionary Sermon, which, several addresses from the Clergy, was well calculated to impress a deeper sense of our responsibilities, and of the necessity for action, to meet the wants of thousands in every part of our land or imploring aid. Thirty-one clergymen were present at these. It showed no little interest in the efforts and success of the rector, and I am sure left upon our hearts the sweetest impression of Christian unity and love.

**DEARBORN.**

Nov. 28. I preached at the United States Arsenal, at Dearborn, and confirmed 3 persons. Owing to a severe storm, several were prevented from being present to renew their baptismal vows.

**THE REV. JOHN. W. BIRCHMORE, LETTER DIMISSORY.**

Nov. 30. I gave letters dimissory to the Rev. John W. Birchmore, Diocese of Massachusetts. This I did with great regret. He had for several years identified with the general interests of the Diocese, and his own parish was one of our most faithful and zealous members.

**THE REV. J. W. BROWN—RECEIVED INTO THE DIOCESE.**

Dec. 1. Received and accepted the letter of the Rev. J. W. Brown, from the Diocese of Pennsylvania.

**MARSHALL.**

Dec. 5. I preached twice in Trinity Church, Marshall, and confirmed 20 persons.

**ST. JOHN'S CHURCH, DETROIT.**

Dec. 12. I preached in St. John's Church, Detroit, and confirmed 15 persons.

**CONSENT TO THE CONSECRATION OF THE REV. H. N. PIERCE, D. D.**

Jan. 5. I gave my consent to the consecration of the Rev. Dr. Pierce, as the Missionary Bishop of Arkansas.

**NORTHERN CONVOCATION.**

Jan. 11. I attended the meeting of the Northern Convocation, in Paul's Church, East Saginaw.

**FLINT.**

Jan. 20. I preached in St. Paul's Church, Flint, and confirmed 18 persons.

~~~~~  
MIDLAND.

Jan. 21. I preached at Midland, and confirmed 17 persons.

ORDINATION OF THE REV. W. R. TILLINGHAST.

Jan. 23. I preached in St. Paul's Chhreh, East Saginaw, and ordained the Rev. W. R. Tillinghast to the Priesthood. The candidate was presented by the Rev. A. M. Lewis.

EAST SAGINAW.

In the evening I confirmed 5 persons.

GRAND RAPIDS.

Feb. 2. I preached in St. Mark's Church, Grand Rapids, and confirmed 14 persons.

GRAND RAPIDS—CONSECRATION.

Feb. 3. I consecrated St. Paul's Memorial Church, Grand Rapids. This church contains ten memorial windows—one to commemorate the devoted life and faithful labors of the Rev. Dr. Cuming, and another the character of the Rev. D. Clarkson. The side windows are tributes of affection, from several members of the parish of St. Mark's to friends whom God has taken away. The church is a neat and tasteful structure, affording accommodation to many on the west side of the river, and is already filled with devout worshippers. Its inception and completion are due to the efforts of the Rev. Dr. Tustin, through whose prudent management and energy, it was finished without a debt. The Rev. Dr. Tustin, Messrs. Peters, Judd, Bancroft, Prichard, Chapin, Wood, Beckwith, and Rev. Mr. Morris, of Milwaukee, were present and aided me in the services.

ORDINATION OF MR. JASON F. WALKER.

Feb. 6. Preached in the Church of the Good Shepherd, Allegan, and ordained Jason F. Walker, formerly an Unitarian Minister, as a Deacon. The candidate was presented by the Rev. R. Wood; the Rev. Mr. Peters was also present.

ALLEGAN.

In the evening I confirmed 4 persons.

NILES.

Feb. 7. I preached in Trinity Church, Niles, and confirmed 4 persons.

MT. CLEMENS.

Feb. 9. I preached in the Court House, at Mt. Clemens, to a very

~~~~~  
congregation. This parish is making great exertions to erect a  
able house of worship.

**HILLSDALE.**

Feb. 13. I preached in St. Peter's Church, Hillsdale. In the after-  
I addressed the Sunday School, at which time the rector baptised  
en adults and five children. In the evening I confirmed 19 per-  
I deeply regret that the rector has resigned this parish, on account  
health. His labors have been most signally blessed.

**INSTALLATION OF THE REV. JOHN M. FORBES, D. D.\***

Feb. 24. At the request of the Trustees of the General Theologi-  
Seminary, New York, I preached at the installation of Rev. Dr.  
oes, as Dean of the Seminary, and delivered to him the keys. The  
ices were held in the Church of the Transfiguration. It was a great  
sure to aid in an act which showed the confidence of the Church in  
for whom I always cherished the highest regard, and one so  
nently fitted to discharge the responsible duties connected with his  
e.

**SERVICES IN THE DIOCESE OF NEW YORK.**

Feb. 27. I preached in the Church of the Heavenly Rest, New  
k.

**ADRIAN**

Mar. 4. I preached in Christ Church, Adrian, and confirmed 22  
ons. This was my second visit to this active and prosperous parish.  
y are making efforts to erect a new church, which will furnish ac-  
modations to the increasing congregation.

**ORDINATION OF THE REV. SIDNEY BECKWITH.**

Mar. 6. 1st Sunday in Lent, in St. Andrew's Church, Ann Arbor,  
mitted to the Holy Order of Priesthood, the Rev. Sidney Beckwith,  
ented by the Rev. G. D. Gillespie, who united with the Rev. Dr.  
dams, in the laying on of hands. The sermon was preached by  
self.

**ANN ARBOR.**

In the evening of the same day I preached and confirmed 24  
sons.

**WYANDOTTE.**

Mar. 20. I preached in St. Stephen's Church, Wyandotte, and con-  
firmed 18 persons.

**HUDSON.**

Mar. 24. I preached in the Congregational Church, at Hudson, and  
firmed 14 persons.

Mar. 25. On the Feast of the Annunciation, I preached in the upper room used by the congregation, and confirmed 3 children of the Church, the whole number confirmed being 17 persons.

JONESVILLE.

Mar. 25. I preached in Grace Church, Jonesville, and confirmed 2 persons. This parish, greatly weakened by the removal of members from the Church, is reviving under the efforts of the present rector.

COLDWATER, AND QUINCY.

Mar. 27. I preached in St. Mark's Church, Coldwater. In the afternoon I rode through a severe storm and preached in the town of Quincy, six miles distant. I was surprised and gratified at the number of persons present. I confirmed 2 persons. This is the result of the faithful labors of Rev. Dr. Schetky, who in addition to his duties as rector of St. Mark's, officiates here several times in the month. In the evening I preached again in St. Mark's, and confirmed 19 persons.

LANSING—RESIGNATION OF THE REV. H. BANWELL.

Apr. 1. I preached in St. Paul's, Lansing, and confirmed 8 persons. I regret that the Rev. H. Banwell has resigned this parish. God has enabled him to place the parish in a better condition, temporally and spiritually, than it has ever been, and I had hoped that he would have carried out his earnest desire to erect a new church. A very eligible lot has been purchased for that purpose.

OWOSSO AND CORUNNA.

Apr. 3. I preached in Christ Church, Owosso. In the afternoon I preached to a very large congregation in the Methodist Church, Corunna, and confirmed 2 persons. In the evening I again preached in Owosso, and confirmed 11 persons. This parish has removed the debt which remained upon the Church, by the most liberal and strenuous exertions. I expect to consecrate it in a short time. I hope they may soon be able to secure the services of a faithful pastor.

The Rev. Mr. Banwell, of Lansing, has devoted part of his time to this parish, and has been able to carry out these happy results.

ST. JOHNS AND OVID.

Apr. 4. I preached in St. John's Church, St. Johns, and confirmed 2 persons. These persons were from the village of Ovid, ten miles distant, at which place the Rev. Mr. Chapin has held services several times in the month.

JACKSON, ST. PAUL'S CHURCH AND MISSIONS.

Apr. 10. I preached in St. Paul's Church, Jackson. In the afternoon

~~~~~  
I preached at Woodville, a missionary station in connection with Church at Jackson, and confirmed 8 persons. This station has received the kind care of Mr. Hayden, who reads the service in the afternoon of every Lord's day, superintends a thriving Sunday School, and provides books for their intellectual and spiritual instruction. His efforts, in common with those of the rector, have changed the character and conduct of the people of the neighborhood, and many who scarcely recognized their responsibility to God, now crowd the little mission house, and join the services of our Holy Church. In the evening I again preached in St. Paul's Church, Jackson, and confirmed 16 persons.

TECUMSEH—RESIGNATION OF THE REV. G. N. JAMES.

Apr. 11. I preached in St. Peter's Church, Tecumseh, and confirmed 9 persons. I was pained to learn that the Rev. Mr. James had resigned this parish.

ALBION.

Apr. 12. I preached in St. James' Church, Albion, and confirmed 10 persons. The Rev. Mr. Stonex has labored most faithfully in this parish for several years.

HOMER.

Apr. 13. I preached twice in Christ Church, Homer, and confirmed 12 persons. This parish has been greatly reduced by removals, but it is now, by the blessing of God, on the increase.

BATTLE CREEK.

Apr. 14. I preached in St. Thomas' Church, Battle Creek, and confirmed 10 persons. Two of these were young men who had come thirty miles. They have a godly mother, a devout Church woman, who reads the service on every Lord's day, and has faithfully instructed them in the duties which they owe to God. It was indeed a great comfort to know that in these times, a faithful mother in Israel was to be found, away from Church privileges, but clinging to our Holy Faith, and bringing up her household in the fear of God. This parish has lost for years many who sought admission into the Church, but could find no room in the small church building. It ought to have been enlarged ten years ago, and many might have been gathered into the Church.

KALAMAZOO, ST. JOHN'S CHURCH.

Apr. 15. I preached twice in St. John's Church, Kalamazoo, and confirmed 6 persons. The church building has been enlarged, and so arranged as to make it one of our most beautiful church edifices. It has been accomplished by the good taste, architectural skill, and energy of the rector.

ST. PAUL'S CHURCH, DETROIT.

Apr. 17. I preached in St. Paul's Church, Detroit.

FENTON, AND THE SCHOOLS.

Apr. 19. I preached in St. Jude's Church, Fenton, and confirmed 18 persons. I also attended the meeting of the Board of Trustees of the Institution for boys and girls, planned, and now carried on nearly to completion, by the energy and zeal of the Rev. Mr. Fuller. I found the financial affairs of the institution in a good condition, only a small debt, and promises made for its speedy liquidation. No debts are contracted as the buildings advance towards completion, and in a short time they will be ready for occupation. Although these Institutions are in no respect connected with, or under the supervision of the Convention or Diocese, still I trust a deep interest will be felt by the members of the Church in enabling the Board to provide a safe and well-conducted Church home for the children of the Church. We have done nothing for Christian education in our Diocese. Efforts have been made by individuals and parishes for this purpose, but have failed for want of support. The children of the Church have been sent to schools whose teaching is in direct opposition to the Church, and have lost many of the lambs of Christ's flock, that might have been kept and reared in His own blessed fold.

LINDEN.

Apr. 20. I preached at Linden, and confirmed 2 persons. The parish has been connected as a missionary station with the Church at Fenton.

MUSKEGON—LAYING OF THE CORNER STONE.

Apr. 22. I laid the corner stone of St. Paul's Church, Muskegon. The Rev. Dr. Tustin, Messrs. Peters, Prichard, and the Rev. John Clark the rector, were present, and made addresses. This will be a beautiful church edifice when completed. It is intended to finish the part of the building, to be enlarged as the ability of the parish, and the kind offerings of friends enable them to do so. It is a place of great interest and promise to the Church in this Diocese. In the evening I preached in the little room, very neatly arranged for this purpose, and confirmed 7 persons.

GRAND HAVEN.

Apr. 24. I preached twice in St. John's Church, Grand Haven, and confirmed 7 persons. It was only eleven months since I laid the corner stone of this neat and beautiful church edifice. It was completed in all its parts, and stands as a memorial of the untiring efforts of the rector, who has labored long and well in the cause of his Master.

~~~~~  
**ALLEGAN.**

Apr. 25. I preached in the Church of the Good Shepherd, Allegan, and confirmed 4 persons.

**GRAND RAPIDS—RESIGNATION OF THE REV. J. P. TUSTIN, D. D.**

Apr. 26. I preached in St. Mark's Church, Grand Rapids, and confirmed 17 persons. This was my second visit to the parish. The pleasure of my visit was greatly lessened by the fact, communicated to me by the rector, that he intended in a few weeks to resign the care of the parish with a view to engage in duties, which may bring from foreign lands recognized members of the Church, into our own Church in this country. I cannot express my deep sense of my own loss and that of the Diocese. The rector has not only had the oversight of one of our largest congregations, to which he has given his energies and talents for years, but has been identified with many of the plans for the promotion of the best interests and increase of the Diocese. I trust that his absence from us may be only for a short time, and that his connection with the Diocese will not be severed.

**IONIA.**

Apr. 27. I preached in St. John's Church, Ionia, and confirmed 10 persons. The Rev. Mr. Peters has had charge (temporarily for the last few months) of the parish, and has kept the congregation together and placed it in such a condition as to enable them to make a liberal provision for the support of a rector.

**SARANAC.**

Apr. 27. I preached in Trinity Church, Saranac, and confirmed 12 persons. The Rev. Mr. Walker was sent by me to this parish immediately after his ordination. He had acted in the capacity of Lay-reader in the parish during his candidateship for orders, and then, and since has been greatly blessed in his labors.

**GRACE CHURCH, DETROIT.**

May 1. I preached in St. Andrew's Hall, Detroit, the room occupied by the congregation of Grace Church, and confirmed 30 persons. The congregation hope to take possession of their new and beautiful church edifice at the close of summer.

**MARINERS' CHURCH, DETROIT.**

In the afternoon of the same day, I preached in the Mariners' Church, Detroit, and confirmed 3 persons.

**ST. PAUL'S CHURCH, DETROIT.**

In the evening of the same day, I preached in St. Paul's Church Detroit, and confirmed 23 persons.

~~~~~  
 YPSILANTI.

May 2. I preached in St. Luke's Church, Ypsilanti, and confirmed 6 persons.

DEXTER.

May 3. I preached in St. James' Church, Dexter, and confirmed persons.

THE REV. WM. LUSK, JR., RECEIVED INTO THE DIOCESE.

May 3. I received the letters dimissory of the Rev. William Lusk, Jr., from the Diocese of Indiana.

SAGINAW CITY.

May 8. I preached in St. John's Church, Saginaw City, and confirmed 17 persons.

EAST SAGINAW.

In the evening of the same day, I preached in St. Paul's Church, East Saginaw, and confirmed 5 persons.

ST. JOHN'S CHURCH, DETROIT.

May 15. I preached in St. John's Church, Detroit, and confirmed 30 persons.

ST. PETER'S CHURCH, DETROIT.

In the evening of the same day, I preached in St. Peter's Church, Detroit, and confirmed 14 persons.

CHRIST CHURCH, DETROIT, 25TH ANNIVERSARY.

May 26. On the feast of the Ascension, the twenty-fifth anniversary of the organization of the parish, I preached in Christ Church, Detroit. It was indeed a pleasant and happy day. All the parishes and clergy in the city united in celebrating the joyous event. The Rev. Dr. Paddock, of Brooklyn, New York, the former rector, and the Rev. A. H. Vinton, of Boston, were also present. The church was beautifully adorned, and everything was done by the rector and vestry to the solemnity, as well as the joyousness of the occasion.

In the evening of the same day, the Rev. Dr. Paddock preached and I confirmed 16 persons.

I would here record my most grateful sense of the kindness of the ladies of the parish, for their generous gift of a costly and beautiful set of Episcopal robes. The gift was presented to me by the rector in a language of affection and confidence which left a deep impression on my heart, and increased the ties which had commenced to bind us together. The next evening we all met at his hospitable home, and interchanged those christian feelings which bind the followers of Christ in the bonds of christian love.

~~~~~  
**MENDON.**

May 29. I preached in St. Paul's Church, Mendon, and confirmed persons.

**THREE RIVERS.**

In the evening, I read the service and preached in St. Paul's Church, Three Rivers. The rector, the Rev. Mr. Rogers, was unable to be present, owing to severe sickness. I postponed the confirmation until some future time.

**FLINT.**

June 1. I preached in St. Paul's Church, Flint, and confirmed 8 persons. This was my second visit to this parish, and everything indicates that harmony and unity prevail; the result of the faithful and judicious efforts of the Rev. Mr. Lane, who has become the rector of the parish.

**DEARBORN.**

June 5. Whitsunday, I preached in the Arsenal at Dearborn, and confirmed 8 persons.

**FORT WAYNE, DETROIT. CONSECRATION.**

In the afternoon, I consecrated a very neat and pleasant Church edifice at Fort Wayne, near Detroit. The Rev. Dr. Fitch, the Chaplain, the Rev. Messrs. Lightner, Brown, and Magee, were present. This, to me, was a very pleasant act. General Buchanan, the officer in command, had spent months in the closest supervision and preparation of this building for the worship of God. It is the highest honor to him, that while he had justly received honor from his country, he did not forget the honor which is due to God, and thus has left a memorial for all coming time, of his love to our blessed Savior and His Holy Church. Earthly honors will perish, but such honor to God will never die.

**APPOINTMENT OF THE REV. JOSIAH P. TUSTIN, D. D.**

I have this day appointed the Rev. Josiah P. Tustin, D. D., as the general missionary in my diocese to the Swedish population.

**REVIEW OF THE VISITATIONS.**

Thus ends the record of one of the pleasantest visitations I ever made of my diocese. Both Clergy and Laity received me with such kindness and affection, that it took away all toil and weariness, and made every duty but an increasing pleasure.

**CONFIRMATION OF YOUNG PEOPLE.**

It was a great happiness to find so many of the children of the Church brought to confirmation. It is the design of the Church to se-

~~~~~

cure their earliest affection for the Savior, and throw around them the safeguards of our Holy Religion at the earliest age, before their hearts are contaminated with the world. Owing to the large number of adults coming into the Church from the various denominations around us, we have almost forgotten the children of the Church. I would like to see no age, as the Church has not done so. If they are carefully brought up by their parents and sponsors, and can duly appreciate the duties which they owe to God, they ought to be brought to Him to receive the assurance of His love and favor. Early confirmation and early communion are the great agencies which the Church has founded to carry on in the hearts of her children the sweet and holy influence of God's Spirit imparted to them in baptism. It is almost impossible to win them back again when these early influences are lost; other and unscriptural means are often resorted to, to make amends for this neglect, but the freshness and force of early devotion to God can never be secured. The most lovely specimens of piety we have ever witnessed have been in the hearts and lives of those who thus early gave their consecrated souls to God. The longer I live, and the more I know of the influence of the means which the Church has founded to secure the hearts and lives of her children, the more I am convinced that they are such as God has revealed, to which He has attached his covenant blessings. It is a pleasure to me to know that my Clergy feel the force of these requisitions of the Church, and have not neglected the little lambs of the flock, but have brought them to Him who, when on earth, took them up in his arms and blessed them.

WITHDRAWAL OF MISSIONARY AID FROM OLD PARISHES.

In every visitation, I am more and more impressed with the necessity of withdrawing the missionary stipend (where it is possible) from parishes which have received aid for so many years. Nearly thirty missionaries are now connected with our diocesan board, and year after year there is no diminution of the number. It is impossible for your Bishop to enlarge the boundaries of the Church under such circumstances. New places cannot be occupied, and have not been for several years. We have no means to send missionaries into these new fields. I have always thought it best, never to begin a work in any new place without following it up with the services of a Minister of Christ. Expectations are created, and exertions made, which often end in disappointment, and add to the number of those who have no sympathy nor love for the Church of Christ.

I feel confident that if many of these parishes were thrown upon their own resources, they would find no difficulty in supporting the

~~~~~  
r. They have been taught and accustomed to look beyond their means for help, and hence they have never felt the necessity for exercise of that important duty—self-denial, without which there is no true religion in the heart.

The more any people give for the support of the gospel of Christ, the more they will be enabled to give, and the more will they experience in their hearts the power and purity of the religion of Christ. Without it they will become dwarfs, instead of growing to the stature of perfect men in Christ.

#### FAITHFULNESS AND LABOR OF THE CLERGY.

It is also a great satisfaction to your Bishop to bear his decided testimony to the faithfulness and unwearied labors of the Clergy, sustained and cheered by the co-operating agency of the Laity.

Perhaps we may say with all humility, and yet with an honest conviction, that there are but few Dioceses, if any, in which the pure gospel of Christ is more faithfully exhibited, and the distinctive and primary principles of our Holy Church more decidedly taught. The result has been a uniformity in all the exhibitions of the truth, and a stability of principle, which will preserve the church and her principles at a time when so many, under the color of benevolence and a more liberal religion, are attempting to undermine and destroy all that is reliable and valuable in our Holy faith. It cheers and comforts us under all the cares of care, and sweetens toil, for it assures us that we can leave a heritage to those who may come after us, on which they may build glorious temples, not simply of wood and stone, but of bodies filled with the precious influences of God's Spirit, and used as his own dwelling-place.

#### DECEASE OF BISHOPS CHASE AND KEMPER.

And we are forcibly reminded by the shortness of the period now passed to us, to quicken our efforts in the cause of Christ, and be ready to lay aside the robes of office, and put on other garments, which will be our duties and responsibilities which must meet us at the bar of God. Two of those with whom I associated at the beginning of my episcopate, remain. The simple hearted, guileless Bishop of New Hampshire, has gone to his rest during the past year. He was a fine man, an humble Christian, a gentle Bishop, a sound Churchman, an able saint of God.

And within a short period the whole church has been called to mourn the loss of the devoted and brave Missionary, Bishop Kemper, who laid the foundation of almost every Diocese in the West. How can I forget his calm and quiet manner, his pure and con-

~~~~~

finding faith, his readiness to give up everything for Christ and go, like one of old, not knowing whether God would lead him, as I stood by him in the venerable Church of St. Peter, Philadelphia, when he received the Holy Ghost for the office and work of a Christian Bishop. He knew but little of the hardships of life, had never been thrown in contact with men, but of high refinement and social culture, and his friends feared that his timid and shrinking nature would be unfitted for the toils and trials of a western missionary's life. But how wonderfully God sustained him; the very peculiarities of his nature which excited fear for his success, were the means of winning his way to the hearts of men, and brought to his support those who could not be reached by a severe hand. No one can estimate the toil which he endured, the time when nights had to be spent in rude hamlets, or else struggles to pass over roads calculated to break down the strongest body. But no difficulties ruffled his spirit. He lived and toiled for God and his Church, and God preserved him to the good old age of fourscore years, and with his mind unclouded, his eye undimmed, his heart full of love, he fell asleep, having the presence of his Savior, the help of the Holy Spirit, and a hope, full of immortality. He was my near and intimate friend for many years, and in the list of those with whom I have long associated and loved, no greater void has been made than by the removal from earth of this dear and devoted servant of Christ.

May God give us grace to follow in his steps as he followed Christ.

CONCLUSION.

And now, dear brethren, I commend you to God's grace, humbly trusting that the record of another year, if God will, will find us more active, more self-denying, and more successful, in extending the principles and blessings of our Holy faith.

A Committee are at work raising money towards building a proper  
ce to meet the increasing demand for more room, every seat in the  
church being now rented.

There have been two Missions begun by the rector of Adrian since  
Convention. One at Fairfield, six miles; the other at Deerfield, 15  
a. In these there have been several baptisms, and candidates are  
ready for the laying on of Apostolic Hands. These are regularly  
plied with services—Fairfield once a month, Deerfield twice a month.  
whole burden of this work rests on the rector of Adrian.

The removals from this Parish have been most unfortunate for prosperity. Family after family have gone from it; and were it not for the accessions had within the community to the church, its prospects would be most discouraging. It is to be hoped that this downward tendency will not, in the future, be as it has been in the past.

### St. Andrew's Church, Allegan, St. Clair County. (1867.)

#### VACANT. REPORTED BY THE WARDENS.

The Rev. Mr. Jameson is still absent in England, and, consequently, there have been no services held in the church during the present summer. There have been no confirmations. During the past year the ladies obtained \$210 towards paying the debts on the church; there is still a debt of \$200 which the Vestry desire to pay soon as possible. Rev. Mr. Jameson received \$30 as a Christmas gift, and the Sunday School collections amounted to about \$7, for books and papers. The Sunday School is kept up by myself and two ladies of the Parish. There are but few children to attend, but many of them seem much interested in the church and services, and we trust, that feeling as our efforts are, some good is being done. We are sorry there is nothing more cheering to report, perhaps next year our prospects may be brighter.

There is a gratifying indication, if not of so great growth as some  
er Parishes exhibit, still of a permanent one. The remaining debt  
the Church of \$370 and interest since Jan., 1870, previously should-  
d by the Vestry, has all been secured by pledges within the Par-  
. The church building is covered with an Insurance Policy of \$4000.  
minal value of church property \$10,000. Shade trees have been  
nted about the church grounds, and preparations are being made to  
ce them. We need, more than ever, a bell. The congregation in  
weather is from 175 to 200, in stormy weather from 70 to 80.

I have spent one Sunday at Decatur and also one at Plainwell, doing

missionary work and holding service twice at each place; have preached once at Convocation, and twice at St. Mark's, Chicago, during summer vacation.

## VACANT. REPORTED BY THE WARDENS.

Communicants—Removed, 2; total lost, 2. Present number—male, 3; female, 7; total.....

Not having any report on record which would indicate to churchmen of our Diocese that any effort ever had been made in Parish to sustain our beloved Church here, allow me, therefore, to nish a few facts to establish a record for Grace Church, Burr Oak.

The Rev. Mr. L. H. Corson, of Jonesville, began his Mission labors here in August, 1866, and thereafter held services, with few ceptions, once in two weeks. We organized Grace Church Parish

the 27th day of January, 1868, and were admitted in Convention June 10th, in the same year. We commenced the erection of a Chapel in the spring of 1868, and succeeded with the slender means at our command so far as to enclose the building the same season, but were unable to finish it for the lack of about \$500.

Our Chapel, when finished, will make a perfect little gem. Style, Gothic—20 by 40 feet, with porch in front 12 by 12 feet, open ceiling, fine stained glass chancel and side windows. The structure is crowned with the emblem of salvation instead of a tower.

The building is located on a fine lot of our own, 82½ by 165 feet, built back far enough to admit of ornamenting the ground. So far as we have gone we have nearly paid our way by the help of liberal churchmen from other Parishes, to whom we here offer our grateful thanks.

The means had and expended are, viz :

Promise of glass and paint from Geo. S. Tarbell, of M. W. Field & Co., about \$30 to \$40, "repudiated," we believe.

| Add to this paid Rev. L. H. Corson, while coming here for three years, \$200 to \$250 per annum. |         |

I merely make this statement to show some kind of standing for our poor little Parish, and most sincerely wish we could have done more.

Rev. Mr. Corson discontinued his visits here on the first of July last, since which time we have been without a Pastor, and consequently, have had no services here for nearly a whole year. We have a good field here and some ardent element for a good Parish. We have five or six candidates for confirmation, and had at one time during Mr. Corson's first year's visits, as many as twelve. May God have mercy upon us is our prayer.

**VACANT. REPORTED BY THE WARDENS.**

There is no report to make, the Parish having been vacant during the year past. The feeble state of my own health has forbidden reading service as in times past, and no one else seemed willing to occupy the place, nor does there seem much prospect of a better condition of things.

The Rev. Mr. James celebrated service here in the past year there was one funeral at the Church with Lay reading.

It affords the Rector sincere gratification, with devout thankfulness to the Great Head of the Church, that he can report that the parish was never in a more prosperous and happy condition than now. A spirit of peace and harmonious united action has blessed us in all departments of parochial life during the past year. With most laudable zeal, "The Ladies' Church Aid Society" has been efficiently engaged in good works, as the foregoing statement of contributions will exhibit. A handsome, well-built residence has recently been purchased for a Rectory, in a beautiful portion of the city; and at Easter the people had the gratification of seeing their Rector comfortably settled in it. "The Missionary Mite Society," a department of the same parochial agency, was organized immediately after the last Convention, and has been instrumental in providing for the pledge for Diocesan Missions and the assessment of the Convention.

Of the number of communicants reported, *fourteen* have not communed during the past year, leaving the actual number of communicants one hundred and twenty-six. I have learned that, in some in-

stances, their absence from the Holy Communion extends over a period of from three to five years, and all efforts to induce them to return are unavailing. This statement is made with their knowledge, and with the intention of not reporting them in the number of communicants at the close of another year, unless they return. The average attendance at the Holy Communion on nineteen occasions has been nearly *one-half*. The number of Sunday School pupils reported is that of those in regular attendance. On the last Sunday of each month, and on the great feasts, I have a service specially for the children, with a sermon, and public catechising. They have also been catechized and addressed at the Sunday School on twenty-two occasions. During Lent, "Cottage Lectures" were held, weekly, at private houses, with good attendance, and, we trust, much spiritual benefit. These services were independent of those held regularly in the church. Immediately after the last Convention, in compliance with the request of the Bishop, I made arrangements for regular appointments at Union City. The little flock in the parish of Grace Church, though without a rector for more than two years, has sustained the services and the Sunday school without interruption, under the care of their zealous lay-reader, Dr. H. F. Ewers. I visited them monthly from June to November, baptized an adult (private) celebrated the Lord's Supper twice, and officiated at a funeral. The condition of the roads, and the lateness of the hour of my return to duty in my own parish church, compelled me to suspend my visits during the winter. I rejoice that they have at last secured a Rector. My duties at St. John's Mission, Quincy, are stated in a separate report.

Besides the foregoing, I have participated in missionary meetings and convocations at Hillsdale, Hudson, Union City, Jonesville, and this parish, and at the consecration services, and missionary meetings at St. Andrew's, Ann Arbor. I also officiated and preached twice, and celebrated the Lord's Supper at Trinity Church, Hudson, and, at the same place, administered that most comfortable sacrament to a sick woman, in private, assisted at the funeral of a child, and addressed the Sunday School. At Lima, Indiana, I officiated at the funeral of the late rector of that Parish.

REV. CHAUNCEY W. FITCH, D. D., RECTOR. (1866.)

I have the honor to report, that my relation to the diocese is that of Post Chaplain, U. S. Army, stationed at Fort Wayne, Detroit, (which is my P. O. address), where I have officiated every Sunday, except that one Sunday I preached at Flint, one at Piqua, Ohio, and one at Middletown, Ohio, where I baptized three children. I have superintended the Post School, and once (often twice) of a Sunday I have officiated in some Church in Detroit. I have at this post and vicinity baptized one adult; married 7 couples; buried 5, and presented one for confirmation. I have furnished Prayer Books for the Chapel, and the children of the post school, and reading matter for the soldiers, from the Society for Christian effort in the U. S. Army. Gen. Buchanan has fitted up a very neat and church-like chapel, which was consecrated June 5, 1870. By permission I have officiated once a fortnight at Dearborn Arsenal, and subjoin a report of services there.

I accepted the Rectorship of this Parish and became a member the Diocese December 1st, 1859, beginning, however, my regular parochial work with the present year. Owing to faithfully kept records I am enabled to present a full report, though not as accurate as desired because of the usual changes incident to a vacancy. I have held services at St. Luke's Hospital and Church Home, on six Sundays; have celebrated the Holy Communion there once; baptized one adult and one infant; buried three inmates, and presented one for confirmation. They are all embraced in the above report. On Ascension Day the Parish completed the 25th year of its history, and the event was celebrated with the most interesting services. The Diocesan preached the Commemorative Sermon in the morning. The children held their anniversary in the afternoon and the esteemed former rector of the Church, the Rev. H. Paddock, D. D., preached an appropriate discourse in the evening. The absence of the venerable first rector, the Rev. Wm. N. Lyster, was the felt regret of all. A very pleasing feature of the event was the

sentation of a silver communion service in the memory of Mr. Edmund E. Brush, and by the parish to the honored Bishop of the Diocese, a full set of canonical robes. To the ladies the rector and parish are indebted for a most elegant and tasteful refitting of the vestry room. Altogether, the occasion was one worthy of a church whose past is so honorable.

I officiated seven Sunday evenings in St. Stephen's Church, Wyandotte, in August and September of 1869. Officiated in St. Stephen's

Church, Detroit, four Sunday evenings; baptized one adult and two infants, and preached once besides. Officiated once in Grace Church once in St. John's Church; once in St. Peter's, and once at St. John's Mission, and delivered a lecture on "The Christian Home." Preached once in St. Peter's Church, and officiated once in St. John's Church, Saginaw City. In Lent, delivered six addresses in the other city parishes, celebrated nine Sunday services, and eight week day services at St. Luke's Hospital and Church Home, and administered the Holy Communion twice. Since Convention, I have spoken out of my own parish 33 times in Detroit, and out of Detroit 15 times—in all 48 times. My own services were kept up regularly during the year, with two lectures a week during Lent. I also officiated twice at Ypsilanti, and preached once at Wyandotte at the appointment of the Bishop. I have been blessed with health the past year, and received many kindnesses from my brethren.

It will be perceived that the present number of communicants has been diminished since the last convention. The cause of this is the draught of members (which, I am sorry to say, still continues) to places offering greater inducements to enterprise than this one does just now. Another day, however, is dawning upon us.

Three Sunday Services have been held at Sours' School House, and
one week day at Traverse City, with marriage ceremony.

Services were begun here Advent Sunday; and during the months the Church has made a fair impression on the public mind. We labor under the disadvantage of having really no male communicant, and very few female. The impression made heretofore was too favorable.

Of Infants Baptized, this number includes one baptized in private at Brighton.

The above Parochial Report, for want of *data*, only embraces interval between the second Sunday in Advent and its date inclusive excepting those items of "Contributions within the Parish" under heads of "Organist," "Incidentals," and a small portion of that by "Ladies' Social Society."

The attendance upon Divine Service, and the attentiveness devotion of the Congregation to the worship of the Church, are striking indices that unity, peace and concord prevail within the borders of Parish.

Shortly after having been sent to this Parish, regular Service commenced in the Methodist Chapel at Whitmore Lake alternate day evenings—the Methodists occupying it at other times. In that manner I have held ten Public Services on Sundays, and attended one Public Service. The attendance upon the Service of the Church at that point given encouragement to hope that some good may result from the labors.

Service is now being held alternate Sunday evenings in Appleton Hall, Brighton. As yet but two Public Services on Sundays have been held there. There appearing to be "great cause and necessity," I administered the rite of Private Baptism to an infant then lying ill at home, on the 7th of Jan. last.

NOTE.—Under the head of "Occasional Services" performed by Clergymen not regularly settled, I have to report that, immediately after my Ordination to the Diaconate upon St. Michael's and All Angels Day, 1889, I attended and participated in the Services and Address

~~~~~

a Missionary Meeting held at Lexington, Sanilac county, Mich., September 30th, 1869. On account of the serious illness of the Rev. William Stowe, rector of Grace Church, Port Huron, I held Services in that Church from the 19th Sunday after Trinity (Oct. 3d) to the 1st Sunday in Advent, (Nov. 28th, 1869) inclusive, morning and evening, excepting that upon the last three, the rector's health was sufficiently restored to permit him to deliver the Sermons. During the above time I attended one burial and assisted the rector at another within the Parish; and also assisted him at the celebration of the rite of Holy Matrimony at Trinity Church, St. Clair county, on the 7th of December last. At a later date, while upon a visit at that point, I held Morning and Evening Service in Trinity Church, St. Clair. I also had the happiness to be present at the Consecration of St. Andrew's Church, Ann Arbor, Nov. 10th, 1869. And on the 4th Sunday after Epiphany, upon the invitation of the Rev. Geo. D. Gillespie, rector of St. Andrew's, preached in that Church at the Evening Service. On the 3d Sunday in Lent, (March 20) by request, I held Evening Service at All Saints' Church, Howell, and baptized two adults. Although the weather and the condition of the streets were very unpropitious, the number present was quite large; many of whom were devout and earnest worshippers. On the 5th Sunday after Easter, (May 22d) at my request, the Rev. V. Spalding kindly consented to hold Services, in my stead, at St. Stephen's Church and Whitmore Lake; and I held Service, Morning and Evening, at St. James' Church, Dexter.

The Officiating Minister has been able to give only one Service at a flying visit once in four weeks. This can hardly be expected to develop the strength of a Parish. It might be made a considerable help in the support of a resident minister, if connected with Stockbridge as it formerly was. The field will be readily vacated at any time, to one who is willing to cultivate it. And it is believed "his labor would not be in vain in the Lord."

Owing to removals, and other causes, from this Parish, and not seeing how I was to be supported without its aid, I was induced to accept a call, unsought by me, to Mt. Pleasant, Iowa, in December last. The Parish at Saugatuck pledging me \$600 to remain and give my time to that place alone, I thought it my duty not to leave, and therefore with-

drew my acceptance of the invitation to Iowa. Since then I have given three services to Holland, one of which was on Sunday.

The Sunday School is under the care of the Junior Warden, is kept up, and it is thought that the railroad, now coming in from Allega will in time bring in more Americans, and thus afford strength to our Church, and help to establish its services. May the Lord prosper the people of this little Parish in every good word and work.

The Parish of Trinity, Hudson, was organized 1860. Since that time its progress was varied and not successful. I visited the Parish at the request of our beloved Bishop, in Trinity week of last year. It v

prised of a few faithful children, mourning in feebleness for their  
 are. Under many discouragements, we resolved mutually to trust  
 goodness of God, and try again for one year. Our hopes have not  
 disappointed. The Hall in which we have worshipped is now be-  
 come too strait for us, and we are obliged to rent another, double its  
 . In the meantime we have started a subscription for the building  
 a new Church, and have realized over \$3000 in good legal notes. We  
 nt to raise \$10,000, for which purpose we have engaged a hall for three  
 rs of large capacity, during which time we hope and believe we shall  
 e the required amount and become a self-sustaining Parish.

The Chapel, at the last annual Convention reported commenced has been completed, and is used for the week day services. Ward Sunday Schools have been continued during the year with their faithful corps of teachers. The Mission at Woodville, (coal mine) has been greatly blessed under the ministrations of our zealous, efficient and most generous Junior Warden. Twenty-five adults and children have been baptized, and 10 persons confirmed within a little more than twelve months. A Sunday School Library of some 300 valuable books has been provided and has become a most useful auxiliary to the service. The Church Service is now read every Sunday afternoon, followed by Bible Class and the ordinary Sunday School exercises. Recently an earnest communicant has opened a Sunday School in Spring A

ten miles from the Parish Church. The Sewing School, with five
 teachers, has been well sustained. In February last, the "St.
 al's Woman's Missionary Society" was formed with the design of
 ing the noble cause of Foreign Missions, and, already numbering
 re than 100 members, has cheerfully become responsible for the sal-
 of Miss Scott of the African Station. The Parish Library, since
 ster, has been re-organized and considerably enlarged. A commodi-
 Rectory is now building on the lot, adjoining the church lot, recent-
 given for the purpose, the undertaking of which enterprize is largely
 to the faith, zeal, and energy of the ladies of the congregation.
 rmony, peace, and christian love have marked the progress of the
 ish, and while we have left undone much that we ought to have
 e, we can yet bless God, who has enabled us to maintain some of
 e good works and labors of love which He has prepared for us to
 k in.

I took charge of this Parish last August, from which time my reports date. The people deserve much credit for their manifest interest in the past ten months, having been without a rector for nearly ten years previous. The "Ladies' Aid Society" was organized last fall by their zealous efforts a handsome sum was realized, and there is a balance of nearly sixty dollars in their Treasury. Besides the work in my own Parish, I have assisted Rev. Mr. DeGarmo, at Hillsdale, to officiate there at three funerals, and held service twice since Rev. DeGarmo's resignation. I have also attended three, and preached two Convocations in this district, and preached once for the Rev. Schetky during his Advent Services.

The above shows that considerable money has been expended in enlarging and remodeling the Church. It is acknowledged to be no most beautiful church in Kalamazoo. It is most comfortable and active. While the work was being done, by request of its vestry, I as the Rectorship of St. Luke's, the sister Church in this village John's was re-opened on Christmas eve. From that time to the the Rev. W. H. Watts, about Easter, to St. Luke's, both parishes shipped in St. John's,

During six months of the past year I have had charge of Christ Church, Owosso, and St. Paul's, Corunna, officiating there every alternate Sunday. This arrangement, though made at the request of the parish, was of course detrimental to this parish, but proved, by God's blessing, of great good to the others. One of the results of these ministrations was the liquidation of a debt of several hundred dollars on church building at Owosso, which had been standing a long time, and had depressed the spirits of the people. Services have been held at the parish also, at the following places: Leslie, Waucoosa, Chesaning, and Vernon. It was the first time that the services of the Church had been held at the last named place. I have officiated heretofore, occasionally, at the Reform School, and twice at the Agricultural College.

This Mission embraces two entire counties. Regular services held at Lexington, and at Davisville, five miles distant. Visits have also been made at Sanilac, twelve miles above here, Forrester, five miles still beyond, Forrestville, thirty miles from this point, and Cato, thirty miles back of Forrestville. One service has been held in each of the named places. Wherever we go, urgent request is made for our honored services. Throughout these counties, baptized members of the Church are numerous. Persevering effort will in time establish a succession of parishes from Lexington, seventy miles northward to Port Hope, on the Lake Shore.

During the year an attempt was made to organize the members of the congregation for work, among the poor, for Church extension missions, etc., and a society was formed, called the "Parish Union." As a few only of those whose help was desired showed any real interest in the movement, it was found impracticable to carry out the design, and after a few months it was thought expedient to give up the organization altogether. I place here for permanent record some of the results of its short but useful existence. A Church School of primary grade was established, and carried on for three full terms with a measure of success that was unlooked for, and with most beneficial effects. The school is now continued in charge of a thoroughly competent teacher, and the attendance is limited only from lack of room. Other members of the Union gave their special attention to the decoration of the church. No Sunday or Festival has gone by without giving some evidence of their care and devotion. A Super-Frontal, and red and white Frontals, all beautifully embroidered, have been already obtained. The white Frontal, all done by one hand, is particularly beautiful and an ornament for the holy place. The Union has paid for necessary

on the Furnace, and contributed liberally towards buying a new one. Under its direction also, the Christmas decorations were prepared, and a splendid Christmas Tree for the children of the Parish. Altogether the Union has raised for parish purposes \$396 23 of the amount reported above. In addition to the ministerial acts reported above, I have officiated one Sunday, morning and evening, at Decatur. The prospects for church growth there did not look to me very encouraging. The church people are not only few in number, but they do not seem to agree among themselves. I ought to add that I went to Decatur by appointment of the "Western Convocation."

It will be noticed that the increase in the number of families hardly kept pace with the decrease, as compared with the report of last year. This is owing mainly to the fact that, besides the ordinary changes which occur in a moving population, there have been transferred to the new parish of Negaunee, since its organization, a considerable number of families and persons, whose names heretofore were enrolled in the Parish Register of Marquette.

The growth of the Church in Midland the past year is very gratifying. The Mission has been organized into St. John's Parish, and the earnest Band of Church people design building the church at once. This young parish has called a Rector (myself) and made provision for his support upon the "Free Church" plan, by voluntary contributions.

With deep regret I was away from my charge (with the Bishop's  
mission) several weeks, (during March and April, 1870) to receive  
urgical treatment, for a painful disease of long standing. The greater  
rt of Lent was spent by me in the City of New York. With return-  
y health I pray for greater devotion to Christ and the Church.

Our services for the past year have been held in the Court House,  
ich is still kindly placed at our disposal, though by no means  
pted to the purpose. Bids have been received for the erection of  
r proposed church edifice, and the contract is about to be assigned—  
rk to begin immediately. We trust that our next report will find us  
upplying our new church, and able not only to present a more com-

plete plan of Church service, but also to extend our benevolence beyond our own boundaries.

The Rector has held service five times at Whitehall, fifteen miles from Muskegon, on four Sundays, and on one occasion, administered the Holy Communion. A Parish has been organized there, and a small church edifice will probably be built before the close of autumn. The corner stone of St. Paul's Church, Muskegon, was laid by the Bishop May 22d. The work on the building is progressing, and it is hoped that the congregation may be gathered within its walls before the coming winter.

This parish was organized last December. The "Union Church Society" voted to transfer their church edifice to us on condition that we assumed their debts amounting to \$2,500. The property is worth \$6,000. A gentleman generously came forward and secured it for the church. \$750 have been pledged toward the payment of the debt. It is hoped that during the summer, when money is more plentiful, the parish will be freed from pecuniary embarrassment. About \$475 have been paid for the current expenses of the Church since December last. The church building is built in gothic style, seats 250 people, is neatly finished, and has two good furnaces. The parish have a good cabinet organ, a small Sunday-School library, communion service, Bible and Prayer books. There are 70 children in the Sunday School.

In addition to my services at Negaunee, I have held services every other Sunday in the Town Hall at Ishpenning, and in the school house at Morgan. At both of these places our services have been well attended. My official acts at both of these places are included in the report of St. John's Church, Negaunee. I have also during the past year assisted in the services or preached at St. Paul's Church, Marquette every alternate Sunday. Every Sunday I have had three services and with few exceptions have preached three sermons. At Marquette I have officiated at one marriage and one funeral, and have baptized four children. These acts are included in the report of St. Paul's Parish.

Negaunee is the center of an important missionary work. The vestry of St. John's Church are looking for a Rector, who could have at least two missionary stations, Ishpenning and Clarksburgh. The population of this region is increasing very rapidly, and its importance as a missionary field cannot be over-estimated by the Diocese.

The former rector of this Parish, Rev. Wm. Charles, resigned his charge the last Sunday in September, 1869. From that time to the first day in November ensuing when the present incumbent entered on

his duties, Sunday services were held in the Parish by the Rev. Mr. Brown. In reviewing the past seven months we cannot but say "hitherto hath the Lord helped us." The Lenten services, it is true, were never so well attended, while the active zeal of the members was not too well commended. With the assistance of the ladies, I have been enabled to prepare and furnish our large basement room for weekday services. The debt which has rested as a crippling incubus on our progress at home and larger deeds of christian munificence abroad, is being rapidly cancelled. While my predecessor could only report to our last convention a certain portion *pledged*, we are able to say this year that the greater portion of all indebtedness is *paid*. Within the present conventional year we shall aim to be free, and the next step will be towards purchasing or building a Rectory. During my vacation last summer I preached three times in St. James' Church, Batavia, N. Y., twice in St. Paul's Church, Kingston, Ontario, and three times at "Cary School," Genesee Co., N. Y.

At the solicitation of some of the communicants residing at the growing village of Quincy, I visited them on the 17th Sunday after Trinity (Sept. 19), and since then have held services at stated times on Sunday afternoons, and during Lent on a week-day evening; in all, ~~seventy~~ times. The attendance has been uniformly good, and much interest is manifested in the services of the church, by many who have heretofore been not only strangers to her holy ways, but also bitterly prejudiced against her doctrine, discipline and ministry. The Ladies' Church Aid, organized in October last, have labored with much earnestness and self-sacrifice in their efforts to provide for the necessary expenses in sustaining the services, at present held in the Baptist Meeting House, which is hired for the purpose. At no very distant day they hope to have all things in readiness for the laying of the corner-stone of a church, to be erected on an eligible lot, already purchased and held in trust for church purposes.

The assets of the parish are greater than those of last year; consisting of a beautiful site for the church; a subscription toward building and church furniture, organ, etc.

I have resigned the rectorship of this parish and it is now vacant.

Our parish is vacant since June, 1868. There have been eighty dollars (\$85) raised for the parsonage, and we are still in debt of a hundred dollars (\$200) and interest on the same. This could be raised had we a settled rector. As it is, our little flock are scattered

we trust to Divine aid in again calling our people together. Rev. Mr. Stowe, of Port Huron, gave us several services last summer, officiating at one marriage and one baptism. Rev. Levi H. Corson gave us two services, and Rev. Mr. Armstrong, of Moore, Canada, officiated at one burial this summer. I trust the time will not be far distant when we may give a fuller and more progressive report.

During the year I have made three missionary visits to St. Haven, and one to St. Joseph. At the former place I held two services on a week day, and two on Sunday, administering the Holy Communion once. I passed a Sunday at St. Joseph, holding an afternoon service in the Congregational church. There are quite a number of church people there anxious to have the constant services of a clergyman.

The services at Saugatuck, where I have ministered every Sunday since the first of January last, are still held in the upper room of the Union school building. A suitable church building is much needed and I think with some help from abroad we can have one before another year comes around. Two village lots have been purchased, whereon to build, and are nearly paid for. We are all looking for a visitation from our Bishop.

The congregation at this place continues to be respectably numerous, and seems to be steadily increasing. A general wish is expressed for a resident minister, and a willingness to share with some other place in supporting one. Whenever one can be found, the minister now officiating will gladly give up the field to him. He now serves it only once in four weeks.

I have held one Service at Centerville. I am ready to give a portion of my time to this or any other adjoining place whenever a suitable house or room for worship can be secured, trusting to collections for payment of expenses. The Bishop visited us the last Sunday in May, but owing to the rector's illness, no class was fully ready for confirmation. Several adults are awaiting baptism and confirmation. We hope for a second visit from the Bishop soon. Since Easter, the Parish by a unanimous vote, ceased letting the Church pews, and are supporting their rector by Monthly Offerings. The result, so far, is most encouraging.

The present rector took charge on the 1st Sunday after Easter the present year. The Rev. Dr. Schetky, of Coldwater, has held occasional Services, which will appear in his report. In addition to this there has been Lay Reading by the Junior Warden on every Sunday not otherwise provided for. The Sunday School has also been kept in operation. The consequence is that the interest in the Church has not been lost, though the Parish has been vacant for two years and a half. There are families desirous of the Services of the Church in the villages near Union City, and it is earnestly hoped that congregations may be established in all of these places. See Report of St. Mark's Coldwater.

My Missionary field is so peculiar and the points at which I have held Services so various, that it is impossible to put my report into a thing of a tabular form.

I have held Services and preached two Sundays in each month at Lawton. One Sunday in the month at Decatur, and one Sunday

each month at Lawrence. At the latter place a Parish has been organized by the name of "St. John's Church," but it is too feeble to make it advisable to seek admission into union with the Convention this year. St. John's Church, Lawrence, has eight communicants, three male, and five female, and five candidates for confirmation. There are four communicants at Lawton, and twelve at Decatur and three at other points of my Missionary field; this does not include the organized Parishes in this county, Paw Paw and South Haven. I have held Services and preached at Paw Paw on two different occasions. On the third Sunday in May, I preached twice to large and attentive congregations in Keeler, at which time I baptized an infant. I have also baptized two children at Lawton; and at Paw Paw, three children and one adult.

VACANT. REPORTED BY THE WARDENS.

In presenting our Report for the past year, I have much happiness in stating that we have got our little Church finished, all but the painting, and as our numbers are small, we are compelled to postpone that for a little while. We are now patiently waiting the Bishop's opportunity to consecrate it, for, however few and weak we may be at present we shall pray earnestly that God will bless our efforts and help us increase our numbers and build up His Holy Church in this community.

Reports of Clergymen Not in Charge of Parishes.

[Extract from Digest of the Canons of the General Convention.]

TITLE I, CANON XV., SEC. I.

"Every Clergyman, not regularly settled in any Parish or Church, shall also report the occasional services he may have performed; and if he has performed no such services, the cause or reasons which have prevented the same."

THE REV. ISAIAH J. BABCOCK, DEACON, KALAMAZOO. (1849.)

I have nothing particular to report, owing to the fact that I have been, as usual, engaged in secular employment that has occupied my whole time.

THE REV. DANIEL E. BROWN, FLINT, GENESSEE COUNTY. (1862.)

Since the meeting of the last Convention I have been engaged as follows in the discharge of my Ministerial duties. I continued my connection with Trinity Church, Saranac, until the first of July, when I resigned the care of that Parish, but have still officiated there several times in seasons of Communion. Baptized six children and attended two funerals there. Have also officiated on several Sundays in St. Mark's, Grand Rapids, in the absence of Dr. Tustin, and attended one funeral there. I also spent the month of October in Zion Church, Pontiac, and held Service twice on each occasion. I also spent one Sunday in St. John's Church, St. Johns, Clinton county, and administered the Communion in the absence of the Rev. Mr. Chapin. Also one Sunday in St. John's Church, Saginaw City, in exchange with the Rev. Mr. Leech, to enable him to visit St. Paul's Church, Flint, and baptized a child for the

~~~~~

Rev. Mr. Leech on that occasion. Also one Sunday at Midland for Rev. Mr. Tillinghast for the same purpose; and also one Sunday at Saginaw for the same purpose; also one Sunday at South Saginaw enable Mr. Tillinghast to visit as Missionary. I have also spent weeks at Bay City, and held Service twice on each Sunday, this during the sickness and absence of the rector, the Rev. Mr. Wright. I have also spent several Sundays at Trinity Church, Monroe, was during Passion Week, and held daily Service with full Easter Service and on Easter Monday held Service and presided at the annual election of the Vestry. Have also attended the Quarterly Meetings of the vocation of the Northern District of Michigan. Have also spent Sunday in Ionia and preached, and on the day previous attended funeral of a child there. I have also assisted in the Services at Paul's Church, Flint, and particularly in seasons of Communion; attended two Funerals at Flint, married two couple and baptized children. My Services would foot up as follows:

Baptisms, 9; Funerals, 5; Marriages, 3. Public Services, 54; Sunday in June at Saranac, including July 1st, to date of resignation total, 64.

And thus I have endeavored to discharge the duties of the circumstances in which I am placed.

THE REV. LUMAN FOOTE, CHARLOTTE, EATON COUNTY. (1)

No Report.

THE REV. MOSES H. HUNTER, DETROIT, WAYNE COUNTY. (1)

Soon after the last session of the Convention, I resumed the day Services at the Chapel of St. James, Grosse Ile. Near the end of November they were suspended for the winter. At Easter they began again and have continued regularly with the exception of one Sunday. My occasional Services elsewhere, during the Diocesan year, have been,

Two full Services at Christ Church, Detroit; four full Services at St. Peter's Church, Detroit; three full Services at St. Stephen's Church, Detroit; four full Services at St. Jude's Church, Fenton; one full Service at Church of the Messiah, Linden.

Besides these I officiated, for the Rev. Dr. Pitkin, in St. Paul's Church, Detroit, twice during Lent, and on several occasions assisted in the Services at St. John's, St. Stephen's, and Christ Church, Detroit. My other official acts have been :

Baptisms—Infants, 5 ; Marriages, 1 ; Burials, 8.

**THE REV. CHAS. R. HUSON, JONESVILLE, HILLSDALE Co. (1832.)**

During the past year I officiated once in St. Peter's Church, Hillsdale, during the absence of the Rector. I also assisted the Rev. Mr. Whitney at the funeral of a dear friend in Hillsdale. On Easter day I assisted the rector of Hudson during the evening.

**THE REV. EDWARD MAGEE, DETROIT, WAYNE COUNTY. (1858.)**

Once more again another Conventional Year has filled up the number of its days, and placed on record the story of its completion. Amid the lights and shadows which its lines cast upon the Church ; every ordained member of the same, in his vocation and ministry, stands revealed. The protraction, however, is drawn by his own right hand, which, in this case also, does not "forget her cunning." I feel deeply thankful for the enlarged measure of health which it is my good fortune at this time to enjoy. Sickness has not made me so many visits nor stayed so long at any time as in other years. I have, therefore, been enabled, the more frequently, to assist in the public services of the Church, and once to take the whole Morning Service and preach for the rector of Grace Church, Detroit. On occasions of administering the Holy Communion also, I have seldom failed to give such aid, in the same quarter, as was required ; and in addition, to attend two funerals which doubtless are included in the Report of the same gentleman.

---

**THE REV. EDWARD MEYER, LANSING, INGHAM COUNTY. (1860.)**

On the eve of the last Convention I returned from a two and a half year's absence in former fields of labor in New York and Philadelphia, in which latter place I had temporary charge of Trinity Church, (subsequently under the Rev. J. W. Brown, now of Detroit,) and also, by appointment of Bishop Stevens, was for four months Chaplain of the Episcopal Hospital, baptized 20 children, presented 16 candidates for confirmation, read service and preached in Chapel twice each Sunday, and gave besides a short address and prayers in each ward, and had daily

evening prayer in Chapel. It is hoped much good was done. In Lansing, (during an unhappy difficulty between the German Lutherans and their pastor) I baptized 20 children, attended three funerals, and married four couples. Awaiting some opening at the East, I purpose soon to return thither.

---

**THE REV. G. E. PETERS, GRAND RAPIDS, KENT COUNTY. (1860.)**

The undersigned respectfully reports to his Bishop that, since his resignation of the rectorship of St. Peter's Church, Detroit, in August last, he has officiated every Sunday excepting two, either as helping some brother clergyman, or supplying vacant places. I have baptized one infant at Muskegon, and five adults at Ionia, here also I presented ten persons for confirmation.

---

**THE REV. JAMES SELKRIG, BRADLEY, ALLEGAN COUNTY. (1835.)**

My neglect in sending my report in season has been caused by sickness. I have baptized four infants and one adult. I have not been able to preach. Prayer Meetings have been held every Sunday. The Indians have behaved very well, and there will soon be more on the ground.

---

**THE REV. OLIVER TAYLOR, PONTIAC, OAKLAND COUNTY. (1851.)**

No Report.

---

**THE REV. GEORGE P. WILLIAMS, LL. D., ANN ARBOR. (1847.)**  
(Professor in the University of Michigan.)

During the past year I have occasionally assisted in the Services of the Church, and on Easter Day, at the request of the Rector of St. Stephen's Church, Hamburg, I administered the Holy Communion in that Church.

---

**THE REV. R. WOOD, IONIA, IONIA COUNTY. (1861.)**

Baptized—Infants, 12; Marriages, 1; Burials, 2.

Since the first of January I attended Convocation at East Saginaw and Lansing, attended the Consecration of the Memorial Chapel, Grand Rapids, was present at the Ordination of Rev. Mr. Walker at Allegan, spent one Sunday at Big Rapids while the rector was receiving Priest's Orders at Ann Arbor, one Sunday at Owosso and one at Fenton, and assisted the rector of Trinity Church, Saranac, three times.

**REPORT OF THE SOUTHERN CONVOCATION.**

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

The Southern Convocation of this Diocese, has met during the ecclesiastical year now closing, according to the provisions of the Canon. The meetings have been, severally, in their order, at Hudson, Hillsdale, Coldwater, Jonesville, and one extra meeting at Union City.

The attendance of the Clergy has been full and faithful; but the

Laity do not seem, as yet, awakened up to a very large amount of appreciation of these fraternal quarterly gatherings.

A Missionary Sermon and a Convocation Sermon have been preached on each occasion, with the celebration of the full Service of the Church. The Sacrament of the Holy Eucharist has been administered five times. The afternoons of each second day have been pleasantly and profitably spent in social and informal conferences. Parochial, Sunday School, and Local Missionary Work; Convocations always closing with a public meeting on behalf of Diocesan Missions, which, for the most part have been well attended.

We deeply regret the retirement of our excellent Secretary, from the midst, the Rev. H. H. DeGarmo, on account of ill health. This Convocation is in a happy, useful, and prosperous condition.

W. HERBERT SMYTHE, *Secretary*

#### REPORT OF THE EASTERN CONVOCATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

In conformity with Canon XI., the Eastern Convocation make the following Annual Report :

The Annual Meeting was held in Grace Church, Port Huron, Michigan, 28th and 29th, 1869, XXXIIIrd Session. There were present the Bishop and thirteen Clergymen. Sermons by Rev. Dr. Ryland and Rev. M. Lewis. Missionary Addresses by Rev. Messrs. Webster, Hyde, F. Salter, G. W. Wilson, and A. M. Lewis. Collections, \$39 87. Rev. M. Lewis was re-elected Secretary and Treasurer.

The XXXIVth Meeting took place in St. Luke's Church, Ypsilanti, January 11th and 12th, 1870. There were present seven Clergymen. Sermons by Rev. John W. Brown and Rev. C. W. Fitch, D. D. Missionary Addresses by Rev. Messrs. Spalding, Brown, Vernor, and Leslie. Collections, \$21 67.

The XXXVth Meeting was held in Detroit, at St. John's Mission, St. John's Chapel, and St. Stephen's Church, May 3d and 4th, 1871. There were present seventeen Clergymen. Sermons by Rev. M. Stowe and Rev. V. Spalding. Missionary Addresses by Rev. Messrs. G. W. Wilson, Flower, and John A. Wilson. Collections, \$7 32.

Since the last Annual Report, Rev. John W. Brown, Rev. John L. Corson, Rev. L. H. Corson, and Rev. G. W. Wilson, have taken fields of labor within the bounds of the Convocation. Rev. D. H. Lovejoy, Rev. C. Lewis, and Rev. G. E. Peters, have removed.

Within the limits of the Convocation are, the Bishop, sixteen pastors, and three Deacons, twenty in Holy Orders.

Some have entertained the idea that the Convocations were for the Clergy alone, to the injury of the attendance and interest of the Laity. At the Spring Meeting the matter was pretty thoroughly talked over, the conclusion being somewhat thus: The object of Convocations is to quicken Parishes and Stations, to excite a lively interest in the Missionary cause, and impart a healthy influence to Church work, and also to the mutual benefit and spiritual improvement of the Clergy.

All of which is respectfully submitted.

A. M. LEWIS, *Secretary*

REPORT OF THE WESTERN CONVOCATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

There is not enough in the doings of the Western Convocation to make a report. It has formally met three times—at Allegan, at Decatur, and at Niles.

Little interest has been taken by the parishes for the year, and the Clergy have found it difficult, amid a multitude of Parochial duties, to work much as parts of a Convocation.

JOHN T. MAGRATH, *Secretary.*

REPORT OF THE NORTHERN CONVOCATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

Four quarterly meetings of the Northern Convocation have been held during the past conventional year. The first meeting was held in St. Johns, in July, when the Rev. D. E. Brown was elected President, and Rev. S. S. Chapin, Secretary, to fill the vacancy occasioned by the removal of the Rev. Mr. Bush to another part of the Diocese. Six members of Convocation were present, and were much gratified in listening to a lecture by Rev. Dr. Tustin, on the "Church in the Catacombs."

The usual religious services were held, addresses upon the subject of Missions, by Rev. Mr. Wood, and Mr. Walker, a candidate for Orders.

The second meeting was held in Saranac, Sept. 27th and 28th. Eight clergymen were present. Interesting subjects, suggested by the President were discussed at this meeting. Especially was the Convocation interested in the brief narrative of a missionary tour made by Drs. Pitkin, Tustin, and Rev. Mr. Worthington, on the eastern shore of Lake Michigan. In this rapidly increasing portion of the State, there is abundant room for the Church to do her work, and it is a field that ought to be occupied at once.

The third meeting was held at East Saginaw, Jan. 1, 1870. Present, the Bishop and eight members of the Convocation, and Rev. Dr. Pitkin, of Detroit. In the Secretary's absence the report of the *Sec. pro tem.*, indicates it as one of the most interesting meetings held. Animated discussions were had respecting the best methods of extending the Church in the land. Parish work, too, had a good ventilating, and undoubtedly awakened some new ideas and resolutions to be used in after time.

The fourth meeting was held in Lansing, April 26th, and 27th. Considerable valuable time was occupied at this meeting, listening to the *excuses*, made by the brethren for their absence. They were all received and accepted in good faith, but prompted the passage of a resolution, directing the President to communicate with the brethren, as to the utility of continuing meetings of Convocation. At this meeting only four members were present, who, though laboring almost single handed, did not omit one duty of such meeting, and had there been fourteen instead of four, who can doubt but that the interest and benefit would have been greatly increased.

All of which is respectfully submitted.

S. S. CHAPIN, *Secretary.*

## APPENDIX D.

### Report of the Standing Committee.

In conformity with the VIIIth Article of the Constitution of the Diocese, the Secretary of the Standing Committee reports the acts of the Committee since the last Annual Convention, as follows:

The committee organized on the 18th of June, 1869, by the appointment of the Rev. John A. Wilson as president, and Charles C. Trowbridge, secretary.

On the same day, the Committee recommended Mr. George Washington Wilson for ordination to the Diaconate, and Mr. Belno A. Brown and Mr. Jason F. Walker as candidates for Priest's Orders.

They also passed a minute expressive of the regret of the committee upon the removal of the Rev. Benjamin H. Paddock, D. D., a member of this committee, from the Diocese of Michigan, where his labors have been so largely blessed and so highly appreciated, and their earnest prayer for God's continued blessing upon his work in the vineyard of our Lord.

On the 10th of November, 1869, the committee signed their consent to the consecration of the Rev. Henry Niles Pierce, D. D., as Missionary Bishop of Arkansas.

On the same day the committee recommended Mr. Robert W. Grange to be admitted as a candidate for Priest's Orders, and Rev. Sidney Beckwith, Deacon, for ordination to the Priesthood.

On the 16th of November, 1869, the committee received from a member of the Parish of St. Jude's Fenton, a communication in relation to the financial affairs of that parish, in consequence of which the committee invited the rector of the parish, the Rev. Osgood E. Fuller, to meet the writer and the committee with a view to a friendly conference on the subject. Such a conference was held on the 1st of December, 1869, when, after mutual explanations, all differences were adjusted in a christianlike manner, according to apostolic rule.

On the day last mentioned, the committee recommended the Rev. Jason F. Walker for ordination to the Diaconate on or after the 18th of December, when the canonical term would expire.

On the same day, the committee recommended the Rev. Wilbur Richmond Tillinghast, Deacon, for ordination to the Priesthood.

On the 8th of June the committee signed their consent to the consecration of the Rev. William Woodruff Niles, Professor in Trinity College, Hartford, as Bishop of the Diocese of New Hampshire.

C. C. TROWBRIDGE, *Secretary*.

### **Report of the Registrar.**

---

The Registrar of the Diocese would respectfully report that he has received during the year, from Rev. Marcus Lane, fifty Journals of the Diocese, and seventy-five Journals of other Dioceses, sixty numbers of the Spirit of Missions, and a full set of the Church Monthly; from the Rev. Geo. D. Gillespie, Journals of a large number of the Dioceses for the year 1869; and from various sources a considerable number of pamphlets and church papers. The Rev. Mr. Gillespie offers to "secure to the Diocese by devise all his church papers and pamphlets of various sorts, provided there is a good prospect of their preservation." The Registrar suggests that this offer be thankfully received, and that every assurance should be afforded the generous donor that his gift would not be misapplied.

There ought to be in some central part of the Diocese, a suitable library of church documents, architectural plans, &c.

The Registrar also reports that he has put on record the consecration of three churches; the ordination of two to the Diaconate and two to the Priesthood; the transfer of five to other Dioceses; and the reception of nine into this Diocese, and sixteen removals within the Diocese.

THOMAS C. PITKIN, *Registrar.*

#### THE NECROLOGY OF THE DIOCESE.

ANN ARBOR, June 1st, 1870.

*Rev. Thomas C. Pitkin, D. D., Registrar of the Diocese:*

REV. AND DEAR SIR:—The MSS volume known as the Necrology of the Diocese having remained in my charge, it becomes my duty to report to you in reference to it. The first part has a page devoted to each of the deceased clergy, giving particulars under the heads of Birth, Education, College Honors, Ordination, Parishes and other positions, Death, Burial. Obituary notices from various sources are copied in the second part.

Such records are furnished of twenty-four clergymen who have died, being at the time canonically connected with the Diocese. The number of pages of obituary notices is one hundred. Small as this may seem, it has cost me much correspondence and research to secure the material. One motive to make this has been, the hope that in time a memorial volume might be prepared.

There is also a case containing fourteen photographs belonging to the Diocese.

I would suggest the propriety of procuring MSS. or printed sermons of the deceased, for preservation.

Yours faithfully,

Geo. D. GILLESPIE.

## APPENDIX F.

**Report of the St. Luke's Hospital and  
Church Home, Detroit.**

*To the Rt. Rev. Samuel A. McCoskry, D. D., D. C. L. :*

In compliance with a canon of the Church, I would respectfully submit a report of St. Luke's Hospital and Church Home, of the city of Detroit, for the past year.

Since the last annual report the fine edifice then in course of construction has been completed and occupied. The inmates were transferred to their new quarters about the middle of August last, an event, marking as we trust, the beginning of new life in the history and progress of the good work undertaken by the churchmen of Detroit.

The new building will comfortably accommodate about fifty inmates. Its total cost, including the large and beautiful lot on which it stands, has been about thirty-three thousand dollars. The present value is fifty thousand dollars. The whole amount has been paid except six thousand dollars, which sum has already been provided for by reliable subscriptions. The institution has no fund, and depends for its support upon the voluntary contributions of churchmen.

The Trustees have given no little time and thought to the work which has been entrusted to their care. In all this they are but the almoners of those who place in their hands means to provide and carry on a noble christian charity; for this they can go just so far and no farther than the means contributed will allow.

The number of inmates of the Home at the date of the last annual report was 12; received during the year, 17; returned to their friends, 11; died, 5; present number, 18.

During the past year the religious services and pastoral care of the Home has, as hitherto, been in charge of the Bishop and clergy of Detroit.

St. Luke's Hospital and Church Home is yet in its infancy—the day of small things—yet the past is not without its record of good accomplished. Among those who have there received christian care and attention have been the aged, the middle-aged and the young, the blind and the deaf, the sick and the suffering. Within its walls a christian home has been provided, the consolations of the religion of our dear Lord and Master have been administered, and from thence, souls redeemed by the precious blood of Jesus, have departed to a higher and better world, where pain, sorrow and suffering never enter.

Respectfully Submitted,

H. P. BALDWIN, *President.*

APPENDIX K.

---

**To the Ecclesiastical Authority of the Diocese of  
Michigan.**

---

RT. REV. AND DEAR SIR:—In compliance with the requirements of § III., of Canon 1., of Title III., of the Digest, I would hereby give particular notice that the following alteration in the Constitution of the Church is proposed, to wit: That comprised in the resolutions subjoined, said resolutions having been adopted by a constitutional majority of both Houses of the General Convention of the Protestant Episcopal Church, in October, 1868

*Resolved*, That the alteration of the Constitution recommended in the following resolution be proposed, and that the same be made known to the several Diocesan Conventions, in pursuance of Article 9 of the Constitution:

*Resolved*, That Article 5 of the Constitution be amended so as to read as follows, viz:

A Protestant Episcopal Church in any of the United States, or any territory thereof, not now represented, may, at any time hereafter, be admitted on acceding to this Constitution; and a new Diocese, to be formed from one or more existing Dioceses, may be admitted under the following restrictions:

No new Diocese shall be formed or erected within the limits of any other Diocese, nor shall any Diocese be formed by the junction of two or more Dioceses, or parts of Dioceses, unless with the consent of the Bishop and Convention of each of the Dioceses concerned, as well as of the General Convention, and such consent shall not be given by the General Convention until it has satisfactory assurance of a suitable provision for the support of the Episcopate in the contemplated new Diocese.

No new Diocese shall be formed which shall contain less than six Parishes or less than six Presbyters who have been for at least one year canonically resident within the bounds of such new Diocese, regularly settled in a Parish or Congregation, and qualified to vote for a Bishop; nor shall such new Diocese be formed if thereby any existing Diocese shall be so reduced as to contain less than twelve Parishes, or less than twelve Presbyters who have been residing therein and settled and qualified as above mentioned: provided that no city shall form more than one Diocese.

In case one Diocese shall be divided into two or more Dioceses, the Diocesan of the Diocese divided may elect the one to which he will be attached, and shall thereupon become the Diocesan thereof, and the Assistant Bishop, if there be one, may elect the one to which he will be attached; and if not the one elected by the Bishop he shall be the Diocesan thereof.

Whenever the division of a Diocese into two or more Dioceses shall be ratified by the General Convention, each of the Dioceses shall be subject to the Constitution and Canons of the Diocese so divided, except as local circumstances may prevent, until the same may be altered in either Diocese by the Convention thereof. And whenever a Diocese shall be formed out of two or more existing Dioceses, the new Diocese shall be subject to the Constitution and Canons of that one of the said existing Dioceses to which the greater number of Clergymen shall have belonged prior to the erection of such new Diocese, until the same may be altered by the Convention of the new Diocese.

In testimony whereof I have this day hereunto affixed my name.

WILLIAM STEVENS PERRY,

*Secretary of the House of Clerical and Lay Delegates  
of the General Convention of the*

DETROIT, June 7, 1871.

## Special Report.

### *To the Church Extension Committee:*

In reviewing the details of the Missionary work of the past year, some facts are apparent which I venture to state for your information. I do not feel at liberty, after this one year's experience, to recommend any action, for I am not sufficiently assured that the matters to which I will refer are incidental to the past year, or are of older growth. First, with reference to meetings of this Committee. It seems to me desirable that regular meetings be appointed for, at least, every two months, for the consideration of any business the Bishop or the Secretary may have to lay before them, to be attended by such members as can make it convenient. In case a full meeting is desired, notices to be issued to that effect. It has happened during the past year that the Secretary would have been glad to have obtained the advice of the Committee, and yet the business was hardly of sufficient importance to justify asking a formal special meeting.

Again, with reference to the pledges made to the Missionary Fund. It appears that of the total amount pledged at the last convention, one-sixth was contributed by one parish; and that more than one-half (55½ per cent) was contributed by the parishes in the cities of Detroit and Jackson.

Again, with reference to the payment of pledges. It appears that at the expiration of the second quarter of payments due to missionaries, December 31, 1870, \$2,297.43, or less than forty per cent, had been paid to your Treasurer; at the expiration of the third quarter, March 31, 1871, \$3,343.49, or only fifty-seven per cent, had been paid; and on the first day of June \$5,080.02, or eighty-six per cent, had been paid. The policy of the Committee has been to appropriate to the support of Missionaries the full amount pledged in Convention, and to promise to pay the same quarterly, commencing July 1st. I presume that every member of the Committee is aware how much these promised stipends are depended on by the Missionaries; if not, abundant testimony to the fact may be found in the letters received by the Secretary. Nearly all make engagements based upon the receipt of their allowances from the Missionary fund quarterly, and many are obliged to ask the whole or a part in advance. It is evident that at the rate of receiving, as stated above, the Committee cannot pay to Missionaries quarterly, as promised, from the funds pledged for this purpose. It seems to me, therefore, that this matter of making and paying of pledges should be urged upon the churches as forcibly as possible, that they be induced to adopt a system of regular collections and of remittances at least quarterly. I have no doubt that in most cases, if a proper system of collections was adopted, the pledges could be as easily paid by installments as in one sum at or near the close of the year. It is scarcely neces-

sary for me to say that many of the parishes are prompt in remitting by installments, and that many individual pledges are paid in full during the first half of the year.

Finally, there is a resolution of the Convention which requires your Treasurer to close his accounts on the first of June, but I find that the practice has been to receive payments on account of pledges of the past year until the close of the first day of the Convention. If the pledges were paid quarterly, as suggested above, then it would be feasible to make payments to Missionaries quarterly, commencing June 1st, and thus to close all accounts of the committee June 1st each year, as required by the resolution referred to above.

, Respectfully submitted,

JAMES E. PITTMAN,

*Secretary and Treasurer.*

## SECOND DAY—AFTERNOON SESSION.

---

THURSDAY AFTERNOON, 8 o'clock.

The Convention re-assembled, and was opened with prayer by the Bishop.

The minutes of the morning session were read and approved.

A telegram, received from the Diocese of Huron, was read to the Convention, as follows :

LONDON, Ont., June 8, 1871.

TO THE RIGHT REV. SAMUEL A. MCCORMY :

The Bishop and Synod of the Diocese of Huron, now assembled, send their brotherly greetings to the Bishop and Convention of the Diocese of Michigan, now in session in the city of Detroit, and cordially reciprocate their good wishes.

BENJAMIN, HURON.

The Rev. J. A. WILSON, Chairman of the Standing Committee on Christian Education, read the report, as follows :

The Committee on Christian Education beg to report :

First. That the Conventions of this Diocese, for many years in the past, have devoted to the subject of Christian Education the most ample discussion. They find a long list of committees, reports and resolutions, making imposing appearance on the pages of old journals. In these reports the great importance of the subject is pointed out in forcible statements of the great need and value of having Church Schools of the higher and lower grades in this diocese, and ways and means to accomplish a practical result are suggested and urged. All this in succeeding conventions has been pressed by the most earnest appeals upon the wisdom, faith and charity of churchmen. The committee think that it was reasonable to expect and hope, that these constant and vigorous attempts in convention should have insured the means and produced the efforts in the Diocese to accomplish, in a good measure, the object they aimed at. Yet they regret to say that little or nothing has been done by individual parishes, nor by the church as a whole in this State, to make provision for Christian culture. These many years we have met in council, seeking fruit in this direction and find none. The committee believe that they cannot make a more telling report than to state this distressing fact to the members of this body—a Christian body,

so large, intelligent, and wealthy as that composing this Diocese, yet without a single church school to afford a good English and Classical education. This seeming apathy and indifference of the church, as to who shall educate her children, and how they shall be educated, cannot fail to produce in the future, and that not very remote, an injury to her number, strength, and efforts, which no after exertion can repair. Such are our fears, although they do not chill out of the mind all hope. We have said the subject is an old one, and one well worn by committees, reports and resolutions, and this fact itself seems to indicate something hopeful. This patient importunity, repeating its calls year after year, seems to denote a determination not to be silent, nor cease to plead till the church shall respond to its calls, and save her sons and her daughters, by providing for them her own institutions of learning. There is a settled conviction, deeper and more general among the Clergy than the Laity, that such a provision can only defend and save the youth of the church from the dangers that surround them, and this voice of a long succession of committees serves to keep the serious question before the mind. Shall we fall asleep and be bound? Such conviction of danger to which the faith and reverence of the young are exposed, is founded in fact, as the committee believe. This is eminently a skeptical age, and the essence of the skepticism of the present generation consists in the denial and rejection of the supernatural. It is pursuing with talent and vigor its evil mission, using the hall, the lecture room and the press, to depose the Christian religion in the mind of this nation. From these soul dangers so numerous and subtle, the committee believe the youthful have no protection and but little defense in the common school system and training. We may hope for something from the home school, where there is an altar and priest, which so many homes have not. We may hope for something from the Sunday School, which affords but an hour in the week; but all this will afford but feeble protection to the young of the Church from the dangers they must meet at every step and turn.

Respectfully submitted.

JOHN A. WILSON,  
S. FRISBIE,  
WM. LUSK,  
J. M. PARSONS,  
JNO. S. MINOR.

On motion, the report was laid on the table.

They recommend that the Convention shall appoint a committee of two to examine into the organization and administration of the schools at Fenton, to report to the next Convention, with recommendations.

Further, that said Committee be authorized to represent this Convention till said meeting, and to act to the best of their judgment for the interests of the Diocese in said schools, provided that they shall not have power to pledge the Convention to any action, or the payment of any moneys.

On motion of Mr. B. VERNOR,

*Resolved*, That the Bishop be requested to address a Pastoral Letter to the Diocese, at Christmas, on the subject.

The tellers reported the election of the remaining Deputies to the General Convention, as follows:

The Rev. J. T. MAGRATH,

The Rev. G. B. EASTMAN.

The election of the Trustees of the General Theological Seminary being next in order, on motion, the Rule of Order requiring a ballot was suspended, and, on nomination,

The Rev. J. W. CLARK,

Mr. H. A. HAYDEN,

The Rev. G. P. SCHETKY, D.D.,

Were elected.

On motion of Mr. W. H. WITHINGTON,

*Resolved*, That the sum of \$25 be and the same is hereby ordered to be paid the Secretary of the Convention, to be used for labor in copying, in preparing the Journal for publication, and that the Treasurer of the Convention be authorized to pay the same.

The Rev. G. P. SCHETKY, D.D., Chairman of the special Committee on so much of the Bishop's Address as refers to Missions, presented and read the report, as follows:

The committee appointed to report on that part of the Address of the Bishop relating to Missionary operations, beg leave to report the following preambles and resolutions:

**WHEREAS**, The manifestation of a missionary spirit is the best evidence that the Church possesses the spirit of Christ, and an active, prayerful interest in the spiritual welfare of all persons within reach of a Christian's heart and voice, is the best means of its cultivation; therefore,

*Resolved*, That it be and is hereby recommended to every parochial Clergyman to designate some appropriate work for each member of the Church, and to encourage and urge its performance as the requirement of God, and the express provision of a merciful Saviour, by which His love is to be cultivated in the human heart, and extended to others.

*Resolved*, That it be commended to the Clergy to institute plans for active work by young persons of both sexes, to be performed in connection with the Church; and whenever it may be practicable, to establish Mission Sunday Schools in localities within their parochial districts destitute of religious services and teachings.

**WHEREAS**, The rapid increase of population in this State, especially in its northern portion, demands the employment of increased effort for the supply of their spiritual necessities; and

**WHEREAS**, Many of those now emigrating to and occupying its rich agricultural, mining and lumbering districts, are brethren of our common faith from England, and on that account claiming our fraternal sympathy and succor; therefore,

*Resolved*, That a committee of three clergymen and two laymen be appointed to take into consideration a plan for the establishment in this diocese of one or more associate Missions, with schools attached, to submit such plan, as soon as practicable, to the Bishop and Church Extension Committee, and if approved by them, to present the same to the next Convention for its action.

GEO. P. SCHETKY,  
ALBERT C. LEWIS,  
J. S. MINOR.

*Committee.*

On motion, the report was accepted.

On motion, the first resolution was adopted.

On motion, the second resolution was adopted.

On motion, the third resolution, as amended, and accepted by the mover, was adopted, as follows:

*Resolved*, That the Church Extension Committee be requested to take into consideration a plan for devising ways and means for the establishment in this Diocese of one or more associate missions.

The taking of Missionary Pledges was resumed.

On motion of Mr. J. F. CONOVER,

*Resolved*, That the Secretary be authorized to have printed not exceeding eight hundred copies of the Journal of this Convention for distribution, and that fifty copies be reserved for the use of the Convention of 1872.

On motion of the Rev. M. C. LIGHTNER,

*Resolved*, That a committee of five; two Clergymen and three Laymen, be appointed to consider and report at the next Convention on the practicability of so modifying the Constitution and Canons as not to require that Lay Deputies shall be communicants.

On motion, it was resolved that Mr. P. R. L. PIERCE be allowed to read a preamble and resolution, which he did, as follows:

WHEREAS, The Diocese of Michigan comprises an area of 56,481 square miles, with seventy organized and many unorganized counties within its boundaries, containing a population rapidly verging on one million and a quarter of souls, and from the extreme south-eastern to its north-western boundary, its extent is over five hundred miles; and

WHEREAS, Owing to this extent of territory, the growth of the Episcopal Church must in the future depend upon the activity and zeal with which the newly-settled portions of the State are made missionary posts; and

WHEREAS, The present Bishop, by reason of advancing years, and the great distances required to be traveled in order to meet the demands upon his time and services, cannot possibly perform his Episcopal functions in visiting such new posts, to say nothing of the older ones, without undergoing an amount of fatigue, care and responsibility that ought not longer now, in view of his past faithful services, covering a period of time of over a third of a century, to be imposed upon him; therefore

*Resolved*, That a committee, to consist of four clergymen and four laymen, be appointed to consider and report to the next Annual Convention whether it is expedient to divide the Diocese and erect another within this State, and to report upon all matters touching the same.

The resolution being read, the Chair allowed the question to be taken on the same, when it was adopted.

The Chair appointed as the committee,

The Rev. J. F. WALKER, Chairman of the special committee on Rev. J. W. CLARK's proposed substitute for Canon XI, "Of Convocations," read the report, as follows:

The committee to whom was referred the Canon proposed by the Rev. J. W. CLARK, to be entitled "Of Convocations of the Clergy," and offered as a substitute for the present Eleventh (XI) Canon of this Diocese, beg leave respectfully to report, that they deem it inexpedient at this late stage of the Convention to make any recommendation that should lead to any change of the Canon, which may not have been carefully deliberated, and therefore as the proposed Canon involves a thorough reconstruction of the present convocational system, and thus touches vitally the Missionary interests of the Diocese, the committee would simply recommend, that the proposed Canon be printed in the Journal of Proceedings of this Convention, and be laid over as unfinished business.

J. F. WALKER,  
G. P. SCHETKY, D.D.,  
P. R. L. PIERCE,  
W. G. THOMPSON,  
*Committee.*

On motion, the report was adopted.

[See the Canon in Appendix G.]

The Rev. JOHN A. WILSON re-read the report of the Committee on Christian Education, which, on motion, was accepted.

Mr. J. M. WHEELER, from the Committee on Life Insurance, appointed at the last Convention, read the report, as follows:

The committee to whom was referred the matter of the "Clergymen's Mutual Insurance League," with a view to devise some plan for the insurance of every Rector of this Diocese, respectfully report, that the absence of Mr. N. P. Loveridge, the chairman of the committee, and want of sufficient consideration for the maturing of a plan of definite action to accomplish this important object of their appointment, prevents them from submitting any perfected plan at the present time, and a continuance of the committee is asked. But, unwilling that a matter so important, and which so forcibly commends itself to the judgment of all who have investigated the subject, should fail to receive endorsement, and to some extent be made to yield its benefit to this Diocese, the committee respectfully recommend that, prior to the next Convention, a special collection be made in each Parish and deposited in the Parish Treasurer's hands, for the purpose of insuring their respective Rectors and for meeting the mortuary dues to be assessed therefor; and that whenever the sum raised is sufficient, a membership in the League be effected, if not already done, and the mortuary dues be paid. And, further, the committee recommend that each Rector, in his annual report to the Bishop, embody a statement of the amount of such collection, and what application has been made thereof. We therefore submit, for the action of this Convention, the following resolutions:

*Resolved*, That prior to the next Convention each Parish be advised to take up a special collection for the purpose of making their respective Rectors members of the Clergymen's Insurance League, wherever the same has not already been effected, and for meeting mortuary dues to be assessed thereon.

*Resolved*, That at the next Convention each Rector is desired to make a statement, in his annual report, of what action has been taken in his Parish under the preceding resolution, giving the amount of collection and what has been done therewith.

*Resolved*, That the Committee on this subject of Clergymen's Insurance League be continued.

All of which is respectfully submitted.

J. F. CONOVER,  
JNO. M. WHEELER,

*Committee.*

On motion, the report was accepted.

On motion,

*Resolved*, That the report lie over until the next Convention, and the committee be continued.

The Rev. T. C. PITKIN, D.D., read the report of the Standing Committee on Assessments, as follows:

## The Bishop's Address.

---

*Dear Brethren :*

I again cordially welcome you to the annual meeting of our Diocesan Council.

### THE HEALTH OF THE CLERGY OF THE DIOCESE.

For several years past our first record was, the death of one of our faithful brethren in Christ. God has spared us that sorrow at this meeting.

During the past year, God has blessed the Clergy of the Diocese with good health for the performance of the arduous duties connected with their office, and I can say it, with perfect safety, that few dioceses can present a more faithful and energetic class of devoted servants of Christ than God has placed under my care.

### THE PEACE OF THE DIOCESE.

We have had nothing to interrupt the beauty and harmony of our Diocese by the introduction of any novelties, either in doctrine or practice. We have clung with firmness to the good old ways presented in the canons and ritual of the Church, perfectly satisfied with her teachings as the best exponent of the word of God, and as the greatest safeguard against the novelties and heresies which abound in the Christian world.

### NEW LIFE IN THE CHURCH OF ENGLAND.

We have not, however, been insensible to the great efforts made by members of our mother church to infuse new life into her worship, and to awaken her members to a deeper sense of their responsibilities to the poor and the destitute. A new spirit has been awakened in the church, and all those benevolent duties, the very life of the gospel of Christ, but so long neglected and performed by other hands, have called forth the energies of holy men and holy women, and are now rescuing thousands from ignorance, misery and spiritual death.

Homes have been provided for the aged and infirm; schools have been established for the education of poor little degraded children; orphan asy-

lums to shelter and instruct those helpless objects of charity; hospitals for the comfort of the sick and needy, which have enlisted and called forth the energies of faithful women in the church, devoting their lives to these works of charity and mercy. It has been a second reformation, and has infused new life and energy into our mother church, fitting her to cope successfully with the mighty power of Rome, which had grasped and held under her influence these streams of Christian benevolence. It has called forth a deeper reverence for and obedience to the prescribed festivals and fasts of the Church, which give a distinctiveness to her doctrines and worship, and form the highest memorials of her divine origin. It has led to a higher appreciation of the spiritual benefit of her holy sacraments, discarding the fearful heresy that they are only signs of the faith of the recipient, instead of the great channels through which God imparts his Holy Spirit to the devout partaker of these emblems of His love and mercy.

#### THE SAME SPIRIT IN OUR OWN COMMUNION.

We feel thankful that the same spirit and life have had their influence upon our branch of the Church of Christ. The lifeless and perfunctory manner in which her services were often performed has given place to a hearty zeal and warmth which has not only assisted the devotions of her own children, but made them more attractive to many who only considered them a dead form. The Lenten season has never before been more faithfully observed—the great festivals never made so attractive. The same spirit has brought many who differ from us to appreciate the force and power of outward and sensible objects in aiding the devotions of the heart. These things of themselves are nothing, but in their right use they help to lift the heart up to our blessed Lord, and excite the devout worshiper to a loftier and more holy devotion. Our chaunts and hymns of praise, and even parts of our liturgical service, have been made parts of the public worship of many who once considered them a fearful inheritance from the Church of Rome, and we hope that through the influence of this awakening spirit, coming, as we believe, from the great head of the Church, the children of God will not be deprived of uniting in praises to God, nor of the highest acts of devotion to Him who has redeemed them with His own most precious blood.

#### THE MUSIC IN THE SERVICES.

We consider that united praise to God, in which every heart and tongue will be engaged, will do more to keep out of the Church the spirit of the world, and raise up God's children to a higher standard of devotion, and an increased consecration of themselves to His service, than any sacred agency which can be used.

Our hearts have often been chilled by the unseemly and inappropriate music which has found its way into the Church, and which deprives the poor as well as the untaught of this holy act of devotion. We do not call in question the earnestness and zeal of any who lead the devotions of the Church, but we think it to be a sad mistake when God's people have only to be silent hearers, instead of united worshipers. We believe that there is an ardent longing in the Church for the return to that simple and soul-stirring music which will lift up every heart to God.

#### NOVELTIES IN THE WORSHIP OF THE CHURCH.

In speaking, however, of the reforming spirit in the Church, we have no sympathy with the introduction of anything into her worship which can in any way symbolize the corrupt doctrines and practices of Rome, neither in vestments nor in the use of anything that is not sanctioned by the laws of the Church.

In all reformations some will rush to extremes and introduce practices at variance with the pure worship of God, and lead some into grievous errors. This we must expect.

#### ENCOURAGEMENTS.

But with all these mistakes and these departures from the clear and defined usages of the church, we believe that God is infusing new life and energy into the hearts of His children.

We have everything to encourage us and excite us to renewed efforts in the cause of our blessed Lord.

We have a certain and positive faith, handed down to us through the Church; a liturgy well calculated to lift up the heart to God, *needing no change*, but suited to all descriptions of men; a freedom from all the exciting topics of the day, and now, more than ever, attracting the sober minded and thoughtful to our holy communion.

#### THE PROPOSED REVISION OF THE ENGLISH SCRIPTURES.

But in speaking of what God has done and is doing for the Church abroad and at home, we regret deeply the action of some of the Bishops and members of our mother church in reference to a new translation of the Holy Scriptures. We consider this to be one of the most unfortunate events that has occurred in her history, as a reformed branch of the Holy Catholic Church. We need not now speak of its inception, and the deep scandal brought upon her by the admission of one who denies the Lord that bought him to the participation of the sacrament of the body and blood of Christ, thus breaking down all distinction between truth and

error, and inflicting a wound upon the body of Christ which years cannot heal; and then to add his name to the list of those intrusted with a revision of the Word of God. It is sad to think that such a false liberality should have gained an entrance into the councils of those intrusted with the guardianship of the Church of God. This action has not been demanded by any part of the Catholic Church. There is no want felt and expressed of the insufficiency of our present translation to enlighten and lead sinners to Christ. It has guided thousands and tens of thousands to Him, through His Holy Church, in their journey through life to the paradise of God.

It has been considered as a sacred treasure in our households, surrounded by associations connected with its history and preservation, that have made it dear to the little child, as well as to the aged servants of Christ. Are we willing to give up all that has made it so dear to us, not only as the pure Word of God, as the noblest work of the servants of Christ at the most trying period in the history of the Church, or the first beam of light coming out of the midnight through which she has passed; containing the purest specimen of our Saxon tongue, and the most faithful adherence to the Scriptures in the language in which they were written by holy men, guided by the spirit of God? The very beginning has done the Church great harm. It has shaken the confidence of many of her children, learned and unlearned, in the Book of God. It has given cause to the great enemy of the Church to strengthen her opposition to the Word of God, as an unfaithful and untrue exhibition of the revelation of His will, and has increased the taunts and jeers of the infidel, and gives them the evidence which has been furnished them, that even we ourselves have not confidence in the Book of God. The change in a few phrases, the expunging of a few obsolete words, can never make up for the great injury which her own children have unwillingly inflicted upon the spouse of Christ.

We hope that decided action will be taken on this subject in our general councils, that will prevent the removal from her altars, her desks and her pulpits, of that Holy Book, endeared to us by so many holy associations—the book of our childhood, the guide of our youth, and the solace and comfort of advancing years. We enter our solemn protest against any new version of the Word of God, and we feel sure that we will find in your hearts and action a deep and hearty response.

#### THE CONDITION OF THE DIOCESE.

We have thus briefly adverted to the condition of our Holy Church in its Catholic character, and we now consider the condition of our own branch of that holy body.

## MISSIONARY OPERATIONS.

We have not been able to extend the limits of our Missionary operations to any extent during the past year. We have had funds sufficient to do so, and many applications for ministerial work in the Diocese. We have new on our list several who are anxious and ready to come.

The great difficulty is in procuring their support. If we had men without families, we could have supplied a few of these waste places. But even with these we have been unable to induce but a few to go forth in the spirit of our Master, trusting in His promise to supply the wants of His faithful servants. A certain amount has generally been made the basis of the labor to be given in the cause of Christ, and as we had only the Missionary stipend to offer, and bid them to trust in the result of a faithful devotion to His service, we have failed in getting in many places a rich harvest for the Church.

## AN ASSOCIATE MISSION.

We have several places in the Northwestern part of the Diocese where an associated mission might accomplish a glorious work. Six or seven villages could be reached on every Lord's Day, and a foundation laid for the future growth of the Church.

## POLICY IN COMMENCING SERVICES.

We have always considered it to be the wisest plan, not to begin the services in any town or village unless we were able to have continued services. It only excites expectations which, if not soon met, chill the efforts of those whose zeal and energies had been for a time enlisted in the cause of the Church.

## PREMATURE ORGANIZATION OF PARISHES.

And especially we have opposed the organization of Parishes at an early date. It brings into the Vestries men who do not understand the organization and principles of the Church, who think that the Vestry is the ecclesiastical body to control and direct the Missionary in his work, and occasions embarrassment and strife which sooner or later causes him to abandon his work. On this account some of our most prosperous Missionary fields have been abandoned, and the most flattering prospects of success entirely lost. The Missionary is only amenable to his Bishop. The Vestry's duty is simply to take care of the temporalities of the Church. It is far better never to organize until proper persons to fill these positions can be secured.

## MISSIONARY SERVICES OF THE PAROCHIAL CLERGY.

If the Parochial Clergy could occasionally hold services in places near to them, many members of the Church, and many anxious to be united with her, might be induced to come and worship with them in the parish church.

## THE RURAL POPULATION.

In this way we might reach the rural population, and induce some, at least, to leave their homes on the Lord's Day and spend a part of it in His house. It is sad to think of the condition of thousands among us rapidly running into indifference and infidelity.

If the Church do not reach and instruct this part of our population, we shall, in a few years, have among us nothing but an educated heathenism. Their sons and daughters, through the wide-spread influence of our common school system, are well instructed in every branch of a thorough education, but without a positive faith to direct and control them, and guard them from the heresies that fearfully abound among them; their education will only fit them for a more open and determined opposition to the revelation of our blessed Lord. Foreign lands claim our sympathy and effort. The Saviour has made no limit to our exertions to extend His truth. But we think that we have a field within our reach ready for cultivation. The Church must look at home, and bring under her influence the thousands who are growing up among us, either to become the agents in extending the truth as it is in Jesus, or its most fearful foes. The very existence of our domestic, social and civil comforts depends upon the wide-spread influence of the truth, and while we are asleep the enemy is sowing broadcast over it the most fearful tares.

We verily believe that the salvation of our country depends upon the wide-spread influence and power of the Church.

## CHRISTIAN EDUCATION.

In connection with the subject, Christian education holds the first rank. Our sons and daughters must be imbued at the earliest date with the purifying influences of the Gospel of our blessed Lord. It should be connected with every study and every branch of science in its most attractive form. We have often wished for these fountains of power and purity, that their streams might flow out in every part of our land, to refresh and purify the waste places. Others may do what we have failed to accomplish.

## THE PROPOSED SCHOOLS AT FENTON.

We cannot pass without commendation the unwearied zeal and energy of a presbyter of this Diocese to provide a Christian home for the instruc-

tion of the children of the Church. The institutions at Fenton—one for boys, the other for girls—are in no respect connected with this Diocese, but they certainly claim its fostering care. The buildings are nearly completed and nearly free from debt. They are very neat and commodious, with extensive grounds around them, and the strong hope is cherished that, at no distant day, they will be ready for the reception of pupils, under the care of well educated and competent teachers.

#### THE COMMON SCHOOL SYSTEM.

In thus speaking of Christian education, we by no means undervalue the power and influence of our excellent common school system. We cannot array the Church against it, nor can we, if we had the power, undermine and destroy it. It makes no pretension to a thorough religious education, but we believe that, as far as possible, many of the leading truths of our holy religion are kept before the minds of the pupils. We have visited them with pleasure, have conducted the religious services, using, as is now very general in these schools, the Lord's Prayer, repeated by the scholars, and such other prayers as we saw fit to use, read a portion of the Word of God, and joined with them in singing a hymn of praise. This is great gain, and must in a degree connect with mental training the necessity of a higher and holier influence—the training of the heart. If home teaching and church teaching will keep pace with this admirable system, we need not fear that our children will be led away from the truth.

#### THE CONVOCATIONS.

We have attended as often as possible the meetings of our several Convocations. They take place at times when we have other duties to perform, and have been deprived of meeting with them. But they are designed for the Clergy, and are in no way connected with the duties of the Bishop. We have always had doubts of their efficiency as at present conducted.

Their whole influence is spent upon a single Parish—when we think they were intended as simple Missionary associations, not to originate and conduct business affecting the interest of the Diocese, but the members coming together at different periods and preaching the truth in the destitute places within their reach. If different points could be selected within the range of the Convocation, and two or more of its members would hold the services of the Church, and tell men of the love of God through Christ, we think great good could be done. This was their design. If not, their influence can be felt only in one spot, and past experience has shown us that very little has been accomplished through this agency. We hope as Missionary associations they will be continued, and their power felt among many who are now deprived of our holy services.

## THE CONFIRMATIONS.

The number confirmed has not quite reached that of last year. Four or five Parishes have yet to be visited, which will be done as soon as possible after Convention. The confirmations were much larger in the country Parishes than in the city.

We never had a more pleasant visitation, and never received more kindness from the Clergy and Laity, and never preached to larger congregations. It was very pleasant that so many of the young from our Sunday Schools, and from the hands of faithful sponsors, were brought to confirmation. It was the design of the Church that they should be brought at a very early period, not as a mere form, but as well trained and "brought up in the nurture and admonition of the Lord." She has happily fixed no period when these vows should be assumed, but claims the heart and lives of her children at the earliest possible period. If this be not kept in mind by sponsors and parents, and these seasons be passed by, and the influence of the world gradually gain possession of the heart, it becomes a matter of great doubt whether they ever will devote themselves to the service of Christ. The plea that they are too young, made oftentimes as the excuse for the neglect of these lambs of the flock of Christ, has lost many a soul that might have been purified and saved. We rejoice that a better and wiser day is dawning upon the Church, and that little children will not be overlooked in their part of the covenant of salvation.

## PROVIDING RECTORIES.

It has given me no little pleasure to find that continued efforts are made in so many Parishes to provide a suitable and permanent home for their Rectors. This has been greatly needed, and the want of it felt by those who have been forced to leave their fields of labor on this account. In one Parish, a large amount was placed on the altar on Easter Day, as an offering to God for this purpose. It was the result of self-denial and efforts during the season of Lent.

## FREE WILL OFFERINGS.

How much more becoming the followers of Christ, and how much more in accordance with the spirit of His gospel and His Church, are such offerings, than a resort to the mode so generally practiced to obtain money for Christian objects. The latter modes have brought into the church the spirit and practices of the world; have almost made obsolete the very foundations of Christian character, self-denial, and rendered the command of the Apostle to "lay by on the first day of the week as the Lord has prospered them," of no effect. We hope that these things have, as far as possible, come to an end, and that now the members of the church are feeling in

some degree the obligations resting upon them as stewards of Christ. Professional Christianity, and practical Christianity, are widely different. The latter does not consist simply in the observance of church duties, but it seeks for a participation in every good work. Its great principle is, to live for Christ.

#### THE APPROACHING GENERAL CONVENTION.

As the General Council of the Church will meet in a few months, it may be well for us to be prepared to meet some of the subjects likely to be considered at that time.

#### ALTERATIONS OF THE PRAYER-BOOK.

I know of none more important than the attempt to be made to change and alter parts of the Prayer-Book. It is a pleasure to know that no such wish is to be found among us. We are perfectly satisfied with it as it is, and as it was compiled by those who risked their lives for the truth as it is in Christ. Like the present revision of the Bible, it has associations connected with it that have made it dear to the Church of Christ. It connects us with times of trial and persecution, as well as with the triumph of the truth; it associates us in prayer and praise with the purest men that ever lived on this earth, and teaches us the doctrines which they drew from the word of God as the foundation of all that they did and suffered for Christ. It would open the door for endless change, and destroy the unity and harmony of the church. It would foster the right of a false private judgment in things pertaining to God, and take from the Church its richest inheritance and its most sacred trust, "the faith once delivered to the saints."

We hope that God will save us from the restless spirit of restless men, who think that the truth of God must be suited to the spirit of the age in which we live; whose work appears to be to pull down instead of building up the temple of the Lord.

We believe all the doctrines contained in it just as they are, as simple declarations of the truth of God, and humbly pray that no restless hand shall ever mar the beauty and truth of that book, above every other but the Book of God. We feel confident that our Diocese will stand firm and true in their devotion to this rich inheritance—the richest legacy that can be bequeathed to our children.

#### OFFICIAL ACTS.

We now give you a brief survey of our official acts during the past year.

#### PORT HURON.

June 26.—I preached in Grace Church, Port Huron, and confirmed fourteen persons.

## ALPENA.

July 8.—I preached twice in Trinity Church, Alpena, and confirmed seventeen persons. The church-building has been enlarged and greatly improved.

## MARQUETTE AND NEGAUNEE.

July —.—I preached in St. Paul's Church, Marquette. As the Rector, the Rev. Dr. Fay, had resigned the Parish, and removed to the East, there were no candidates for confirmation.

I also preached at Negaunee, a Missionary station, twelve miles distant. The Rev. Mr. Pickman is now in charge of St. Paul's, Marquette, and the Rev. R. Wood has been in charge of the Missionary station at Negaunee. His labors have been greatly blessed.

## STOCKBRIDGE AND A SCHOOL-HOUSE.

July 24.—I preached in Stockbridge, and confirmed five persons; in the afternoon in a school-house, nine miles distant. These places are visited once a month by the Rev. Mr. Spalding, of Dexter. They are more than twenty miles distant from his home.

## CONSENT TO THE CONSECRATION OF THE REV. WILLIAM PINKNEY, D. D.

July 7.—I gave my consent to the consecration of the Rev. William Pinkney, D. D., as Assistant Bishop of the Diocese of Maryland.

## CONSENT TO THE CONSECRATION OF THE REV. WILLIAM W. NILES, D. D.

Also my consent to the consecration of the Rev. William Woodruff Niles, D. D., as the Bishop of New Hampshire.

## HASTINGS.

August 7.—I preached and confirmed six persons in Emanuel Church, Hastings. The services are most admirably performed in this Church. The singing is conducted by the Rector, with several boys and girls beside him, and under his control. All the congregation unite with him; the tunes are simple and plain; parts of the service antiphonal and choral; and the effect is well calculated to warm the heart of every worshiper. I always spend a happy day with him.

## CHRIST CHURCH—DETROIT.

August 26.—Held a special confirmation in Christ Church, in Detroit, and confirmed two persons.

THE REV. SIDNEY H. WOODFORD RECEIVED INTO THE DIOCESE.

August 11.—Received and accepted the letters dimissory of the Rev. Sidney H. Woodford, from the Diocese of Wisconsin.

ADRIAN.

September 3.—Preached and confirmed three persons in Christ Church, Adrian.

LAYING OF THE CORNER-STONE OF GRACE CHURCH—MT. CLEMENS.

September 6.—Laid the corner-stone of Grace Church, at Mt. Clemens. Several of the Clergy were with me, and aided me in the services. Everything has been done by the Rector to carry on the work, under no small difficulties, and the hope is cherished that it will soon be occupied by the congregation.

THE REV. WILLIAM R. PICKMAN RECEIVED INTO THE DIOCESE.

October 5.—Received and accepted the letters dimissory of the Rev. William R. Pickman, from the Diocese of Missouri.

PONTIAC.

October 6.—Preached in Zion Church, Pontiac, and confirmed five persons.

THE REV. WILLIAM H. MOFFATT—LETTERS DIMISSORY.

October 28.—Gave letters dimissory to the Rev. William H. Moffatt to the Bishop of New Jersey.

LEXINGTON AND DAVISVILLE.

October 30.—Preached in the morning at Lexington; in the afternoon at Davisville, six miles distant, and confirmed ten persons; in the evening at Lexington, and confirmed eight persons. These two missionary points are under the care of the Rev. A. B. Flower. In Davisville, a neat church edifice has been completed. It is hoped that at no distant day a Church will be erected in Lexington. God has most signally blessed the faithful labors of the Missionary.

## SEMI-ANNUAL MISSIONARY MEETING AT COLDWATER.

November 16.—I attended the Semi-annual Missionary Meeting of the Diocese, in St. Mark's Church, Coldwater. The Rev. Mr. Brown preached the sermon *ad clerum*, and the Rev. Dr. Pitkin the Missionary sermon. It was a very pleasant meeting. In the evening I confirmed nine persons.

## UNION CITY.

November 27.—I preached in Grace Church, Union City, and confirmed twelve persons.

## HAMBURG.

December 4.—I preached in St. Stephen's Church, Hamburg, and confirmed fifteen persons. I deeply regretted that the Rev. G. W. Wilson was obliged to resign the Parish. God had blessed his labors, but the Parish was too poor to sustain him.

## THE REV. MOSELY MORRIS RECEIVED INTO THE DIOCESE.

December 16.—Received and accepted the letters dimissory of the Rev. M. Morris, from the Bishop of Wisconsin.

## ORDINATION OF THE REV. G. W. WILSON, THE REV. JAMES F. WALKER, AND MR. E. W. FLOWER.

December 18.—In St. Paul's Church, Detroit, I ordained the Rev. George W. Wilson and the Rev. James F. Walker to the Priesthood, and Mr. Edward W. Flower to the Diaconate. The candidates were presented by the Rev. Dr. Pitkin.

## ST. JOHN'S CHURCH—DETROIT.

December 18.—I preached in St. John's Church, Detroit, and confirmed twenty-three persons.

## THE OPENING OF GRACE CHURCH—DETROIT.

December 21.—I preached at the opening of Grace Church, Detroit. This is a large and very beautiful Church, furnished and completed in the best possible manner. It stands as the evidence of the greatest energy and zeal of the members of the congregation. We trust that God will give them in return His richest spiritual blessing.

THE REV. P. A. ALMQUIST RECEIVED INTO THE DIOCESE.

December 24.—I received and accepted the letters dimissory of the Rev. Peter August Almquist, from the Bishop of Illinois.

THE REV. SAMUEL EARP RECEIVED INTO THE DIOCESE.

December 26.—I received and accepted the letters of the Rev. Samuel Earp, from the Bishop of Pittsburgh.

ST. JOHNS.

January 15.—I preached and confirmed two persons in St. John's Church, St. Johns.

CONVOCATION, CONSECRATION, AND CONFIRMATION AT OWOSO.

January 18.—I attended the Northern Convocation at Owosso, consecrated the Church, and in the evening, I preached and confirmed five persons. The Rev. Mr. Wright, of Bay City, kindly preached the sermon for me at the consecration of the Church.

BAY CITY.

January 20.—I preached in Trinity Church, Bay City, and confirmed five persons.

CONSECRATION OF TRINITY CHURCH—MONROE.

February 1.—I consecrated Trinity Church, Monroe. A goodly number of the clergy were present. It is a model of the best architectural taste, and well calculated to impress the worshiper that it is the House of God.

MIDLAND.

February 22.—I preached in Midland, in an upper room, very neatly fitted up for the purpose, and confirmed twelve persons. This is a Missionary station under the care of the Rev. Mr. Tillinghast. He has labored most successfully for nearly three years; an excellent congregation has been gathered and well instructed in the principles of the Church. They hope to have their new church-building ready for consecration in the course of the summer. I deeply regret that he leaves this pleasant field of labor, but I hope only for an enlarged field of usefulness in the Parish of St. Peter's, Detroit.

## HUDSON.

February 24.—Preached in Hudson, and confirmed four persons.

## ADRIAN.

February 26.—I preached twice in Christ Church, Adrian, and confirmed twenty-one persons. This was my second visit to this Parish during the year.

## ALGONAC.

March 2.—I preached and confirmed twelve persons in St. Andrew's Church, Algonac. The Church is entirely completed, and is a very neat and substantial structure. The zeal and energy of the ladies connected with this Parish are worthy of all praise. They have toiled for years to accomplish this noble work. The Rev. Mr. Jameson, the Rector in charge of the Indians on Walpole Island, Canada, has officiated on every Lord's-day evening in the Parish and Church, and has greatly added to its increase and prosperity.

## ANN ARBOR.

March 12.—I preached twice in St. Andrew's Church, Ann Arbor, and confirmed twenty-three persons.

## PONTIAC.

March 19.—I preached in Zion Church, Pontiac, and confirmed ten persons.

## LANSING.

March 26.—I preached twice in St. Paul's Church, Lansing, and confirmed nine persons.

## MARSHALL, AND ORDINATION OF THE REV. W. H. SMYTHE.

April 2.—I preached in Trinity Church, Marshall, and ordained the Rev. W. Herbert Smythe as a Priest. The candidate was presented by the Rector, the Rev. Dr. Schetky. In the evening I preached, and confirmed nine persons.

## JONESVILLE.

April 8.—I preached in Grace Church, Jonesville, and confirmed five persons.

## HILLSDALE.

April 4.—I preached in St. Peter's Church, Hillsdale, and confirmed thirty-four persons. I have seldom witnessed a more solemn and impress-

ive scene than this confirmation. The whole congregation appeared to be overwhelmed at such a manifest token of God's grace. I trust it filled our hearts with thanksgiving to God, and that many more will not be ashamed to confess Christ before men.

## MONROE.

April 5.—I preached in Trinity Church, Monroe, and confirmed seventeen persons.

## ST. CLAIR.

April 11.—I preached in Trinity Church, St. Clair, and confirmed fourteen persons. This congregation has greatly increased under the care of the present Rector. It was pleasant to see the parsonage so neatly fitted up for his residence.

## PORT HURON.

April 12.—I preached in Grace Church, Port Huron, and confirmed fourteen persons. This was my second visit to this Parish during the year. A most commendable zeal has been shown by the ladies of the Church to have a new church-building speedily erected. The prosperity and increase of the Parish require it at an early day.

## JACKSON AND MISSION.

April 16.—I preached in St. Paul's Church, Jackson; in the afternoon at a Missionary station, four miles distant, and confirmed three persons. The Senior Warden of this Parish devotes the afternoon of every Lord's-day to the instruction of the people of this vicinity. A beautiful melodeon has been purchased, books bought for their instruction, and the most happy impressions made upon many who cared but little for the Church, or the Gospel of Christ.

In the evening, I again preached in St. Paul's Church, Jackson, and confirmed eighteen persons. I never, on any occasion, preached to so large a congregation in this Church. This Parish has built and completed one of the most beautiful parsonages in the Diocese for their Rector. They indeed abound in good works.

## ALBION.

April 17.—I preached in St. James' Church, Albion, and confirmed three persons. This parish has been reduced in numbers by removals, but is gradually gaining under the faithful efforts of its Rector.

## NILES.

April 18.—I preached in Trinity Church, Niles, and confirmed nineteen persons. This was a very pleasant visit to me. The decorations of the

altar and chancel were beautiful and in good taste. The congregation was very large, and the warm welcome of my old friends, and the parishioners generally, very grateful to me.

The Church is soon to be enlarged on account of the large and increasing demand for pews. It will be a very beautiful edifice.

#### CHRIST CHURCH—DETROIT.

April 23.—I preached in Christ Church, Detroit, and confirmed nineteen persons.

The very neat and comfortable parsonage connected with this parish was destroyed by fire during the past summer. With the energy and zeal of their active and zealous Rector, and the Vestry of the Church, they have greatly enlarged their new parsonage, with large rooms connected with it for the meetings of the Church Associations, and with additional grounds added to it, making it one of the most beautiful parsonages in the Diocese. They have also placed in the Church a very large organ, considered by competent judges to be not only of great capacity, but very sweet in tone.

#### MARINERS' CHURCH—DETROIT.

In the afternoon, I preached in the Mariners' Church, and confirmed nineteen persons.

#### ST. PAUL'S CHURCH—DETROIT.

In the evening I preached in St. Paul's, and confirmed six persons.

#### SEMI-ANNUAL MISSIONARY MEETING AT EAST SAGINAW.

April 25.—I attended the semi-annual Missionary Meeting of the Diocese in St. Paul's Church, East Saginaw. The sermon *ad clerum* was preached by the Rev. Mr. Magrath, of Jackson; and the Rev. Dr. Pitkin kindly supplied the place of the Rev. Mr. Earp, appointed to preach the Missionary sermon, but necessarily detained at home.

In the afternoon, the children of the Sunday School were addressed by the Rev. Dr. Schetky and the Rev. Mr. Rogers.

We were greatly pleased at the mode of securing the offerings of the children for missionary and other purposes. Each class brought his branch well laden with fruit to the Rector, and by a very ingenious device they were engrafted into a stock, and formed a beautiful tree.

The meeting was a very pleasant one, but we regretted that so few of the Clergy remained until the close of the meeting.

#### FLINT.

April 27.—I preached in St. Paul's Church, Flint, and confirmed twenty-five persons. This Parish is in a very prosperous condition, and the most

liberal offerings have been made by different members of the congregation to erect a new and spacious Church.

#### BAY CITY.

April 28.—I preached in Trinity Church, Bay City, and confirmed fifteen persons. This was my second visit to this increasing Parish.

#### ST. JOHN'S CHURCH—DETROIT.

April 30.—I preached in St. John's Church, Detroit, and confirmed thirty-eight persons. This was my second visit to this Parish. It is always a pleasure to unite in the worship of God in this Parish. The hearty and general responses, the plain and simple chaunts and tunes, all sung by the whole congregation, fills the heart with a holy joy, and seems to take us from the things of earth to have a slight foretaste of the things of Heaven.

It has connected with it a thriving and increasing Missionary station, under the care of the Rector and his worthy assistant. A suitable building has been prepared for the accommodation of the worshippers. This, with other agencies in continued operation to extend the Church and gospel of Christ, furnish the daily evidence of the life and energy of the parish. I feel glad that its worthy Rector has consented to be absent for a few months in Europe, as a slight recreation from his arduous toils. I hope that God will have him in His holy keeping, and return him to us with renewed health and strength.

#### ST. LUKE'S HOSPITAL—DETROIT.

April 30.—In the afternoon I preached in St. Luke's Hospital, and confirmed eight persons—candidates carefully prepared by the Rev. Mr. Lewis.

#### HASTINGS.

May 2.—I preached in Emanuel Church, Hastings, and confirmed eleven persons. This was my second visit to this Parish.

#### ST. PAUL'S CHAPEL—GRAND RAPIDS.

May 3.—I preached in the afternoon in St. Paul's Chapel, Grand Rapids, and confirmed eighteen persons. This chapel was built by the energy and zeal of the Rev. Dr. Tustin, the former Rector of St. Mark's. It is in a very thriving condition under its present Rector. If it could be separated from the old Parish, and made independent, we think it would increase still more rapidly.

## ST. MARK'S CHURCH—GRAND RAPIDS.

In the evening, I preached in St. Mark's Church, and confirmed twenty-two persons. This Parish was never in a more prosperous condition. They have purchased a very comfortable parsonage for their Rector, and a large sum of money has been freely subscribed to enlarge and beautify the present church-building, with the addition of a chapel for the Sunday School and the services during the week. It is under the charge of the Rev. Samuel Earp, a worthy successor to the former diligent and able pastor, the Rev. Dr. Tustin.

## GRAND HAVEN.

May 4.—I preached in St. John's Church, Grand Haven, and confirmed one person. The storm and rain were so severe as to prevent several persons who had intended to be confirmed.

## BIG RAPIDS.

May 7.—I preached in St. Andrew's Parish, Big Rapids (in the court-room), twice, and confirmed twenty-three persons.

This Mission is under the care of the Rev. E. W. Flower. Some of the most prominent families of this growing town were among the confirmed. I have seldom seen a greater interest manifested in the services of the Church. The building was crowded; the singing simple and good. The deep reverence and respect shown in their worship gave the evidence that a gentle but master hand had guided them in the ways of our Holy Church. It is one of the most successful Missions we have had in any part of the Diocese. A lot has been purchased, on which a church edifice is to be erected in accordance with their means, and I earnestly hope that the different Parishes in the Diocese will aid in carrying out this noble work.

## SARANAC.

May 8.—I preached in Trinity Church, Saranac, and confirmed eight persons. This point has not had a settled pastor for a year. The Rev. Mr. Morris has taken care of them part of the time, and labored most faithfully among them. The Rev. Mr. Wood, of Negaunee, in the Upper Peninsula, being on a visit to his family, kindly prepared the candidates for confirmation. This Parish, in connection with Lowell, a thriving town six miles distant, would form a pleasant missionary field.

Several ladies came to see me at Saranac, expressing the wish for services, and as indicative of their zeal and energy, assured me that they had, by their exertions, raised a sufficient sum to purchase a suitable lot on

which to erect a church. I do hope that I will soon be able to procure the services of an active Missionary.

## IONIA.

May 9.—I preached in St. John's Church, Ionia, and confirmed three persons. A Clergyman has seldom been able to live more than a year in this parish.

## CORUNNA.

May 10.—I preached in St. Paul's Parish, in Corunna, and confirmed three persons. I was happy to learn that the Rev. Mr. Banwell was willing to connect this Parish with that of Owosso. It is only three miles distant. He has given new life and energy to the Parish.

## OWOSSO.

May 10.—I preached in the evening in Christ Church, Owosso, and confirmed seven persons. This was my second visit.

## GRACE CHURCH—DETROIT.

May 14.—I preached in Grace Church, Detroit, and confirmed thirty-six persons. I had held a special confirmation at the request of the Rector, and confirmed six persons, making the total number confirmed forty-two.

## DEXTER.

May 15.—I preached in St. James' Church, Dexter, and confirmed five persons. This church was much damaged by lightning some time since, but has been very neatly repaired. I never saw it in a better condition. It has suffered greatly by removals and deaths, but the faithful Missionary keeps well together his little flock.

## COLDWATER.

May 18.—I preached twice in St. Mark's Church, Coldwater, and confirmed five persons. This Parish, on Easter-day, made an offering to God of \$900, to liquidate the debt incurred in the purchase of a beautiful parsonage. Such efforts cannot fail to bring down, in the richest profusion, the blessings of God upon such denials and efforts in His cause.

The Rector of this Parish also officiates in the afternoon of every Lord's-day in Quincy, a most active town, six miles distant. Efforts will soon be made to erect a church there.

## YPSILANTI.

May 21.—I preached twice in St. Luke's Church, Ypsilanti, and confirmed eight persons. God has greatly afflicted its worthy Rector during the past year, in the removal of his son and a very dear grandchild. While it has almost crushed him to the earth, he has bowed in submission to the will of God, and considered it the discipline of a Father more kind than any earthly parent.

The Parish appears to be in a very healthy condition.

## BROOKLYN.

May 22.—Preached in All Saints' Church, Brooklyn, and confirmed seven persons. This Parish is in connection with St. Michael and All Angels', Cambridge, five miles distant, and now under the care of the Rev. Mr. Frisbie.

There were many sad associations connected with my visit to this Parish. The family of the old Rector, the Rev. Mr. Lyster, broken up and gone; the old home, the scene of a refined and warm-hearted hospitality, passed into other hands; the humble, self-denying Rector far away in the Diocese in a new and uncultivated field, but still devoting himself to his Master's service. I felt happy, however, that his place had been so well filled, and that everything indicated an increase of the congregation.

## ORDINATION OF MR. R. W. GRANGE.

June 8.—I ordained Robert W. Grange as a Deacon in St. John's Church, Detroit. The candidate was presented by the Rector, and the sermon preached, at my request, by the Rev. Mr. Wadleigh, of St. Luke's Church, Germantown, Pennsylvania.

From circumstances beyond my control, I had to leave three or four Parishes unvisited until after the Convention.

It is a comparatively easy matter now to visit the Diocese. The railroad facilities are so great that all the parishes could be visited twice in a year if necessary.

## RETROSPECT OF MY EPISCOPATE.

Your Bishop is now rapidly approaching the thirty-fifth year of his Episcopate.

In the retrospect of these years, there is much to sadden as well as comfort.

Much more might have been done than we have accomplished. But there is a sweet consciousness, under all circumstances, that there was the only

leading design and aim to fulfill the trust which the Great Head of the Church committed to him. We have had but little aid from without, except the yearly amount allotted to the Diocese by the Domestic Committee. When we consider what has been done, we recognize the continued presence of the Spirit of God giving efficiency to the means which He has revealed, and enabling us to lay foundations on which some wiser builder may erect a glorious temple to the Lord. We have felt like many seeking homes in this portion of our land, without means, and depending upon their limited possessions, from which they can dig the capital to extend their comforts, and spread around them and their children permanent blessings.

We have been obliged to extract our capital from the soil of hearts softened and imbued by the grace of God, and from these have arisen the means which have beautified many waste places, and made spiritual, and we hope permanent, homes for the children of God.

#### CONCLUSION.

We commend you to God's grace, and pray that it may come down into our hearts in copious showers, making them more pure, our lives more holy, and our zeal and energy in some degree like to our blessed Lord.

SAMUEL A. MCCOSKRY.

Services have been held at Deerfield, and maintained with as much regularity as possible.

The Vestry have decided to enlarge and improve the old church at an outlay of \$2,500, as the Parish have met with considerable loss by removal, and also the unsettled business makes it appear unwise to begin the erection of a new church at present. The improvement will be perfected by the Fall. The pews are free for the evening services on Sundays.

I have held service one Sunday evening at Plainwell. I spent thirteenth Trinity Sunday at Hudson, assisting the Rector of Trinity in dedicating a hall for church use, preaching twice and administering the holy communion. I also, while there, administered the communion in private to an aged and blind lady, who was a candidate for confirmation.

The Parish at Allegan have been somewhat crippled during the year by general sickness among the people and by frequent prostration of the Rector by fever and ague. There has been, however, a determination not to yield to discouragement. They have at last, of themselves, purchased a very fine toned Meneely bell, weighing 1,074 pounds, costing \$490, which, though an "Easter offering," was rung for the first time on the fourth Sunday after Easter. It has on it the following inscription, by which the Parish especially commemorated the existence of the Church in Michigan:

EASTER MEMORIAL, 1871.

Parish of Good Shepherd, Allegan, Mich. Diocese, Michigan, age 50 years; Parish, 13 years; Church Edifice, 2 years.

H. Judd, Rector.

VESTRY.—W. B. Williams, Sen. Warden; D. J. Arnold, Jun. Warden; C. R. Wilkes, Aug. Lilly, J. Deal; J. M. Pennock, Treasurer; A. E. Calkins, Secretary."

Missionary services have been given at the Poor House and Jail. A winter sewing school had an average attendance of 75. A night school for colored persons was attempted, but failed for want of interest on their part.

The year has been one of growth and peace, and not without tokens of the highest blessings.

REPORT OF THE WARDENS.—The clerical salary has been increased \$500. The income for the year ending Easter, 1871, was \$3,181.43. About

100 pews are occupied permanently, the rents ranging from \$8 to \$35. A subscription in the form of four notes, payable annually with interest, has been made to meet an indebtedness at the time of consecration, increased by interest and loss on subscriptions, cost of further improvements and a small floating debt. The amount subscribed is \$3,000. The Ladies' Society have reduced their debt to about \$350.

Occasional services. On the 6th Sunday after Trinity (July 24th), at the request of the Vestry, I held service morning and evening at Christ Church, Owosso. On the 18th and 19th Sundays after Trinity (October 16th and 23d), I held service in Trinity Church, Tiffin, Ohio. On the 4th Sunday in Advent (December 18th), I preached in Christ Church, Detroit. On the 1st Sunday after Epiphany (January 8th), I held service morning and evening in Trinity Church, Toledo, O. By direction of the Bishop, pursuant to the provisions of Section II Canon X of the Diocese, I held service morning and evening in the vacant Parish of St. Peter's Church, Tecumseh, on the 4th Sunday after Epiphany (January 29th).

Having resigned the Rectorship of St. Stephen's Parish, to take effect on the 1st of February last, I held my last service in that Parish on Sep-

tuagesima (February 5th). At the request of the Rev. George Worthington, Rector of St. John's Church, Detroit, I assisted in the numerous services which he had ordered for the Lenten season, beginning upon Quinquagesima (February 19th), and concluding on the 15th day of April. During this period I assisted at and held services in Christ Church, Grace Church, and Mariners' Free Church, in Detroit, each one or more times. At the repeated solicitations of the Vestry of St. Peter's Church Pariah, Detroit, and with the concurrence of the Bishop, I assumed the Rectorship *ad interim* of that Pariah on the 1st Sunday after Easter (April 16th), and continued that relation until entering upon the duties of Rector of St. Thomas' Church, Battle Creek, on the 1st day of June, A. D. 1871.

It has pleased God to give me sufficient health and strength to hold service every Lord's day, except one, since I entered the ministry, and not unfrequently three services and sermons.

This report embraces only the last half of the Conventional year, there having been no regular services for several months previous to my coming here in December last, by appointment of the Bishop, immediately after my ordination to the Diaconate. This, I am happy to report, gives evidence of being a growing mission, and one which, I believe, at no distant day will become a self-supporting parish.

We have lots for church and parsonage, worth about \$1,000, and have commenced the erection of a small church, which we devoutly hope may be completed the present year.

My occasional services without the Parish have been as follows: Lansing—Assisted Rector in the service twice and baptized an infant, also preached once. Grand Rapids—Preached once in St. Mark's, and read service and preached three times in the Memorial Chapel. Read service twice in St. Paul's, Detroit, and once at St. Luke's Hospital.

It would be proper to state, that one of the persons reported confirmed at the visitation of the Bishop was a young lady brought here by the Rev. C. M. Almquist, Missionary to the Swedes settled in this vicinity.

In addition to the above, I would also report that pledges have been obtained for Church Building Fund of about \$1,200 in Big Rapids; \$100 from St. Mark's Church, Grand Rapids; \$75 from individuals in Detroit; and on Trinity Sunday, by the courtesy of the Rector, I preached in St. Paul's Church, Jackson, where a collection was taken to aid our building, to the amount of \$50. To God be all the praise.

The present Rector entered on his duties last Christmas. Owing partly to deaths and removals, which have been unusually large, and partly to other reasons, he does not find as many communicants and as many families as were reported to the last Convention; and he could not conscientiously give larger numbers than those named above.

The attendance on church service and at holy communion has been quite as large as in former years, the year when the church was enlarged only excepted, while our contributions for church purposes have been greater than ever before.

The ladies of the Parish are deserving of special praise for prosecuting the work which was undertaken a year ago in so much fear and trembling. They have exceeded their own expectations. They have already paid one-half of the purchase money on the Rectory, and they hope to complete the work during the present year. To them the Parish must confess its indebtedness. We have a neat and comfortable parsonage, which is a credit to the people, and which gives all the comforts of a home to a grateful Rector, who rejoices to bear this testimony to their love and devotion, and to speak in their commendation.

This Parish has been without a settled Rector since the death of the Rev. G. O. Bachman, in the spring of 1869. During the year following, it was taken in charge, temporarily, with the Parish of Owosso, by the present Missionary, then Rector of St. Paul's Church, Lansing. Now it is connected with Owosso under the same Rector. The services, which are now being held every Sunday, are well attended, and everything seems to betoken a revival of church life.

This Parish is an outgrowth of the Lexington Mission. It was organized last fall, and on the 27th day of October the corner-stone was laid for a church edifice. The building is now erected, nearly paid for, and occupied. The Church is of wood, Gothic in form, with spire surmounted with the emblem of salvation. Although small, seating only about one hundred and fifty persons, it is churchly withal, and well filled at each service. If a Missionary can be sustained a few years in this and the adjoining county, a large number can be gathered into the Church.

REMARKS.—November 23d, I laid the corner-stone of a brick church, which is now in progress of completion, and is an ornament to the town. I pray it may be more than an ornament. That day I was struck down by sickness. My absence on sick leave has prevented confirmations, the redemption of the Missionary pledge, and collections for most benevolent objects. I return the last day of the Convention, without last year's journal to enable me to make my report full.

Lay reading was kept up during all the time of my absence.

This Parish met with a heavy loss during the year, in the destruction of the rectory by fire, on the evening of July 4th. The parishioners, however, immediately responded to the call of the Vestry to rebuild, and through their liberal efforts the adjoining property has been secured to the church, and the parish now possesses an elegant and commodious rectory, with ample rooms adjacent for parochial uses. The Men's Union and Ladies' Parish Association, now organized, stately meet in them, and the extensive benevolent work of the latter, during the past winter, fully proves its worth.

At Easter, a new organ, built by Odell & Bro., of New York, and costing about \$5,000, was placed in the church. It is pronounced by organists to be a superior and splendid instrument, and gives general satisfaction.

We are devoutly thankful to our Heavenly Father that, through His continual blessing and presence, notwithstanding the unusual financial press of the year, we are enabled to record the condition of the Parish happy and prosperous.

The public services of Grace Church, which were regularly held in St. Andrew's Hall (the old Methodist Church, corner of Woodward avenue and State street, rented at \$1,000 per year), from December 15, 1867, were suspended on Trinity Sunday, 1870, and resumed at the opening of Grace Church, corner of Fort and Second streets, on St. Thomas' Day, December 21, 1870. An accurate report of the cost of building and furnishing our beautiful sanctuary will be made to the next Convention.

The Rector has held "services without the Parish" as follows: At Stockbridge, in Ingham county, 13; in the township of Henrietta, Jackson county, 13; at Three Rivers, St. Joseph county, 6; at Scio, Washtenaw county, 1; at Hamburg, Livingston county, 4; at Williamsville, Livingston county, 1. Total, 38.

The diminution in the number of public services within the Parish, and in the amount of contributions, is accounted for by the closing of the church edifice for more than two months, while undergoing repairs of the damages caused by a destructive lightning stroke last summer. In effecting these repairs, we have to acknowledge the kindness of a contribution of \$17 02 from St. Paul's Church, at Jackson, in addition to the liberal donations, for the same object, made by our fellow-townsmen of other religious bodies.

The foregoing report, in reference to the number of public services, and as to moneys raised, except in two or three items, dates from November 13, 1870, the commencement of my Rectorship. For the balance of the Conventional year, previous to that date, I was actively engaged in the discharge of my duties as Rector of St. Paul's Church, Muskegon, in this Diocese. In addition to the services enumerated in this report, on the Thursday evenings in Lent, and on Good Friday evening, I held service and lectured in St. John's Church, Saginaw City, at the request of the Vestry of that Parish, then without a Rector. I was likewise present and participated in the convocational services at Owosso and Bay City.

I have held services twice in Johnstown, in the southern part of this county, the first time on Sunday at 4 P. M., when I administered the Holy Communion to eleven persons, and the next time on a Sunday evening; and on both occasions the little old log-house was crowded with the friends and neighbors of the faithful woman who has availed herself of the privilege of having "the Church in her house." Every Lord's-day, morning and evening, her father, a man considerably past his three-score and ten years, reads the service, while grandchildren render the musical part with good effect.

The Parish of Emmanuel Church is happy in the possession of a fine bell, from the Meneely Foundry, bearing the inscription:

## EMMANUEL:

In all time of our tribulation;  
In all time of our prosperity.

It was used for the first time on Wednesday before Ascension Day, at the burial of one of our most estimable women, and thus its first notes among us were those of sorrow.

Seven Sunday services, in addition to the above, were held at Cambria Mills, a mission station, seven miles southwest of Hilledale. Three of the children were baptized there, and one of the same buried shortly after her baptism. Responding to the desires of a few of the faithful resident there, our purpose is, to make this "next town" one of the first in our Christian regard.

One of those confirmed was a resident of Pittsford, ten miles east, where also one of the marriages was performed.

One parishioner has undertaken a Sunday School work in a school-house just out of town, and others are making inspection for the best openings for a like labor. We hope to join hands on the line with our next neighbors in the One Holy Catholic and Apostolic at every point of the compass at no very distant day. "Lengthen the cords, and strengthen the stakes."

The Rector has officiated on one Lord's-day, and celebrated the Holy Communion at Trinity Church, Hudson, at the request of the Rev. W. Herbert Smythe.

Since the first of April, I have held services in Holland every other Sunday, one Sunday at Plainwell excepted. The city is thriving, and good things, I think, are in store for our Church there in the future. Mr. Heber Walsh, the Junior Warden, has been very diligent in caring for the Sunday School, and frequently the little room used for Church services is quite overflowing with the number of children in attendance. This is a promising token for future growth, as the Sunday School often underlies every thing in the building up of the Parish.

Lay morning services have been kept up since Easter. I send herewith a very imperfect report of Christ Church, Homer. It contains, however, all the facts within my reach.

Our late Rector, Rev. L. L. Rogers, resigned the Sunday before Easter, and his place is not yet supplied. The Church, however, is opened for lay service once every Sunday. We are anxious for a regular minister again, yet our pecuniary resources are so scanty that it seems scarcely practicable. Our village is rapidly improving, both in business and population, and, with a good, energetic minister, we should have strong hopes of making progress.

I presume our late minister will make a partial report of the affairs of this Parish, and will supply the defects of this fragmentary and imperfect statement.

In addition to the services held at Ionia, I have, on several different occasions, visited the village of Lyons and held service there. At Lyons there are a few communicants, but there is no prospect of re-establishing the Church there.

By the blessing of God, prosperity and peace have marked the course of the Parish during the past year.

With the exception of the Fourth Ward School, temporarily suspended for want of a room, the Ward Sunday Schools and the Woodville Mission have been carried on with success, through the unwearied labors of the faithful superintendents and teachers. In the Second Ward, the building of a Chapel has just been commenced.

The Sewing School has been as well attended and as useful as in former years.

"The Woman's Missionary Society," in harmony and love, continues to fulfill its pledge made in behalf of the African Mission.

During the winter, a "Home Missionary Society" was organized, which promises to do a good work among the sick and needy.

The Rectory, referred to in the last report, through the liberality and zeal of the members of the Parish, in connection with the earnest efforts of the Ladies' Rectory Association, has been completed. It is a substantial, tasteful, and commodious building, and furnished, as it is, with every convenience, forms a most comfortable and delightful home.

May all the members of this beloved Parish, whose generous kindness has ministered so abundantly to the temporal wants of the Rector and his family, be rewarded seven-fold into their bosom, and, at last, through faith in Jesus, reach that home, prepared by our Father's love, in the mansions of Heaven.

This Parish has struggled through another year with some discouragement, but much hope. We are making a vigorous effort to repair our church-building; already we have it newly shingled, and expect to put on a new ceiling this summer. We trust another year will see us in a more prosperous condition.

I have been present, either to assist or officiate, at other places, as follows: Union City, once; Quincy, three times; Adrian, once; Hillsdale, twice; Brooklyn, once; St John's, Detroit, at two services; Hudson, twice, consecrating the Holy Eucharist in public on each occasion, and once in private. I have attended three convocations, and the consecration of the new Church at Monroe.

The past year has been, in many respects, an exceptional one in the history of this Parish. With much to encourage, we have had also many causes of sorrow and deep searchings of heart. Many deaths have occurred, all of them of a very painful character. The death of Mrs. S. S. Cobb was especially felt by the Parish, she having been identified with its interests for many years. Her fine social qualities and religious character had

endeared her to many. She was a faithful worker, an earnest Sunday School teacher, and a consistent, generous and intelligent Christian woman. Her death has left a blank among the earnest Christian women of the Parish, it will be very difficult to fill. Others not so well known, but in their own circle none the less dear, have been called to rest.

There is promise, too, of a revived interest in parish and church work. It is the misfortune of this, as of many other Parishes, that the burden of interest and responsibility rests with a few. We hope, however, to secure in time a more active general co-operation. A rectory has been built, and money raised for repairs and the general improvement of the church.

In consequence of the pressing nature of our parish interests, our contributions to outside objects have been comparatively small. Some of our Diocesan claims have been overlooked. We hope, however, to do better the ensuing year. Taken altogether, we are hopeful of future blessing and prosperity.

This Mission, commenced two years ago, has now developed into two parishes—one here, and the other at Davisville, five miles distant. At that point, a neat wooden church has been built and paid for. The services are well attended, and a growing interest seems to be manifested for our prosperity in the furtherance of the Gospel.

Beside the services here and at Davisville, the Missionary visits many miles around both places. Last winter, he officiated in two services at a lumber camp, 27 miles from this village, where he held the most interesting services of his life. About one hundred men were present. Long will the impressions produced linger in the memory. As the old story of the Prodigal Son was rehearsed, and applied to those who for months had been absent from home, tears were in many eyes unused to weeping, and voices not often raised in prayer uttered the words, "We have erred and strayed from Thy ways like lost sheep." May they all be gathered at last into the fold of the Good Shepherd, and with all the redeemed praise God for "the means of grace, and for the hope of glory." There is much hard work to be done here, with little worldly pay. The reward will doubtless come hereafter, in the consciousness of having performed duty.

**Grace Church, Lyons, Ionia County. (1855.)**

VACANT. REPORTED BY MR. CYRUS T. STEPHENS.

A circular requesting a report of this Parish having fallen into my hands, and being requested by several parties interested in the Episcopal Church to reply to it, in the absence of Wardens (or any other officers belonging to the Church), I will endeavor to make a plain statement of how matters stand. I believe, from what I can learn, that for several years there has been no Church organization in this place, consequently there can be no regular report to make. Since last summer, we have had no Episcopal services here at all, and then only occasionally, the Rev. Mr. Stonex, of Ionia, officiating.

I would say, that there are quite a number interested in this Church, and though there are comparatively few communicants, I think with a little effort, especially at the present time, there being a dearth of religious services, and a sad lack of general morality, that a church organization might soon be established. I feel convinced, and am authorized to say, that there is an earnest desire to this effect.

About two weeks ago, the ladies got up a little festival to raise a fund to have occasional services on the Sabbath day, from which was realized \$44. That sum is in the hands of Dr. B. M. Hutchinson, acting as treasurer, to be applied for that purpose. A great deal more could be done with a little help and co-operation from the Diocese, and some good man as pastor to be occasionally amongst us, so that the interest now raised may not die out.

I am requested, in behalf of the parishioners, to earnestly beg that the state of our Parish here might be a subject for consideration.

(See report of St. John's Church, Ionia.)

The present Rector entered upon his duties, in this Parish, on the twenty-first Sunday after Trinity (November 6), 1870. During the vacancy in the Rectorship (August, September, and October), the services on the Lord's-day, were continued without interruption by a Lay-reader and the Rev. M. S. Woodruff, of St. Louis, Missouri. Mainly through the indefatigable labors of the ladies of the Parish, the necessary funds have been contributed for a new furnace and church repairs. A new organization has recently been instituted, under the name of "THE LADIES' CHURCH AID OF TRINITY PARISH." This society is instituted for the purpose of aiding its members, through mutual co-operation, prayer and advice, in doing, with system and order, under the direction and guidance of the Divinely appointed Ministry, such works of love for CHRIST'S Church, and poor, as Christian women may engage in." As a part of such works, a committee has been appointed to collect weekly, mite subscriptions for the Parsonage Fund. A bi-monthly paper is issued by the Rector as a "Parochial Record, having for its object the increase of a general interest in all Parochial matters, and an incitement to more earnest and united work in all things connected with the Church. It is designed also to serve as a medium for communicating matters of information and suggestions in regard to Parochial affairs, and interesting items of Diocesan and Missionary intelligence." There are gratifying indications of the Divine blessing upon the several departments of Pastoral and Parochial work. The Parish is united and harmonious, and all its affairs are in a prosperous condition. In reporting the number of "Public Services," and likewise, the celebrations of the "Holy Communion," I have given as near to an approximate of numbers as possible, with such means of information as were at hand. The attendance at Holy Communion during the past six months, has averaged more than one-half of all the communicants. "Cottage Lectures" were held weekly, at private houses during Lent, with large attendance, and we trust spiritual benefit. On the first Sunday of each month we have had a service especially for the children, with a sermon and public catechising. They have also been catechised and addressed in the Sunday School on eleven occasions. On the first Sunday after Easter the Rector

opened a Mission School, at the Fourth Ward School-house, Capitol Hill. There has been an average attendance of fifty pupils, and the enterprise is increasing in interest. The teachers assisting the Rector are all members of the Bible Class.

In addition to the above, I have to report the following duties performed elsewhere during the past year, viz: Assisted once in Ann Arbor; twice in Trinity Church, New York; five times and preached once in St. Andrew's Church, Mount Holly, New Jersey; officiated and preached in different Churches in Philadelphia, nine times; in Beverly, New Jersey, twice; Frankford, Pennsylvania, once; Bethlehem, Pennsylvania, three times. I also baptized seven children in Philadelphia, and participated in Missionary meetings and convocations at Adrian, Jonesville, East Saginaw, and Coldwater. At the latter place, on that occasion, I baptized an adult and three children, and presented a class of four candidates for confirmation.

This report is unavoidably defective, since it includes only an account of the work from September last. There has never until now been a record of communicants kept, therefore the report I make is founded solely upon the number actually residing in the Parish at the time I assumed its Rectorship.

During the first half of the conventional year, I officiated as associate with the Rev. O. E. Fuller in Fenton and Linden, and performed the rite of holy matrimony once at Fenton, and attended one funeral at Ionia.

Since the first of November, I have had charge of the Negaunee Mission, baptized one adult and three children. I have also given four services to Trinity Church, Saranac, and baptized one adult, and was present when the Bishop administered the apostolic rite of confirmation, and presented the candidates.

The Communion alms include only the amount used for Parish purposes. The salary is not included in this report. Under "Public Services," burial services are not included. The Parish is raising \$7,000, to enlarge the present Church and build a chapel. The money is payable monthly, beginning June 1st of this year. A large portion of the amount is secured already, and the enterprise will be completed this season and reported next year. The Parish is also raising money to purchase a fine pipe organ, and a large portion of the amount is already in the hands of the Treasurer of the Ladies' Aid Society. In the meantime, an interest in all the benevolent objects of the Church and in Church worship, gradually and permanently increases.

The charge of this parish was assumed by the above Rector in August last. St. Paul's Church, Corunna, has since been taken in connection with it, and is now supplied with services every Sunday. The prospects of both parishes it is believed are more encouraging than for some time past. In addition to the services at these places, the Rector officiates once a month in Bennington, six miles distant. Through the efforts of a zealous layman, a good deal of interest has been awakened in the church, at that point. Lay services are regularly held, and a flourishing Sunday School is now in operation.

Since last Easter, my labors have been mostly confined to Paw Paw. During the summer and autumn of 1870, I officiated regularly at Lawton and Lawrence; occasionally at Decatur and Keeler. At the last mentioned place, I found a young, interesting Church family, or rather the lady of which was an intelligent daughter of the Church from Central New York, whose first-born child I baptized in May, 1870. The husband was an intelligent young man, son of one of the early settlers of Keeler, and wholly unacquainted with the Church; but he was deeply affected at the baptism of his child, and interested in the services of the church, which he then witnessed for the first time, and, aided in no small degree by the excellent example of his noble wife, he decided to enlist as a soldier of the cross. I baptized him in the month of August. But his Christian career was short.

After a few months of a devoutly religious life, and before he had the opportunity to carry his wishes and intentions fully into effect in the rite of confirmation, he was called home. On the first Sunday after Easter, I was called to perform the two offices of burying him and of baptizing his second child.

There are several candidates for confirmation at Lawton and Paw Paw and other parts of the missionary field. The church people of Lawton have decided to connect themselves for the present with St. Mark's, at Paw Paw; consequently my Sundays are mostly spent in Paw Paw, where we have regular morning service, and a very interesting Sunday School at 4 P. M.

The parishioners of St. Mark's are making strenuous efforts to pay off the debt on the church lot, and have nearly succeeded. When that is fully accomplished, an effort will be made to build a church edifice. At present, we worship in a small private chapel, which will comfortably seat eighty persons, and on special occasions over one hundred can be accommodated, as was the case on Easter Day.

It may be stated, that the pews in the church are mostly let, and that the general attendance is good, particularly during the week day services in Lent. The vestry are taking active measures to procure a parsonage; this most desirable result is hoped soon to be realized.

## St. John's Mission, Quincy, Branch County. (1869.)

REV. HENRY SAFFORD, IN CHARGE. (1870.)

Communicants—Last reported, 18; received, 1; died, 1; removed, 1. Present number, 12.

The ladies of the Church Aid Society have raised during the past year for church purposes \$311.85. They have worked with a zeal and a purpose seldom equaled, and in good works have given full proof of their love and devotion to the Church.

The Mission has been frequently visited in the early part of the present year by the Rev. Dr. Schetky, and more recently by myself. There has been much to encourage efforts. Good congregations have greeted us, and there are many persons very favorably inclined to our service. The faithful few ought to be encouraged and helped in their efforts to build a house of worship on the lot which was purchased and paid for a year ago, and which is in every way suitable for the purpose. Many think it one of the best sites in the town for a church.

There are few missionary points which offer greater encouragement for church efforts, and we would like to see our services well sustained.

The Sunday services include two services in Holland, January 1st, 1871, two in Allegan and two in Plainville.

Our services in Saugatuck continue to be held in the Union school building. The village has suffered a depression from the railroad anticipated there going several miles east. Still, as one of the best harbors on the lake, on which improvements are constantly being made, and as there is a fine region opening up around it, which will be improved to a greater extent as the lumbering interest declines, I think it important that the services of our Church should be sustained. There is a population of sixteen hundred on both sides of the river, with only three small church buildings, including that of the Dutch Reformed.

This report embraces the work of eight months. There is a promise of still more fruit on the vine of God's planting. It has been nearly three years that it has been without a dresser, and yet, thank God, it lives under the Holy Spirit's fostering care, and gives hope now of a vigorous growth. I have held service at several places without the bounds of the parish, still looking to Christ for strength and favor to work and do His Divine will.

The Missionary is able to visit this Parish only once in four weeks. It is his opinion, that the constant services of a resident minister would very much increase its growth, and would secure its permanency.

## REPORTED BY THE WARDENS.

Communicants—Male, 8; female, 8; total..... 11

This Parish is under the missionary supervision of the Rev. Levi H. Corson. During the past year, previous to May 14, there have been no services in the Church, owing to the inconvenience of Mr. Corson getting here from Wyandotte, at which place he resides. Arrangements are now made by which Mr. Corson can get back and forth, and we have regular services every Sunday afternoon. Could this Parish and St. John's, Grosse Ile, be connected, it would be much more desirable and convenient for a clergyman than this place and Wyandotte.

During the year past, I have also conducted services at Tecumseh, Ypsilanti, Saginaw City, Brooklyn, Cambridge, Coldwater, Kalamazoo, Dexter, and Niles.

The Rev. Alexander H. Rogers relinquished the Parish, at Three Rivers, in December last, and my own incumbency dates from the middle of September, 1870. The ladies of the Parish have recently placed in the Church a set of elegant chancel chairs, a sedelium, and credence table, besides elegantly embroidered cloths for the lecturn and pulpit. We have also now in circulation, a Parish library containing more than one hundred volumes of standard church literature.

**Church of the Redeemer, Whitehall, Muskegon County. (1870.)**

VACANT. REPORTED BY THE WARDENS.

The following is the report of the Parish of "The Church of the Redeemer," at Whitehall, Muskegon county, for the year just closed.

This Parish was organized about the first day of June, A. D. 1870. Its Vestry invited the Rev. J. W. Clark, then of Muskegon, to officiate as Rector, and under an arrangement then made he was to hold service every four weeks; in about six weeks thereafter he resigned his Rectorship, since which time we have not had service. During this period, the Rev. Marcus Lane, of Flint, Michigan, held service three Sabbaths.

Soon after the organization of the Parish, the ladies identified with it, organized an Aid Society having for its object the accumulation of money to aid in the erection of a Church. During the summer and last winter, the Society accumulated about \$125, and received a donation of \$50 from his excellency Governor Baldwin, all which they now have ready to be used when required.

At a festival in June last, the Parish received a donation of a Communion Service from a true friend residing in the city of Grand Rapids, and of the value of about \$35.

Although we have not had any one to guide us but the dictates of our own conscience, in view of the light set before us, we have been at work, and we think time will reveal its benefits.

About two weeks ago, Mrs. Joseph Heald, aided by a lady of the Society, commenced the circulation of a subscription, and have procured subscriptions to the sum of about \$2,800, including the money on hand; but to accomplish this the Society subscribed the sum of \$500, and they intend to get that sum by their own effort, although they sometimes have their doubts; but when they look at their former liberal donations, and particularly of friends from abroad, their "strength is renewed."

The Vestry, at a recent meeting, resolved to erect a Church, and to that end have employed an architect to draw plans and specifications, and will let the contract during the next ten days. We confidently expect to have the Church ready to be consecrated by the first of November next.

In addition to my services at Wyandotte, I have the past year officiated three times at Ecorse and seven times at Trenton. Arrangements have recently been made to have a regular afternoon service at the latter place every Lord's Day. The pledge for Diocesan Missions of \$10, and the assessment of \$4 for the past year, have been paid by the parish at Trenton.

## Grace Church, York, Washtenaw County. (1862.)

## VACANT. REPORTED BY THE WARDENS.

A small chapel has been completed, and application has been made to the Bishop for consecration. Some children await baptism. The parishioners are very few.

## The Mission to the Swedes. (1870.)

REV. PETER A. ALMQUIST, MISSIONARY, PARIS, MECOSTA CO. (1870.)

Report for the time between November, 1870, and June 1871, of the Mission to the Swedes, in Northern Michigan:

Since my arrival here, I have performed the following ministerial acts: Baptized, 6; confirmed, 1; marriages, 2; burials, 2. Public Services—59 for

Sundays and Holy days; 7 for week days; or 66 in all. I have administered Holy Communion four times. The communicants have been about fifty. Private Communion Service held two times. Occasionally I have assisted in the churches of Grand Rapids and Big Rapids; and, without the limits of the Diocese, I have baptized five children, held one communion service and four public services in Chicago, Illinois.

The immigration of Swedes to this part of the State of Michigan—Macosta and Osceola counties—seems to take large dimensions. Howbeit, the settling has not, up to this time, been in proportion to the immigration, and, consequently, no church edifice is yet erected, and no offerings for this or any other purpose has been made, owing very naturally to the circumstance of the poverty of the immigrating people.

### Mission at Breedsville, Van Buren County. (1871.)

REV. W. N. LYSTER, MISSIONARY. (1871.)

As through your kindness I am again on the missionary field, which last year I felt obliged to leave on account of ill health, I address you thus briefly, and not without some cheerfulness, God be praised, for a sufficient renewal of strength to enable me to do *something*, though so far less of my Master's work than I could wish—during the seasons last past, baptizing six, administering the Holy Communion twice, preaching eleven times, visiting and distributing tracts, etc., etc., on sundry occasions.

I pray that the Almighty may more fully bless myself and those committed to my care in days yet to come.

## REPORTS OF CLERGYMEN NOT IN CHARGE OF PARISHES.

[Extract from Digest of the Canons of the General Convention.]

### TITLE I, CANON XV, SEC. I.

"Every Clergyman not regularly settled in any Parish or Church, shall also report the occasional services he may have performed; and if he has performed no such services, the cause or reasons which have prevented the same."

---

THE REV. ISAIAH J. BABCOCK, DEACON, KALAMAZOO. (1849.)

As usual, I have nothing to report for the ecclesiastical year just closed, having been engaged the whole year in my usual business, no opening for

labor having been thrown in my way that I could have attended to with profit to the Church, consistent with my every-day calling. Next year I hope for a better report. Last Sunday I officiated for the people in Plainwell, who are striving to establish a church in their enterprising and growing town. I officiate again next Sunday; and, in conjunction with the Revs. Watts and Judd, I hope to be able to do something for the Church at Plainwell this year.

---

**THE REV. DANIEL E. BROWN, FLINT, GENESEE COUNTY. (1863.)**

Since the meeting of the last Convention I have been steadily engaged with the duties of the Ministry in this Diocese. I have officiated for the Rev. Mr. Anderson, of Pontiac, in his absence several times; at Owosso, in the Rev. Mr. Banwell's absence, twice, and, in his absence, at Corunna once; also in St. Paul's Church, East Saginaw, twelve occasions; also in St. Jude's Church, Fentonville, on twelve occasions; also in St. Paul's Church, Lansing, once; also in St. John's Church, Saginaw City, thirteen occasions; making in all forty-two occasions in which I have officiated during the Conventional year.

Thus have I been occupied in my endeavor to discharge my duties in that position to which the providence of God hath called me.

Baptized—Infants, 4; adults, 1; total, 5. Marriages, 3; burials, 1. Public services, 42. Holy Communion—Public, 5. Catechising openly in the Church, 10.

THE REV. MOSES H. HUNTER, DETROIT, WAYNE COUNTY. (1846.)

I continued the regular services in St. James' Chapel, Grosse Ile, until the end of November last, since which I have officiated twice in St. Stephen's Church, Detroit; once in St. Peter's; once in the Mariners'; several times at St. Luke's Hospital; besides assisting on one occasion the Rector of Christ Church, and twice supplying the Rector's place in St. Paul's Church during Lent. In January last, I accompanied the Bishop on a visit to Dean Armstrong, of the Diocese of Huron, C. W., and made a missionary address in Mooretown and one in Corunna. On Easter Day, I officiated three times in Trinity Church, Toledo, and administered the Holy Communion. Since that I have supplied Zion Church, Pontiac, for three Sundays.

During the year I have baptized 4 infants.

---

THE REV. EDWARD MAGEE, DETROIT, WAYNE COUNTY. (1858.)

With the exception of Easter Sunday, when I assisted the Rector of Grace Church, Detroit, in the gladsome services of the day, I am not able to report any official acts, even in part, since the last month in winter. Rheumatism has proved the great impediment in my case, and even now, after the lapse of upwards of two months, it still cripples my movements. Prior to this time, however, I often assisted in the above Parish on occasions of monthly Communion and Sunday services.

I also attended three funerals, and married one couple besides.

### REPORT OF THE WESTERN CONVOCAATION.

No report made to the Bishop. No meetings have been held.

### REPORT OF THE SOUTHERN CONVOCAATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan:*

Quite an interesting meeting was held at Adrian, September 13 and 14, 1870, at which the Bishop of the Diocese was present, and the Rev. Dr. George P. Schetky and Rev. W. W. Raymond were preachers.

A second meeting was held at Mendon, January 17 and 18, 1871, at which Rev. Messrs. Frisbie and Smythe were the preachers.

A third meeting was held at Hudson, March 21 and 22, 1871, at which Rev. Messrs. Safford and Fleetwood were the preachers.

Holy Communion was celebrated on each Wednesday morning at these meetings, and Missionary addresses were the order for each Wednesday evening. Business meetings were held each Wednesday afternoon.

W. W. RAYMOND,

*For the Secretary.*

## REPORT OF THE NORTHERN CONVOCATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

Three meetings of the Northern Convocation have been held during the past conventional year.

The first at Flint, October 18, 1870, and though few of the members were present the want was supplied, in part at least, by brethren from the Eastern. The Rev. S. S. Chapin was re-elected Secretary.

The usual services, sermons, and addresses were interesting, and at the business meeting the following questions elicited some spirited remarks:

"What methods are best calculated to make Sunday Schools preparatory schools for Confirmation?"

"How can we engage the Laity more generally and more earnestly in Parochial work?"

The second meeting was held in Owosso, January 18, 1871.

The principal event at this meeting was the consecration of Christ Church, by the Bishop of the Diocese, assisted by eleven of the brethren.

At this meeting, the subject of Convocation Music was freely discussed and the Secretary directed to purchase copies of Waterbury's Common Praise for its use.

The subject of Convocation Boundary was also acted upon, the Bishop approving.

The third meeting was held in Bay City, April 18, 1871. Five of the brethren, beside the Rector, were present and participated in the interesting services held.

General questions respecting Missionary work were discussed, and Rev. Messrs. Clark and Lane were appointed a committee to devise some plan whereby, if possible, to make Convocation more thoroughly a Missionary worker, the principle being right, but the machinery used in part wrong.

It was agreed upon by all present, that as good as Convocations are, they can be made very much better and more effective for good to the Church.

All which is respectfully submitted.

S. S. CHAPIN, *Secretary.*

ST. JOHNS, June 4, 1871.

## APPENDIX F.

# REPORT OF THE ST. LUKE'S HOSPITAL AND CHURCH HOME, DETROIT.

To the Rt. Rev. Samuel A. McCoskry, D. D., D. C. L.:

I would respectfully submit, in response to your call for information, the following statistics of St. Luke's Hospital and Church Home, situated on Fort street, in the town of Springwells, in the vicinity of the city of Detroit.

This Hospital was incorporated February 12, 1861; was reorganized March 31, 1866. The present building has been occupied nearly two years.

By the report made at the last annual meeting of the Institution, the number of patients received during the preceding year was..... 24  
Previously remaining..... 11

|                                                                                | <hr/> 60 |

Not to exceed one-half of the number of persons admitted were members of our own communion.

The Hospital and the Home are alike dependent upon voluntary offerings for their support; they have no endowment whatever, except a contribution of one thousand dollars, the interest only of which is applicable to the use of a free dispensary, which has just been established under most favorable auspices, and is already doing good service gratuitously to all who need it.

The property of the Institution is now valued at about \$50,000. Except a mortgage for the purchase of the land, of six thousand dollars, its debts are all paid. Subscriptions have been made to discharge the mortgage nearly sufficient to liquidate the debt.

The annual income has been as follows:

|                                          |             |

| Total.....                               | \$51,235 26 |

A subscription has also been made by four of the members of the Board of Trustees for the erection of a Chapel, designed to accommodate the large Sunday School now occupying one of the wards of the Hospital, and to give enlarged conveniences for Church services at the Institution.

The medical staff recently organized, and now efficiently prepared for their duties, will doubtless tend to a large increase in the number of patients; and the renewed interest manifested in the cause must insure its happy progress to great usefulness and well-deserved prosperity.

Respectfully submitted.

ALLEN A. RABINEAU, *Treasurer.*

## APPENDIX G.

## PROPOSED AMENDMENT OF CANON XI,

## Entitled "Of Convocations of the Clergy."

(See Journal, pages 26, 44.)

I. There shall be a Missionary Convocation in each Parish of this Diocese, once during the Conventional year, for the purpose of making the Laity acquainted with the needs of the Church in this Diocese, and securing their hearty and enlightened co-operation with the Bishop and Clergy for its advancement.

II. The said Convocation shall begin on Friday and extend through Sunday, and the regular order shall consist of full evening service, with sermon, on Friday and Saturday evenings; full morning service on Sunday; a meeting with the Sunday School on the afternoon of Sunday, and a missionary meeting on Sunday evening.

III. The members of the Convocation shall consist of two of the Clergy of some Parish, not too remote from that visited, and of some Layman or Clergyman to represent the Missionary Committee of the Diocese, together with the Rector of the Parish.

IV. In order not to impose additional labor on the Bishop of the Diocese, on whom devolves the care of all the churches, the mere clerical work of designating the times for the several convocations, and those who shall take part in them, shall be discharged by the Diocesan Missionary Committee, by means of printed blanks, to which shall be attached, with his consent and under his direction, the name of the Bishop of the Diocese, or, in case there be no Bishop, or of any emergency wherein the Standing Committee usually act, the names of the said Standing Committee.

V. It shall be the duty of every Clergyman belonging to this Diocese to give as many Sundays to this work as he may be required to by appointment of the Diocesan Missionary Committee, acting for and by consent of the Bishop of the Diocese, or of the Standing Committee, as provided for in section IV of this Canon; *provided, always*, that no Clergyman may be called upon for more than four times in each Conventional year.

VI. At the final Missionary Meeting of each Convocation, printed blanks shall be circulated for the obtaining of pledges from the individual members of the Parish of sums to be handed in to the Treasurer of its Vestry, in quarterly payments, for the support of missions in this Diocese during the Conventional year.

VII. In any case where a Clergyman, summoned to attend a Convocation, is unable to bear the necessary traveling expenses, the Treasurer of the Missionary Committee shall have full power to defray such expenses out of the Diocesan Missionary Fund, when notified of the necessity thereof.

VIII. The Convocation may be held on other than the three days designated in this Canon, if, in the opinion of the Bishop, or of the members of the Missionary Committee, the peculiar circumstances of any Parish require such a change; but this shall not be done in any instance by said committee without the assent of the Bishop, or if there be no Bishop, or he be absent, of the Standing Committee.

It appears by the above statements that the amount received and disbursed by this committee during the past year is larger than in any previous year in the history of the Diocese; and yet the committee were obliged to refuse many most worthy applications for aid, from want of money.

There has been no decline in the contributions of the churches to this fund for many years, always a slight increase.

May we not expect and urge something more than a corresponding increase to the pledges for the ensuing year? It will require a large increase, to give the committee the same means they had last year, because there is now an available balance of only \$108.94 against \$745.57 of the preceding year.

In this connection I take pleasure in calling the attention of the committee to the handsome sum of \$365.19 received during the past year from unpledged sources and in excess of pledges.

\* This amount was remitted to this Parish by vote of this committee, February 13, 1872, having been paid to this fund in 1870-1 instead of to the assessment fund.

† Paid since the report was drawn up.

‡ Evidently a mistake, the Rev. Mr. Brown says he did not authorize the pledge.

With the exception of the liberal contribution of \$100, from St. John's Sunday School, Detroit, this amount is made up of small items contributed by feeble churches and Sunday Schools and mission Sunday Schools.

The number of missionaries at present receiving aid from the Church Extension Fund is thirty, to wit :

Rev. G. E. Peters, Albion; Rev. A. Jamieson, Algonac; Rev. H. Judd, Allegan; Rev. W. W. Rafter, Alpena; Rev. E. W. Flower, Big Rapids; Rev. S. W. Frisbie, Brooklyn; Rev. W. R. Tillinghast, St. Peter's Detroit; Rev. Milton Ward, St. Stephen's Detroit; Rev. V. Spalding, St. Joseph; Rev. Albert C. Lewis, Elk Rapids; Rev. L. L. Rogers, Fenton; Rev. Joseph B. Prichard, Grand Haven; Rev. Sidney Beckwith, St. Paul's Memorial, Grand Rapids; Rev. P. A. Almquist, Hersey and parts adjacent; Rev. J. Rice Taylor, Holland and Saugatuck; Rev. Edward Seymour, Houghton; Rev. Jesse T. Webster, Hudson; Rev. R. W. Grange, Jackson county; Rev. George A. Whitney, Jonesville; Rev. A. B. Flower, Lexington and Davisville; Rev. Augustus Bush, Mendon; Rev. Sidney H. Woodford, Mt. Clemens; Rev. Robert Wood, Negaunee and Ishpening; Rev. Henry Banwell, Owosso and Corunna; Rev. Darius Barker, Paw Paw; Rev. Thomas B. Dooley, St. Clair; Rev. S. S. Chapin, St. Johns; Rev. Henry McClory, Three Rivers; Rev. Charles R. Huson, Union City; Rev. L. H. Corson, Wyandotte.

Two missionary meetings have been held during the year, viz: at Marshall in November, and at Kalamazoo in May. A detailed statement of receipts and payments for the past year is annexed.

Mr. J. H. KENNEDY, Chairman of the Committee of the last Convention on Fenton Schools, presented the report which was read by the Rev. J. F. CONOVER, as follows :

**Report of the Schools at Fenton.**

Your committee appointed by the last Diocesan Convention (Journal page 38) "to represent this Convention till its meeting this year, and to act to the best of their judgment for the interests of the Diocese, in regard to Trinity Schools at Fenton," respectfully report,—They have had correspondence with the Secretary and General Agent, and have also seen and conversed with a majority of the Board of Trustees, and have visited and examined the school property at Fenton. All the main facts concerning these schools were furnished your committee by a statement prepared by a Committee of the Board of Trustees, and which, it is thought, places before the Convention the information it requires, to act upon. This statement marked "A," is appended to this report and made a part of it. Your committee will add, that a personal inspection of the buildings and grounds, confirms the statement made to them in the printed exhibit and otherwise. The Trinity Schools were incorporated under the general law of the State, September 14th, 1868, "to establish, maintain and perpetuate, on an avowed Christian basis, a systematic and thorough instruction for youth of both sexes, in the various English branches and ancient and modern languages," and "furthermore to establish and continue a course of instructions suitable to young men looking forward to the Christian Ministry, according to the standards of the Protestant Episcopal Church in the United States." The Bishop of the Diocese is, as his successors in office must be, President ex-officio of the Board of Trustees. The Trustees are appointed on the nomination of the Bishop, and confirmed by the Trustees, whose terms are unexpired, the present Board of Trustees are churchmen with one exception. The Diocese of Michigan has at every Convention for a number of years, expressed its desire to promote Christian education, through the encouragement and establishing of Church Schools. Your committee see in the present condition of Latimer Hall, and its proposed speedy completion, an opportunity to carry this desire into effect. If a commodious school building nearly completed, located on advantageous grounds, which are ample enough, and requiring less than \$3,000 to put it in operation under the control of Churchmen, be permitted to pass into other hands for the want of the sum named, as must be the case if action is not taken now; the protestations of the Convention in behalf of Christian education, your committee fear would not encourage further effort in that direction. Rev. O. E. Fuller, the Secretary and Agent of this Institution has labored with rare faith, fidelity and perseverance, and substantially unaided by the Diocese in bringing the school thus far to completion, but it is his opinion and the opinion of your committee, that he cannot go on further without the encouragement and help of the church. Your committee believe that moneys collected

in the future, as in the past, would be so slowly gathered that expenses would use them up.

Your committee therefore recommend the adoption by the Convention of the resolution appended to Exhibit "A" accompanying, and a part of this report, and, that the action of the Convention in adopting it be cordially seconded by the good will and contributions of the Parishes. This action commits the Convention to nothing beyond this help which will put the Schools in operation.

Respectfully submitted,

J. F. CONOVER.

J. H. KENNEDY.

### EXHIBIT "A."

FENTON, May 30, 1872.

TO THE REV. J. F. CONOVER

AND

MR. J. H. KENNEDY.

*Gentlemen* :—In the matter of the resolution of the Diocesan Convention of 1871, whereby you were appointed "a committee of two to examine into the organization and administration" of Trinity School, Fenton, "to report to the next Convention, with recommendations," the undersigned beg leave to say that they have been directed by the Trustees of said School to lay before you such information as you may desire, and invite you to attest the same, as far as possible, by personal inspection.

We have thought best to commit the more important facts to paper, as being most convenient for your purpose. Any details required will be verbally supplied.

The Corporation of Trinity School was formed Sept. 14, 1868, with the avowed purpose of promoting Christian Education under the guidance of the Protestant Episcopal Church.

The Trustees are seven, and at present as follows : The Rt. Rev. SAM'L A. MCCOSKRY, JAMES BURTENSHAW and WM. N. CARPENTER of Detroit ; and C. H. TURNER, B. K. DIBBLE, F. H. WRIGHT, and O. E. FULLER of Fenton.

We have two buildings nearly a mile apart—Latimer Hall for boys, and Ridley Hall for girls ; the former on grounds consisting of about five acres, paid for and held in fee-simple, with adjoining lots of about three acres held on contract ; the latter, on grounds consisting of about one acre and a half, paid for and held in fee-simple.

Each building is of brick, 40 x 46, with four floors.

They are both under roof, with sash, doors and flooring on hand and paid for.

There has been raised and spent

|---------------------------------------|--------------------|
| In Fenton, . . . . .                  | \$9,437 39         |
| In other parts of Michigan, . . . . . | 3,726 00           |
| Outside of Michigan, . . . . .        | 9,769 00           |
| <b>Total, . . . . .</b>               | <b>\$22,932 39</b> |

Besides this, in order to put the buildings and grounds in their present shape, it has been necessary to raise \$2,000 on the property. Mr. F. H. WRIGHT, since become a Trustee, holds the mortgage and is willing to give any reasonable time for its payment. The interest is paid to May 1, 1872.

The floating debt is all paid off, save in one instance, for which provision is made by funds in hand.

The agent has struggled on through many discouragements to the present time, hoping and praying that helpers might be found to relieve him from a single-handed effort and bring the work to a happy issue. We need not say that large in-roads have been made upon his receipts by expenses. He is unwilling to again go out of the State for funds, believing such a course unwise, if not wrong, and he does not wish to enter upon a canvass throughout this broad Diocese, which by its long continuance and lack of moral support would defeat its own end.

The Board fully agree with him, that the affairs of the Institution are at a turning point ; and that in this crisis an earnest co-operative effort is imperatively demanded.

We respectfully submit for your consideration, the conclusion of the board in regard to this present juncture.

For \$2,750, we are assured after careful estimates, Latimer Hall can be finished and plainly furnished for the reception of pupils in Sept. next, provided there can be a reasonable assurance concerning the funds, so as to begin work as early as the first of July.

With two months for advertisement and appropriate effort, it is believed that from ten to fifteen boarding-pupils may be secured with a moderate number of day-pupils.

In the event of the building being ready at the time mentioned, the Rev. Mr. FULLER, with competent assistance, will assume the charge of the School.

Believing that the friends of Christian Education in this Diocese will not suffer this enterprise to fail for the want of so moderate a sum, we beg leave to suggest to your favorable notice the following resolution for recommendation to the Convention :

*Resolved*, That the Rectors of Parishes throughout the Diocese be requested to present the needs of Trinity School, Fenton, to their respective congregations, with a view to a collection in aid thereof, or a personal can-

vass by the agent, as they may deem best, looking to a total contribution of \$2,750 for the purpose of putting Latimer Hall, the department for boys, in a condition for the reception of pupils in Sept. next.

JAMES BURTENSHAW.

Mr. Fuller, looking to a total contribution of three thousand dollars for the purpose of putting Latimer Hall, the department for the boys, in a condition for the reception of pupils in September next.

The Rev. J. T. MAGRATH, Chairman of the Standing Committee on Christian Education, presented and read the report, as follows :

The Committee on Christian Education beg leave to report:

For many years past, able and interesting reports have been made to the Convention of this Diocese, on the very important subject of Christian Education.

After being printed in the Journals, they seem to be wholly forgotten, the Diocese up to this time making little or no effort to carry out the recommendations offered by this Committee.

In view of these facts, your Committee respectfully advise and exhort the members of the Church in this Diocese, to examine with care the wise suggestions already placed before them, and entreat their fellow churchmen to neglect no longer one of their plainest and most imperative duties, and one in the fulfillment of which we linger far behind many Dioceses of no greater ability in numbers or in wealth than our own.

The Rev. J. W. BROWN from the Committee on Music, appointed at the last Convention, presented and read the report, as follows :

The Committee to whom was referred so much of the Bishop's address, of last year, as related to Church Music, (Journal page 36) beg leave to report :

The one great object of their appointment they believe to have been, to suggest some method by which uniformity should be secured to the Diocese. They regret their inability to do this at present. The reason for this is, the delay in the publication of the various tune books adapted to the new Hymnal. Your Committee have not been idle, but have diligently examined the published books and also have corresponded with committees of other Dioceses. The members of the Committee all unite in recommending one book now before the public, but are advised of the publishing of a new one soon to appear, from the hands of a well known authority in the matter. They cannot therefore assume to recommend any book at present, and are compelled to respectfully ask the Convention, if they deem uniformity at all possible—and your Committee unanimously so consider it to be—and if it is their pleasure, to continue them in their labors, and authorize them when they agree upon a book to recommend the same, with approval of the Bishop, and that the parishes here represented, will to the best of their ability and at their earliest convenience introduce and use the same.

The Rev. J. W. CLARK offered the following:

*Resolved*, That the Treasurer address a circular to the Wardens of each Parish stating the amount of the assessment on that Parish for the year ensuing, amount of arrearages, and to what end such assessment is made, and asking for speedy action.

#### **Amendments to Canon 4.**

“The revenues and receipts from pew rents, collections and other sources ; the expenditures for all parochial purposes, and contributions for missions and other objects.”

After the word Parish on the seventh line of 13th page, insert as follows :

“To enable the minister to make the report herein required, it shall be the duty of the Church Wardens, Treasurer or Secretary, to furnish the Minister a full statement of the receipts and disbursements of the Parish.”

Also strike out the words “entered and” from the last line of the Canon

So that the Canon would read as follows :

#### **Canon 4.—Of Parish Registers and Parochial Reports.**

SECTION I. In every congregation, the Church Wardens shall provide a proper book, in which the minister, or if the Parish be vacant, one of the wardens, shall record the name and date of the birth of the child baptized, with the names of the parents and sponsors, the name of the adult baptized, and the name or names of the witness or witnesses, the names of the persons confirmed, together with a list of all the communicants in the Parish, with the date of every event recorded, all of which shall be under the signature of the person recording.

From this register, there shall annually be presented to the Bishop, on or before the first day of the Convention, by the minister, or, if there be no minister, by one of the wardens, an accurate statement of the number of baptisms, marriages, funerals, and persons confirmed and admitted to the Holy Communion since the last report, and also of the number of pupils and teachers connected with the Sunday School instruction in the Parish; *the revenues, and receipts for pew rents, collections and other sources; the expenditures for all parochial purposes, and contributions for missions and other objects*; together with such other particulars as may throw light on the condition of the Parish.

*To enable the Minister to make the report herein required, it shall be the duty of the Church Wardens, Treasurer or Secretary, to furnish the Minister a full statement of all receipts and disbursements of the Parish.*

The committee to whom was referred so much of the Bishop's address as relates to the division of the Diocese, beg leave respectfully to report :

The Convention will perceive that the action but supplements that already commenced. The subject was introduced at the last Convention in several resolutions, which in due form were referred to a special committee. That committee reporting at this session gives the subject to the Bishop to consider in his Address. Your present committee assume it not to be within their province or power to express any opinion as to the present expediency or in expediency of the division of the Diocese. They possess no data upon which to form such an expression. In view however, of the agitation of the subject by the Convention, and its notice by the Ordinary, and also in view of the grave importance of the subject, they believe the Diocese should in their Parishes respectfully prepare for a careful consideration of it. Your committee therefore respectfully proposes that the whole matter be referred to the Parishes for consideration. That in order to this, if it be the pleasure of the Convention, this committee be continued, or another appointed, and they be instructed to furnish by circular all the Parishes with necessary information involved in the consideration of the division of the Diocese.

## The Bishop's Address.

---

*Dear Brethren:*

It is with great pleasure, and I trust with thankfulness to God, that I again meet you in our Diocesan Council. It is the annual meeting of the members of the same family, separated far and wide, engaged under the great Captain of our salvation, in the warfare against the enemies of God and man, and coming together to tell of their various successes and victories. We have higher trophies to present than all the greatest conquerors of the earth. We come together, not to think of the dead, but of the living; to tell of those rescued and raised from the death of sin into newness of life. Our weapons inflict no mortal wound, but only kill, to make alive again, our conquests excite no unholy ambition, foster no selfish pride, and surely triumph, but in the spirit of meekness and love; we come to lay them all down at the feet of our adorable Head. We come then together in the spirit of love, bound together by no common ties, members of the same great brotherhood, and expectants of the same high and holy rewards. We welcome you then, dear brethren, and rejoice in your presence, all anxious to gain new strength and excite each other to renewed efforts in the great work committed to us.

It is a good time to look backward as well as forward; to mark the guiding hand of God in the days gone by; to think and speak of His care over His household; of its preservation from evils within and without, and of the rich blessings He has bestowed upon His children; of the unity and peace He has preserved amidst conflicting opinions; of the power and strength thus gained for diffusing its blessings throughout our land, and for gathering thousands into the fold of Christ.

### THE LATE GENERAL CONVENTION.

Since we last met together, the Church has passed through one of those periods in her history, which excite no little anxiety and fear in the minds of her children. It was especially so in reference to the meeting of the General Council, which assembled in Baltimore, in October. Not only the doctrines of the Church, but her forms of devotion, had been the subject of contention, and no little strife for years preceding its meeting.

Many ardent prayers had ascended to God, and His Holy Spirit invoked to guide the minds and hearts of those entrusted with the interests of His Holy Church. Its results gave the evidence that God was in the midst of His household, calming the spirits of His children, bringing them together in closer bonds, enlarging their charity in all things not essential to the faith, and in saving "the faith once delivered to the Saints," handed down and preserved in Christ's Holy Church, and also the book of our devotion, from any change or alteration by the hand of man.

There never was such a mingling together of different views ; never such a happy interchange of opinions, and of union in the great essentials of our holy religion.

#### THE DELEGATION FROM THE CHURCH OF ENGLAND.

The presence of the distinguished Bishop of Litchfield, the well known Missionary Bishop of New Zealand, added no little interest to the Convention, and aided no little to produce that harmony which distinguished its deliberations. His noble efforts in telling of the triumphs of the gospel of Christ over the minds and hearts of the heathen, and in presenting the duty of the Church to be more active, and diligent, and faithful in the great trust committed to her, was like oil on the excited waters. It drew all to the cross of Christ, to the power of His grace, to the greatness of His love and to the power of His truth in purifying and elevating the hearts of sinful men. Such themes stilled the voice of strife, and merged every conflicting view in the high responsibilities belonging to every member of the household of faith.

#### THE DECLARATION OF THE BISHOPS ON BAPTISMAL REGENERATION.

The declaration set forth and signed by the different Bishops on the subject of baptismal regeneration, appeared to meet the many objections made against that cardinal doctrine of our faith—the very beginning of the Christian life. It was not set forth by the House of Bishops. It will be a sad day for the Church when they assume to be the definers of the faith of Christ. It was the act of Bishops in their individual capacity. It was simply in reference to the Baptism of infants, correcting the erroneous opinions said to be held by some in the Church, that a moral change always followed its administration. The declaration signed, was, that it was not *determined* that a moral change always took place. It was saying that the word regeneration is not in the office of infant baptism, used in such a way, as to *determine* that the infant is morally changed by being baptized. It does not deny that in a sense it may be ; but it does not *determine* that it necessarily is. It is simply, and it was meant simply to be, a denial of the popular misuse of words, confounding regeneration with conversion. The latter is that change, in which the will of a conscious being, acting in co-operation with the Holy Spirit of

God, is changed, submitted, conformed to the will of God. And although in infant baptism, the will is not subjected and submitted to the sanctifying influences of the Spirit of God, there is the great *mysterious* change, making the child in all its nature the child of God, removing the inherited taint of—though not the inherited tendency to sin—giving him the aid and presence of the Holy Spirit of God and placing him by his new birth in the same relation to possible, though undeveloped Christian manhood, that birth places him to possible, though undeveloped physical manhood. Nothing is *completed* but every thing is *begun* in Holy Baptism, whose best analogy is, birth which may end in disease, or in death, but without which, there can be neither health nor life. This spiritual change is taught by the word of God, and is interwoven in all the offices of the Liturgy, in the Creeds, in the Catechism and in the Holy Sacraments. Such was the view of Baptismal Regeneration, which induced me to sign the declaration. It made no change in the teachings of the Church, but corrected the opinions falsely entertained, and attributed to some of the wisest and best teachers in the Church of God.

#### THE DIVISION OF THE DIOCESE.

At our last meeting, a preamble and resolution were introduced at the close of it, in the following words :

*“Resolved, That a Committee, to consist of four Clergymen and four Laymen, be appointed to consider and report to the next Annual Convention, whether it is expedient to divide the Diocese, and erect another within this State, and to report upon all matters touching the same.”* (See Journal, page 42.)

There had been no application made by any part of the Diocese for this action previous to the introduction of the subject. I appointed the Committee and had an interview with a part of them on this subject. As the resolution was very vague, and presented no mode by which this expediency could be discovered, they left the whole subject in my hands to bring it to your early notice. Whenever the necessity exists, and whenever a desire is manifested by any part of this Diocese to form a new one, that greater efficiency may be given to its action, and the Church of Christ enlarged in her influence throughout the borders of this rapidly growing State, I will not place any obstacles in the way, provided the requisitions of the canon be fully met. However painful it may be to sever the pleasant relations which have existed between myself and the Clergy and Laity of this Diocese, without interruption for nearly thirty-six years they will be relinquished whenever the interests of our beloved Church calls for such a sacrifice. The whole subject matter is referred to you.

## THE MISSIONARY OPERATIONS OF THE DIOCESE AND ITINERANT MISSIONARIES.

The Missionary operations of the Diocese have been successfully carried on during the past year. In order to meet the pressing demands of many parts of the Diocese I have made three of the Missionaries itinerant in their work. The Rev. Mr. PRICHARD extends his labors to the towns and places on the eastern shore of Lake Michigan. The Rev. Mr. MORRIS to Rockland, Courtland and Greenville. The Rev. Mr. SPALDING to St. Joseph, Benton Harbor, South Haven and other points. In this way we can keep alive the interest felt for the Church in places long deprived of her services. Much more could be done, If I had the means to sustain Missionaries at other points in the Diocese, but so long as the funds are given to places for twenty years or more, it is impossible to extend and sustain our Missionary operations.

## AID TO THE SUFFERERS BY FIRES.

We owe much to the members of our Church in the various parts of our country, for their deep sympathy and aid furnished for the sufferers by fire in our Diocese. Seldom, if ever, has such an expression of interest been manifested by any people for their suffering brethren. It has shown us that neither metes or bounds nor geographical lines can dry up the sympathies of the human heart. It has bound us together in stronger bonds, and exhibited that declaration of the word of God in reference to Christian brethren, that when one member suffers all suffer with it.

After my return home, I received in small contributions \$933. Six hundred dollars have been expended in accordance with the wishes of the donors. I have now \$333, one hundred of which has been pledged to a Missionary Station, to be paid on the fulfillment of certain conditions. The balance I intend to give to two or three Missionary Stations.

## CHRISTIAN EDUCATION, AND THE SCHOOLS AT FENTON.

I have often presented to you, the subject of Christian Education, but we have never done anything as a Diocese, to provide for the Children of the Church, such teaching as may educate the heart as well as the head. Most of the children have to depend upon schools having no sympathy with the teachings of the Church, or else leave their homes for schools in other Dioceses, under the care of members of the Church. I simply mention the subject to express my renewed approbation of the single-handed efforts of the Rev. Mr. Fuller, in the erection of two beautiful edifices in Fenton, for Christian Education. The buildings are nearly completed, and but a small debt remains to be paid. I do trust that efforts will be made by members of the Diocese so that these schools can be opened the coming Autumn.

## VISITATIONS—ALPENA.

July 16th. I preached twice in Trinity Church, Alpena, and confirmed eight persons. This Parish continues to increase in numbers, and no less in zeal for the cause of Christ. The Church building has been greatly enlarged, and since my visit, an eligible lot has been purchased, and a handsome parsonage erected.

## THE REV. J. T. WEBSTER RECEIVED INTO THE DIOCESE.

August 5th. Received and accepted letters Dimissory of the Rev. J. T. Webster, from the Bishop of Albany.

## HOUGHTON.

August 6th. I preached twice in Trinity Church, Houghton, Lake Superior, and confirmed eight persons.

This Parish has been greatly reduced in number by removals from the town, owing to the great depression in the mining interests. It was sad to see the number of homes deserted, and the few persons engaged in business. The Rev. Mr. Seymour has kept the little flock together, and with commendable zeal has strengthened the things ready to die. He has been engaged in teaching in the public schools to support his family, but gave as much time as possible to the duties of the Ministry. The Church building has passed out of the hands of the Vestry, by a sale under the mortgage contracted for its erection, but I hope it will be deemed by the exertions of the few who love the Lord's House.

## ROCKLAND AND ONTONAGON NOT VISITED.

Owing to the serious sickness of my wife, who accompanied me, I was obliged to forego the pleasure of visiting Rockland and Ontonagon.

## MARQUETTE.

August 13th. I preached twice in St. Paul's Church, Marquette, and confirmed ten persons.

This Parish I found to be in a prosperous condition, under the charge of its active Rector.

## CONSENT TO THE CONSECRATION OF THE REV. M. A. DEWOLF HOWE, D.D.

September 10th. I gave my consent to the Consecration of the Rev. Dr. Howe, Rector of St. Luke's Church, Philadelphia, as Bishop of Central Pennsylvania.

## THE REV. CHARLES FAY, D.D., LETTERS DIMISSORY.

September 23d. I gave Letters Dimissory to the Rev. Dr. Fay, to the Bishop of Albany.

## THE SEMI-ANNUAL DIOCESAN MISSIONARY MEETING AT MARSHALL.

November. I attended the Semi-Annual Diocesan Missionary Meeting in Trinity Church Marshall.

The meeting was a very pleasant, and I hope a profitable one. Twenty-six Clergymen were in attendance. The services were of such a nature, as to furnish the evidence of the presence of our beloved Master, warming our hearts I trust, with renewed zeal and devotion to His service; and enlarging them with more extensive plans and efforts for the extension of His Holy Church.

I feel confident that all who were present, both Clergy and Laity, could say and feel, it is good to be here.

Thus far, these meetings have been of great service, not only in bringing together the Clergy, to hold free counsel and interchange of opinions on the great work committed to them, but in comforting and consoling each other under the many trials connected with their solemn trusts; and in furnishing new incentives for more vigorous efforts in the cause of our Blessed Lord. We are enabled to discover not only the waste places in the Diocese, but also those that have long waited for the services of the Church. They have led the Ministers of Christ, not to be contented in breaking the bread of life simply to the Parish over which God has placed them, but to extend their efforts as far, and as often as possible, to places within their reach, which have, by these means been brought under the influence of the Gospel and Church of our adorable Head. It is the only way in which we can meet the demands for ministerial services, and save hundreds from being led away from the truth.

If the Clergy could add to the laborious duties of their parish, some place or places within their reach, where services could be held, even once or twice in a month, they would gladden the hearts of many of God's children, who have long been deprived of the sweet and holy communion of our beloved Zion.

## CHRIST CHURCH DETROIT.

December 17th. Preached in Christ Church, Detroit, and confirmed thirteen persons.

## CHAPEL AT FORT WAYNE.

December 17th. In the afternoon, preached in the Chapel at Fort Wayne, and confirmed one person.

## YORK.

January 2, 1872. I preached twice in Grace Church, York, and administered the Holy Communion.

## ST. PETER'S CHURCH, DETROIT.

January 21st. I preached in St. Peter's Church, Detroit, and confirmed twenty-three persons. This parish has been greatly increased by the zeal and energy of its present Rector. It has become a self-supporting Parish, and abounds in good works in the cause of Christ.

The music was most pleasant to me, as all the congregation appeared to join heartily in the simple chants and tunes, so well calculated to excite the devotion of the heart. It was really refreshing to me to be saved from standing up in the house of God, as a mere listener to the performance of a choir in which, few, if any, could join. I trust we are in the way to an entire change in the devotions of the Church; and that soon the young and the old, the learned and the unlearned can take a part in that glorious service, which, in its anthems of praise, lifts up the heart and mind to God.

## JONESVILLE.

February 6th. Preached in Grace Church, Jonesville, and confirmed four persons. This Parish is gaining new life, and is gradually recovering from the many removals which have taken place for several years.

## HILLSDALE.

February 7th. I preached in St. Peter's Church, Hillsdale, and confirmed fifteen persons. This Parish is in a very prosperous condition.

## MT. CLEMENS.

February 11th. I preached in Grace Church, Mt. Clemens, and confirmed two persons. This Parish has erected and completed a beautiful Church. It has been the work of self-denial and unwearied labor. I trust it will soon be consecrated and set apart as the House of God.

## BATTLE CREEK.

February 14th. I preached in St. Thomas' Church, Battle Creek, and confirmed four persons.

## ADRIAN.

February 18th. I preached twice in Christ Church, Adrian, and confirmed twenty-one persons. I was greatly surprised on entering the beautiful Church. I could scarcely believe that any part of the old Church building remained. I could recognize only the walls. It is a very neat and Church-like structure, affording ample accommodation for the increasing congregation. It has been increased in length, with a recess chancel; and the Altar, with its accompanying arrangements were well calculated to impress the devout worshipers with a deeper reverence for holy things. The Parish is in a most prosperous condition, and God's blessing attends the unwearied labors of the Pastor.

## ST. JOHN'S CHURCH, DETROIT.

February 24th. St. Matthias' day, I confirmed two persons in St. John's Chapel, Detroit. It was the admission of a distinguished Presbyterian Minister with his wife, to the privilege and comfort of the Church of God. Seldom have I performed this holy rite with greater pleasure, as it will add one to our number, distinguished for eminent abilities, purity of life, and a conscientious conviction of the divine claims of the Church of God.

## ST. JOHN'S MISSION CHAPEL, DETROIT.

February 25th. I preached in St. John's Mission Chapel, Detroit, and confirmed nine persons. This Chapel is under the care of the Rev. Mr. Taylor, the assistant in St. John's Church. It is the result of the energy and zeal of that active congregation, spreading its influence beyond the boundaries of its parish, and gathering into the Household of God many in our city, who had long been deprived of the holy services, and others who had been strangers to her holy and heavenly ways.

It is supported entirely by St. John's Church.

## ANN ARBOR.

March 3d. I preached in St. Andrew's Church, Ann Arbor, and confirmed fourteen persons.

## WASHTENAW COUNTY POOR HOUSE.

The day preceding these services, I visited the Poor House in company with the Rector, made some remarks to its inmates, and joined with him in the administration of the Holy Communion. The congregation was made up of the halt and the blind, the sane and the insane. They were respectful in their attention to the services. I felt thankful that I could join with this devoted servant of Christ, in speaking words of comfort to these unfortunate members of our race. I felt, I hope, more strongly the power of the Word of God, and the influence of His Grace, imparted through His dear Son in His Holy Church, and through the agency of His Blessed Spirit, that could alone comfort and cheer these poor inmates of a public charity. Several were members of his Church, and reverently joined in the reception of the Body and Blood of Christ. The Rector of St. Andrew's visits them in sickness, tells them of a Savior's love, instructs them publicly, as often as possible, in the Truth of God, and when death ends their trials and their hopeless poverty, reverently commits their wasted forms to the earth, in the hope of enduring riches beyond the grave.

## YPSILANTI.

March 14th. I preached twice in St. Luke's Church, Ypsilanti, and confirmed sixteen persons. It was pleasant to find the Rector, one of the oldest in the Diocese, with renewed health and strength, in the active performance of his Master's Work.

## ST. PAUL'S CHURCH, DETROIT.

March 17th. I made a brief exhortation, and confirmed thirteen persons in St. Paul's Church, Detroit.

## ALBION.

March 28th. I preached in St. James' Church, Albion, and confirmed ten persons. This Parish is gradually gaining in strength.

## MARSHALL.

March 29th. I preached and confirmed seventeen persons in Trinity Church, Marshall. I deeply sympathized with the Rector in the sad trial God has called him to endure, in the loss of a lovely and devoted daughter. I had confirmed her at my last visit, and her sudden death, away from her home, without the comforting words of her father and mother, but surrounded by kind friends, furnished the evidence of the purifying and sustaining influence of the Spirit of God, imparted in Holy Baptism, and increased in power in this public act of renewed devotion to God. It was the only comfort and support to these stricken and bereaved hearts, and made them bow in humble resignation to the will of God.

## ST. JOHN'S CHURCH, DETROIT, AND ORDINATION OF MR. JAMES F. CONOVER.

April. I preached in St. John's Church, Detroit, and ordained Mr. James F. Conover as a deacon. The candidate was presented by the Rector of the parish. He has with my consent taken charge of St. Luke's Church, Kalamazoo.

## HUDSON.

April 2d. I preached in a very neat and commodious "upper room" in Trinity Parish, Hudson, and confirmed ten persons. This parish has purchased a large and suitable lot, on which they design to erect a house for the worship of God. They have always made great efforts, and contributed liberally to sustain their pastor. They are doing what they can to carry out their wishes, and I trust they will not be forgotten, by the members of our common household, throughout the diocese. It is a pleasure, as well as a Christian duty, to aid our brethren.

## ST. JOHN'S CHURCH, DETROIT.

April 7th. I preached in St. John's Church, Detroit, and confirmed thirty-four persons.

## ST. STEPHEN'S CHURCH, DETROIT.

In the evening of the same day, I preached in St. Stephen's Church, Detroit, and confirmed twenty-six persons, one in private. This church has been freed from all its liabilities, by the willing hearts and hands of churchmen in the city. The Rector has passed through many dark and trying days, I hope he will now be cheered in his arduous work, and his pathway brightened, and his heart comforted, by the continued light of God's Holy Spirit giving power, as He has done, to the service of His Holy Church.

## TECUMSEH.

April 12th. I preached in St. Peter's Church, Tecumseh, and confirmed twelve persons. This parish has been greatly weakened by removals, but it is now growing under the faithful labors of its Rector.

## JACKSON, AND MISSIONS.

April 14th. I preached twice in St. Paul's Church, Jackson, and confirmed twelve persons.

In the afternoon, I preached at Woodville, a Mission Station of the church four miles distant; confirmed four persons. This mission has been sustained by the faithful labors of Mr. Henry A. Hayden. He has read the service and a sermon on every Lord's day, provided prayer books, and Sunday school books, and a good parish library. The influence of this pious work has not only been felt by the worshippers, but throughout the whole neighborhood. The mere visitor can readily perceive that a more than human influence has been felt by the laborers in the coal mine not far distant, as well as by the surrounding population. The Rector of St. Paul's, Jackson, who has the charge of the Mission, visits them as often as possible. I also visited the neat Mission chapel erected in the city of Jackson, partially the gift of an old and faithful member of the church, remembering it in her last moments, but principally through the liberal contributions of one who quietly but perseveringly labors for the church of Christ. This chapel is chiefly under the care of the Rev. Mr. Grange, the assistant to the Rector of St. Paul's, in the mother church, as well as in these offshoots of her interest and zeal for the cause of Christ. I addressed the Sunday school, which appeared to be in a very healthy condition.

## ALLEGAN.

April 15th. I preached in the Church of the Good Shepherd, Allegan, and confirmed nine persons.

## GRAND HAVEN, AND CONSECRATION.

April 16th. I preached in St John's Church, Grand Haven, and confirmed nine persons.

April 17th. I preached and consecrated St. John's Church, Grand Haven. I was aided in these services by the Rev. Dr. Tustin, the Rev. Messrs. Earp, Chapin, Beckwith, Judd, Wilson, Morris and the Rector. This Church edifice was erected through the persevering efforts of the Rector. He resigned the day of its consecration, and at my request accepted the appointment of Itinerant Missionary to all the region round about.

## GRACE CHURCH, DETROIT.

April 21st. I preached in Grace Church, Detroit, and confirmed thirty persons. This includes a special confirmation and two in private.

## MARINERS' CHURCH, DETROIT, AND RESIGNATION OF REV. A. M. LEWIS.

In the afternoon, I preached in the Mariners' Church, Detroit, and confirmed seven persons. Owing to a very severe storm several were prevented from receiving that rite. Since my visitation, the Rector, the Rev. Mr. Lewis, has resigned, and taken charge of the parish lately organized at Romeo. Few men ever labored more assiduously to keep up this church, so surrounded as it is by places of business, and so far from those who attend its ministrations.

## ST. JOHN'S CHURCH, KALAMAZOO.

April 23rd. I preached in St. John's Church, Kalamazoo, and confirmed fifteen persons.

## SEMI-ANNUAL MISSIONARY MEETING AT KALAMAZOO.

April 24th and 25th. The semi-annual Diocesan Missionary Meeting, was held in the same church, and was attended by twenty-one clergy. The sermon, *ad Clerum*, was preached by the Rev. Geo. B. Eastman, of Monroe, and the missionary sermon by the Rev. B. F. Fleetwood, of Adrian.

The afternoon was devoted to the Sunday School of the Parish, and addresses made to them by several of the clergy present. In the evening of the last day, a special missionary service was held, and warm hearted appeals were made to the clergy and laity to excite renewed zeal and efforts for the extension of the church in our own Diocese.

## PONTIAC.

April 28th. I preached twice in Zion Church, Pontiac, and confirmed twenty-two persons. This parish has purchased a very comfortable parsonage for the Rector who has been much blessed in his labors.

## FENTON.

April 29th. I preached in St. Jude's Church, Fenton, and confirmed seven persons. This parish has erected and paid for a suitable parsonage for the Rector.

## SAGINAW CITY.

April 30th. I preached in St. John's Church, Saginaw City, and confirmed eleven persons.

## EAST SAGINAW.

May 1st. I preached in St. Paul's Church, East Saginaw, and confirmed seventeen persons.

## BAY CITY.

May 2nd. I preached in Trinity Church, Bay City, and confirmed one hundred and eighty-six persons. The Rev. Messrs Clark and Watts were present and aided in the services. The Rev. Mr. Wright, the Rector of the parish, was in Europe for a year's absence on account of his health. The Rev. Dr. McMurdy, transferred to this Diocese by the Missionary Bishop of Colorado, has had temporary charge of the Parish. He has visited from house to house, presented in public and private the truth of God as held and taught by His Holy Church; and such an exhibition of the power of God's grace, I never before witnessed. There was no undue excitement, but a calm and holy determination manifested to devote their hearts and lives to God. It was a remarkable instance of the power of the Grace of God, upon the faithful labors of a minister of Christ, using no other instrumentalities but those furnished by His Holy Church.

## CHRIST CHURCH, DETROIT.

May 3d. I made an address on the subject of Missions in Christ Church, Detroit, and confirmed sixteen persons. This was the second confirmation I held in this Parish during the year. It is in a very prosperous condition.

## ST. MARK'S CHURCH, GRAND RAPIDS.

May 5th. I preached twice in St. Mark's Church, Grand Rapids, and confirmed fifteen persons. This Parish have made great improvements, in adding a very neat chapel to the church, and enlarging the church

itself. When their contemplated improvements have been completed, it will be one of the largest church buildings in the diocese. It will be needed, as the congregation is continually increasing under the active labors of the Rector. And they have not been unmindful of the wants of hundreds in this rapidly growing city. The Rector has two Missionary Stations at different points, where services are held.

#### ST. PAUL'S CHURCH, GRAND RAPIDS.

In the afternoon of the same day, I preached in St. Paul's Church on the west side of the river, and confirmed fifteen persons. This was, in its first beginning, a chapel of St. Mark's Church. It is now an independent congregation and self-supporting. It is in a very prosperous condition, and gives the evidence of the unwearied labors of its Rector.

#### ST. ANDREW'S CHURCH, BIG RAPIDS.

May 6th. I preached in St. Andrew's Church, Big Rapids, and confirmed sixteen persons, three of whom were Swedes, presented by Rev. Mr. Almquist.

#### ORDINATION OF THE REV. E. W. FLOWER.

May 7th. I preached in St. Andrew's Church, Big Rapids, and ordained the Missionary, the Rev E. W. Flower, to the Priesthood. He was presented by his father, the Rev. A. B. Flower. It was a very pleasant service to me, as I was permitted to advance one who had been so faithful and successful in the work committed to him, to the full privileges of the Christian Priesthood. The church edifice exhibits great taste in all its arrangements, built and nearly paid for within the year. I was happy to have with me on this occasion the Rev. Messrs. Flower, Earp, Prichard, Almquist and Morris, who aided me in the services.

#### ROCKFORD.

May 7th. I preached in a room at the hotel at Rockford. This is one of the Missionary Stations under the care of Rev. Mr. Morris, in connection with Courtland and Greenville.

#### COURTLAND.

May 8th. I preached at Courtland, in the little upper room, kindly given for years, for this purpose. This is entirely a country parish. There are few houses in the village, the congregation is principally made up of farmers in the neighborhood. There is no place in the diocese where a larger and more respectable congregation assemble for public worship, considering the distance many have to come for this purpose. Although the weather was stormy and rainy, still the number present showed no little interest in the church of Christ. The Rev. Messrs. Prichard and Morris were with me.

## GREENVILLE.

May 9th. I preached in Greenville, an active and thriving town, twelve miles from Courtland, in a very comfortable building fitted up especially for the worship of God, and confirmed six persons. The congregation was very large, for the size of the building, and the deepest interest manifested in all the services. A very active and efficient Layman has done much to sustain the efforts of the Missionary, and from whom we received no little kindness in our visit to this pleasant town. The Rev. Messrs. Prichard and Morris added much to my pleasure by their aid and kindness.

## PLAINWELL.

May 15th. I preached in Plainwell, a very thriving village, ten miles north of Kalamazoo. It was my first visit to this place. The Methodist building was kindly given to me for the services. The congregation was quite large, and good attention was paid to the services, new to many who were present. There are several very active church women in this village, with a few men, who have, and are making the most commendable exertions to procure the services of a Pastor. I will do all I can to aid them.

## THREE RIVERS.

May 16th. I preached in Trinity Church, Three Rivers, and confirmed seven persons. This congregation is improving under its present Rector.

## MENDON.

May 17th. I preached in St. Paul's Church, Mendon, and confirmed four persons. I regretted to learn that the faithful Missionary and Rector of this Parish intended to resign in a few weeks. The Church edifice is a very beautiful one, embarrassed with a debt borne by a few most devoted and self-denying Laymen of the parish. They hope however, to be relieved in some degree, kindly consenting to take upon themselves the heaviest part of the burden. I hope I can soon send them a Pastor

## NILES.

May 19th. I preached twice in Trinity Church, Niles, and confirmed twenty-one persons. The Church edifice has been enlarged to nearly double its original size. This was necessary to accommodate the increasing congregation. It will be completed in a few months. The Altar and the Chancel were beautifully decorated with flowers, and everything in the Church seemed to fall in with the glorious festival of Whit-Sunday, and impress the worshippers, of the presence of that Spirit, then given in

all its purifying power, without which, nothing can be strong, nothing can be holy.

PAW PAW.

May 20th. I preached in Paw Paw, in a building kindly given for the service, and confirmed eight persons. The Missionary has labored faithfully with many discouragements, for several years. He has added to his own home a neat little Chapel, in which the services on the Lord's day are held, and the prospect for the increase of the Church never was more encouraging.

LEXINGTON.

May 23d. I preached in the Parish of the Good Shepherd, Lexington, and confirmed six persons.

DAVISVILLE, AND CONSECRATION.

May 24th. I preached in Christ Church, Davisville, and confirmed eight persons. I consecrated the Church, built and paid for through the exertions of the Missionary, the Rev. A. B. Flower. It is a very neat building, with everything complete in all its arrangements. The cost was only \$1,300.

It will compare favorably with many large church edifices, and is a good example to be followed by those who wait for the ability to erect a larger and more costly edifice, frequently burdened by debt. The Missionary must have no little pleasure in seeing the work of his Master crowned with such success. The Rev. Messrs. Stowe and Dooley accompanied me in my visitation, and added much to my comfort.

ALGONAC.

May 25th. I consecrated St. Andrew's Church, Algonac ; preached, and confirmed two persons. I have, on a former occasion, spoken of this beautiful church edifice, and of the unwearied labors of a few devoted women, who never faltered in their efforts to erect and complete this House of God. The Rev. Mr. Jamieson, of the Diocese of Huron, resides in the village, and holds the services in the evening of every Lord's day.

While the church was being enlarged and improved, no services were held, from about the first of July to the latter part of September. This accounts for some of our offerings for various objects not being taken up as usual. The Rector, besides the care of his people and a partial superintendence of the building being done; supplied some vacant pulpit, or assisted some brother every Sunday, while our own church was closed.

In addition to the above offerings, this Parish gave generously towards the relief of the citizens of Holland, after the late fires, and now stand pledged \$100 towards the erection of Grace Church at that village.

I preached twice at the January meeting of the Northwestern Convocation at Grand Haven. The Sunday after Easter I visited Whitehall by appointment of Convocation, and held service morning and evening, in a new church erected under the auspices of two ladies, one a Presbyterian and the other a non-communicant of any church. The subscription had been raised, and the church all completed, seating two hundred, and ready for carpets, within the short time of ten months. The cost about \$2,500, and incumbered with a debt of less than \$120. The day and the roads were very unfavorable, and yet the house was well filled at both services. They were eager for the regular services of a clergyman.

May 15th. I visited Plainwell and read services for the Bishop, who preached in the Methodist meeting house. I again visited that village on the first Sunday evening after Trinity, and held services in the same place. A thorough canvass of the community reveals the fact, that there are already fourteen communicants on the ground, ready and anxious for the permanent services of a clergyman. They have raised pledges to the amount of \$300 towards such an end, and promise me still further aid if, by the help of the Missionary Committee, I will divide a portion of my time among them. A hundred or more dollars could not be better expended for the year to come than by helping into vigorous life a Missionary Parish there. Many of the "outsiders" inquire, if the church people are not to have regular services.

The Sewing School was held in the Winter for four months.

In addition to the services at the Poor House, where five funerals have been attended and one child baptized, and at the jail; the Rector has given six services, on three occasions, at Grace Church, York, and baptized six children. (See Report of the Parish.) He has also held one service at Saline.

With decided opportunities and encouragements in this Parish, we need more of that spirit of mutual help that leads the people to readily fall in with the plans of their pastor to do them good. By far the majority of the communicants sadly neglect the ordinary week-day services, and on the part of some, this neglect extends to irregular attendance on the Lord's Day.

These remarks are made more with reference to danger for the future, than weakness in the present.

Since the date of my last report, we have, by the blessing of God upon our labors, succeeded in erecting a decent church edifice. Our thanks are due for the liberal aid extended to us for means to build, to Parishes and Churchmen in this and other Dioceses. At present it is a source of trial to us that the cost so much exceeded our expectations. This leaves us in debt at a time when the people are over-burdened by the almost total failure of the lumber interests for this year, and upon which we mainly depend.

No people, I think, have ever done better in the way of giving for the Church, when it is taken into consideration that there is not a family connected with the Parish who have an abundance from which to give. My services not included in the above have been as follows: Upper Big Rapids, 10; Hersey, (Osceola Co.,) 1; also in Battle Creek and Lexington and Davisville, each 1; Detroit in the several churches, 6 times; New York City, 2; Brooklyn, L. I., 13, and baptized one infant; Ithaca, Central New York, 2; Providence, R. I., 3. Have also attended Consecration of Church in Grand Haven, one Convocation at Muskegon, and Missionary meetings at Marshall and Kalamazoo.

In the above report, no person who has not communed within the Conventional year, is included in the number of Communicants, and the list does not include those at Napoleon. There are 6 at this place. I have held two services on week days during Lent, in the Baptist House of Worship. At both these services the congregation was very large. It gives promise of being a good point for regular missionary services.

In addition to services at Manchester (see report Calvary Church, Manchester) and Napoleon, I have also held one evening service at Mooreville, and been present and assisted at Convocations, &c., at fifteen more public services.

**St. John's Church, Clinton, Lenawee County. (1855.)**

VACANT. REPORTED BY THE REV. JOSIAH PHELPS.

The Wardens of the Parish in Clinton wish me to make a report from that Parish, but really there is scarcely life enough in the Parish to make

a report, or enough of a parish to be counted. Although not officially connected with them, I have held service there every alternate Sunday during the year. The average attendance has been about forty persons ; sometimes sixty or seventy, at other times not more than twenty-five persons present. I administered the Communion twice to some eight or ten Communicants. Alms received, four dollars and twenty-five cents ; assessment on the Parish—amount paid, \$5. I baptized one adult and married two couples in the Parish. This is all that I can state in regard to official acts and figures.

I shall probably continue to hold services there through the summer, but not with any great expectation of reviving the Parish. Still it will be a consolation to the few survivors, and will perhaps be the means of saving the property to the Church.

Notwithstanding our losses by death and removal of twenty-six persons during the past year, the Parish has maintained its own. The congregation has been on the increase. The attendance at Holy Communion has been quite as large as when a much larger number of Communicants were reported.

Of those reported as not having communed for a year or more, in the Journal of last year; *five* have resumed their place in the Family of our blessed Lord to the great joy of our hearts, and we trust that still others will follow their example.

We look for a greater advance during the next Conventional year.

The services at Bennington, in this County, of which mention was made in last year's report, have of late been held semi-monthly instead of monthly as before, the intervening Sunday being supplied by Mr. Bloodgood, a zealous layman, through whose indefatigable efforts, under God, an interest was first awakened, and is now so well maintained.

The other points at which services have been held, are, Lyons, Ionia, Chesaning and Hamburg.

Our little church was consecrated by the Bishop, May 24th, at which time eight persons ratified their baptismal vows in Confirmation, thus making the number of Communicants twenty-five, when three years ago there were but three.

This church is in the center of a flourishing farming community, and will in time be the spiritual home of many who are now living without the "means of grace, and the hope of glory."

We hereby acknowledge the gift of a Communion Service from the Church at Cazenovia, N. Y.

The attendance upon our services is on the increase. The Sunday School is very prosperous ; altogether the work is doing well. To God be all the praise.

### Fort Wayne, Detroit. (1872.)

REV. C. W. FITCH, D.D., POST CHAPLAIN, U. S. A.

I have the honor to report, that I have officiated regularly as Chaplain at this Post, except thirty days when I was in attendance on the sitting of the General Convention, preaching on my return in Germantown, Pa., and Saugerties, N. Y.

I have baptized in the Fort and vicinity, one adult and nine infants ; married four couples, and buried one soldier and six others. The Bishop has confirmed one, a soldier.

Books in the Post Library, 504. Lieut. Col. Lugenbeel has contributed and procured 500 books to the Sunday School Library, and in my absence superintends the Sunday School. Teachers—male, 2 ; female, 6 ; scholars, 60. The officers contributed \$46.00 for a Sunday School Christmas celebration.

Once in four weeks I hold a voluntary service in the new church in Dearborn, when some brother of Detroit takes my duty at the Fort. I append a report.

During the Rector's absence in Europe of four months, the pulpit was most acceptably supplied by the Rev. S. H. Woodford of this Diocese, and the Rev. Philip Brown of the Diocese of New York.

Such necessary pastoral work as circumstances required, the Rector's Assistant, in charge of St. James' Chapel of this Parish, was willing to do, and I record with pleasure his fidelity to the manifold duties that devolved upon him in my prolonged absence.

By the blessing of Heaven we are able to present a report of *work*, which is no mean record; earnestness, organization and harmony have been the great aids to success. This report covers only eleven months.

I ought to say, too, that we have tried to work as members of "The Catholic Church," according to *catholic* principles; according to God's plan, not man's.

Our people worked with great earnestness, through our department of relief for fire sufferers and the poor. We also made considerable offerings for Nashotah and St. Luke's Hospital in clothing, the amount of which could not be accurately estimated in money.

#### SERVICES OUTSIDE MY PARISH.

At Mariners' Church, nine services; at St. Luke's Hospital, three services, and one celebration of Holy Communion; at St. John's, Midland, two services; Grace, Norway, Diocese of Albany, two services; at Romeo, attended and assisted at seven Mission services; Sunday services, two; at St. Paul's, Detroit, assisted Rector, (as Deacon), at early celebrations on the Sundays in Lent, five services; at Christ Church, Detroit, one service. Have attended all meetings of Convocation, the semi-annual Missionary Convocation at Marshall, and a Catholic Mission of several days in St. Stephen's, Detroit, at all of which I assisted in the services in my poor way. I trust my own parish is awaking to new life and usefulness.

Through the kindly charity of St. Paul's and Christ Church, Detroit, a debt incurred by the erection of our church edifice, and the purchase of the lot on which it stands, amounting, as compromised, to \$700.00, has been, in great part, extinguished. The Rector of Grace Church, Detroit, should be recorded as having expended more than \$600, on the early days of St. Stephen's. The field is wide and important. Aid, both pecuniary and personal, is still needed. The Sunday School languishes for lack of teachers, and working means indispensable in these times. Who, for the love of Christ, will come over and help us?

The Rector has held services without the parish as follows, viz : At Hamburg, 4 ; Stockbridge, 11 ; Henrietta, 8 ; Chicago, 3 ; Three Rivers, 2 ; Homer, 2 ; St. Joseph, 10 ; Benton Harbor, 3 ; Marshall 1 ; total, 44.

This report does not comprise the *whole* of the conventional year, the Rector having resigned his charge of this parish on the 23d of April, and having been necessarily absent from it much of the time for the last six months. His arrearages of salary are *fully paid*, and the Church is *free* from *debt*, and owns a good church edifice and rectory.

Spent two Sundays in Detroit, preaching four times; and two Sundays in Erie, Pa., preaching twice. Gave five services and five sermons at Traverse City, and two services and two sermons at Leland.

The population is so small, and so great is the variety of beliefs, that this report is not at all satisfactory, nor indicative of work and anxiety, but there is now a better prospect of growth to the place, and development to the country.

The parish of St. John's, Grand Haven, is in a flourishing condition. They have a small, but neat church edifice, paid for and consecrated. With united effort on the part of the people, it may be a growing parish.

I have resigned the Rectorship of the Parish, and accepted an appoint-

ment by the Bishop, as Missionary at Pentwater, Ludington and Manistee. I have officiated twice at Pentwater, once in Ludington, and once in Manistee. In each of these places, the opening for the services of the Church is truly encouraging.

My post office address is, Grand Haven, Ottawa County, Michigan.

This Parish has been vacant for the year past, and probably will remain so for the future. The great need of the Parish is a Rectory and we are too poor to build one. If we could receive some help for that purpose, we could possibly raise enough funds for a pastor for this Parish in connection with some other place. Unless something of the kind is done, it is very probable that this Parish will soon be among the things that were.

Twice a month I have read service and preached at Quimby, a railroad station, four miles south east of Hastings. Services are held in a school house. The congregation is small, and the field is certainly not very promising, but still there are some encouragements.

For a congregation so small and quite unused, for the most part, to a Liturgical Service, I can say they make very good responses.

This report does not comprise the whole of the conventional year, the Missionary having been necessarily absent on another mission for the last three months. This station is too feeble to *stand alone*, but may form a convenient *appendage* to the one at Stockbridge.

The Rector held one Sunday Service in addition to the above report, in Cambria Mills. One of the children reported, was baptized in private in the same place.

I attended each of the four meetings of the Southern Convocation, preaching the Missionary Sermon in Trinity Church, Three Rivers, in June, 1871, and the same in Trinity Church, Monroe, in March, 1872. I also attended joint Services of the Convocation during Lent, at Brooklyn, Coldwater, Jonesville, and Hudson; preaching a sermon at Brooklyn. The Convocation held its third meeting in our Parish, January 16th and 17th, 1872, and also a joint service, March 14th. I attended also the two semi-annual Missionary Meetings of the Diocese, held respectively at Marshall and Kalamazoo; at the latter place fulfilling an appointment and making an address. During a trip to the East in July,

1871, I held seven full services and preached in Central New York and assisted at one service in Diocese of New York.

A Sunday School was conducted very successfully during the year 1871, in a school district, two miles out of the city, by Mr. E. H. Tallman, a communicant in the Parish, and now a candidate for Holy Orders.

The church has been improved and embellished during the year, by the addition of new burners for lighting, a new desk lectern, by raising back seats and cushioning same ; and also by the insertion of a beautiful memorial window, bearing the name of the Rev. Henry Hobart DeGarmo, late Rector of the Parish, now deceased.

The greater share of our Parishioners are contributing by envelopes through the Offertory, in the payment of pledges, for all purposes within the Parish and without.

Grateful to God for all His bestowed mercies and blessings, for continued health, strength, and grace ; and with thanks to my parishioners for their many manifestations of good will and affection, I am happy to report the Parish prosperous.

### **Grace Church, Holland, Ottawa County. (1867.)**

**REV. J. RICE TAYLOR, RECTOR. (M.) (1868.)**

The town of Holland was nearly obliterated by the fire of last October. The disaster stands next to that of Phestigo in the proportion of property destroyed. Our place of worship, with every book and paper belonging to it, went with the flames. With no room to meet in, and the people scattered abroad for shelter, I could do nothing but wait. In a short space buildings sprang up, and in December, I was able to hold a brief service in an upper room and preach to the people. In January, I gathered the Sunday School in an unfinished room and distributed gifts to the children from generous contributions sent from abroad. Since that time the school has contrived to meet, and several donations have been made to the library by persons at the east. Up to the beginning of Lent, I spent a good portion of time out in the larger towns of Michigan, gathering funds for replacing our church building in Holland. I then went east seeking aid for both of my parishes. I returned home on the 8th of June, having collected in all some \$4,500. The money I placed out at 8 per cent. as fast as collected, to the amount of \$4,204. \$1,100 of which is for building at Saugatuck. I have pledges which may add \$500 to each place during the progress of building.

With the loss of all the church papers and the confused state of

everything in consequence of the fire, and the little time I have had since my return from the east, it is useless for me to attempt a statistical report. The town is fast building up, and by another year doubtless everything in Holland will be settled and prosperous.

Outside the Parish, I have held services as follows : three times in St. John's Church, Detroit ; once in Christ Church, Adrian, and once in Morenci. This last service was the first one ever held in the place, so far as I can learn. The Methodist Church was kindly given me for the occasion, and although it seats several hundred people, and the evening was during the week, it was filled with an attentive and appreciative congregation. I found several communicants there, others interested in the Church, and all anxious to have permanent services established in their midst, which I hope to be able to do. The place is an enterprising town of nearly 1000 inhabitants, on the line of the Canada Southern R. R., and with as promising a future as any in the State. The church ought to be laying her catholic foundation in its midst for the sake of the future, even if the present should not prove very encouraging. I have assisted in services at St. John's, Detroit ; St. Peter's, Hillsdale ; All Saints', Brooklyn ; Christ, Adrian ; and St. Peter's, Detroit.

This Parish has just broken ground for a church, to be built of brick, at a cost of \$6000, and the work will be pushed to completion as fast as funds are at hand. It is on the main street of the town, on the best location of any church here. If we may judge by the visible indications at present, this Parish is destined to see better days when their house is finished, for this busy point has long yearned for something which our teachings can alone supply.

During the past year, by the blessing of Almighty God, the missionary operations of the Parish have been carried forward with a good degree of success.

In the 2nd Ward of the city, a Chapel known as the "Chapel of the Good Samaritan," has been completed and was opened for public worship on the first Sunday in Lent. The chapel is built in the Gothic style, with recess chancel, porch, bell cote, and seats 240 persons.

With the exception of a bequest of \$503 from the late Mrs J. Marian, the funds for the erection of the building have been furnished by one whose offerings for the cause of Christ and His church have been unstinted, Henry A. Hayden Esq. The lots, three in number, two of which are reserved for a Church and Rectory in the future, were cordially and generously given by Allen Bennett Esq. and Mrs Guy Foote.

The prayer desk, pulpit, font, communion table, bell, cabinet organ, stained glass for the windows, (including a beautiful chancel window,) and the seats; are among the gifts of Mr. Hayden.

The chapel is *free*, and the weekly offering system has been adopted.

The services at Woodville have been sustained without intermission, the Rev. W. Grange, Missionary and Rector's Assistant, officiating each Sunday morning, and Mr. Hayden superintending Sunday-School and Bible Class in the afternoon.

The assistant Minister, in addition to the work at Woodville, conducts the Sunday-School and holds evening service every Sunday in the Chapel of the Good Samaritan.

The Rectory debt has been liquidated, and the grounds adjoining the Rectory have been graded and turfed.

Harmony, quietness and peace; have marked the progress of the Parish during the entire year.

The past year has been in some respects one of more encouragement. By God's blessing, we have been enabled to make some much needed repairs on our church, and others are soon to be made. The erection of a parsonage is now in contemplation, towards which we have \$450 already subscribed. It is hoped that we shall be able to build this fall. To the contributions of the parish above mentioned, I would also add the annual donation to the Rector, which this year amounted to nearly \$90. This is over and above the amount raised for the Rector's salary, which is \$600. I have held services at other places as follows: Preached three times at Brooklyn, and on one occasion at Cambridge when I consecrated the Holy Eucharist. Preached three times while on a visit to Wisconsin; twice at Hudson, and also assisted in the services on a special occasion. Preached twice in Christ Church Detroit, and married a couple at the parsonage. Preached twice in St. Andrew's Church Ann Arbor; twice at Saranac; twice at Coldwater; attended and assisted in the services at three convocations, Brooklyn, Hillsdale and Monroe. Last fall I held five services at Reading, a place twelve miles distant, but did not find sufficient encouragement to continue. I have not been able to visit the place this spring. I learn that another church family has gone there to reside, and I hope we shall yet be able to establish church services in the place.

I assumed the charge of St. Luke's Parish, Kalamazoo, on the 1st of May, 1872. It had been without regular services for nearly six months, the rectorship having been vacant. This will account for the disparity of Parochial statistics as compared with previous years. The services reported are only such as the present Rector has held, he not having found any record of those held in the parish during the year before he assumed charge of it. He has been much embarrassed in making an accurate report of the Parish Statistics, not having been able to find a statement of communion alms, or a recent list of the names of parishioners or communicants. He has endeavored by personal visitation and inquiry to make the statistics as perfect as possible. He feels encouraged by the prospect of future unity and life in the parish.

There is a steady increase in our congregations; we now outnumber the other religious bodies. Even the week day services are nearly as well attended as on Sundays. Our commodious room is well filled on each occasion of public worship. The Lenten Services although frequent, continued to be well attended to the end; and on Easter-day, at

the Sunrise Service, through a driving storm, a large congregation gathered to rejoice for a "Risen Saviour."

The spiritual and temporal affairs are in good condition. Ultimately the church must be the refuge for this sect distracted community.

We need a church building but are too poor at present to erect one ; we wait in patience however, believing in the end we shall obtain all we desire and more than we deserve.

As Mackinac is an island, and presents no inducements whatever to persons to make it their permanent place of residence, so the population does not increase. While it is highly necessary for a clergyman to labor here, yet the principal advantage derived is, from his meeting the influx of summer visitors who resort here. Something over ten years have passed away since an Episcopal clergyman has resided here, and the consequences resulting from this have been most unhappy. We have much to encourage us. I entered upon my labors at Mackinac the middle of last October, and our congregations have been generally much larger than was anticipated. It is to be hoped that we shall be able to recover the ground that has been unfortunately lost to us.

I have held services at the village of Cheboygan, and the prospect is that we shall soon have a church erected at that place. Our lenten services at Mackinac were well attended.

### Calvary Church, Manchester, Washtenaw County. (1861.)

VACANT. REPORTED BY REV. STEPHEN W. FRISBIE, OFFICIATING.

According to the request of the Bishop I began services in the dormant station at Manchester, (Calvary Parish.) There are seven or eight communicants residing here. The Presbyterians granted the use

of their house for services at 3 P. M. The congregations have always been good. I went down after morning service here at Brooklyn, (the distance is twelve miles,) once a month, making five visits. The interest in the church and services constantly increased, the responses were good. But we were at length refused the use of the building. And for three months no service was held there. Recently the Baptists have given the use of their house of worship, and two services have since been held. The interest has been further manifested by a number of persons desiring confirmation, by the formation of a Ladies Society for church work, and by a willingness to use every effort to put up a church building. They have paid their assessment \$2, and have given me \$15 to defray my expenses in visiting them.

In addition to the foregoing statement of contributions, I deem it proper to report that, in response to the world-wide appeal for aid to the sufferers by the calamitous fires in Chicago, Wisconsin, and our own State, our congregation very generally contributed an amount exceeding *five hundred dollars*, in addition to supplies, in large quantity, of pro-

visions, wearing apparel, etc. At the same time, upon a request from the ladies of the city of Marshall, I organized a "Ladies' Relief Association," in the benevolent object of which, very many of the Christian women of our own Parish, became actively engaged. As an executive member of the local committee, formed for the relief of the suffering and destitute in our own State, I was happily associated with several gentlemen of the Parish, in carrying forward the work of Christian sympathy and fraternal aid. I desire here, also to record and acknowledge the bounty and large-hearted generosity of friends in New Jersey, who constituted me the almoner of their gifts to those portions of our State visited by the fires and to several of our faithful missionaries. These gifts were in barrels and boxes of valuable dry goods, bedding, wearing apparel etc., and a money contribution of two hundred and thirteen dollars.

The statistical portion of this report will indicate a condition of peace and prosperity in our several parochial departments, for which we bless and praise God. Our "Ladies' Church Aid" is energetic in its several departments of work, and especially in the effort to increase the fund for the erection of the Parsonage. By an exchange of the old organ which had been in use nineteen years, and from the avails of a legacy by the late Miss Harriet M. Mann, we have purchased a new and superior instrument, full, rich and powerful in tone, as well as pleasing in quality, and built with reference to enlargement at some future day. The Mission School in the Fourth Ward is steadily increasing in interest. The faithful labors of those associated with me in the good work, are evidently appreciated by the class of children whom they are thus instrumental in training in the ways of our Holy Church. During a brief absence of five weeks in April and May, the services of the Parish Church, conducted by Lay-reading, were well attended. I returned home during the first week of Trinity Season, with renewed health and strength, gladly welcomed by a loving and sympathizing flock, whose generous kindness to their Pastor in the day of sorrow and bereavement, has endeared them to him to a degree which can find its expression only in devout prayers for the benediction of our Heavenly Father, and their furtherance in all spiritual growth and future blessedness.

In addition to the above, I have to report the following duties performed elsewhere during the past year viz ; Assisted and made an address at Ann Arbor ; twice and preached at Coldwater ; once and preached at Battle Creek ; officiated and preached twice, and made an address at West Philadelphia ; assisted three times at Philadelphia ; once and made an address at Camden, N. J. ; eighteen times, preached once and made two addresses at Mount Holly, N. J. ; participated in Convocation at Brooklyn in this state, and at the General Missionary Meeting held in Nov. 1871 in this Parish ; and upon appointment by the Bishop,

delivered the Missionary Jubilee Sermon before the Clergy and Lay Delegates assembled for Diocesan Convention in Zion Church, Pontiac, on the evening preceeding the Convention.

**St. Mark's Church, Marine City, St. Clair County. (1867.)**

VACANT. REPORTED BY REV. T. B. DOOLEY.

I have visited and held services in St. Mark's Church, Marine City, nine times, and baptized seven children, married one couple, and buried two persons, and presented four for confirmation. The church being now consecrated to the worship of God, will I trust, actuate the people to devote themselves to His service, but they require a minister to work with them.

**St. Paul's Church, Muskegon, Muskegon County. (1867.)****VACANT. REPORTED BY THE JUNIOR WARDENS.**

The undersigned in behalf of St. Paul's Church of Muskegon, beg leave to report for the past year as follows : That occasional services have been held by Rev. J. B. Prichard, Missionary, who has baptized six infants and officiated at two funerals. At the time of the N. W. Convocation, which was held here April 18, the church was indebted to various parties in the sum of about \$1,900, nearly \$700 of which was a mortgage lien on their property here. At that Convocation, measures for our relief were discussed and the sum of \$500 pledged us by Rev. Samuel Earp of Grand Rapids, on condition that the Church cleared up the mortgage, to assist us in paying up the outside indebtedness, viz : the \$1,200 due various parties for labor and material. The amount was quickly raised the mortgage paid up and sufficient means pledged, which, together with \$500 from Mr. Earp, will clear us from debt, when we hope through the Divine blessing to be able by the help of our brethren of the churches, to erect an edifice that shall be commensurate with our wants and not a monument of our folly and miscalculation. The want of a church is greatly felt here, with over twenty families and at least thirty communicants and more coming. The services of the church should and could, be maintained here, and we hope to make a better showing at the next Convention.

**St. Luke's Church, New Baltimore, Macomb County. (1855.)**

REV. SIDNEY H. WOODFORD, MINISTER IN CHARGE. (1872.)

This parish was organized in 1855. Services have been held from time to time by various visiting clergymen. During the past few years, services have been totally suspended, and the parish has been practically disorganized. Meanwhile, all the church people have formed other ecclesiastical connections, so that the very name of the church was beginning to be forgotten.

During the past winter, I visited the town, and after consulting with various old admirers of our services, I was cordially invited to "go and preach to them." I accordingly made an engagement to officiate among them every alternate week. After holding six or eight services, so much interest was manifested that it was thought better that the services should be held every Lord's Day. A business meeting of those interested was called, to take into consideration the advisability of undertaking to establish the parish upon a permanent footing. Although it was then decided to be impracticable to reorganize the old parish, it was determined that the services should continue with a view to an ultimate parochial organization. A committee of three were appointed to look after the temporalities of the mission. At the present time, the actual work accomplished is thus summed up :

The services of the church have been established with every promise of permanence ; a temporary organization has been made for the purpose of doing the work usually devolving upon a Vestry ; a subscription paper already bears nearly \$300. We worship at present in a building now in possession of the Congregationalists, but originally erected by all parties as a "Union Church." There are no more than half a dozen communicants in the town,—all ladies, although the prospects for a good work here are very flattering. The services are well attended, and a *regular congregation* has been formed.

The Parish is now finishing an enlargement of the church. The expense amounts to about five thousand dollars, and the enlargement will add a capacity to the church greatly needed. The enlargement includes a recess chancel, and a vestry room. The ladies of the parish have raised money enough to newly carpet and furnish the nave and chancel, and have raised nearly enough to purchase an excellent pipe organ. The entire improvement will be finished this season. A chapel is contemplated as the next work. I visit a number of places in the vicinity and hold occasional services. Offerings for objects exterior to the parish will be greater in the future.

The Parish under the blessing of Almighty God is very prosperous.

Owing to a sudden prostration of health, I was obliged to cease labor for four months the past year. During my absence, the Sunday services were sustained and other necessary official acts discharged.

For the past four months I have held service every alternate Sunday afternoon at Troy, about nine miles from this city.

There is much interest manifested, and a strong desire to learn the attitude of the Church in her relation to the Bible.

I cannot omit this opportunity of referring to the beautiful and commodious Rectory purchased for me by a loving flock during my absence.

It is an acquisition of which the Parish may justly feel proud, and in thus ministering to the wants of their Pastor and his family, they have secured his constant prayers that increased spiritual and temporal blessings may descend upon them from the loving Father of us all.

The Ladies connected with St. John's Mission, are worthy of special commendation, and we trust that the time is not far distant when all their hopes shall be fully realized. They have wrought with a good will, and God has blessed their efforts to the glory of His great name.

There is a kind feeling in many hearts towards our Church and we are gaining new friends.

We are waiting with anxiety the coming of the Bishop, when we trust a good class will seek his blessing in holy confirmation. We trust the Church will remember this Mission, and encourage the hearts of those earnest workers.

**Trinity Mission, Romeo, Macomb County. (1872.)**

REV. A. M. LEWIS, MISSIONARY. (1872.)

First regular services as an organized Mission, May 12, 1872. There have been eight services. Holy Communion, (public), once ; Communion alms, \$10.71. Sunday School not fully organized. The people and children thus far, have been instructed in a body by the Missionary. The Sunday School service is made up from the Prayer Book and Common Praise.

Our services are held in Gray's Hall, a large, fine brick hall, which will seat six hundred people. Morning congregation, from 150 to 200 ; evening, about double the morning attendance. Communicants from 25 to 40. The Missionary is feeling his way ; he honestly thinks that Romeo is one of the best openings in the Diocese. My lot is fallen in a fair ground. A brief statement may not be out of place : The Eastern Convocation met here January 22, 1872, and continued in session through the 25th—the Conversion of St. Paul, giving seven services, five sermons, and eight addresses, and Holy Communion. Present, eight clergymen ; congregation, from 100 to 250, all the services being on week days. The Church had a fair hearing and took hold of the people at once. Rev. Mr. Thorp and Rev. A. M. Lewis, at the request of the Bishop, visited Romeo and gave two services, two sermons and two addresses, February 12th and 13th, with a congregation of about 100.

Under the instruction of Convocation, Rev. A. M. Lewis officiated on Sunday, March 17th, and gave two services, two sermons and Holy Communion ; congregation from 300 to 400. Sunday, April 7th, Rev. W. R. Tillinghast, gave services and sermons with large congregations, and ascertained that a subscription had been raised, and that the people were anxious to have the present Missionary settled over them. Accordingly, I visited them April 28th, had large congregations, with great interest, and informed the people that I would cast in my lot with theirs.

May 3rd, the Bishop of the Diocese issued the following : “ Rev. and

Dear Sir—I hereby appoint you as Missionary in charge of the Parish at Romeo. In all matters connected with your ecclesiastical duties you are alone amenable to the Bishop. I trust that God will bless you in your labors, and, with the hearty co-operation of those under your care, you will be able to extend the influence of the Church and the Gospel of Christ.

SAMUEL A. MCCOSKRY.

DETROIT, May 3, 1872.

To Rev. A. M. Lewis."

Here I am sounding the Gospel trumpet and laying foundations for the Church, caring less for results than for the faithful discharge of my duty.

I am pleasantly and comfortably situated, and hope to be able to give a satisfactory report of work one year hence.

The present Rector entered upon his duties in this Parish, December 1, 1871. The above report therefore in most of its details, especially the financial, dates only from that time. In addition to the services in my own Parish, I have co-operated with the Rev. J. W. Clark, in holding services at South Saginaw. Next year we hope to present a more satisfactory report.

By another year we hope to have a building to worship in of our own. We continue for service and Sunday School to meet in a school room. One member of my congregation has subscribed \$500 for a church edifice, and others here will probably add as much more, and this with \$1,100 now on hand, with further amounts promised in New York and elsewhere, will enable us to build a neat and comfortable House of worship.

Under the head of "Contributions" in the above report, nothing is included but the collections made in the church at times of Divine service.

This report does not comprise the whole of the Conventional year, the Missionary having been necessarily absent on another Mission for the last three months. He must not omit his *commendation* to the Church at large, of this little outpost of the Army of the Cross, for its uniform vigor and alacrity in sustaining the church services, both by an uncommon degree of liberality in defraying the expense, and by *full* and *attentive* congregations at every service.

I entered upon my duties as Rector of this Parish last Easter Sunday.  
 Previous to this the Parish had been vacant five months.

The Sunday School has within a short time purchased a Font of superior design and workmanship.

There are visible and encouraging signs of growth, and we pray that God, even our own God, would continue to give us His blessing.

This Parish has shown a remarkable growth. Without any Pastor it has erected and nearly paid for a very neat wooden church ; and I earn-

estly hope for a great growth in church life here this year. My people feel under great obligations to the Rev. Marcus Lane, of Flint, to whom, under God, the success of this work is due.

I entered upon the Rectorship here on the 10th. of May. I held two Sunday services in Grand Haven.

In addition to the above statistics, there has been made an important addition to the furniture of the church. The Sr. Warden, Dr. Christian, has presented to the church a substantial and appropriate Baptismal Font. A member of the Hon. H. H. Emmons' family has presented a handsome Oxford Bible for the Lectern, and the congregation has procured a fine toned new organ. I have officiated three times at Ecorse the past year. Everything here is prosperous.

The Bishop visited this Parish January 2, and gave two services, administering the Holy Communion. The Rev. S. W. Frisbie has given services on one occasion. The Rev. G. D. Gillespie has given six services on three occasions, and administered Holy Baptism as above; also catechised the children. The Sunday school was organized May 5. A small robing room has been provided, the chapel needs painting without and within, and better chancel arrangements.

The neighboring clergy must be relied upon for occasional services until some other places may be united with York to form a mission. The church people are few but earnest.

**REPORTS OF CLERGYMEN NOT IN CHARGE OF PARISHES.**

*[Extract from Digest of the Canons of the General Convention.]*

**TITLE I, CANON XV., SECTION I.**

“Every Clergyman, not regularly settled in any Parish or Church, shall also report the occasional services he may have performed ; and if he has performed no such services, the cause or reasons which have prevented the same.”

**THE REV. LUMAN FOOTE, CHARLOTTE, EATON COUNTY. (1841.)**

**NO REPORT.**

**THE REV. EDWARD MEYER, RESIDENCE UNKNOWN. (1860.)**

**NO REPORT.**

**THE REV. OLIVER TAYLOR, PONTIAC, OAKLAND COUNTY. (1851.)**

**NO REPORT.**

---

**THE REV. ISAIAH J. BABCOCK, DEACON, KALAMAZOO, KALAMAZOO COUNTY. (1849.)**

During the last year, I have held services and preached thirteen times—three times at St. Luke's, Kalamazoo ; four times at Plainwell ; and six times at Allegan. All of which is hereby respectfully reported.

---

**THE REV. DANIEL E. BROWN, FLINT, GENESEE COUNTY. (1862.)**

Since the meeting of the last Convention I have been steadily engaged in the duties of the Ministry, in this Diocese. I officiated for a few months in the Parish of St. John's, Saginaw City, the Parish being vacant at the time, and administered the communion several times. I also went to St. John's Church, Ionia, on the first Sunday in Advent, and continued

there in supplying the vacancy, until the first Sunday in June following the close of the conventional year, it being six months. I was there through Lent and held service every Sunday, and on Ash Wednesday, and Good Friday, and daily through Passion Week, and administered the communion on the first Sunday of each month, on Christmas, Easter and Trinity Sundays, and baptized one infant and three adults, and attended one funeral. I have also attended one funeral and celebrated one marriage at Flint. The Parish at Ionia have at length obtained a Rector, and it is hoped that under his ministrations the blessing of God will rest upon it and will bring it up out of the depressed condition in which it has been laboring for some time past.

From my advanced age I do not think it prudent to engage in full parochial duties, but am anxious to execute the duties resting upon me as far as my health will allow.

---

THE REV. OSGOOD E. FULLER, FENTON, GENESEE COUNTY.

Agent for Trinity Schools, Fenton.

During the last conventional year, as well as during some months of the previous year, I have been exclusively engaged in the affairs of Trinity School. While thus employed I have occasionally assisted the Rev. L. L. Rogers of St. Jude's. I have also officiated several times for other clergymen.

As to the condition of Trinity School, which I represent as secretary and agent, I beg leave to refer to Exhibit A connected with the report of the special committee appointed by the last Convention to inquire into the status of said school.

---

THE REV. M. H. HUNTER, DETROIT, WAYNE COUNTY. (1846.)

Since the last Convention I have supplied the church in Pontiac, three Sundays; that in Flint, one Sunday; the Mariners' Church, Detroit, three Sundays; St. Paul's, Detroit, six Sundays and on Good Friday; Christ Church, Detroit, two Sundays; St. Stephen's and St. Peter's Detroit, each one Sunday; and St. Luke's Hospital Detroit, five Sundays; the church in Adrian, one Sunday; and the church in Sandwich and that in Amherstburg, Canada West, one Sunday each; and the chapel at Fort Wayne, one Sunday. I have also performed three marriages; and five baptisms, all infants. I have habitually assisted Dr. Pitkin in the communion service at St. Paul's.

THE REV. WILLIAM N. LYSTER, BREEDSVILLE, VAN BUREN COUNTY. (1833.)

My increasing infirmities have not allowed me to officiate regularly, or away from my residence. Here I have held some services and administered the sacraments as the opportunity offered.

---

THE REV. EDWARD MAGEE, DETROIT, WAYNE COUNTY. (1858.)

I am still engaged in the pursuits of husbandry. This in my case has become a necessity, in the out door life it requires, I try daily to solve the problem of health, and in the labors it imposes to obtain the means of support. I thus become chargeable to no man, no not even to the physician.

There has been, however, but little room for boasting, since until very recently, I dragged about with me during the past long, dreary winter, what seemed to me betimes, a half dead body. Last summer I assisted the Rector of Grace Church, Detroit, some few times, during divine service, and the administration of the Holy Communion. Except these I have no official acts to report.

It has pained me much to be obliged to decline officiating in parishes whose Rectors, in some cases, have been absent on account of ill health. One of these, and I record it with pleasure, was my last charge, the parish of Trinity, Bay City, from whose large hearted vestry I had a most pressing and affectionate invitation to this end. But alas! "can the dead bury the dead."

---

THE REV. GEORGE P. WILLIAMS, LL.D., ANN ARBOR,  
WASHTENAW COUNTY. (1847.)

Professor in the University of Michigan.

Since my last report, I have performed no clerical services other than occasionally assisting in the Sunday services of the church.

---

THE REV. JAMES SELKRIG, BRADLEY, ALLEGAN COUNTY. (1835.)

I am only able to state that I have been unable to preach since the Indians have left. Some are returning. I am over eighty years old and have no charge of the Indians. They are looking to my son who speaks the Indian language well.

THE REV. JOSIAH P. TUSTIN, D.D., (1863.)

Missionary to the Swedes in Michigan.

Owing to absence in Europe last year, I could not make report of my preceding year. Under my commission as General Missionary for Church work among the Swedes in Michigan and in my relation on the two important committees of the General Convention for church work among the Swedes in the old world and in the new, my time is divided between Europe and this country. During the last winter, for five months, I officiated for St. Mark's Church, Evanston, in the diocese of Illinois, as in the preceding winter. I had also officiated for the same parish for three months. This position in the vicinity of Chicago gave me access to the Swedish people throughout Illinois and the West generally.

During my two last visits in Europe, I officiated in England, France, Sweden, Denmark, and Norway, in English and Swedish Churches, and on shipboard on the Atlantic and Northern Oceans many times; and during these past two years I have delivered nearly as many sermons and addresses as I should have delivered as the Rector of a parish at home. I have baptized fifteen children, and officiated at several funerals and performed one marriage ceremony. I have directed the proceedings in organizing two Swedish parishes, St. Johannes', at New Bleking, and St. Ansgarius, at New Swea, in the County of Osceola in the State of Michigan. I have been requested by the proper authorities, to superintend a policy of specific colonization along the line of the Northern Pacific Railroad, and in connection with the several Bishops having jurisdiction over that line of 1,800 miles, I hope to utilize this colonization for the higher purposes of Christ's Church. In the meantime, I expect to give some attention to the care of this church and colonization work, in Michigan.

### REPORT OF THE EASTERN CONVOCATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

In conformity with Canon XI, the Eastern Convocation makes the following Annual Report :

The annual meeting took place in Trinity Church, St. Clair, September 5th and 6th, 1871. There were seven clergymen present who gave two sermons and four addresses, and Holy Communion. Collection, \$6.31. Services, three. The Rev. A. M. Lewis was re-elected Secretary and Treasurer.

January 22nd, 1872, the Convocation met at Romeo, with the very best results. There were eight clergymen present, who gave seven services, five sermons, eight addresses, and administered the Holy Communion. Alms, \$11.77.

April 16th, Convocation met at St. Peter's Church, Detroit, and gave three services, two sermons, four addresses, and Holy Communion. Alms, \$15.46. There were present twelve clergymen.

Respectfully,

A. M. LEWIS, *Secretary.*

---

### REPORT OF THE SOUTHERN CONVOCATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

In conformity with the Canon, the following Report of the Southern Convocation is respectfully submitted :

The ninth meeting was held in Trinity Church, Three Rivers, on June 28th and 29th, 1871, the Rev. M. A. Hyde, Rector. The preachers were Revs. Raymond, Safford, and Frisbie. The Holy Eucharist was celebrated and a missionary service held in the evening.

The tenth meeting was held in All Saints' Church, Brooklyn, September 5th and 6th, Rev. S. W. Frisbie, Rector. The preachers were Rev. Geo. A. Whitney, and the Rev. J. T. Magrath, of the Eastern Convocation. Three services were held and a good attendance at each. Collections, \$11.00.

An interesting and profitable meeting was held at Hillsdale, January 16th and 17th, 1872, (eleventh in number,) Rev. W. W. Raymond, Rector. The preachers were the Rev. J. T. Webster, and the Rev. G. B. Eastman. In the afternoon of the 2nd day the Sunday School assembled, and addresses were made by the clergy. This Sunday School meeting was one of the happiest services of the Convocation. The local Secretary of the Domestic Board of Missions was present, and gave valuable information upon matters connected with the work of the Board. The collections were \$15.20.

The twelfth meeting was held March 19th and 20th, during the Lenten season, in Trinity Church, Monroe, Rev. G. B. Eastman, Rector, nearly all of the clergy being present. The usual services were held, the preachers being Rev. W. W. Raymond and Rev. B. F. Fleetwood. The local Secretary of the Foreign Board of Missions was present, and at the Missionary meeting made an interesting statement of the work.

At all these meetings the Holy Eucharist was celebrated on the morning of the second day, and a Missionary meeting held in the evening. There is a growing feeling among the members, of the propriety of holding meetings in places where the Church is almost unknown, in preference to the established Parishes.

S. W. FRISBIE, *Secretary*.

#### REPORT OF THE NORTH - WESTERN CONVOCATION.

##### *To the Rt. Rev. the Bishop of the Diocese of Michigan :*

By delegated authority from the Bishop, the Rev. Samuel Earp, of Grand Rapids, summoned the members of the new Convocation to meet in that city, Sept. 26th, 1871. Nine clerical members were present, and the Rev. Dr. Breck, of California.

After a formal organization, and the election of a Secretary and Treasurer, the Convocation discussed fully and freely the missionary work, and devised plans for the support of an Itinerant Missionary, and appointed a Committee to confer with the Bishop.

A very pleasant feature of this meeting was the attendance, and co-operation, and speeches of the Laity of St. Mark's Church.

The second meeting was held in Grand Haven, Jan. 10th, 1872. Eight clerical members were present, and the Rev. J. W. Brown, of Detroit.

General missionary topics were discussed, and an arrangement made to supply the Parish in Whitehall with services once in each month.

The report of the Committee on the Itinerancy was read and accepted.

The third meeting was held in Muskegon, April 17th, 1872. Eight clerical members of Convocation, with the Rev. Mr. Wilson, united with the Bishop in consecrating St. John's Church, Grand Haven, on the morning of the 17th of May, 1872. In the evening, public religious services were held in Muskegon.

At this meeting appointments were made for a thorough canvassing of the Missionary ground, and pledges were made to visit the various places where there is, or has been, or is soon to be, a missionary field to work.

The Mission wants of this Convocation are so urgent and pressing, that they exclude all discussion of minor topics.

Respectfully submitted.

S. S. CHAPIN, *Secretary*.

## REPORT OF THE WESTERN CONVOCATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

The Western Convocation has held one meeting in St. Thomas' Church Battle Creek. The meeting was attended by nearly all the Clergy in the Convocation, and was one of considerable interest. As the Parishes within the Convocation are nearly all supplied with Rectors, it is hoped that the present year will witness more frequent meetings and deeper interest, than its predecessor.

JOHN T. MAGRATH, *Secretary.*

---

## REPORT OF THE NORTHERN CONVOCATION.

*To the Rt. Rev. the Bishop of the Diocese of Michigan :*

The Northern Convocation was called to meet at Midland, in October, 1871, but the fearful fires which devastated that portion of the Diocese making it impracticable to hold the meeting, it was adjourned without day, and since has not attempted to obey the Canon Law of the Church, hence the briefness of this report.

S. S. CHAPIN *Secretary.*

### REPORT ON NECROLOGY.

---

*The Rev. Thomas C. Pitkin, D.D., Registrar of the Diocese of Michigan:*

DEAR SIR—As Custodian of the Necrology of the Diocese, I report to you that since the last Convention I have entered on the Record, a letter from Mr. James Burtenshaw in reference to the Ministry of the late Rev. William Kelly at Ontonagon, L. S. Also, such notices as I have been able to secure of the late Rev. Henry Hobart De Garmo, including a discourse by the Rev. William W. Raymond; and an historical discourse by the Rev. John T. Magrath, containing notices of deceased Rectors of St. Paul's Church, Jackson.

The widow of the Rev. William Kelly has kindly allowed me to peruse a MSS. autobiography and journal of her husband. The documents are of great interest, and with revision would furnish a very valuable volume.

I beg leave to suggest to the Convention through you, that there are on hand materials for a Memorial volume of the deceased Clergy of the Diocese. Such a book would possess interest now, greater than in future years, when few will remain who have seen our brethren's faces in the flesh. With a suitable compiler, probably a sufficient number of subscribers could be obtained to warrant the publication.

Faithfully yours,

GEORGE D. GILLESPIE.

ANN ARBOR, June 5, 1872.

### ST. LUKE'S HOSPITAL AND CHURCH HOME, DETROIT, JUNE 1, 1872.

---

*To the Rt. Rev. Samuel A. McCoskry, D. D., D. C. L. :*

REV. AND DEAR SIR.—Since the report made to you of the situation of St. Luke's Hospital and Church Home, on Easter Tuesday of 1871, the mortgage debt of six thousand dollars and interest, has been raised by subscriptions, and the debt discharged.

The property is now free and unencumbered, but without endowment. The value of the land is constantly appreciating by the progress of improvements, and will doubtless rapidly increase with the growth of the city. Its present value cannot be less than fifty thousand dollars, perhaps much more. The buildings and improvements have cost the sum of \$25,266.74.

The Institution is enabled now to offer, only the shelter of bare walls, except so far as the funds furnished by the parishes in contributions, or memberships, will afford suitable means to extend the charities of the church ; or by the income derived from persons who are able to pay for their own support.

To meet the necessities of the situation, and at the same time, to give an opportunity to all who are charitably disposed to make provision for the sick and infirm, the Board of Trustees have recently adopted a resolution admitting any person to the benefits of the Hospital, or Home, upon the payment of one hundred and fifty dollars annually. This includes medical attendance, nursing, and all other necessary wants.

The situation of the building, for health and comfort is unequalled by any other similar institution in the city. The kind care and attention given to the inmates by the experienced head of the Institution, Mrs. Mary L. Maynard, Superintendent, is attested by many grateful hearts who have warmly acknowledged and expressed it.

This broad and liberal provision of the Board of Trustees, opening the benefits of the institution to all of every class or creed, ought to commend it to the public, and certainly to every parish in the Diocese, possessing the means, the establishment of one or more beds for the use of their poorer brethren when required.

Respectfully submitted.

ALLEN A. RABINEAU, *Treasurer.*

\* This does not include the six thousand dollars raised to pay the debt, as it is a recent transaction.

It is hereby made the duty of the Treasurer, to transmit to each of the clergy of the diocese—annually within the first week of the Advent season—a printed copy of this Canon.

**ALGONAC. (CONTINUED.)**

Through his efforts (the Rev. Mr. Jameson,) the congregation has been increased and greatly strengthened.

The Rev. Mr. Dooley was present with the Rev. Mr. Jameson, and assisted in the services.

**ST. CLAIR AND ORDINATION OF MR. BELNO A. BROWN.**

May 26th ; I preached in Trinity Church, St. Clair, and ordained Mr. Belno A. Brown as a Deacon. The candidate was presented by the Rector, the Rev. Mr. Dooley ; the Rev. Dr. Armstrong and the Rev. Mr. Jameson of the Diocese of Huron, were present and assisted in the services.

I also confirmed twenty-one persons.

## PORT HURON.

In the evening of the same day, I preached in Grace Church, Port Huron, and confirmed four persons. Owing to a very severe storm many persons were prevented from being present at the services.

## MARINE CITY, OR—CONSECRATION.

May 27th, I consecrated Trinity Church, Marine City; preached and baptized four children, and confirmed two persons.

The Rev. Dr. Armstrong and the Rev. Mr. Jameson of the Diocese of Huron and the Rev. Messrs. Stowe and Dooley were present.

## FLINT.—LAYING OF THE CORNER STONE OF ST. PAUL'S CHURCH.

May 29th, I laid the corner stone of the new St. Paul's Church, Flint, in the presence of divers of the clergy. It was a very pleasant service. The first Rector of the Parish, the Rev. Daniel E. Brown, who laid the corner stone of the old church, was present and aided in the services.

The church lot with its commodious parsonage could not be better chosen nor arranged. The church will be of stone, and will be a very beautiful structure.

The Rector has been unwearied in his labors, and to his efforts may be attributed the prosperity of the Parish. He has had no slight work to accomplish in raising the funds, and in bringing to such a successful issue, so noble an effort.

In the evening, I preached in the old church building.

## DETROIT. ST. PETER'S CHURCH.

May 30th, I preached in St. Peter's Church, Detroit, and confirmed eighteen persons. This was the second confirmation held in this Parish during the year.

All my visits to this Parish have been very pleasant, as the service is so well conducted, and the congregation join so heartily in the worship.

## PARISHES NOT VISITED.

There are several parishes that I could not visit, owing the very bad and uncertain traveling in the Month of March. Had it not been the case, I should have visited every parish in the Diocese. The facilities for traveling are now so great, that I can visit every parish with comparative ease during the year. I will visit the parishes omitted as soon as possible.

## DEATH OF THE REV. H. H. DE GARMO.

I deeply regret that I have to close this record, with the notice of the death of a beloved Presbyter, the Rev. H. H. De Garmo. He had not officiated in the Diocese for a year owing to declining health.

He still retained his official connection with it, in the hope, that he might be able to return. He died in Denver City, Colorado, May 18, 1871, whither he had gone in the hope of regaining his health.

He was a man of great purity of character, and of great devotion to his Master's work. God had greatly blessed him in his labors, as the Rector of St. Peter's Church, Hillsdale. He had infused new life and vigor into the parish, and had gathered around him active laborers in the cause of Christ. He lives in many hearts, softened and subdued through his instrumentality, by the grace of God, and now thanking Him that such a man of God had guided them in the way of life. I deeply regret his loss as a dearly beloved Presbyter.

## MISSION TO THE SWEDES.

At the request of the Rev. Dr. Tustin, the faithful and unwearied laborer in our Swedish Mission, I append the notice of the plan now adopted to give a permanent character to his efforts.

## SWEDISH COLONIZATION.

The Swedish emigration on the line of the Grand Rapids & Indiana Railroad is progressing favorably with those aided by the credit system, under the agency of Dr. Tustin, and a much larger number who have paid their own way. There are now twelve hundred Scandinavians, chiefly Swedes, settled or working along the line of the road.

The Rev. Dr. Tustin and the Swedish Pastor Rev. A. Almquist, have lately organized two parishes, according to the faith and order of the Church of Sweden. The first is "New Swea," near Reed City, about eight miles north of Paris, in town 18 north, section 33. The vestry of this Parish are Swedish settlers, as follows: Otto Larson, Axel Almquist, T. U. Dahlstrom, P. O. Hallin and A. P. Swenson.

The next Parish is called "New Bleking," twelve miles north of "New Swea," and ten miles south of Clam Lake, in township 20 north, section 25. The trustees of this Parish are: Peter A. Carlson, Olof A. Lindstrom, J. E. Larson, Olof Hultz, Nils Lindstrom, Lars J. Peterson and Olof P. Engstrom.

The legal documents in the organization of these Parishes are now duly recorded in the Register's office at Hersey, in Osceola County.

The Continental Improvement Company have donated a farm of eighty acres to each of these Parishes, by a deed of trust to Hon. Wm. A. Howard. The local board of vestry and their successors are to hold this grant of land for a glebe or parsonage farm for church and school purposes. These parish farms are selected from the best land owned by the Company, and are favorably situated for the sites of villages or towns. A portion of the glebe can be set aside and platted out into town

lots, and the proceeds of the sales will apply to the church and school purposes of the parish, for the church and school building and for improving the parsonage farm. A thriving settlement of farmers will gather around each church and school centre.

This method of parish organization as a means of settling up the country can be applied every short distance along the line of the road to the Traverse country.

The same privilege of a parish endowment will be afforded to any other denomination, or nationality, who will settle according to the conditions of the trust.

A colony of about two hundred Norwegians, obtained by Dr. Tustin, are expected here, in about two weeks, and will probably be settled not far from Clam Lake.

It would be an easy matter to induce Hollanders to settle up this fine region of country, as well as Scandinavians.

#### REVIEW OF THE VISITATIONS.

My visitation of the Diocese was as usual a very pleasant one. I received great kindness from the Clergy and laity, and I returned home with a thankful heart, that God had preserved me from all accident and danger, and had given such signal proof of His watchful care over His Holy Church. We trust we can say with great humility, that there are few Dioceses in which the Gospel of our blessed Lord is preached with greater simplicity and faithfulness. We have only to use the instrumentalities He has furnished in His Holy Church, with a calm reliance on His grace, to insure the rapid increase of His household.

#### CONCLUSION.

I commend you, dear brethren, to His love, and pray that God would impart to us the renewing and sanctifying influence of His Holy Spirit, that we may be made like our beloved Master in character and life, and and in doing good.

SAMUEL A. MCCOSKRY.
